Horace Visits a Roman Villa Adele Seviour 2021-10-29 A lively set of English workbooks for 7-11 year olds featuring stories about a cat's travels. Each book contains a series of graded English exercises to help spelling, punctuation and grammar. Featuring a cute character, Horace, this series enables the reader to travel back in time using Horace's latest technology, the i-collar. In this series, Horace visits Ancient Rome, exploring a Roman Villa, a Roman Town and the Roman Army. The stories are brimming over with fascinating facts about life in Roman times and also include Horace's opinions as he sees life through a cat's eyes. A series guaranteed to stretch the imagination; they will also challenge fluent readers with new vocabulary and give him or her practice in exercises featuring grammar, punctuation, spelling and basic comprehension. The text is illustrated throughout with bold, dynamic, cartoon style illustrations that will capture the child's imagination.

Romans Frank S. Thielman 2018-11-20 This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

The Word Becomes Flesh Adrienne von Speyr 1994 The first of von Speyr's scriptural commentaries, focusing on her reflections on the first five chapters of John and the beginning of the public life of Our Lord. She shares moving meditations on such profound and dramatic scenes as the witness of John the Baptist, the call of the disciples, the wedding at Cana, the cleansing of the money-changers in the temple, the Samaritan woman, etc. The combination of the Scripture verses and her meditations provide rich nourishment for prayer and spiritual reading. This series is

particularly important because the spirituality of St. John, the Apostle of Divine Love, was the central source of von Speyr's own inspiration and spiritual life.

How to Sit on the Throne of the Godless God of the Seventh Day Venerable Zen Master Vajra Karuna 2020-06-17 Perhaps you've thought that the traditional ways of understanding God are lacking in resonance and relevance—that there must be more to the concept of divinity than the anthropomorphic, gender-exclusionary, ethically and logically problematic God of Christianity, Judaism, and Islam. If so, this beautiful book may be the path to enlightenment that you've been seeking. Uthimaniyya, or Trans-Sufism, embraces the idea that there is an ultimate spiritual experience, called The Consciousness of the Eternal Now, or Sitting on the Throne of God. This experience is not dependent on any past religion—instead, it is realized through observing a mathematically mystical version of the Seventh Day (the Throne Sabbath) that is more compatible with a belief in God as everything, and everything as God. Since a God that is everything cannot have a personhood, it is referred to as the impersonal God, or the Godless God. The Throne Sabbath is based on a radical reinterpretation of the biblical and Qur'anic myth of the creation of the world in six days, and a seventh day when the Creator rested (Bible) or retreated to His throne (Qur'an). Inspiring and transcendent, *How to Sit on the Throne of the Godless God* is the guide you need to access a new viewpoint.

Attachment in Social Networks L.W.C. Tavecchio 1987-02-01 The main objective of the research presented in this book is to broaden the scope of attachment theory by stressing the importance of a social network approach to the study of attachment. This approach forms the integrating theme of this volume, as is testified by various studies of attachment as it develops in an "extended" rearing context over and beyond the limits of the traditional mother-child dyad. In this connection attention is paid to the importance of sibling relationships, attachment relationships with professional caregivers, the role of the father in caring and rearing young children, and the (short-term and long-term) effects on attachment quality of maternal employment in infancy. Also, the cross-cultural validity of Ainsworth's Strange Situation is discussed, with reference to the USA, Sweden, Israel, Japan, The Netherlands, etc. In adopting a social network approach, the attachment theory proves to be a particularly useful instrument for reflecting on the consequence of social change (maternal employment, symmetrical families, socialisation of childrearing) for child development. *The Psychologica Clinic* 1928

Nature of Mathematics Karl J. Smith 2016-01-01 Written for liberal arts students and based on the belief that learning to solve problems is the principal reason for studying mathematics, Karl Smith introduces students to Polya's problem-solving techniques and shows them how to use these techniques to solve unfamiliar problems that they encounter in their own lives. Through the emphasis on problem solving and estimation, along with numerous in-text study aids, students are assisted in understanding the concepts and mastering the techniques. In addition to the problem-solving emphasis, THE NATURE OF MATHEMATICS is renowned for its clear writing, coverage of historical topics, selection of topics, level, and excellent applications problems. Smith includes material on such practical real-world topics as finances (e.g. amortization, installment buying, annuities) and voting and apportionment. With the help of this text, thousands of students have experienced mathematics rather than just do problems—and benefited from a writing style that boosts their confidence and fosters their ability to use mathematics effectively in their everyday lives. Scholarship Series Technical Extension Service, Inc 1956

Perseverance and Apostasy in the New Testament Dongsu Kim 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and/or whether an apostate can be restored. The primary contribution of the book lies in the in-depth exegesis of the relevant New Testament Greek texts against the socio-historical circumstances of each faith community in the New Testament. The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus' words that bear upon the subject described in the Gospels. It also illuminates questions of the relationship between God's sovereignty and human responsibility, the role of the Holy Spirit for the believer's perseverance, and the role of Satan for the apostates' falling away. The book is a needed addition to earlier works on perseverance and apostasy.

Canadian Books in Print 1998

Isaiah 1-39 Gary V. Smith 2007-06-15 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: * commentary based on THE NEW INTERNATIONAL VERSION; * the NIV text printed in the body of the commentary; * sound scholarly methodology that reflects capable research in the original languages; * interpretation that emphasizes the theological unity of each book and of Scripture as a whole; * readable and applicable exposition.

Why Is English Like That? Norbert Schmitt 2006 Why is "night" spelled with "gh"? Why can't sentences end with prepositions? Why does English have so many words that express the same ideas? Questions like these can be difficult for teachers to answer when they do not know the historical background of the English language. Why Is English Like That? gives teachers a brief and accessible history of the English without assuming any prior knowledge of the subject. The book outlines the historical events that shaped English; describes how its grammar, vocabulary, spelling, and pronunciation developed over time; and highlights the "quirks" and "exceptions" in English that can be explained on a historical basis. By understanding how the English of today evolved from the English of past times, both teachers and students will be more comfortable with the many conventions of the English language. Why Is English Like That? also contains reproducible grammar and vocabulary exercises that will help teachers incorporate some of this historical knowledge into classroom activities. This book was written with English language teachers in mind, and the exercises are designed for ESL/EFL students, but it may also be used by teachers in training (L1 and L2).
