Hearst Marine Books Complete Guide to Anchoring and Line Handling David G.

Brown 1996 "As every boat owner knows, proper line handling is essential to the safe operation of every power- and sailboat. This book focuses on the practical - and time-saving - aspects of line handling. Areas covered range from mooring and docking to anchoring and sailboat running rigging. You'll learn how to select, handle, and knot synthetic rope; tie your boat safely for the night or the season; rig fenders and chafing gear to protect your boat; choose a safe overnight anchorage; make your anchor hold, then get it back again; navigate river and canal locks; tow a dinghy without hassles; heave a line ashore or to another boat; tow another boat in an emergency (and when not to); improve your boat's deck hardware; and much, much more!" "This guide also covers the techniques and assorted hardware for using line effectively, from riding out a storm at anchor to setting up a permanent mooring."--

How to Select, Inspect, and Buy an Rv

J. D. Gallant 2000-04-01 A complete & comprehensive RV buying guide

designed in three easy-to-read sections. Section 1 includes a step-by-step process for determining the

type of recreational vehicle required to satisfy the buyer's needs. It expands on how to choose a recreational vehicle for weekending,

vacationing, snowbirding, or fulltiming--whether it's a motor home, travel trailer, camper, or tent trailer. It details types of tow

vehicles & matching criteria: weight

consideration; how to compare brands & more. Section 2 will take the buyer through an inspection process to determine positive & negative features of the RV's design, workmanship & structural integrity. This section includes illustrations & photos in a special "Walk-Around" chapter to show the buyer the specific steps for a good evaluation. Section 3 will take the buyer through the buying process, which includes negotiating techniques to assist in avoiding pitfalls normally associated with financing & extended warranties. JD Gallant is a nationally-known consumer advocate, president of RV Consumer Group & author of many consumer titles. Prepaid orders 40% discount plus \$6 s/h. Order through publisher: RV Consumer Group, PO Box 520, Quilcene, WA 98376. 1-800-405-3325, or e-mail: orders@rv.org.

The Voyager's Handbook : The Essential Guide to Blue Water Cruising Beth Leonard 2006-11-16 "Belongs in the bookshelf of every cruising vessel."—Blue Water Sailing "If you are serious about that extended voyage, read The Voyager's Handbook."—Sailing "Every now and then a new voice emerges in the world of sailing literature that stands out, a voice that is both clear and of lasting quality. The appearance of such a new voice is something of an event, and that's what we'd call the publication of The Voyager's Handbook."—Blue Water Sailing This inspirational and comprehensive manual leads you step by step through every aspect of choosing, planning, and following the voyager's life. Using three example boats representing three cruising lifestyles—Simplicity, Moderation, and Highlife—Beth Leonard helps make your bluewater dreams come true, whether you're sailing on a shoestring or a CEO's pension. Starting with the things you can't do without—an enthusiastic crew, a seaworthy boat, and, of course, money—Leonard offers sage advice on how to select crewmembers who are truly committed to the voyage, how to choose the right boat for you, and how to find just the right approach

to financing your voyage and making the most of every dollar spent. Managing life from a floating home and keeping that home livable, seaworthy, and safe requires you to become, among other things, the ship's purser, engineer, doctor, cook, and cruise director. You'll discover how to prepare for these new roles and put necessary equipment and arrangements in place before you untie your docklines. This exquisitely detailed guide also helps you master the skills you'll need to handle a boat at sea with a small crew, including Weather forecasting Passage planning Watchkeeping Heavy-weather sailing Emergency management Midocean repairs Complete with dozens of easy-to-use graphs and tables for quick reference, along with the hard-won wisdom of experienced cruisers, The Voyager's Handbook is the ultimate resource for anyone who is planning, preparing for, or just dreaming about a great adventure on the high seas.

SAS and Elite Forces Guide Ropes and

Knots Alexander Stilwell 2012-04-03

SAS & Elite Forces Guide to Using Ropes and Knots draws on the skills of the world's best soldiers to teach you how to use these essential tools in the wilderness. Tried and tested techniques used by the world's special forces give you field-tested advice on issues such as: how to take care of ropes, the most useful knots to use in a survival situation, how to make your own ropes out of animal tendons or plants, how to use your rope effectively when climbing, how to lash together a log raft. A simple rope can be a lifesaver in a survival situation. Knowing how to use a rope and make effective knots will help you in an amazing variety of ways - from constructing shelters and creating weapons, to fishing and hunting. Most important, ropes and knots act as literal lifelines in dangerous environments, such as when crossing a fast-flowing river or scaling a mountainside.

Buy a Used RV for Sale at a Bargain

Price Dagny Wasil 2018-03-24 If you're thinking about buying a used RV then this book can help you successfully achieve that goal while protecting your time and finances in the process. Why buy a used RV? For starters ... to save money (a lot of it). Although there are other reasons too. This book gives a step-by-step plan for researching, selecting and buying an RV (motorhome, Class A, B or C, trailer-camper, popup or other) at a great price. Whether you're someone who wants to simply enjoy vacations in an RV, or live in one

full or part-time, this book can help you find and buy a used RV that perfectly suites your tastes, matches your particular goals, and fits your individual budget. This is a quick-reading, yet highly detailed money-saving guide: -- How to find an RV that perfectly suites your tastes and particular preferences ... no matter what your budget-- Why anyone's first RV should never be "brand new" ... and why you may never want to ever buy a new one-- New versus used RVs - a comparison (you may be surprised by some of these facts)-- The #1 (mistaken) reason why uninformed buyers choose a new RV over a used one-- Advantages and disadvantages of buying both new and used RVs -- What you should always do to learn about different types of RVs on the market (especially if you're brand new to RVing)-- Comprehensive explanations of different RV class and types (and which is currently holding the most value in today's market)-- Which class of RV you really want to consider buying if you're thinking about trading in for another RV within 3 years-- One type of RV that may be challenging (and possibly even dangerous at certain times) to drive on any road (Buyers need to be aware and do careful research when it comes to this one)-- Questions to ask yourself before deciding which type of RV is perfect for your needs and goals-- The TOP website to use (and how to use it) when researching the RV market-- How to know the TRUE market value of the RV you want-- Avoid overpaying for any RV by following this one simple rule-- Where and how to search online (websites to use when searching for RV deals)-- Questions to always ask a seller over the phone BEFORE going to look at the RV they're selling (These may save hours of wasted time)-- Items to ALWAYS bring with you when

going to inspect any RV-- RV Exterior Inspection: (appearance and condition) - step-by-step guide & comprehensive checklist (PDF printout available)-- RV Interior Inspection: (appearance and condition) - step-by-step guide & comprehensive checklist (PDF printout available)-- 2 simple rules about RV tires (keep you safe and possibly save a good bit of money in the process)-- How to properly conduct an RV test-drive (and why it's so important prior to making any offer)-- A really simple plan to get a great deal on the used RV that is perfect for you (no awkward or pretended negotiation skills needed)- - The #1 KEY to knowing the current market value of any used RV-- What to print out and bring with you before negotiating a sale price for any RV with the seller-- How to begin the negotiation for an RV (and why you NEED NOT EVER be afraid to talk about what you're willing to pay for it)-- The best way to get the seller to abandon their "inflated"(and often unrealistic) asking price in favor of your "below-market" offering price-- Safely and securely paying for the RV (No direct cash - do this whether buying from a private seller or dealer)-- The fastest (and possibly least-expensive) way to get RV insurance after purchasing With "Buy a Used RV for Sale at a Bargain Price," you can find the right RV for both your needs and budget. And you can do it with complete confidence -- knowing how to research RVs and truly understanding the worth of any RV on the market BEFORE making an offer on it. Buy the right RV. Buy it in great condition. And get a great deal using this book!
