Epperly 2016-09-16 With this volume on Paul's Letter to the Galatians, Dr Bruce Epperly, author of *Philippians: A Participatory Study Guide*, *Finding God in Suffering: A Journey with Job*, and *Transforming Acts: Acts of the Apostles as a 21st Century Gospel*, again brings the study of a Bible book to life for a 21st century audience. Epperly founds his work in the results on modern critical scholarship, but he's not content with reciting scholarship or discussing history. He aims to make the study of this theologically central letter a transformative experience. He does so by never losing sight of the fact that human problems remain human problems and that human potentiality, touched by God's grace, can accomplish great things. He finds a message of liberation in this book. Liberation from our guilt, yes, but also liberation from our self-imposed limitations. Through reading, discussion, exercises, and thought questions, he leads the reader through a study that can only be described as an adventure. It's an adventure you won't want to miss.

Eagle Song Joseph Bruchac 1999-03-01 A contemporary middle grade story about confronting bullying and prejudice Danny Bigtree's family has moved to Brooklyn, New York, and he just can't seem to fit in at

school. He's homesick for the Mohawk reservation, and the kids in his class tease him about being an Indian—the thing that makes Danny most proud. Can he find the courage to stand up for himself? “A worthy, well-written novella.” —Kirkus Reviews “This appealing portrayal of a strong family offers an unromanticized view of Native American culture, and a history lesson about the Iroquois Confederacy; it also gives a subtle lesson in the meaning of daily courage.” —Publishers Weekly “With so many Native American stories set in the misty past, it's great to read a children's book about an Iroquois boy who lives in the city now. Bruchac weaves together the traditional and the realistic as Danny's ironworker father tells stories of his people's history and heroes, stories that give Danny courage to confront his schoolyard enemies and make friends with them.” —Booklist
