

is your complete resource for preparing for the AZ-900 exam. Microsoft Azure is a major component of Microsoft's cloud computing model, enabling organizations to host their applications and related services in Microsoft's data centers, eliminating the need for those organizations to purchase and manage their own computer hardware. In addition, serverless computing enables organizations to quickly and easily deploy data services without the need for servers, operating systems, and supporting systems. This book is targeted at anyone who is seeking AZ-900 certification or simply wants to understand the fundamentals of Microsoft Azure. Whatever your role in business or education, you will benefit from an understanding of Microsoft Azure fundamentals. Readers will also get one year of FREE access to Sybex's superior online interactive learning environment and test bank, including hundreds of questions, a practice exam, electronic flashcards, and a glossary of key terms. This book will help you master the following topics covered in the AZ-900 certification exam: Cloud concepts Cloud types (Public, Private, Hybrid) Azure service types (IaaS, SaaS, PaaS) Core Azure services Security, compliance, privacy, and trust Azure pricing levels Legacy and modern lifecycles Growth in the cloud market continues to be very strong, and Microsoft is poised to see rapid and sustained growth in its cloud share. Written by a long-time Microsoft insider who helps customers move their workloads to and manage them in Azure on a daily basis, this book will help you break into the growing Azure space to take advantage of cloud technologies.

Series 63 Practice Exams and Study Guide Philip Martin McCaulay 2014-07-31 Series 63 Practice Exams and Study Guide will help investment professionals pass the Uniform Securities Agent State Law Examination. The book contains four practice exams and a study guide. The sample questions are the type that are most likely to appear on the Series 63 test and are in the same format as those on the exam. The questions are straightforward multiple choice questions with four choices and one best answer. Part I of this book contains the sample exams with a total of 240 questions, the equivalent of four complete 60-question Series 63 tests. Each 60-question practice test is followed by the answer key. After the answer key, the practice exam is displayed with the answers shown. The questions by topic are in the same proportion as the topic weightings on the Series 63 test. Part II of this book has a study guide in outline form. There is a section for each topic covered on the Series 63 test, including state securities acts and related rules and regulations (60% of the exam) and ethical practices and fiduciary obligations (40% of the exam).
