scientific study of the processes of aging from many disciplines, including social work, anthropology, biology, history, sociology, psychology, and demography. 5.5 IDENTIFICATION DOCUMENT - refers to any document or proof of being a senior citizen which may be used for the availment of benefits and privileges under the Act and its Rules.

The Power of Visual Communication - PwC

Both evolution and science sit behind the power of visual communications. Human beings remember and learn from images more successfully than text. Yet so often business communications remain solely and stubbornly text-based. There is no doubt that words have a place – including in this paper (yes, we appreciate
