out of your study time: Step 1: Set Up Your Study Program Step 2: Determine Your Readiness Step 3: Develop the Strategies Step 4: Review the Knowledge Step 5: Build Your Confidence *A History of Western Society Since 1300* Merry E. Wiesner-Hanks 2019-10-15 Praised by instructors and students alike for its readability and attention to everyday life, the thirteenth edition of *A History of Western Society* includes a greater variety of tools to engage today's students and save instructors time. This edition features an enhanced primary source program, a question-driven narrative, five chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad , which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that--when assigned--helps ensure students read the book; the complete companion reader with quizzes on each source; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read & Practice pairs LearningCurve adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

**Marsilius of Padua: The Defender of the Peace** Marsilius of Padua 2005-11-24 The Defender of the Peace of Marsilius of Padua is a massively influential text in the history of western political thought. Marsilius offers a detailed analysis and explanation of human political communities, before going on to attack what he sees as the obstacles to peaceful human coexistence - principally the contemporary papacy. Annabel Brett's authoritative rendition of the Defensor Pacis was the first new translation in English for fifty years, and a major contribution to the series of Cambridge Texts: all of the usual series features are provided, included chronology, notes for further reading, and up-to-date annotation aimed at the student reader encountering this classic of medieval thought for the first time. This edition of The Defender of the Peace is a scholarly and a pedagogic event of great importance, of interest to historians, political theorists, theologians and philosophers at all levels from second-year undergraduate upwards.

AP Achiever Exam Prep Guide European History, 2e, 2017, Student Edition Christopher Freiler 2016-10-28

*Barricades and Borders* Robert Gildea 2003-03-06 This is a comprehensive survey of European history from the coup d'etat of Napoleon Bonaparte in France to the assassination of the Archduke Ferdinand at Sarajevo, which led to the First World War. It concentrates on the twin

themes of revolution and nationalism, which often combined in the early part of the century but which increasingly became rival creeds. Going beyond traditional political and diplomatic history, the book incorporates the results of recent research on population movements, the expansion of markets, the accumulation of capital, social mobility, education, changing patterns of leisure, religious practices, and intellectual and artistic developments. The work falls into three chronological sections. The first, starting in 1800 (rather than the more usual 1815) follows the build-up of the revolutionary currents which were eventually going to erupt in the 'Year of Revolutions' 1848. The second, from 1850 to 1880, deals with the golden age of capitalism, the successful culmination of struggles for national unification, and the threat of anarchism. The concluding chapters look at the social and political stresses caused by socialism and national minorities, at new attempts by government to order society, imperial rivalry, and the descent into a war which was to mark the end of nineteenth-century Europe. For this third edition, Dr Gildea has substantially revised the text and maps, and completely updated the bibliography. Newly-added introductory sections guide the reader through the wealth of material in each chapter. The new edition also includes for the first time a full Chronology of the period, a list of leading state ministers, and family trees for all the major dynasties.

**AP® European History Crash Course Book + Online** Larry Krieger 2016-03-22 REA's Crash Course for the AP® European History Exam - Gets You a Higher Advanced Placement® Score in Less Time About this new exam and test prep: The new AP® European History exam is structured around five course themes and 19 key concepts in four different chronological periods, from approximately 1450 to the present. **Bibliographic Guide for Advanced Placement: European history 1965**

**The Wiley International Handbook of History Teaching and Learning** Scott Alan Metzger 2018-03-02 A comprehensive review of the research literature on history education with contributions from international experts The Wiley International Handbook of History Teaching and Learning draws on contributions from an international panel of experts. Their writings explore the growth the field has experienced in the past three decades and offer observations on challenges and opportunities for the future. The contributors represent a wide range of pioneering, established, and promising new scholars with diverse perspectives on history education. Comprehensive in scope, the contributions cover major themes and issues in history education including: policy, research, and societal contexts; conceptual constructs of history education; ideologies, identities, and group experiences in history education; practices and learning; historical literacies: texts, media, and social spaces; and consensus and dissent. This vital resource: Contains original writings by more than 40 scholars from seven countries Identifies major themes and issues shaping history education today Highlights history education as a distinct field of scholarly inquiry and academic practice Presents an authoritative survey of where the field has been and offers a view of what the future may hold Written for scholars and students of education as well as history teachers with an interest in the current issues in their field, The Wiley International Handbook of History Teaching and Learning is a comprehensive handbook that explores the increasingly global field of history education as it has evolved to the present day.

Why Study History? Marcus Collins 2020-05-27 Considering studying history at university? Wondering whether a history degree will get you a good job, and what you might earn? Want to know what it's actually like to study history at degree level? This book tells you what you need to know. Studying any subject at degree level is an investment in the future that involves significant cost. Now more than ever, students and their parents need to weigh up the potential benefits of university courses. That's where the Why Study series comes in. This series of books, aimed at students, parents and teachers, explains in practical terms the range and scope of an academic subject at university level and where it can lead in terms of careers or further study. Each book sets out to enthuse the reader about its subject and answer the crucial questions that a college prospectus does not.
