Personification Walter Melion 2016-03-11 The aim of this volume is to formulate an alternative account of personification, to demonstrate the ingenuity with which this multifaceted device was utilized by late medieval and early modern authors and artists in Italy, England, Scotland, and the Low Countries

Figurative Language Quick Starts Workbook Jane Heitman 2019-01-02 The Figurative Language Quick Starts workbook features activities that include multiple choice, fill-in-the-blank, concept application, and creative responses. Quick starts explain and illustrate each of the types of figurative language included: imagery, simile, metaphor, personification, allusion, symbolism, hyperbole, and more. Each page features two to four quick starts that can be cut apart and used separately. The entire page may also be used as a whole-class or individual assignment. The Quick Starts Series provides students in grades 4 through 8+ with quick review activities in science, math, language arts, and social studies. The activities provide students with a quick start for the day's lesson and help students build and maintain a powerful domain-specific vocabulary. Each book is correlated to current state, national, and provincial standards. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

Writing and Grammar, Grade 9 Joyce Armstrong Carroll 2001

Engage: College Reading Ivan Dole 2012-01-01 Taking a holistic approach to developmental reading, ENGAGE: COLLEGE READING is the third book in a 3-book series, covering reading levels grades 10-12. It guides students through a stepped and incremental approach, activating background or prior knowledge as many of the skills students need to become critical readers are skills they already possess and use on a daily basis. Often using popular media as a springboard, Dole and Taggart show students how the skills used when watching television or movies can easily transfer to their academic reading. In this third book, Engage offers a much greater emphasis on critical thinking, academic reading and reading for careers. Reviewers have lauded the inclusion of varied, interesting readings that will stimulate students' interest in reading and will provide them with background knowledge needed for the most popular college courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Human Rights, Inc. Joseph R. Slaughter 2009-08-25 In this timely study of the historical, ideological, and formal interdependencies of the novel and human rights, Joseph Slaughter demonstrates that the twentieth-century rise of "world literature" and international human rights law are related phenomena. Slaughter argues that international law shares with the modern novel a particular conception of the human individual. The Bildungsroman, the novel of coming of age, fills out this image, offering a conceptual vocabulary, a humanist social vision, and a narrative grammar for what the Universal Declaration of Human Rights and early literary theorists both call "the free and full development of the human personality." Revising our received understanding of the relationship between law and literature, Slaughter suggests that this narrative form has acted as a cultural surrogate for the weak executive authority of international law, naturalizing the assumptions and conditions that make human rights appear commonsensical. As a kind of novelistic correlative to human rights law, the Bildungsroman has thus been doing some of the sociocultural work of enforcement that the law cannot do for itself. This analysis of the cultural work of law and of the social work of literature challenges traditional Eurocentric histories of both international law and the dissemination of the novel. Taking his point of departure in Goethe's Wilhelm Meister, Slaughter focuses on recent postcolonial versions of the coming-of-age story to show how the promise of human rights becomes legible in narrative and how the novel and the law are complicit in contemporary projects of globalization: in colonialism, neoimperialism, humanitarianism, and the spread of multinational consumer capitalism. Slaughter raises important practical and ethical questions that we must confront in advocating for human rights and reading world literature—imperatives that, today more than ever, are intertwined.

Night Elie Wiesel 2013-09-10 A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Crossing Over 6 Tm' 2002 Ed.

Know It All! Grades 3-5 Reading Jennifer Humphries 2004 We Get Results We know what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to improve student performance. Then, use the answer key at the end of the document to evaluate their progress. Look at the product code on each worksheet to discover which of our many books it came from and build your teaching library! This ePacket has 9 activities that you can use to reinforce the standard CCSS L.7.5a: Figures of Speech. To view the ePacket, you must have Adobe Reader installed. You can install it by going to <http://get.adobe.com/reader/>.

The Handy Literature Answer Book Daniel S. Burt 2018-07-01 From the epic of Gilgamesh to Aristotle and Cicero, and from Shakespeare and the King James Bible to Wuthering Heights, War and Peace, The Adventures of Huckleberry Finn and the Nobel-winning lyrics of Bob Dylan, the world of literature is an integral part of our lives. Great literature can shape and form thoughts and opinions as well as influence politics and predict the future. Reading can truly enrich our lives, but it can sometimes be daunting to get the most out of a great work of literature. The Handy Literature Answer Book: Understand and Enjoy Meanings, Symbolism, and Signs in Great Works is an engaging, easy-to-read look at literature basics such as themes, symbols, context, and other literary devices. Different literary forms, including novels, poems, plays, short stories, memoirs, and literary nonfiction are analyzed. Hundreds of important stories and great works are used as illustrative examples. Learn about the five basic questions for any work of literature,

including "What is the significance of a title?" "What is conflict?" "What is character development?" "What is point of view?" "How does a setting affect a story?" "What are the different schools of literary criticism?" and many more. Bringing the most out of the reading experience, The Handy Literature Answer Book deciphers and analyzes stories, novels, and verses through insightful in-depth answers to nearly 400 common questions. You will also read about such fascinating tidbits as ... • What are the key components of literature? • How is reading literature different from other kinds of reading? • Why is artful reading so hard? • What do poems do? • How should a poem be read for its comparisons—metaphors and similes? • What, according to Poe, should be the method of the short story writer? • How do you recognize the difference between story and plot in a short story? • How can you recognize a symbol? • What are the defining characteristics of the novel? • How did the novel evolve from a popular literary entertainment to the modern novel? • What is the difference between drama and theater? • What is the best way to understand and appreciate Shakespearean drama? • What approaches should you take in reading an essay? • What are characteristics of a memoir? This handy primer also includes a glossary of essential literary terms, a timeline, a helpful bibliography, and an extensive index, adding to its usefulness. Making reading more enriching, rewarding, and enjoyable, The Handy Literature Answer Book is a wonderful, eye-opening read! **Machines of the Mind** Katharine Breen 2021-05-17 "Katharine Breen challenges our understanding of how medieval authors received philosophical paradigms from antiquity in their construction and use of personification in their writings. She shows that our modern categories for this literary device (extreme realism versus extreme rhetoric, or novelistic versus allegorical characters) would've been unrecognizable to their medieval practitioners. Through new readings of key authors and works—including Prudentius's "Psychomachia," Langland's "Piers Plowman," Boethius's "Consolation of Philosophy," and Deguileville's "Pilgrimage of Human Life"—she finds that medieval writers accessed a richer, more fluid literary domain than modern critics have allowed. Breen identifies three different types of personification—Platonic, Aristotelian, and Prudentian—inherited from antiquity that both gave medieval writers a surprisingly varied spectrum with which to paint their characters, while bypassing the modern confusion of conflicting relationships between personifications and persons on the path connecting divine power and human frailty. Recalling Gregory the Great's phrase "machinae mentis" (machines of the mind), Breen demonstrates that medieval writers applied personification with utility and subtlety, much the same way that, within the category of hand-tools, an open-end wrench differs in function from a hex-key wrench or a socket wrench. It will be read by medievalists working at the crossroads of religion, philosophy, and literature, as well as scholars interested in character-making and gendered relationships among characters, readers, and texts beyond the Middle Ages"-- **Socrates and Legal Obligation** R. E. Allen 1981-01-02 Socrates and Legal Obligation was first published in 1981. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. Charged with "impiety" and sentenced to death under the law of Athens, Socrates did not try to disprove the charges or to escape death, but rather held to a different kind of rhetoric, aiming not at persuasion but at truth. In Socrates and Legal Obligation, R.E. Allen contends that Plato's works on Socrates' acceptance of death—the Apology and the Crito — should be considered together and as such constitute a profound treatment of law and of obligation to law. Allen's study of Socrates' thought on these vital issues is accompanied by his own translations of the Apology and the Crito.

That's a Great Answer!

Esperanza Rising 2011-09

Data-Driven 3D Facial Animation Zhigang Deng 2007-10-05 Data-Driven 3D Facial Animation systematically describes the important techniques developed over the last ten years or so. Although 3D facial animation is used more and more in the entertainment industries, to date there have been very few books that address the techniques involved. Comprehensive in scope, the book covers not only traditional lip-sync (speech animation), but also expressive facial motion, facial gestures, facial modeling, editing and sketching, and facial animation transferring. It provides an up-to-date reference source for academic research and for professionals working in the facial animation field.

Against the Personification of Democracy Wesley C. Swedlow 2011-12-22 Against the Personification of Democracy offers a new theory of political subjectivity that puts the dilemma of desire into the forefront. By using Lacan to read key figures in political philosophy, the book demonstrates why democratic theory -- representative or radical - is not only ineffective when it comes to the best form of political cohabitation, but also productive of destructive and self-defeating forces. The book begins with the debate between Hobbesian and Lockeian notions of subjectivity to argue that the nature of political subjectivity is a function of the problem of desire. It then considers the question of the proper structure of political cohabitation in light of Hannah Arendt's insights into what happened to the stateless in World War II, leading to a distinction between the person in a bare and unadorned form and the public persona that is represented in most forms of democracy. Lacan is used to reread the question of political subjectivity, but, unlike radical democratic theory, the book argues against agonistic, representative, and thus endless democracy. Such a political formation is seen as an instigation and ultimate disappointment to desire (the persona), which leads to general negative outcomes, including genocide, concentration camps, and the removal of rights. Arguing against Zizek's proposal that a radical Act can save us politically, the book proposes a universal political formation as the only way out of the dilemma of political desire. This formation is not dependent on public personas, but rooted in actual persons meeting in their locality and sovereign to no one. An indispensable text for anyone interested in political theory, political philosophy, and democratic theory, Against the Personification of Democracy critiques positive theories of sovereignty through its analysis of political subjectivity and the problem of desire. More importantly, it provides a truly universal theory of democratic cohabitation that escapes political desire and thus the scapegoats of democratic failure, not to mention the anxiety of the impossibility of the democratic promise.

Trouble Gary D. Schmidt 2010-04-12 "Henry Smith's father told him that if you build your house far enough away from Trouble, then Trouble will never find you." But Trouble comes careening down the road one night in the form of a pickup truck that strikes Henry's older brother, Franklin. In the truck is Chay Chouan, a young Cambodian from Franklin's preparatory school, and the accident sparks racial tensions in the school—and in the well-established town where Henry's family has lived for generations. Caught between anger and grief, Henry sets out to do the only thing he can think of: climb Mt. Katahdin, the highest mountain in Maine, which he and Franklin were going to climb together. Along with Black Dog, whom Henry has rescued from drowning, and a friend, Henry leaves without his parents' knowledge. The journey, both exhilarating and dangerous, turns into an odyssey of discovery about himself, his older sister, Louisa, his ancestry, and why one can never escape from Trouble.

CLEP Success Peterson's 2007-05-04 Offers advice on improving scores on the CLEP, and includes reviews for five CLEP subjects and five full-length practice tests with explanatory answers.

Religion in Late Modernity Robert C. Neville 2002-07-17 Religion in Late Modernity runs against the grain of common suppositions of contemporary theology and philosophy of religion. Against the common supposition that basic religious terms have no real reference but are mere functions of human need, the book presents a pragmatic theory of religious symbolism in terms of which the cognitive engagement of the Ultimate is of a piece with the cognitive engagement of nature and persons. Throughout this discussion, Neville develops a late-modern conception of God that is defensible in a global theological public. Against the common supposition that religion is on the retreat in late modernity except in fundamentalist forms, the author argues that religion in our time is a stimulus to religiously oriented scholarship, a civilizing force among world societies, a foundation for obligation in politics, a source for healthy social experimentation, and the most important mover of soul.

What Every Middle School Teacher Needs to Know about Reading Tests (from Someone who Has Written Them) Charles Fuhrken 2012 Tests require a special kind of savvy, a kind of critical thinking and knowledge application that is not always a part of classroom reading experiences. Who better to teach you how to prepare your students for reading tests than someone who has written them? Charles Fuhrken has spent years working with several major testing companies and contributing to the reading assessments of various testing programs. What he's learned about testing can help teachers who are interested in teaching effective reading strategies as well as preparing students for reading tests. What Every Middle School

Teacher Needs to Know About Reading Tests (From Someone Who Has Written Them) offers extensive, practical strategies to help students perform well on test day. This ready-to-use, easy-to-understand resource provides a wealth of information about reading tests, including high-quality preparation materials, samples of the most frequently assessed reading standards, and engaging core-reading activities. Charles takes the mystery out of reading tests; he explains how students can learn the language of tests and apply their knowledge of reading to standardized tests. In addition to providing information about reading tests that will help students feel prepared and confident on test day, What Every Middle School Teacher Needs to Know About Reading Tests provides a wealth of resources that can be incorporated into a teacher's everyday reading work, including vocabulary development, literary techniques, interpretation, comprehension, and more.

101 Ways to Score Higher on Your SAT Reasoning Test Jaclyn Bissell 2010 "SAT reasoning test is a trademark of the College Board, which was not involved in the production of, and does not endorse this product."

The 'Powers' of Personification Joseph R. Dodson 2008-12-10 While scholars have often found value in comparing Wisdom and Romans, a comparison of the use of personification in these works has not yet been made, despite the striking parallels between them. Furthermore, while scholars have studied many of these personifications in detail, no one has investigated an individual personification with respect to the general use of the trope in the work. Instead, most of this research focuses on a personification in relation to its nature as either a rhetorical device or a supernatural power. The 'Powers' of Personification seeks to push beyond this debate by evaluating the evidence in a different light - that of its purpose within the overall use of personification in the respective work and in comparison with another piece of contemporaneous theological literature.

Cracking the SAT Literature Subject Test, 2013-2014 Edition Princeton Review 2013-04-23 If you need to know it, it's in this book. The Personification of Wisdom Alice M. Sinnott 2017-07-05 This book examines the personification of Wisdom as a female figure - a central motif in Proverbs, Job, Sirach, Wisdom and Baruch. Alice M. Sinnott identifies how and why the complex character of Wisdom was introduced into the Israelite tradition, and created and developed by Israelite/Jewish wisdom teachers and writers. Arguing that by personifying Wisdom the authors of Proverbs responded to Israel's defeat by Babylon and the loss of Davidic monarchy, and by retrieving and transforming the Wisdom figure the authors of Sirach, Baruch and Wisdom responded to the spread of Hellenism and the potential loss of identity for Jews. Sinnott concludes that personified Wisdom functioned to reinterpret and transform the Israelite/Jewish tradition.

Writing Awesome Answers to Comprehension Questions (Even the Hard Ones) Nancy Boyles 2021-05-04 Help students appreciate texts and write about them with conviction. Responding to a comprehension question is a surprisingly complex task. It draws on multiple skills: students must be able to read and analyze a text passage; consider what aspect of the text the question addresses; and then quickly and concisely write about their ideas, citing evidence to support them. Hence the prominence of constructed-response questions in standardized testing. In this refreshingly clear and upbeat guide, literacy consultant Nancy Boyles gives a step-by-step demonstration of how to help students achieve success with this task—and in the process of unpacking the steps involved, demonstrates how the instruction can inspire teachers' creativity as well as deepen students' literacy skills. Filled with ready-to-use scaffolds for every stage of instruction—sets of sample questions, anchor charts, cue cards, answer frames—this is a one-stop resource for teaching students how to organize their thoughts about what they've read, and then set them down in writing.
