

control arena. The new edition includes expanded coverage on risk management and is updated throughout to reflect the new IIA standards and current practice advisories. It also includes many helpful models, practical guidance and checklists.

Brink's Modern Internal Auditing Robert R. Moeller 2016-01-05 The complete guide to internal auditing for the modern world Brink's Modern Internal Auditing: A Common Body of Knowledge, Eighth Edition covers the fundamental information that you need to make your role as internal auditor effective, efficient, and accurate. Originally written by one of the founders of internal auditing, Vic Brink and now fully updated and revised by internal controls and IT specialist, Robert Moeller, this new edition reflects the latest industry changes and legal revisions. This comprehensive resource has long been—and will continue to be—a critical reference for both new and seasoned internal auditors alike. Through the information provided in this inclusive text, you explore how to maximize your impact on your company by creating higher standards of professional conduct and greater protection against inefficiency, misconduct, illegal activity, and fraud. A key feature of this book is a detailed description of an internal audit Common Body of Knowledge (CBOK), key governance; risk and compliance topics that all internal auditors need to know and understand. There are informative discussions on how to plan and perform internal audits including the information technology (IT) security and control issues that impact all enterprises today. Modern internal auditing is presented as a standard-setting branch of business that elevates professional conduct and protects entities against fraud, misconduct, illegal activity, inefficiency, and other issues that could detract from success. Contribute to your company's productivity and responsible resource allocation through targeted auditing practices Ensure that internal control procedures are in place, are working, and are leveraged as needed to support your company's performance Access fully-updated information regarding the latest changes in the internal audit industry Rely upon a trusted reference for insight into key topics regarding the internal audit field Brink's Modern Internal Auditing: A Common Body of Knowledge, Eighth Edition presents the comprehensive collection of information that internal auditors rely on to remain effective in their role.

Mastering the Five Tiers of Audit Competency Ann Butera 2016-05-02 Risk-based operational audits and performance audits require a broad array of competencies. This book provides auditors and risk professionals with the understanding required to improve results during risk-based audits. Mastering the Five Tiers of Audit Competency: The Essence of Effective Auditing is an anthology of powerful risk-based auditing practices. Filled with practical do and don't techniques, it encompasses the interpersonal aspects of risk-based auditing, not just the technical content. This book details the behaviors you need to demonstrate and the habitual actions you need to take at each

phase in an audit to manage the people relationships as well as the work itself. Each section of this book is devoted to a component of the audit: planning, detailed risk and control assessment, testing, audit report writing, project management, audit team management, and client relationship management. The book leverages The Whole Person Project, Inc.'s 30 years of hands-on organizational development experience and custom-designed internal audit training programs to aid those just starting out in audit as well as more experienced auditors. It also contains templates you can use to set performance goals and assess your progress towards achieving those goals. This book will spark ideas that can enhance performance, improve working relationships, and make it easier to complete audits that improve your organization's risk management culture and practices. Explaining how to make positive and sustained changes to the way you approach your work, the book includes a summary of the key points and a brief quiz to help you remember salient ideas in each chapter. Presenting proven methods and advice that can help you immediately save time, reduce stress, and produce reliable, quality results, this book is an ideal resource for anyone looking to make positive changes and adopt more productive work habits"

Wiley Federal Government Auditing Edward F. Kearney 2013-06-18 The most practical, authoritative guide to Federal Government auditing Now in its second edition, Wiley Federal Government Auditing is authored by four CPAs who are partners at Kearney & Company, a CPA firm that specializes in providing auditing, accounting, and information technology services to the Federal Government. This single-source reference provides you with up-to-date information on applicable laws, regulations, and audit standards. Created for both professionals and others performing Federal Government audits, this guide condenses the abundant, complex criteria for Federal Government auditing into concise, accessible topics you'll refer to frequently and presents: An easy-to-navigate format that allows you to find needed information quickly Detailed guidance on what, why, how, and by whom Federal audits should be made Discussion on internal control over Federal financial reporting Recent developments in auditing standards Federal financial statements, budgeting, accounting, and more Coverage of the scope and work required in an audit of Federal departments and agencies Examples of Federal audits Separate chapters devoted to auditing and evaluating Federal IT systems; performance audits; procurement and contract audits; and grant audits Written in a non-technical style and complete with helpful exhibits, this guide is a "go-to" reference for government auditors, Inspectors General, public accountants, military comptrollers, legislators, state and local government auditors, budget offices, financial managers, and financial analysts. The content also applies to contractors and grantees, universities, and other nonprofits and organizations that have repeated financial dealings with the Federal Government.
