Deep Learning for Coders with fastai and PyTorch Jeremy Howard 2020-06-29
Deep learning is often viewed as the exclusive domain of math PhDs and big tech companies. But as this hands-on guide demonstrates, programmers comfortable with Python can achieve impressive results in deep learning with little math background, small

amounts of data, and minimal code. How? With fastai, the first library to provide a consistent interface to the most frequently used deep learning applications. Authors Jeremy Howard and Sylvain Gugger, the creators of fastai, show you how to train a model on a wide range of tasks using fastai and PyTorch. You'll also dive progressively further into deep learning theory to gain a complete understanding of the algorithms behind the scenes. Train models in computer vision, natural language processing, tabular data, and collaborative filtering Learn the latest deep learning techniques that matter most in practice Improve accuracy, speed, and reliability by understanding how deep learning models work Discover how to turn your models into web applications

Implement deep learning algorithms from scratch Consider the ethical implications of your work Gain insight from the foreword by PyTorch cofounder, Soumith Chintala *Lord of the Flies* William Golding 2012-09-20 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of

modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home. Job Interview Jim Hunting 2020-07-02

Wondering how to excel at your next interview? Looking for a way to properly answer all interview questions? Want to make a great impression in a job interview? Everyone gets the jitters before an interview, but there is a fine difference between those who excel at their job interviews and those who don't. Much of it can be laid at the feet of being calm, confident, and

creative. However, it doesn't come naturally to everybody. In order to be successful at your next interview, you need to develop a certain frame of mind. Much of this will depend on how well you have prepared for the interview, and how confident you come across to the interviewer. At the same time, you do not need to copy someone else's formula in order to impress the interviewer. So, how does one go about preparing for the interview such that one excels at all of them? That is exactly what you'll learn in *Job Interview*. The main aim of this book is to provide you with the much needed tools, tips, and tricks that will enable you to crack the interview, every single time, with your present skills and abilities. All that is required is a little tweak in your approach towards

the job interview. Through this book, you will learn: Things you can say in order to convincingly answer job position questions To convince your interviewer that they need your skills and personality What to focus on while preparing for the interview A list of Do's and Don'ts in a job interview, and why they need to be followed How to come across as confident and commanding To be creative in your answers so you can stand out amongst the candidates All this and much more are covered in Job Interview. Until you find your dream job, this book will be your guide and gospel. With it, you will know the secret of developing certain habits that will not only help you form a positive impression on the interviewer, but will also assist you in your life. Even if you have never

actually prepared for an interview before, you can easily learn to do so in a short amount of time. With this book, you will learn to spot those windows of opportunities that will help you make your mark in the interview, and highlight the strengths of not just your technical understanding, but also of your personality. All these things go a long way to developing a confident outlook that really pays off in the interview room. Preparing for an interview doesn't require you to have special skills, but it does require you to follow a certain guideline. If you stick by the precepts of the book, and learn to practice and implement them in your interviews, you will land your dream job in no time. Interested in knowing more? You Turn Ashley Stahl 2021-01-26 If you're thinking about buying this book, it's probably because it feels like something's missing in your career. Guess what? It could be YOU. Whether you're living for the weekends or counting the minutes until 5 pm every day, life is too short to wish it away because you feel stuck in your job. The good news is that you have the power to stop living on autopilot and turn your career around. "Follow your passion," "find your purpose," and "do what you love" have joined the parade of bland

directives that aren't doing much to actually help you figure out what you're meant to do with your career. Instead, they only create more confusion. If all we had to do is "follow our bliss" . . . why aren't we blissful yet? The truth is, the best career is not one where you only do what you love, but one where you honor who you are. In *You Turn*, counterterrorism professional turned career coach Ashley Stahl shares the strategies she's used to help thousands ditch their Monday blues, get clarity on what work lights them up, and devise an action plan to create a career they love. This book gives readers access to Stahl's coveted 11-step roadmap that has guided thousands of coaching clients in 31 countries to self-discovery and success. Throughout her process,

you'll: • Discover your Core Skillset. Uncover your gifts and talents to create an intentional career path that's fulfilling and aligned with who you are—and what you're good at. • Understand your "Inner Money Blueprint." Discover the root of your money mindset, and how to break free of financial limitation. • Clarify your Core Interests. Identify the difference between a passion, gift, and calling so you can get clear on what's meant to be a hobby—and what's meant to be a career! • Become your own coach. Walk away with a unique set of tools for staying true to your best self in times of stress, frustration, or anxiety. Whether you're considering a career pivot, or just curious about what else is possible for you, it's time to make a "you turn"—to get

unstuck, discover your true self, and thrive (not just survive) in your career.

The Ideal Team Player Patrick M. Lencioni 2016-04-25 In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team

players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Interview Intervention Andrew LaCivita 2012-03-15 If you are interviewing with a company, you are likely qualified for the job. Through the mere action of conducting the interview, the employer essentially implies this. So why is it difficult to secure the job you love? Because there are three reasons you actually

get the job—none of which are your qualifications— and, unfortunately, you can only control one of them. INTERVIEW INTERVENTION creates awareness of these undetected reasons that pose difficulty for the job-seeker and permeate to the interviewer, handicapping the employer's ability to secure the best talent. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure they get hired. It teaches interviewers to extract the most relevant information to make sound hiring decisions. INTERVIEW INTERVENTION will become your indispensable guide to: ? Create self-awareness to ensure you

understand the job you want before—not after—the fact. ? Conduct research to surface critical employer information. ? Share compelling stories that include the six key qualities that make them believable and memorable. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intelligence through effective question asking. ? Close the interview to ensure the interviewer wants to hire you. *Behavioral Interview Questions and Answers* Horatio Bird 2020-01-07 If you want to know every questions and answers of a Behavioral Interview, then keep reading Not sure which questions you can usually find in a behavioral interview? High-Impact Interview Questions

Victoria Hoevemeyer 2017-10-15 When most prospective hires come well prepared for interview questions we all expect, how do you distinguish their answers from any other applicant? With this book by your side, you will no longer have to do your best guess work on what answers are genuine, which are rehearsed, and which will end up not reflecting the employee in the least. This invaluable resource shows you how to dig deeper using competency-based behavioral interviewing methods to uncover truly relevant and useful information. Complete with advice on evaluating answers and assessing

cultural fit, the second edition of High-Impact Interview Questions features dozens of all-new questions designed to gauge: accountability, assertiveness, attention to detail, judgment, follow-through, risk-taking, and more. When the candidate is asked to describe specific, job-related situations, you will gain a clearer picture of past behaviors-- and more accurately predict future performance. By the end of an interview, the real person behind the résumé will be revealed and you will be able to make an offer based on accurate findings, not hopeful hunches.

Interview Hero Angela Guido

2018-12-04 Are you tired of losing job offers at the interview stage? Sick of memorizing worn-out answer templates that make you feel like a

fraud at best or a total douche at worst? Ready to start loving interviews instead of hating and fearing them? In this conversational and life-changing book, Angela Guido teaches you how to inspire people with your true story, ups and downs and all. While the other applicants will bore the interviewer to tears with their canned responses and pretense of perfection, you will entertain, engage, and connect. That will make you the most likeable candidate, the one your interviewer champions behind closed doors. Interview Hero teaches you: New mindsets that transform interviews from painful interrogations to enjoyable conversations. Deep storytelling skills so you can relate your life's accomplishments as inspiring narratives without a trace

of arrogance? A step-by-step process to examine your experiences and construct your personal best answers to all the major interview question types ? Techniques to build and maintain confidence before and during the interview so you can win the offer Remember, heroes aren't born heroes. They become heroes. Read on to become an Interview Hero today. *Hiring for Attitude: A Revolutionary Approach to Recruiting and Selecting People with Both Tremendous Skills and Superb Attitude* Mark Murphy 2011-12-02 Build a high-performance workforce by abandoning skills-based hiring practices and focusing on employee attitude Hiring for Attitude offers a groundbreaking approach to recruiting, assessing, and selecting people with both tremendous skills but, more importantly, an attitude

that aligns with the organization's culture. Murphy cites his own company's research and examines recent scientific studies about the practical effects a person's attitude has on the outcome of his or her job performance. Clear and practical lessons are illuminated by numerous case studies of organizations like Microchip, Southwest Airlines, and The Ritz-Carlton.
