The Ghost Stallion Laura E. Williams 2016-07-05 I didn't have no hope of seeing the ghost stallion but I looked anyway. 'Course he wasn't really a ghost. He was flesh and bone, with blood running through him so wild that nobody tried to break him. Since Ma ran off, Pa doesn't pay much attention to Mary Elizabeth. Maybe it's because she doesn't look anything like Pa, with her long black hair and brown eyes. Or maybe it's because of something that happened a long time ago--before Mary Elizabeth was born. Either way, she plans to run away and be free--just like her ma, and just like the mysterious ghost stallion she watches for every night. But then a stranger comes to town, and Mary Elizabeth finds that nothing is what it seems to be. This beautifully crafted novel explores a young girl's struggle to find the truth behind her past and the courage to save her crumbling family. In lyrical prose, Laura E. Williams paints an intimate portrait of a daughter desperately trying to find a place for herself in her father's damaged heart.

Slant Laura E. Williams 2008-09-01 Thirteen-year-old Lauren, a Korean American adoptee, is best friends with the prettiest — and tallest — girl in the school, Julie, who has an endless amount of confidence. Lauren, on the other hand, has been saving for years to pay for a special eye surgery that will deepen the crease of her eyelids. It's not that she wants to look like everyone else in her suburban Connecticut school; she'd just be happy if kids stopped calling her "slant" and "gook." Up until now she's been able to ignore the insults, but when the cutest boy in her class calls her "slant," she realizes she needs to do something about her "nickname." When she convinces her reluctant father to consent to the eye operation, Lauren suddenly finds herself faced with a challenge: should she get the operation that might make her more confident and popular, or can she find that confidence within herself? Laura Williams' sensitive, beautifully written story offers a powerful lesson to young readers whose self-esteem depends too much on how they look.

Perfect Natasha Friend 2010-01-01 Depicting with humor and insight the pressure to be outwardly perfect, this novel for ages 10-13 shows how one girl develops compassion for her own and others' imperfections. For 13-year-old Isabelle Lee, whose father has recently died, everything's normal on the outside. Isabelle describes the scene at school with bemused accuracy--the self-important (but really not bad) English teacher, the boy that is constantly fixated on Ashley Barnum, the prettiest girl in class, and the dynamics of the lunchroom, where tables are turf in a all-eyes-open awareness of everybody's relative social position. But everything is not normal, really. Since the death of her father, Isabelle's family has only functioned on the surface. Her mother, who used to take care of herself, now wears only lumpy, ill-fitting clothes, cries all night, and has taken every picture of her dead husband and put them under her bed. Isabelle tries to make light of this, but the underlying tension is expressed in overeating and then binging. As the novel opens, Isabelle's little sister, April, has told their mother about Isabelle's problem. Isabelle is enrolled in group therapy. Who should show up there, too, but Ashley Barnum, the prettiest, most together girl in class.

Up a Creek Laura E. Williams 2016-07-05 A thoughtful coming-of-age novel about a young woman struggling to connect with her eccentric mother. "I picked up my poster, raising it so everyone could see that if they chopped down these old oak trees, they'd be killing the South as well. I held it high like I meant it, and I walked around Oak Square forty-six more times that day, till all that was left of the sun was a buttery smear in the sky." Miracle Bot's activism is a constant embarrassment to her thirteen year old daughter, Starshine. Why does Miracle spend all her time fighting causes? And how can Starshine's grandmother remain so supportive? After all, the 60's were a long time ago. First Miracle tries to save the whales, then the ozone layer, and now it's the old oak trees in the town square. But when Miracle decides to protect one of the oaks by living in it, she may have gone too far--too far for the mayor, the community, and especially her daughter. Now Starshine must find a way to make Miracle come down from the tree before their relationship becomes a lost cause. Fifteen-year-old Eugenie de La Roque and her family have barely escaped the French Revolution with their lives. Along with several other noble families, they sail to America, where an area that would come to be known as French Azilum is being carved out of the rugged Pennsylvania wilderness. Hannah Kimbrell is a young Quaker who's been chosen to help prepare French Azilum for the arrival of the aristocrats. In this wild place away from home, Eugenie and Hannah seem a mismatched pair—but find more in common than they first realize. With much to learn from each other, the girls unite to help free several slaves from their tyrannical French owner, a dangerous scheme that requires personal sacrifice in exchange for the slaves' freedom. A story of friendship against all odds, *Waiting for the Queen* is a loving portrait of the values of a young America, and a reminder that true nobility is more than a royal title. “Based on the true story of a group of families who sought asylum in Pennsylvania, this title vividly captures the hardships faced by the teen and her parents as they adjust to a life without luxuries . . . Eugenie's growth as she begins to understand what is really important to her is beautifully and convincingly portrayed.” —School Library Journal “The story shifts between Hannah and Eugenie's well-developed and distinct perspectives, both of which strongly reflect their respective upbringings and cultures. A meticulously detailed work of historical fiction about the challenges of the new and unfamiliar, and about looking beyond oneself toward the greater good.” —Publishers Weekly
