Brain Training Games Anne-Marie Ronsen 2021-12-10 "Brain Training Games" is the instruction book for your mind and subconscious. You'll only need to spend 5-minutes a day. You have the power -- I just show you how to use it. And best of all the results are guaranteed. And you'll rapidly discover when your mind is deceiving and playing tricks on you. And how to reverse its course in minutes. Less Before we proceed, I want you to understand something important ... you are no less intelligent, talented and creative than those millions of people who are living the lives of their dreams. You Already Have What It Takes! Do you remember what it was like when you first learned to drive a car? At first, you were making slow, cautious decisions. Perhaps you were a little nervous and made mistakes. That was your conscious mind controlling your actions. After a little practice, your subconscious mind took over. You no longer needed to think about every action. Using your subconscious, you can now drive in peak traffic while sipping coffee, listening to music and taking calls! How Can You Release Your Brain's Full Potential? The good news is, your brain can be trained. You can be smarter, think quicker, remember things better and be more creative. It's like building a muscular body. With the proper training and diet, a skinny looking boy can become a muscular man with huge biceps. With the right training and guidance, you too can release your brain's full potential and make your life a success. In this book, I reveal the exact techniques that anyone can follow to increase their brain power and turn their life around. You'll learn why your brain is not as effective as it can be, the obstacles to reaching your full potential, what food to eat, how to improve your memory and IQ! "Brain Training Games" is the instruction book for your mind and subconscious. You'll only need to spend 5-minutes a day. You have the power -- I just show you how to use it. And best of all the results are guaranteed. The Little Big Book of Brain Games for Smart Kids Annabelle Erikson 2019-04-27 During the time of the old West, a cowboy rides into town on Sunday. He stays for three days, and leaves on Sunday. How can this be? Want a hint? Think of a name. Still stumped? The book has the answer! Kidding. But really, it does. However I will give it to you: The man's horse was named Sunday! See, the good thing about these brain games is that they are timeless and will always keep sharpening your mind. The more you do them, the better you become at them. Yeah yeah, you've heard that before. "You should do things that help enhance your brain health and memory strength." If you are an adult, you can still benefit from these. But for kids... What if they started early? Even just one or two minutes of mind games can help prepare their minds for enhanced

learning. If you (or the teacher) are creative enough, you can even design the teasers to reflect everyday situations that kids may experience, adding a little valuable lesson along the way. For kids, learning and growth happen at a very early age. Brain teasers provide kids with challenges that allow them to check out their environment, understand other people, and learn to work with peers. And what about laughter? It is also no secret that laughter can be the best medicine. I mean, don't you tend to connect best over laughter? Kids can often times tell the best jokes that have us laughing all together. Why? Because jokes, which equals laughter, connect us with everyone; with friends, family members, even strangers! OK, that is all fine, but how does this relate to this book? In *The Little Big Book of Brain Games for Smart Kids*, you will discover: what exactly is a brain teaser? How brain teasers relate to cognitive function, and increase overall smartness! Enhanced tips and tricks on how to help solve brain teasers Some of the games and teasers include... Fun Wordplay Brain Benders Arithmetic Activities Puzzling Puzzles Mind-Boggling Mysteries Radical Riddles Discover how to become a brain teaser pro Ways to mystify and stump your friends!
