brain games is that they are timeless and will always keep sharpening your mind. The more you do them, the better you become at them. Yeah yeah, you've heard that before. "You should do things that help enhance your brain health and memory strength." If you are an adult, you can still benefit from these. But for kids... What if they started early? Even just one or two minutes of mind games can help prepare their minds for enhanced learning. If you (or the teacher) are creative enough, you can even design the teasers to reflect everyday situations that kids may experience, adding a little valuable lesson along the way. For kids, learning and growth happen at a very early age. Brain teasers provide kids with challenges that allow them to check out their environment, understand other people, and learn to work with peers. And what about laughter? It is also no secret that laughter can be

the best medicine. I mean, don't you tend to connect best over laughter? Kids can often times tell the best jokes that have us laughing all together. Why? Because jokes, which equals laughter, connect us with everyone; with friends, family members, even strangers! OK, that is all fine, but how does this relate to this book? In *The Little Big Book of Brain Games for Smart Kids*, you will discover: what exactly is a brain teaser? How brain teasers relate to cognitive function, and increase overall smartness! Enhanced tips and tricks on how to help solve brain teasers Some of the games and teasers include...
