Young Skins Colin Barrett 2015-03-04 A blockbuster collection from one of Ireland's most exciting young voices. "Sharp and lively . . . a rough, charged, and

surprisingly fun read." (Interview) A National Book Foundation 5 Under 35 Honoree * Winner of the Frank O'Connor International Short Story Award * Winner of the Guardian First Book Award * Winner of the Rooney Prize for Irish Literature Enter the small, rural town of Glanbeigh, a place whose fate took a downturn with the Celtic Tiger, a desolate spot where buffoonery and tension simmer and erupt, and booze-sodden boredom fills the corners of every pub and nightclub. Here, and in the towns beyond, the young live hard and wear the scars. Amongst them, there's jilted Jimmy, whose best friend Tug is the terror of the town and Jimmy's sole company in his search for the missing Clancy kid; Bat, a lovesick soul with a face like "a bowl of mashed up spuds" even before Nubbín Tansey's boot kicked it in; and Arm, a young and desperate criminal whose destiny is shaped when he and his partner, Dymrna, fail to carry out a job. In each story, a local voice delineates the grittiness of post boom Irish society. These are unforgettable characters rendered through silence, humor, and violence. "Lyrical and tough and smart. . . . What seems to be about sorrow and foreboding turns into an adventure, instead, in the tender art of the unexpected." —Anne Enright, Man Booker Prize Award-winning author "Sometimes comic, sometimes melancholy, *Young Skins* touches the heart, as well as the mind." —Irish American Post

Calm With Horses Colin Barrett 2020-07-09 NOW A MAJOR MOTION PICTURE Arm, an ex-boxer with a haunted past and a fractured present, finds himself the tool of the notorious Devers family. But when an opportunity to break free and offer his family a new life arises, his actions can't be without consequence. First published in the award-winning collection, *Young Skins*, the novella 'Calm With Horses' was adapted for film in 2020. It has been described by Mark Kermode as 'an immersive tale of tortured masculinity and divided loyalties that pulls the viewer right into the raging bull mindset of its haunted protagonist.' **Victorian Publishing** Alexis Weedon 2017-03-02 Drawing on research into the book-production records of twelve publishers-including George Bell & Son, Richard Bentley, William Blackwood, Chatto & Windus, Oliver & Boyd, Macmillan, and the book printers William Clowes and T&A Constable - taken at ten-year intervals from 1836 to 1916, this book interprets broad trends in the growth and diversity of book publishing in Victorian Britain. Chapters explore the significance of the export trade to the colonies and the rising importance of towns outside London as centres of publishing; the influence of technological change in increasing the variety and quantity of books; and how the business practice of literary publishing developed to expand the market for British and American authors. The book takes examples from the purchase and sale of popular fiction by Ouida, Mrs. Wood, Mrs. Ewing, and canonical authors such as George Eliot, Wilkie Collins, and Mark Twain. Consideration of the unique demands of the educational market complements the focus on fiction, as readers, arithmetic books, music, geography, science textbooks, and Greek and Latin classics became a staple for an increasing number of publishing houses wishing to spread the risk of novel publication.

Sanctuary Patrick Barrett 2022-03 "For decades, his family rescued lost and forgotten donkeys in the Irish countryside. He had no idea that one day, the donkeys would rescue him. Patrick Barrett grew up on the back of a donkey. In the small village of Liscarroll, he befriended the abandoned and abused donkeys his family cared for in their animal sanctuary. He became a true donkey whisperer -- communicating with them in ways they could understand and teaching himself how to speak in their distinctive calls. But Patrick's life took an unexpected turn. He shipped out with the Irish Army and encountered unimaginable wartime horrors in Lebanon and Kosovo. In the aftermath, he returned home a broken man, sinking into the depths of PTSD and addictions. He believed nothing could save him -- but he hadn't counted on God or the donkeys. Sanctuary is the remarkable true story of how faith turned one lost man's life around with the help of the rescue animals who loved him"--Back cover.

The Plague Year Lawrence Wright 2021-06-08 'A virtuoso feat... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's The Looming Tower became the defining account of our century's first devastating event, 9/11, so The Plague Year will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, The Plague Year allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus

The Trial of Jeanne d'Arc (Routledge Revivals) W. P. Barrett 2014-01-09 First published in 1931, this is the first unabridged English translation of the documents pertaining to the trial of Joan of Arc. The basis of the translation is drawn from an edition of the text published in 1841 by Jules Quicherat, but elements are also derived from a number of the manuscripts originally translated into Latin. As notes were taken daily by several scribes, the text provides important insight into the trial, its chronology and its major players, as well as Joan's character and intellect. With a detailed introduction and beautiful illustrations, this is a fascinating reissue that will be of value to students of medieval history, particularly those with an interest in medieval hagiography, heresy during the fourteenth century, ecclesiastical law and the practice of Church courts.

Why Would Anyone Believe in God? Justin L. Barrett 2004 Because of the design of our minds. That is Justin Barrett's simple answer to the question of his title. With rich evidence from cognitive science but without technical language, psychologist Barrett shows that belief in God is an almost inevitable consequence of the kind of minds we have. Most of what we believe comes from mental tools working below our conscious awareness. And what we believe consciously is in large part driven by these unconscious beliefs. Barrett demonstrates that beliefs in gods match up well with these automatic assumptions; beliefs in an all-knowing, all-powerful God match up even better. Barrett goes on to explain why beliefs like religious beliefs are so widespread and why it is very difficult for our minds to think without them. Anyone who wants a concise, clear, and scientific explanation of why anyone would believe in God should pick up Barrett's book.

The Story of My Life Augustus John Cuthbert Hare 1896
The Snow Queen Michael Cunningham 2014-05-06 A darkly luminous new novel from the Pulitzer Prize-winning author of The Hours Michael Cunningham's luminous novel begins with a vision. It's November 2004. Barrett Meeks, having lost love yet again, is walking through Central Park when he is inspired to look up at the sky; there he sees a pale, translucent light that seems to regard him in a distinctly godlike way. Barrett doesn't believe in visions—or in God—but he can't deny what he's seen. At the same time, in the not-quite-gentrified Bushwick neighborhood of Brooklyn, Tyler, Barrett's older brother, a struggling musician, is trying—and failing—to write a wedding song for Beth, his wife-to-be, who is seriously ill. Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of love. Barrett, haunted by the light, turns unexpectedly to religion. Tyler grows increasingly convinced that only drugs can release his creative powers. Beth tries to face mortality with as much courage as she can summon. Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence. In subtle, lucid prose, he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul. The Snow Queen, beautiful and heartbreaking, comic and tragic, proves again that Cunningham is one of the great novelists of his generation.

Arrange Us Katy Regnery 2019-05-20 My name is Courtney Jane Salinger...and I just got married. I was sick of Netflix and chilling, hanging out, catfishing, ghosting, break-ups, make-ups, and games. So, what did I do? I signed up with a married-at-first-sight matchmaking service, and I married the man who was waiting for me at the altar. We did it. We're married. He's mine. I'm his. Man and wife. Missus and Mister. Except...We barely know each other. We've never lived together. Turns out I'm an early bird, and he's a night owl. He works nights and I work all day. His parents keep asking when we're having kids, while mine keep emailing me the names of divorce lawyers. Women everywhere want to get in his pants, including his omnipresent ex ... and my newly-single boss can't seem to get the hint that I am off the market. No one thinks we can make it. And now I'm starting to wonder too. Being arranged was just the beginning. Is happily-ever-after even possible?
