Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Juneau grew up fearing the outside world. The elders told her that beyond the borders of their land in the Alaskan wilderness, nuclear war had destroyed everything. But when Juneau returns from a hunting trip one day and discovers her people have been abducted, she sets off to find them. And leaving the boundaries for the very first time, she learns the horrifying truth: World War III never happened. Nothing was destroyed. Everything she'd ever been taught was a lie. As Juneau comes to terms with an unfathomable deception, she is forced to survive in a completely foreign world, using only the skills and abilities she developed in the wild. But while she's struggling to rescue her friends and family, someone else is after her. Someone who knows the extraordinary truth about her secret past. *An Abundance of Katherines* John Green 2012-06-28 From the bestselling author of Turtles All the Way Down and The Fault in Their Stars, a beautiful tale of love, loss and not so fool proof mathematic equations.
