Cloaked Alex Flinn 2011-02-01 I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all. It all started with a curse. And a frogkapping. And one hot-looking princess, who asked me to lead a rescue mission. There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Everglades. Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked. *Hunger* Jackie Morse Kessler 2010-10-18 Jackie Morse Kessler's Riders of the Apocalypse series follows teens who are transformed into the Four Horsemen of the Apocalypse. But being Famine forces her to go places where hunger is a painful part of everyday life, and to face the horrifying effects of her phenomenal power. Can Lisa find a way to harness that power and the courage to fight her own inner demons? A wildly original approach to the issue of eating disorders, *Hunger* is about the struggle to find balance in a world of extremes, and uses fantastic tropes to explore a difficult topic that touches the lives of many teens.

**Southern Literature from 1579-1895** Louise Manly 1895

**The Catastrophic History of You and Me** Jess Rothenberg 2012-02-02 If I'd known right then that this was the kid who would grow up to break my heart beyond repair, maybe I would've stayed upstairs on the phone with Tess. Maybe I would've gone to bed early. Maybe I would've begged my parents to take me with them - even though those doctor dinners are pretty much the boringest things ever. But I didn't know. Couldn't know. So instead I shrugged and said something really genius like "Um, whatever." And proceeded to fall totally, madly, crazy in love.

The Well of Loneliness Radclyffe Hall 2015-04-23 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.
