Notifications issued under the Companies Act, 2013 *SEBI Listing Obligations and Disclosure Requirements – A Handbook, 1e* Dr. K. R. Chandratre 2020-05-10 About the book The book provides detailed analysis of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which replaced the Listing Agreement and were notified on 2nd September 2015. These Regulations impose considerable volume of compliance obligations on listed entities and every listed entity is obligated to comply with them. The volume of the Regulations and the pace at which they have been undergoing frequent changes makes the task of compliance a hard one for the compliance officers. This book attempts to simplify the complex mass of the Regulations and bring in the relevant provisions of the Companies Act, 2013 so as to assist the compliance officers in their task of compliance. These

Regulations apply to the listed entity who has listed any of the following designated securities on recognised stock exchange(s): (a) Specified securities listed on main board or SME exchange or institutional trading platform; (b) Non-convertible debt securities, non-convertible redeemable preference shares, perpetual debt instrument, perpetual non-cumulative preference shares; (c) Indian depository receipts; (d) Securitised debt instruments; (e) Security receipts; (f) Units issued by mutual funds; (g) Any other securities as may be specified by the Board. It would be immensely useful for Company Secretaries, Law professionals & Chartered Accountants. Capital markets lawyers/firms; securities market intermediaries; company secretaries; research scholars and students pursuing professional courses such as LL.B., M.B.A., M.F.C., M.B.E. and M.I.B. The book is a comprehensive exposition of the law and regulation of public offering of corporate securities. It puts together the law and regulation of public offering of corporate securities at one place, and studies it in a singular and coherent fashion, with an emphasis on the concepts and principles that are its foundations and building blocks. Moreover, it is written in a linear fashion, and not as a commentary of the statutory provisions, rules and regulations governing public offering of corporate securities. The book has a starting point, and each subsequent topic, section and chapter logically builds on the earlier analysis, leading to a coherent study of the law

and regulation of public offering of corporate securities. However, care has been taken to write these topics, sections and chapters in a manner that these can also be read independently by someone who may wish to refer to a select issue. This volume examines and explains (i) the concept of public offering of securities; (ii) the legal setting in which public offering of securities is undertaken and the mechanics of such transactions; (iii) potential liability of different parties such as issuer company, its promoters and directors, and securities market intermediaries involved in public offering of securities; and (iv) remedies that are available to investors.
