2009-10-01 A New York Times Notable  
Book and Winner of The Los Angeles

Times Book Prize, Neville's debut remains "a flat-out terror trip" (James Ellroy) and "one of the best Irish novels, in any genre, of recent

times" (John Connolly). Northern Ireland's Troubles may be over, but peace has not erased the crimes of the past. Gerry Fegan, a former paramilitary contract killer, is haunted by the ghosts of the twelve people he slaughtered. Every night, at the point of losing his mind, he drowns their screams in drink. But it's not enough. In order to appease the ghosts, Fegan is going to have to kill the men who gave him orders. From the greedy politicians to the corrupt security forces, the street thugs to the complacent bystanders who let it happen, all are called to account. But when Fegan's vendetta threatens to derail a hard-won truce and destabilize the government, old comrades and enemies alike want him dead.

*The Cold Cold Ground* Adrian McKinty  
2019-05-28 McKinty's previous book, *Falling Glass*, was an Audible.com Best Thriller of 2011 Northern Ireland, spring 1981. Hunger strikes, riots, power cuts, a homophobic serial killer with a penchant for opera, and a young woman's suicide that may yet turn out to be murder: on the surface, the events are unconnected, but then things—and people—are not always what they seem. Detective Sergeant Duffy is the man tasked with trying to get to the

bottom of it all. It's no easy job—especially when it turns out that one of the victims was involved in the IRA but was last seen discussing business with someone from the loyalist Ulster Volunteer Force. Add to this the fact that, as a Catholic policeman, it doesn't matter which side he's on, because nobody trusts him, and Sergeant Duffy really is in a no-win situation. Fast-paced, evocative, and brutal, *The Cold Cold Ground* is a brilliant depiction of Belfast at the height of the Troubles—and of a cop treading a thin, thin line.

2012-05-15 Set in a country struggling to come to terms with the legacy of its past and the promise of its future, *The Shadow Walker* is a gripping thriller that introduces Inspector Nergui of the Mongolian Serious Crime squad. As winter's first snow falls on Ulan Baatar, the mutilated body of a British geologist is found in the city's most expensive hotel, apparently the fourth victim of a serial killer. With political pressure to solve the crimes mounting, Nergui, ex-head of the Serious Crime Squad, is ordered back to his former role, building an uneasy working relationship with his successor and protégé, Doripalam, and with Drew McLeish, a senior British CID officer sent out to support the investigation. But the murders continue - leading the officers

through the disused factories of the decaying city, out on to the steppes among nomadic herdsman and illegal gold prospectors, and down into the barren landscapes of the Gobi. And then McLeish himself is kidnapped. With political tensions mounting and time draining away, Nergui and Doripalam piece together a case that encompasses both personal tragedy and shadowy commercial interests in Mongolia's vast mineral and energy reserves. And, finally, in a long-abandoned warehouse amongst the decaying Soviet-era factories of Ulan Baatar, Nergui comes face to face with the only figure who can bring the story to its shattering conclusion.

**Shrines and Pilgrimage in the Modern World** Peter Jan Margry 2008 The modern pilgrimage—to sites ranging from Graceland to the veterans' annual ride to to the Vietnam Veterans Memorial to Jim Morrison's Paris grave—is intertwined with man's existential uncertainties in the face of a rapidly changing world. In a climate that reproduces the religious quest in seemingly secular places, it's no longer clear exactly what the term pilgrimage infers—and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred, while commenting on the modern media's multiplication of images that renders the modern pilgrimage a quest without an object. Using new ethnographical and theoretical approaches, this volume

offers a surprising new vision on the non-secularity of the "secular" pilgrimage. "This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage."—Simon Bronner, Penn State University

**Tag Man** Archer Mayor 2011-09-27  
"Archer Mayor's Vermont police procedurals are the best thing going..." --New York Times Book Review  
Across Brattleboro, Vermont, rich people (some with dark secrets) are waking up in their high security, alarm-equipped homes to find a Post-

it note stuck to their bedside tables reading, "You're it." There is little sign of disturbance anywhere, nothing stolen (that anyone admits,) and only a bit of expensive food eaten as a signature. The Press loves the story and dubs the burglar the Tag Man. But who is he? And what's he actually doing? In fact, he's quickly running for his life, for what he discovers in one of these houses appears to be proof of a heinous string of murders. But is it? Joe Gunther, struggling to recover from a devastating personal loss, leads his VBI team to untangle the many conflicting pieces of evidence, while the burglar himself struggles for survival in the no-man's-land between the police and the villains. With no one knowing what to believe, or who to trust, with Tag Man running for his life in a way he

never imagined possible, as no one knows who's watching as they sleep, or who truly did what, the Tag Man is critically acclaimed author Archer Mayor at his very finest.

*The Contemporary Irish Detective Novel* Elizabeth Mannion 2016-05-30  
Irish detective fiction has enjoyed an international readership for over a decade, appearing on best-seller lists across the globe. But its breadth of hard-boiled and amateur detectives, historical fiction, and police procedurals has remained somewhat marginalized in academic scholarship. Exploring the work of some of its leading writers—including Peter Tremayne, John Connolly, Declan Hughes, Ken Bruen, Brian McGilloway, Stuart Neville, Tana French, Jane Casey, and Benjamin Black—*The Contemporary Irish Detective Novel*

opens new ground in Irish literary criticism and genre studies. It considers the detective genre's position in Irish Studies and the standing of Irish authors within the detective novel tradition.

**Making Sense of the Troubles** David McKittrick 2002-03-18  
Compellingly written and even-handed in its judgments, this is by far the clearest account of what has happened through the years in the Northern Ireland conflict, and why. After a chapter of background on the period from 1921 to 1963, it covers the ensuing period—the descent into violence, the hunger strikes, the

Anglo-Irish accord, the bombers in England—to the present shaky peace process. Behind the deluge of information and opinion about the conflict, there is a straightforward and gripping story. Mr. McKittrick and Mr. McVea tell that story clearly, concisely, and, above all, fairly, avoiding intricate detail in favor of narrative pace and accessible prose. They describe and explain a lethal but fascinating time in Northern Ireland's history, which brought not only death, injury, and destruction but enormous political and social change. They close on an optimistic note, convinced that while peace—if it comes—will always be imperfect, a corner has now been decisively turned. The book includes a detailed chronology, statistical tables, and a glossary of terms.

**Popular Music** Roy Shuker 2005 With 'Key Concepts in Popular Music', Roy Shuker presents a comprehensive A-Z glossary of the main terms and concepts used in the study of popular music.

Backstory 3 Patrick McGilligan 1997 "Backstory 3 targets the 1960s, probably the most neglected period in American film history. These screenwriters are extremely articulate, and one would be hard pressed to find better, more vivid or compelling accounts of what Hollywood was like during this period."-- Matthew Bernstein, author of *Walter Wanger, Hollywood Independent The Press and Apartheid* William A. Hachten 1984-06-18 A central thesis of this study is that freedom of the press- the right to talk serious politics and to report and criticize

government with impunity- now nonexistent for the black majority, has been steadily declining for the white population as well. Some South African journalists believe that the indistinct line between meaningful press freedom and unacceptable government control has already been crossed.

Hutchinson Builders. What started out as a one-man band in 1912, when an English immigrant builder arrived with his family to start a new life in Australia, has grown into the country's largest privately owned construction company. The Hutchies' story straddles a century that witnessed two world wars, the great depression and tumultuous cycles of financial crises against the backdrop of the rough and tumble world of construction. As well as tracking the survival and eventual growth of Hutchies into the dynamic and well respected company of today, the book outlines its evolution through successive generations of Jack Hutchinsons at the helm with a fifth generation poised to take on that role. That story is told by way of a historical account as well as

captured through the republication and inclusion of every back issue of "Hutchies' Truth", the company's colourful, tabloid-style newsletter covering those years.

Between the two cases, Cassie has her hands full. In Montana, a killer view can mean more than just the scenery, and Cassie knows much darker things hide behind the picturesque landscape of Big Sky Country. Treasure State, C. J. *Human Rights, Sexual Orientation and Gender Identity in the Commonwealth*  
Corinne Lennox 2013 "Human rights in relation to sexual orientation and gender identity are at last reaching the heart of global debates. Yet 78

states worldwide continue to criminalise same-sex sexual behaviour, and due to the legal legacies of the British Empire, 42 of these - more than half - are in the Commonwealth of Nations. In recent years many states have seen the emergence of new sexual nationalisms, leading to increased enforcement of colonial sodomy laws against men, new criminalisations of sex between women and discrimination against transgender people. [This book] challenges these developments as the first book to focus on experiences of lesbian, gay, bisexual, transgender and intersex (LGBTI) and all non-heterosexual people in the Commonwealth. The volume offers the most internationally extensive analysis to date of the global struggle for decriminalisation of

same-sex sexual behaviour and relationships."--Abstract, website.
