The Mermaid Christina Henry 2018-06-19 Once there was a fisherman who lived on a cold and rocky coast and was never able

to convince any woman to come away and live in that forbidding place with him. One evening he pulled up his net and found a woman in it. A woman with black hair and eyes as grey as a stormy sea and a gleaming fish's tail instead of legs. The storm in her eyes rolled into his heart. She stopped her thrashing and crashing at his voice, though she did not understand his words. But her eyes had seen inside of him, and his loneliness caught her more surely than the net. So she stayed with him, and loved him, though he grew old, and she did not. Remarks of this strange and unusual woman travelled from village to village and town to town, until they reached the ears of a man whose business was in the selling of the strange and unusual. His name was P.T. Barnum, and he'd been looking for a mermaid.

Black Howl Christina Henry 2012-02-28 Something is wrong with the souls of Chicago's dead. Ghosts are walking the streets, and Agent of Death Madeline Black's exasperating boss wants her to figure out why. And while work is bad enough, Maddy has a plethora of personal problems too. Now that Gabriel has been assigned as her thrall, their relationship has hit an impasse. At least her sleazy ex-fiance Nathaniel is out of the picture--or so she thinks...

The Dragon Conspiracy Lisa Shearin 2015-01-27 After solving The Grendel Affair, the agents have another SPI File to investigate... We're Supernatural Protection & Investigations, known as SPI. We battle the real monsters of myth and legend, but this Halloween, we're searching for diamonds... A gala opening at the Metropolitan Museum of Art has attracted the upper crust of Manhattan—and thieves. A trio of vile harpies attacks the crowd and steals the stars of the exhibition: a colorful cluster of seven cursed diamonds known as the Dragon Eggs. In the right mage's hands, each stone can pack a magical wallop. Together they have the power to "cure" the supernaturals of the tristate area—but for many of those vampires and werewolves, that means turning into dust. I'm Makenna Fraser, a seer for SPI. With the help of my partner, Ian, and the other agents, I have twenty-four hours to prevent total global panic, find the diamonds, and save the supernatural community. No biggie...

Blood Oranges Kathleen Tierney 2013-02-05 My name's Quinn. If you buy into my reputation, I'm the most notorious demon hunter in New England. But rumors of my badassery have been slightly exaggerated. Instead of having kung-fu skills and a closet full of medieval weapons, I'm an ex-junkie with a talent for being in the wrong place at the right time. Or the right place at the wrong time. Or...whatever. Wanted for crimes against inhumanity I (mostly) didn't commit, I was nearly a midnight snack for a werewolf until I was "saved" by a vampire calling itself the Bride of Quiet. Already cursed by a werewolf bite, the vamp took a pint out of me too. So now...now, well, you wouldn't think it could get worse, but you'd be dead wrong.

Things starts looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. But when an unholy monster is unleashed upon the

streets of Chicago, Maddy discovers powers she never knew she possessed. Powers linked to a family legacy of tarnished halos. Powers that place her directly between the light of Heaven, and the fires of Hell...
