2020-09-30 It's a new

generation of de Wolfe Pack

cubs, carrying on the tradition of
their illustrious grandfather.

Thomas "Tor" de Wolfe has his
hands full with battling women

and battling enemies as he

secures a border castle for

Edward I. Chaos is the name of

the game! Tor married, and lost,
his wife at a young age.

Because his wife was an

orphan, he inherited her two

sisters when they wed and

when she died, they became

his responsibility. Unfortunately,

the two spinster sisters view Tor

as their property. When Tor

meets the worldly Isalyn de

Featherstone, he is smitten.

Isalyn, however, is not. Tor is

big and handsome, but lives too

much of a provincial life. She

wants big cities, excitement,

money, and no baggage of a

dead wife. Isalyn's father,

however, feels differently - and

Isalyn finds herself betrothed to the gentle de Wolfe giant. The spinsters have a new target. Let the battles begin! Enter a world of medieval mayhem, adventure, but most of all, of an overwhelming passion that soon consumes both Tor and Isalyn. Add an ambitious and jilted suitor into the mix, and it could mean the end for everything they have worked so hard to build. But a strong love is worth fighting for, and no love is stronger than that of a de Wolfe. Part of the World of de Wolfe Pack series - de Wolfe Pack Generations subseries

One Last Lunch Erica Heller

2020-05-12 In this

heartwarming essay collection,

dozens of authors, actors,

artists and others imagine one

last lunch with someone they

cherished. A few years ago,

Erica Heller realized how

universal the longing is for one

more moment with a lost loved

one. It could be a parent, a

sibling, a mentor, or a friend,

but who wouldn't love the

opportunity to sit down, break

bread, and just talk? Who

wouldn't jump at the chance to

ask those unasked questions,

or share those unvoiced

feelings? In *One Last Lunch*,

Heller has asked friends and

family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

When God Goes to Starbucks

Paul Copan 2008-08-01 More than ever, Christians are bombarded with tough faith questions from their pluralistic friends and neighbors. Many of these emerge as "anti-truth

claims" and slogans we are all familiar with: • Why not just look out for yourself? • Do what you want--just as long as you don't hurt anyone • Miracles violate the laws of nature • Aren't people born gay? Paul Copan has been answering questions like these for many years. In When God Goes to Starbucks, he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks, shopping malls, youth groups, and schools. Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today.
