Love After Death Judy Fitzwater 2017-11-19 She never found love in life...Is it possible she'll find love after death?Something unexpected happens to Cindy Thomas during a mystery weekend at the Ferris Mansion. One

second she's enjoying a performance with astonishing special effects. The next, she's dead, surrounded by a troupe of long dead actors who aren't special effects at all. Harvey, her dream guy, is no longer a dream. He's real-a real ghost.Suddenly, this new

existence is complicated and scary and amazing, leaving her wondering if she's made the worst mistake of her life, her death, or whatever you want to call it. Cindy will have to decide...should she step through the gateway to Heaven, or is Heaven actually here on earth, in this handsome ghost's arms? Author's Note: When I wrote DYING AT HONEYMOON INN, I became fond of Cindy Thomas, the young woman I killed off before readers had a chance to get to know her. For those of you familiar with my other books, you know that in VACATIONING WITH THE DEAD, I populated the Ferris Mansion with a troupe of actors who just happen to be ghosts. I enjoyed writing that book so much, I wanted to revisit the characters. What better way than to have Cindy's spirit encounter them upon her death? Adding her to the group presented a number of problems, but I really enjoyed writing Cindy and Harvey's love story. Who's to say love

ends with death, or even the possibility of new love? That's part of the joy of creation. In my world, it doesn't have to

Neptune Noir Rob Thomas 2007-05-01 Neptune Noir is a collection of essays on the hit drama Veronica Mars, and is not authorized by CW, the creators or producers of Veronica Mars, or any entity associated with the show. More than just a high school drama, Veronica Mars is a smart and savvy teen detective show that offers complex mysteries and rapier wit, engaging social commentary, and noir sensibilities—with the occasional murder thrown in for good measure. This collection, edited by the creator and executive producer of the show, offers supreme insight into the class struggles and love stories of the series. Essays by top writers intelligently address a

multitude of questions, such as Is Veronica a modern-day vigilante? Why is a show that features rape, potential incest, and a teen girl outsmarting local authorities so popular with America's conservative population? and Why is Veronica and Logan's relationship the most important story-driving factor in the show?

Drowning in Air Judy

Fitzwater 2014-05-02 Blood. All over her hands. And Eva Keller doesn't know how it got there or whose it is. Or how she got to a gas station in downtown Washington, D.C., in the middle of the night with no car. The last 32 hours of her life are a complete blank. And the man she remembers going to meet is missing. When she arrives home late that night, she finds ruggedly handsome police officer Simon Talbot waiting for her. She has no idea who he is or why she feels such a strong connection to him, but he certainly seems to remember her. Can she trust him? Fifteen years ago, Eva watched helplessly as her teen-

aged boyfriend died in her arms, the victim of a drive-by shooting spree that took the lives of eight people one August evening. That event shaped her life and left her damaged. Now a successful documentary film maker, Eva has only one goal: to prove on film that Luther Isaacs, a petty thief just released from prison, was the killer. But someone is trying to kill Eva and will stop at nothing to keep her from proving who killed those eight people. DROWNING IN AIR is a taut romantic thriller, filled with twists and turns. It's a story of strength, survival, determination, love, danger, and, ultimately, redemption. Judy Fitzwater is the author of the suspense thriller NO SAFE PLACE, THE JENNIFER MARSH MYSTERY SERIES, and VACATIONING WITH THE DEAD. She's been published by Ballantine Books, a division of Random House, and Silhouette Bombshell.

Dying to Remember Judy Fitzwater 2016-04-25 Twelve years ago Jimmy Mitchell disappeared the night of Jennifer Marsh's prom, and now her good friend Leigh Ann is desperate for Jennifer to accompany her to their high school reunion. Nothing could make her go back to confront Sheena Cassidy, the backbiting, mean-spirited, boyfriend stealing, junior squad cheerleader that made her life a living hell—nothing except a note from Sheena's now husband Danny Buckner,

Jennifer's first love and prom date, who is pleading for her help with something that happened on that horrendous prom night. But when she gets to the reunion, Danny barely has a chance to speak with Jennifer before he's drawn away by one of his in-crowd. Less than an hour later Danny's dead in the parking lot, an apparent suicide. And Gavin Lawless, budding singer/song writer and the love of Leigh Ann's life, has returned to dredge up exactly what happened to Jimmy Mitchell that dreadful night twelve years ago that left Gavin with repressed memories and war hero Ben Underwood under a cloud of suspicion in Jimmy's disappearance. Old grudges and new insights lead Jennifer straight into danger as she's left *Dying to Remember*... Jennifer's writers' group is back, ready as always, to go undercover and ferret out information and help with outrageous ideas. Jennifer's boyfriend, investigative reporter Sam is back, too, as is her ever faithful greyhound

Muffy. "Fitzwater comes through with an imaginative plot, hilarious secondary characters (the critique group, mostly aspiring romance writers, is a hoot) and good red herrings to throw readers off the track." Publishers Weekly "Dying to Remember is a fast paced read and one I felt compelled to finish in one sitting....I was kept guessing right up until the end." The Mystery Reader "Jennifer is trapped in the thick of it, knowing too much to suit a killer...and dying to remember enough to save her own life." The Mystery Review

Dying to Get Even Judy Fitzwater 2016-04-25
Unpublished author and reluctant amateur detective Jennifer Marsh doesn't know how she keeps finding herself in the middle of a murder. Okay, the first one was her fault (she framed herself) but this one is just bad luck: catching her good friend, Emmie Walker, standing over her dead ex-husband, Edgar, holding a bloody knife. Jennifer's sure Emmie is innocent. She's a sweet senior citizen who is way too smart to do something so stupid. So what if she has motive (her former husband was loaded and she'd gain ownership over his successful chain of restaurants) and opportunity (found holding a knife over his body)? She's not the only one. Edgar Walker was not a nice man. People were probably standing in line to murder him. The question is who got to him first? With help from her quirky writer's group, gorgeous, cranky reporter Sam, and her own fictional heroine Maxie Malone, Jennifer's determined

to get to the bottom of this... before Emmie's convicted based on Jennifer's own eyewitness testimony. "If you're a fan of Susan Isaacs or Olivia Goldsmith, you'll love Judy Fitzwater." --Janet Evanovich "...one of the funniest new mystery authors since Janet Evanovich....see why mystery fans are still laughing!" --Meritorious Mysteries "Fitzwater once again offers an entertaining read." --Publishers Weekly "Dying to Get Even is a satisfying yarn that develops Jennifer Marsh as someone to reckon with, in spite of herself." --The Mystery Reader
Dying To Be Murdered Judy Fitzwater 2016-04-26 Mary Ashton is convinced someone is going to murder her, and that there's nothing she can do to stop it. But what she can do is hire unpublished mystery writer Jennifer Marsh to record her final days, so her killer won't get away with it. Mary may seem a little loony, but she's one of Macon's leading socialites, or at least she was until the competency hearing.

AND she's offering Jennifer \$1,000 a week to stay in her home, the historic Ashton mansion, reputed to be haunted by a Civil War heroine. The money's too good to turn down, especially for a starving writer, so Jennifer agrees. And what's the harm? Why would anyone want Mary Ashton dead? But the first night at the mansion, Jennifer's awakened by blood curdling screams coming from Mary's room, which is directly beneath her own. Trapped in her room, Jennifer is helpless. When she finally escapes, she finds a blood-soaked bed straight out of a horror movie but no sign of Mary's body. Old family secrets and grudges, mysterious deaths, and ghostly lights that move about the mansion lead to a mystery fraught with danger and intrigue. Jennifer's writers' group offers their usual comic relief as they continue their journey toward getting published. Jennifer's sarcastic reporter boyfriend Sam is there to lend his assistance as well. And, of course, so is her greyhound

Muffy. "I was drawn in at the first page, and it was hard to put down once I started....This is a series worth discovering from the beginning." Mystery News "...this is the book in which Judy Fitzwater has totally found her rhythm....I loved Dying to Be Murdered and wish I had the next one already!" Mystery Book Reviews "I was completely captivated...Dying to be Murdered is funny, entertaining and enjoyable. However, it is also compelling, suspenseful and thought provoking. The plot is a choreographed puzzle and it is up to Marsh to fit the pieces together, or risk becoming a victim." The Charlotte Austin Review Ltd. "If you've missed your Nancy Drew books, this is the next best thing, in an adult package. And looking very, very good." The Book Report, Inc.

Get Published Infinite Ideas 2010-10-01 It has never been easy for new authors to find a publisher but in the last few years it has become significantly harder. In 2008, the average author earned less than £7000 per annum. According to The Times approximately 200,000 books were available for sale in the UK in 2007. Of that total, 190,000 titles sold fewer than 3,500 copies. The top 5% of titles by sales volume accounted for over 60% of total book sales. No wonder publishers are careful about signing new writers. But there is good news in amongst all the doom and gloom. Right now, it has never been easier to be published. Everyone who posts something on Facebook is in

effect a published author. And some blogs are read by tens of thousands of people daily, many more than might pick up a physical book by the same author. Then there's self-publishing, vanity publishing, print on demand and so on. But how do you find your way round this minefield? Get published has been written by publishing insiders to help new authors understand the way publishers think and set about publishing if they can't get a commercial publisher interested.

DYING TO REMEMBER,

DYING TO BE MURDERED,

and DYING TO GET HER MAN

continue Jennifer Marsh's

adventures as an amateur

detective and mystery writer striving fervently to get published. In *DYING TO REMEMBER*, Jennifer is dragged to her high school reunion by her good friend Leigh Ann. But high school holds nothing but bad memories for Jennifer. Twelve years ago on prom night, classmate Jimmy Mitchell vanished, and her high school beau, Danny Buckner, humiliated her by disappearing in the middle of their date.

Now he's begging for her help, only he won't live long enough to tell her why he needs it. Old mysteries surface and new dangers arise as Jennifer tries to solve two murders, one from the past and one from the present. In *DYING TO BE MURDERED*, Jennifer has been hired to record the last days of rich society matron Mary Ashton's life. Mary's convinced someone is going to murder her, and that there's nothing she can do to stop it. She makes Jennifer promise that she won't let her murderer get away with it. Jennifer doesn't believe her until Mary winds up

dead. Family secrets and grudges, mysterious deaths, and ghostly lights that move about the Ashton Mansion lead to a mystery fraught with danger and intrigue. In *DYING TO GET HER MAN*, Suzanne Gray dresses herself in white, ties a blue ribbon in her hair, gathers a bouquet of white roses, types a suicide note, lies down on her lover's grave on the coldest day in Macon, Georgia's recent history, and freezes to death. Or does she? Is it suicide? Is it murder? Jennifer is determined to find out even as Sam seems determined to ask Jennifer to marry him—at least until his old college flame shows up. Jennifer's writers' group is back in each volume to offer their questionable help as they continue their journey toward getting published. Jennifer's reporter boyfriend Sam is there, as well, to lend his assistance. And Jennifer's faithful greyhound, Muffy, offers plenty of love and support.

Up to This Pointe Jennifer Longo 2016-01-19 Harper had a plan. It went south. Hand this utterly unique contemporary YA to anyone who loves ballet or is a little too wrapped up in their Plan A. (It's okay to fail, people!) Harper Scott is a dancer. She and her best friend, Kate, have one goal: becoming professional ballerinas. And Harper won't let anything—or anyone—get in

the way of The Plan, not even the boy she and Kate are both drawn to. Harper is a Scott. She's related to Robert Falcon Scott, the explorer who died racing Amundsen and Shackleton to the South Pole. Amundsen won because he had a plan, and Harper has always followed his model. So when Harper's life takes an unexpected turn, she finagles (read: lies) her way to the icy dark of McMurdo Station . . . in Antarctica. Extreme, but somehow fitting—apparently she has always been in the dark, dancing on ice this whole time. And no one warned her. Not her family, not her best friend, not even the boy who has somehow found a way into her heart. It will take a visit from Shackleton's ghost--the explorer who didn't make it to the South Pole, but who got all of his men out alive--to teach Harper that success isn't always what's important, sometimes it's more important to learn how to fail successfully. The Conjuring meets Sadie in this queer ghost story, when seventeen-year-old podcaster Dare finds herself in a life-or-death struggle against an evil spirit. Dare Chase doesn't believe in ghosts. But as the host of Attachments, her brand-new paranormal investigation podcast, she knows to keep her doubts to herself if she wants to win over listeners. Her first season's subject is the Arrington Estate—a sprawling manor rumored to be haunted by the spirit of Atheleen Bell, who drowned in its lake almost thirty years ago. Dare's more interested in investigating the

suspicious circumstances of Atheleen's death, which she thinks point to a decades-old murder, not something supernatural. But Arrington is full of surprises. As Dare is drawn deeper into the mysteries of the estate, she'll have to rethink the boundaries of what is possible. Because if something is lurking in the lake . . . it might not be willing to let her go.

Fear the Drowning Deep Sarah Glenn Marsh 2016-10-11 Some secrets are better left at the bottom of the ocean. Sixteen-year-old Bridey Corkill longs to leave her small island and see the world; the farther from the sea, the better. When Bridey was young, she witnessed something lure her granddad off a cliff and into a watery grave with a smile on his face. Now, in 1913, those haunting memories are dredged to the surface when a young woman is found drowned on the beach. Bridey suspects that whatever compelled her granddad to leap has made its return to the Isle of Man. Soon, people in Bridey's idyllic village begin

vanishing, and she finds an injured boy on the shore—an outsider who can't remember who he is or where he's from. Bridey's family takes him in so he can rest and heal. In exchange for saving his life, he teaches Bridey how to master her fear of the water—stealing her heart in the process. But something sinister is lurking in the deep, and Bridey must gather her courage to figure out who—or what—is plaguing her village, and find a way to stop it before she loses everyone she loves. Dying To Get Her Man Judy Fitzwater 2016-04-26 On the coldest day in Macon, Georgia's recent history, Suzanne Gray dressed herself in white, tied a blue ribbon in her hair, gathered a bouquet of white roses, typed a suicide note, lay herself down on her lover's grave, and froze to death. Or did she? Suzanne's niece doesn't think so. Neither does mystery writer Jennifer Marsh. Not only was the note not signed, but, well, honestly the whole thing sounds fishy to Jennifer and she can't let it go. Sam Culpepper, the reporter on the case and Jennifer's boyfriend, not only appears to be hiding some of the details from Jennifer but seems more interested in taking their relationship to the next level than discussing work. So why, then, does an engagement announcement for Sam and his ex-girlfriend appear in the

paper the next day? Did Suzanne commit suicide or was she murdered? Did Suzanne's lover really die from a slip on the stairs? Does Sam have another relationship that Jennifer knew nothing about? What will it take to solve these mysteries? When the bullets start to fly, Jennifer knows that she'd better figure out what's happening, or she'll be paying with more than her heart... she'll be paying with her life. Bowker's Guide to Characters in Fiction 2007

*Mystery Women, Volume Three
(Revised)* Colleen Barnett

2010-12-31 Like other fictional characters, female sleuths may live in the past or the future.

They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world.

They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in

mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.
