The Survival of a Mathematician Steven George Krantz 2009-01 "One of the themes of the book is how to have a fulfilling professional life. In order to achieve this goal, Krantz discusses keeping a vigorous scholarly program going and finding new challenges, as well as dealing with the everyday tasks of research, teaching, and administration." "In short, this is a survival manual for the professional mathematician - both in academics and in industry and government agencies. It is a sequel to the author's A Mathematician's Survival Guide."--BOOK JACKET. **This Book Loves You** PewDiePie 2015-10-20 This Book Loves You by PewDiePie is a collection of beautifully illustrated inspirational sayings by which you should live your life. If you follow each and every one, your life will become easier, more fabulous, more rewarding. Imagine what a chilled-out and wonderful human being people would think you were if you lived by the simple principle "You can never fail if you never try." Your wasted life would be an inspiration to others. Think of all the pointless, unhappy striving you could simply give up. Throw away that guitar! Give up on your dreams! Embrace your astounding mediocrity. This Book Loves You has something for everyone--or at least everyone willing to give up and stop caring. If all else fails, remember: "Don't be yourself. Be a pizza. Everyone loves pizza."

BoJack Horseman: The Art Before the Horse Chris McDonnell 2018-09-04 Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

The Elements of Academic Style Eric Hayot 2014-08-26 Eric Hayot teaches graduate students and faculty in literary and cultural studies how to think and write like a professional scholar. From granular concerns, such as sentence structure and grammar, to big-picture issues, such as adhering to genre patterns for successful research and publishing and developing productive and rewarding writing habits, Hayot helps ambitious students, newly minted Ph.D.'s, and established professors shape their work and develop their voices. Hayot does more than explain the techniques of academic writing. He aims to adjust the writer's perspective, encouraging scholars to think of themselves as makers and doers of important work. Scholarly writing can be frustrating and exhausting, yet also satisfying and crucial, and Hayot weaves these experiences, including his own trials and tribulations, into an ethos for scholars to draw on as they write. Combining psychological support with practical suggestions for composing introductions and conclusions, developing a schedule for writing, using notes and citations, and structuring paragraphs and essays, this guide to the elements of academic style does its part to rejuvenate scholarship and writing in the humanities.

No Job for a Man John Ross Bowie 2022-11-01 A darkly witty, deeply affecting, and finely crafted memoir by the Big Bang Theory andSpeechless star and comedian, John Ross Bowie. From his earliest memories of watching Rhoda with his parents in their tiny Hell's Kitchen apartment, John knew that he wanted to be an actor. The strange, alternate world of television—where people always cracked the perfect joke, lived in glamorous Upper East Side buildings, and made up immediately after fighting—seemed far better than his own home life, with a mother and father on the brink of divorce and a neighborhood full of crumbling pre-war architecture and not-so-occasional muggings. And yet that other world also seems unattainable. Besides crippling stage fright (which would take him years to overcome) John's father, ever aloof and cynical, has instilled within him the notion that acting is “no job for a man.” His father would impart that while theater, film, and television should be consumed and even debated, to create was no way to make a living or support a family. Putting aside his acting dreams, John stumbles through his twenties. He tries his hand at teaching and other traditional occupations, but nothing feels nearly as fulfilling as playing with his fleetingly on-the-map punk band, Egghead. When he and his bandmates break up, John lands a joyless job copywriting for a consulting agency and slips into a dark depression. He loses weight, begins drinking heavily, and his relationships flounder. But everything changes when John discovers improv (and anti-depressants). As a part of New York's now-famous Upright Citizens Brigade, John not only explores his passion for acting and comedy—and begins to envision himself doing so professionally—he also meets his future wife and fellow actor, Jamie Denbo. No Job for a Man follows the couple as they relocate to Los Angeles and try to make it in the arts, meeting success and failure, wins and losses, despair and hope along the way. Though his father chronically refuses to acknowledge pride in his adult son's accomplishments, John comes to realize what being a man truly means.

How to Ruin Everything George Watsky 2016-06-14 A New York Times Bestseller "Funny, subversive, and able to excavate such brutally honest sentences that you find yourself nodding your head in wonder and recognition." —Lin-Manuel Miranda, composer and lyricist of In the Heights and Hamilton: An American Musical Are you a sensible, universally competent individual? Are you tired of the crushing monotony of leaping gracefully from one lily pad of success to the next? Are you sick of doing everything right? In this brutally honest and humorous debut, musician and artist George Watsky chronicles the small triumphs over humiliation that make life bearable and how he has come to accept defeat as necessary to personal progress. The essays in How to Ruin Everything range from the absurd (how he became an international ivory smuggler) to the comical (his middle-school rap battle dominance) to the revelatory (his experiences with epilepsy), yet all are delivered with the type of linguistic dexterity and self-awareness that has won Watsky devoted fans across the globe. Alternately ribald and emotionally resonant, How to Ruin Everything announces a versatile writer with a promising career ahead.

Big Green Egg Cookbook Lisa Mayer 2010-09-14 Over 160 recipes designed specifically for the ceramic kamado cooker, the Big Green Egg, for searing, grilling, smoking, roasting, and baking. The Big Green Egg Cookbook is the first cookbook specifically celebrating this versatile ceramic cooker. Available in five sizes, Big Green Egg ceramic cookers can sear, grill, smoke, roast, and bake. The book's introduction explains the ancient history of ceramic cookers and the loyal devotion of self-proclaimed EGGheads to these dynamic, original American-designed cookers. Complete with more than 160 recipes, 100 color photographs, and as many clever cooking tips, the Big Green Egg Cookbook is a must for the more than 1 million EGG owners in the United States and a great introduction for anyone wanting to crack the shell of EGGhead culture.

Useless Magic Florence Welch 2018-07-10 Lyrics and never-before-seen poetry and sketches from the iconic musician of Florence and the Machine Songs can be incredibly prophetic, like subconscious warnings or messages to myself, but I often don't know what I'm trying to say till years later. Or a prediction comes true and I couldn't do anything to stop it, so it seems like a kind of useless magic.

Egghead Caroline Pignat 2020-02 A sensitive examination of bullying and its psychological roots... the story is fast paced and absorbing. -- Booklist How

long would you stand by? What do you do when your best friend is bullied? What do you do if he is a bully? Bystanders Katie and Devan see things very differently, but one thing is clear: Grade 9 life is hard. Told through the voices of Katie and Devan, and bully's target Will's poignant poems, Egghead shows how bullying affects everyone... and that there is more than one side to every story.

Bogus Karla Oceanak 2010-10-01 Ten-year-old Aldo Zelnick has decided it's fun to be artistic, and when his grandma Goosy gives him a second sketchbook, Aldo fills it with more comic drawings, fun words, and accounts of his extraordinary adventures in everyday life. When Aldo and his best friends, Jack and Bee, find a diamond ring, they can't decide if it's real or fake; but real or not, they can't seem to hold on to it. As the trio hunts for the misplaced ring, they also learn about other countries and cultures. This second installment in an A-to-Z alphabet series includes a glossary of words to help kids broaden their vocabulary.

West of Want Laura Kaye 2012-07-10 Betrayal is all he's ever known, but in her, he'll find a love strong enough to be trusted... When Marcella Raines' twin brother dies, she honors his request to be buried at sea, never expecting the violent storm that swamps her boat. Though she's gravely injured—and still emotionally damaged from her recent divorce—Ella fights to survive. Zephyros Martius is the Supreme God of the West Wind and Spring, but being the strongest Anemoi hasn't protected him from betrayal and loss. Worse, he's sure his brother Eurus is behind it. When Zeph's heartbreak whips up a storm that shipwrecks a human, his guilt forces him to save her.Ella is drawn to the vulnerability Zeph hides beneath his otherworldly masculinity and ancient blue eyes. And her honesty, empathy, and unique, calming influence leave Zeph wanting...everything. When Eurus threatens Ella, she and Zeph struggle to let go of the past, defend their future, and embrace what they most want—a love that can be trusted. Each book in the Hearts of the Anemoi series is STANDALONE: * North of Need * West of Want * South of Surrender * East of Ecstasy

Ravelstein Saul Bellow 2015-05-12 Abe Ravelstein is a brilliant professor at a prominent midwestern university and a man who glories in training the movers and shakers of the political world. He has lived grandly and ferociously-and much beyond his means. His close friend Chick has suggested that he put forth a book of his convictions about the ideas which sustain humankind, or kill it, and much to Ravelstein's own surprise, he does and becomes a millionaire. Ravelstein suggests in turn that Chick write a memoir or a life of him, and during the course of a celebratory trip to Paris the two share thoughts on mortality, philosophy and history, loves and friends, old and new, and vaudeville routines from the remote past. The mood turns more somber once they have returned to the Midwest and Ravelstein succumbs to AIDS and Chick himself nearly dies. Deeply insightful and always moving, Saul Bellow's new novel is a journey through love and memory. It is brave, dark, and bleakly funny: an elegy to friendship and to lives well (or badly) lived.

The Tyranny of Merit Michael J. Sandel 2020-09-10 A TLS, GUARDIAN AND NEW STATESMAN BOOK OF THE YEAR 2020 The new bestseller from the acclaimed author of Justice and one of the world's most popular philosophers "Astute, insightful, and empathetic...A crucial book for this moment" Tara Westover, author of Educated These are dangerous times for democracy. We live in an age of winners and losers, where the odds are stacked in favour of the already fortunate. Stalled social mobility and entrenched inequality give the lie to the promise that "you can make it if you try". And the consequence is a brew of anger and frustration that has fuelled populist protest, with the triumph of Brexit and election of Donald Trump. Michael J. Sandel argues that to overcome the polarized politics of our time, we must rethink the attitudes toward success and failure that have accompanied globalisation and rising inequality. Sandel highlights the hubris a meritocracy generates among the winners and the harsh judgement it imposes on those left behind. He offers an alternative way of thinking about success - more attentive to the role of luck in human affairs, more conducive to an ethic of humility, and more hospitable to a politics of the common good.

Swimming Lessons Lili Reinhart 2020-09-29 Instant New York Times Bestseller The debut collection of poetry from Lili Reinhart, the actress and outspoken advocate for mental health awareness and body positivity. I seem to be your new favorite novel. One that keeps you up at night, turning my pages. Fingers lingering on me so you don't lose your place. Swimming Lessons explores the euphoric beginnings of young love, battling anxiety and depression in the face of fame, and the inevitable heartbreak that stems from passion. Relatable yet deeply intimate, provocative yet comforting, bite-sized yet profound, Lili's poems reflect her trademark honesty and unique perspective. Accompanied by striking and evocative illustrations, Swimming Lessons reveals the depths of female experience, and is the work of a storyteller who is coming into her own.

Adoption Detective Judith Land 2011 A passionate love affair between high school sweethearts creates an accidental pregnancy during a sultry night on the shore of Lake Michigan. Rebecca's unforgiving parents banish her to an unwed mother's home where she secretly gives birth to a baby girl. Her daughter Judy is placed in the loving care of foster parents before being callously given to Mario and Rosella Romano for adoption on her first birthday. Reoccurring visions and fantasies of her birthmother plague Judy's consciousness for three decades until a life-changing passage into adulthood causes her to question why she was abandoned. What begins as a simple investigation into her medical and ancestral history slowly evolves into a passionate quest to discover her roots. Through good timing, perseverance, and a few small miracles, Judy eventually solves the mystery of her origins. But will the woman she has been seeking welcome Judy back into her life? About the Authors Judith and Martin Land live in Colorado and Arizona. They told the entire story of Judith Land's adoption, from her birth through adulthood, to provide the reader with unique insights into the mind of an adoptee at various stages of her life. **Milk and Vine** Emily Beck 2017-10-22 An illustrated collection of quotes from Vine videos.

Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg 2019-06-11 Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Everyone You Hate is Going to Die Daniel Sloss 2021-10-12 This is the Pandora's Box of self-help books. - Conan O'Brien Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter - all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance and marriage - and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship - with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In Everyone You Hate Is Going to Die, every human connection gets the brutally funny (and unflinchingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful - but also valuable and meaningful and important.

[Where You Go Is Not Who You'll Be](#) Frank Bruni 2015-03-17 Read award-winning journalist Frank Bruni's New York Times bestseller: an inspiring manifesto about everything wrong with today's frenzied college admissions process and how to make the most of your college years. Over the last few decades, Americans have turned college admissions into a terrifying and occasionally devastating process, preceded by test prep, tutors, all sorts of stratagems, all kinds of rankings, and a conviction among too many young people that their futures will be determined and their worth established by which schools say yes and which say no. In *Where You Go is Not Who You'll Be*, Frank Bruni explains why this mindset is wrong, giving students and their parents a new perspective on this brutal, deeply flawed competition and a path out of the anxiety that it provokes. Bruni, a bestselling author and a columnist for the New York Times, shows that the Ivy League has no monopoly on corner offices, governors' mansions, or the most prestigious academic and scientific grants. Through statistics, surveys, and the stories of hugely successful people, he demonstrates that many kinds of colleges serve as ideal springboards. And he illuminates how to make the most of them. What matters in the end are students' efforts in and out of the classroom, not the name on their diploma. Where you go isn't who you'll be. Americans need to hear that--and this indispensable manifesto says it with eloquence and respect for the real promise of higher education.

Egghead Bo Burnham 2013-10-01 A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians... **EGGHEAD: Or, You Can't Survive on Ideas Alone** Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIING! In **EGGHEAD**, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, "why did I just laugh?"

The Last Black Unicorn Tiffany Haddish 2017-12-05 NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

CJ - The Autobiography of CJ de Mooi Cj De Mooi 2015-09-03 Best known as an actor and one of the BBC's Eggheads, few people would guess from his cultured exterior at the horrific early years of abuse CJ de Mooi endured.As a teenager, CJ fled from his childhood home to escape prolonged hatred and violence, and consequently slept rough for three years. He sank to - and almost didn't survive - far worse depths than this before a bizarre stroke of luck came from a very surprising place.CJ's jaw-dropping life story relates his journey in graphic detail and astounding honesty. He's not afraid to shine the spotlight on his darkest hours, some of which are truly shocking. However, through it all he held onto his dream of a life on the stage and his desperate belief that he deserved better.Now a successful actor, CJ has shared his anger, torment and ultimate joy in this book, a most unexpected autobiography.

Ethical Ambition Derrick Bell 2010-12-15 Who will YOU have to become to succeed? Most of us believe that we must compromise our integrity to get ahead in life. With material success now our overarching social goal, the pressure to succeed is stronger than it's ever been. But what does this mean for our convictions, our morals, our ideals? In his book, Derrick Bell demonstrates that it is possible to attain success and not compromise our values by practising what he describes as Ethical Ambition. Setting out seven rules with which to conduct our lives, he places ethics as central to our ambition, so we can simultaneously honour our values and our needs. ETHICAL AMBITION will force you to re-examine your beliefs and motivate you to change your life. It is an important book for our times.

Doggolescence Rachel Oates 2020-02-09 A collection of poems parodying the Gabbie Hanna collection 'Adulthood', written from the perspective of Kyra - a little dog with a big heart! Youtuber, Rachel Oates, and her dog worked together to create this collection of poems and photographs which will resonate with every dog lover, but will also provide plenty of giggles for 'fans' of Gabbie's 'poetry'.

Serious Concerns Wendy Cope 2009-10-29 Wendy Cope's first book of poems and parodies, *Making Cocoa* for Kingsley Amis, went straight into the bestseller lists. Its successor, *Serious Concerns* has proved even more popular, addressing such topics as 'Bloody Men', 'Men and Their Boring Arguments', 'Two Cures for Love', 'Kindness to Animals' and 'Tumps' (Typically Useless Male Poets).

Bo Burnham famous coloring book for adults will make you feel calm as you color the uniquely designed patterns.Our coloring book is a great emotional & spiritual detox:).

Badass: Making Users Awesome Kathy Sierra 2015-01-29 Note for ebook customers: The design and layout of this book play a key role in conveying the author's message. When creating the ebooks, we've tried to keep the look and feel of the print edition, but this means that not all e-reading devices will support the files. The EPUB format is optimized for iPad. The Mobi files are optimized for Kindle Fire tablets and phones and for Kindle reading apps. Imagine you're in a game with one objective: a bestselling product or service. The rules? No marketing budget, no PR stunts, and it must be sustainably successful. No short-term fads. This is not a game of chance. It is a game of skill and strategy. And it begins with a single question: given competing products of equal pricing, promotion, and perceived quality, why does one outsell the others? The answer doesn't live in the sustainably successful products or services. The answer lives in those who use them. Our goal is to craft a strategy for creating successful users. And that strategy is full of surprising,

counter-intuitive, and astonishingly simple techniques that don't depend on a massive marketing or development budget. Techniques typically overlooked by even the most well-funded, well-staffed product teams. Every role is a key player in this game. Product development, engineering, marketing, user experience, support—everyone on the team. Even if that team is a start-up of one. Armed with a surprisingly overlooked science and a unique POV, we can reduce the role of luck. We can build sustainably successful products and services that rely not on unethical persuasive marketing tricks but on helping our users have deeper, richer experiences. Not just in the moments while they're using our product but, more importantly, in the moments when they aren't. **An Egghead's Journal** Sweta Singh Sonee 2018-08-20 *An Egghead's Journal* is my first attempt at writing. It is an amalgamation of both my experiences and imagination. Via these poems and prose, I have tried to express myself to the readers.

The Immortal Soul Salvage Yard Beth May 2020-12-15 Poetry from writer and poet, Beth May.

The Case Against Sugar Gary Taubes 2016-12-29 More than half a billion adults and 40 million children on the planet are obese. Diabetes is a worldwide epidemic. Evidence increasingly shows that these illnesses are linked to the other major Western diseases: hypertension, heart disease, even Alzheimer's and cancer, and that shockingly, sugar is likely the single root cause. Yet the nutritional advice we receive from public health bodies is muddled, out of date, and frequently contradictory, and in many quarters still promotes the unproven hypothesis that fats are the greatest evil. With expert science and compelling storytelling, Gary Taubes investigates the history of nutritional science which, shaped by a handful of charismatic and misguided individuals, has for a hundred years denied the impact of sugar on our health. He exposes the powerful influence of the food industry which has lobbied for sugar's ubiquity - the Sugar Association even today promoting 'sugar's goodness' - and the extent that the industry has corrupted essential scientific research. He delves into the science of sugar, exposes conventional thinking that sugar is 'empty calories' as a myth, and finds that its addictive pleasures are resulting in worldwide consumption as never experienced before, to devastating effect. *The Case Against Sugar* is a revelatory read, which will fundamentally change the way we eat.

Jay's Journal Anonymous 2012-09-25 A withdrawn adolescent boy's initiation into the occult draws him ever deeper into the bizarre world of witchcraft, voodoo, and satanism until, at age sixteen, he commits suicide.

Adulthood Gabbie Hanna 2017-09-19 Comedian Gabbie Hanna brings levity to the twists and turns of modern adulthood in this exhilarating debut collection of illustrated poetry. In poems ranging from the singsong rhythms of children's verses to a sophisticated confessional style, Gabbie explores what it means to feel like a kid and an adult all at once, revealing her own longings, obsessions, and insecurities along the way. Adulthood announces the arrival of a brilliant new voice with a magical ability to connect through alienation, cut to the profound with internet slang, and detonate wickedly funny jokes between moments of existential dread. You'll turn to the last page because you get her, and you'll return to the first because she gets you.

Better Living Through Criticism: How to Think about Art, Pleasure, Beauty and Truth A. O. Scott 2016-03-24 Few could explain, let alone seek out, a career in criticism. Yet what A. O. Scott shows in *Better Living Through Criticism* is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and humour, Scott shows that while individual critics - himself included - can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative and urgent activities. Using his own film criticism as a starting point - everything from an infamous dismissal of the international blockbuster *The Avengers* to his intense affection for Pixar's animated *Ratatouille* - Scott expands outwards, easily guiding readers through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovic and 'Ode on a Grecian Urn' Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. As he puts it: 'The time for criticism is always now, because the imperative to think clearly, never goes away.'

The Stench of Honolulu Jack Handey 2013-07-16 The legendary *Deep Thoughts* and New Yorker humorist Jack Handey is back with his very first novel-a hilarious, absurd, far-flung adventure tale. **THE STENCH OF HONOLOLU** Are you a fan of books in which famous tourist destinations are repurposed as unlivable hellholes for no particular reason? Read on! Jack Handey's exotic tale is full of laugh-out-loud twists and unforgettable characters whose names escape me right now. A reliably unreliable narrator and his friend, who is some other guy, need to get out of town. They have a taste for adventure, so they pay a visit to a relic of bygone days-a travel agent-and discover an old treasure map. She might have been a witch, by the way. Our heroes soon embark on a quest for the Golden Monkey, which takes them into the mysterious and stinky foreign land of Honolulu. There, they meet untold dangers, confront strange natives, kill and eat Turtle People, kill some other things and people, eat another thing, and discover the ruins of ancient civilizations. As our narrator says, "The ruins were impressive. But like so many civilizations, they forgot the rule that might have saved them: Don't let vines grow all over you."

If It's Not Funny It's Art Demetri Martin 2017-09-12 The New York Times bestselling author/comedian of *This Is a Book* and *Point Your Face at This* is back with another collection of hilarious drawings.

This Is a Book Demetri Martin 2011-04-25 From the renowned comedian, creator, star and executive producer/multiple title-holder of Comedy Central's *Important Things* with Demetri Martin comes a bold, original, and rectangular kind of humor book. Demetri's first literary foray features longer-form essays and conceptual pieces (such as *Protagonists' Hospital*, a melodrama about the clinic doctors who treat only the flesh wounds and minor head scratches of Hollywood action heroes), as well as his trademark charts, doodles, drawings, one-liners, and lists (i.e., the world views of optimists, pessimists and contortionists), Martin's material is varied, but his unique voice and brilliant mind will keep readers in stitches from beginning to end.

Secrets of the Kaula Circle Elizabeth Sharpe 1936

Seeing Like a State James C. Scott 2020-03-17 “One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, *New York Times* Book Review Hailed as “a magisterial critique of top-down social planning” by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the nature of the world we now inhabit.”—*New Yorker* “A tour de force.”—Charles Tilly, *Columbia University*

Egghead Bo Burnham 2013-10-03 Sometimes funny, sometimes serious, mostly absurd collection of poetry and essays from rising comedy star Bo Burnham. Bo Burnham was a teenager living in his parents' attic in Massachusetts when he started posting funny songs to YouTube. They immediately turned heads with their wise satire that belied his very young age. His videos have now been viewed over 209 million times, and he has amassed a gigantic online following that excitedly await each new video. Bo is revered in all comedy circles for being a wholly original, highly intelligent young voice. Judd Apatow was an early champion of the young comedian, and Bo taped his first Comedy Central special at age 18, the youngest in history. His comedy/song albums were huge critical and commercial successes. Written in his very distinctive comedic voice, **EGGHEAD: OR, YOU CAN'T SURVIVE ON IDEAS ALONE** brings Bo's award-winning brand of brainy word play to the page in the form of off-kilter writings, thoughts, and poems. Collaborating with longtime friend, artist and illustrator Chance Bone, Bo writes about everything from painful breakups to bald barbers, in a collection that makes the reader laugh, but like his stand-up and music, also displays surprisingly mature insights. With one text piece and one original black & white illustration per page, this book will appeal to Bo's already established fans as well as those new to his genius.
