I AM Participant's Guide Matt Fry 2017-05-02 Understand that your past does not define who you are, that your fears and insecurities can be replaced with the truth of God's Word, and that when you truly encounter God, you will discover who you are. Are you satisfied with your life? Do you ever feel lost, insecure, disconnected? Do you ever feel like you need more power or just more of God? In this five-part teaching Matt Fry shows you how to unlock God's power and purpose for your life by discovering who you are in Him. By exploring the seven "I Am" statements Jesus made in the Book of John, Fry unpacks key truths that will help you discover who He is and ultimately reveal your true identity in Christ. This participant's guide is designed for individual or small-group study and should be read in conjunction with the book I Am by Matt Fry (sold separately).

Apocalypse Never Michael Shellenberger 2020-06-30 Now a National Bestseller! Climate change is real but it's not the end of the world. It is not even our most serious environmental problem. Michael Shellenberger has been fighting for a greener planet for decades. He helped save the world's last unprotected redwoods. He co-created the predecessor to today's Green New Deal. And he led a successful effort by climate scientists and activists to keep nuclear plants operating, preventing a spike of emissions. But in 2019, as some claimed "billions of people are going to die," contributing to rising anxiety, including among adolescents, Shellenberger decided that, as a lifelong environmental activist, leading energy expert, and father of a teenage daughter, he needed to speak out to separate science from fiction. Despite decades of news media attention, many remain ignorant of basic facts. Carbon emissions peaked and have been declining in most developed nations for over a decade. Deaths from extreme

weather, even in poor nations, declined 80 percent over the last four decades. And the risk of Earth warming to very high temperatures is increasingly unlikely thanks to slowing population growth and abundant natural gas. Curiously, the people who are the most alarmist about the problems also tend to oppose the obvious solutions. What's really behind the rise of apocalyptic environmentalism? There are powerful financial interests. There are desires for status and power. But most of all there is a desire among supposedly secular people for transcendence. This spiritual impulse can be natural and healthy. But in preaching fear without love, and guilt without redemption, the new religion is failing to satisfy our deepest psychological and existential needs.

Never Mad Again James Fontaine 2012-03-06 Never Mad Again is the definitive guide to overcoming anger, improving relationships, and developing an ongoing sense of inner peace and balance forever. It discusses where anger and personal conflict comes from and what we can learn about ourselves and others as we learn to release the powerful influence of the ego. Never Mad Again uncovers the psychological mechanics of rationalization and rage by exposing the complex tricks of the ego, including establishing blame to garner approval and seeing ourselves as right in every situation. Never Mad Again creates the foundation for the real work of releasing defensiveness and the need to control others' emotions and states of being. It explores the possibility that the conditions of anger can be changed with awareness of the ego and a determination to release old emotional patterns. Written in a straightforward way, Never Mad Again empowers the reader to finally ask the most important question of all: who am I really?

The Neurotic's Guide to Avoiding Enlightenment Chris Niebauer, Ph.D. 2014-03-10 Has self-improvement really improved the self? More than ever people are on a quest for self-improvement and enlightenment. People are "watching" their egos or losing their egos in order to find peace of mind or to get along better with others. And yet, the more we try to lose our ego, the more of it there is to lose. The more we try to make peace, the more we find conflict. It is exactly what happens when we try not to think of the number 3 and that is all we can think about. Our efforts seem to have the opposite effect and this is due to the way the left side of the brain processes information. Neuroscience discovered that the left brain makes up elaborate stories and convincing explanations. It is the left brain that makes up the most elaborate and convincing story of all, the story of who you think you are. And the more we try to get out of this story, the deeper we find ourselves in it because it is the function of the left brain to work on the law of opposition. Try not to be anxious and that's exactly what happens. Try not to worry and you will be flooded with anxious thoughts. And the same is true for self-improvement. The more we try to improve our story, the more the story needs to be improved. The left brain excels at these games even when it plays by pretending not to play. If I said that all attempts at self-improvement are futile, how would you respond? Would you reflexively think I'm wrong? Is there any way not to play these games of the left brain? Which part of your brain do you think is asking this question? This book was written for the ordinary person who has an extraordinary curiosity for who they are, how thoughts work and why they cannot control their thoughts. It is a practical guide that uses examples from my kids, favorite movies and TV shows from the 80s and 90s along with simple exercises so you can see for yourself if any of this is on track. While no special knowledge of neuroscience is required, you may understand many of the examples if you've seen an episode or two of Star Trek or Seinfeld. While this work is based on the teachings of Alan Watts and Eckhart Tolle it integrates the findings of modern neuroscience which surprisingly reveals a similar message. It is the desire for enlightenment that is the biggest block to happiness and peace, in fact, it is the only block. It is not until one gives up the quest to find oneself, improve oneself or be more spiritual, that one can ever find the peace they are looking for. And it is not your ego that gives up this quest, it is you. For more info please see my blog at <http://worriedbuddha.com/>

GUIDED SELF-HEALING MEDITATIONS Joyce Tone 2021-02-10 55% OFF for bookstores! NOW at \$ 36,95 instead of \$ 51,95! Do you frequently experience stress and anxiety even when

you have no cause for worry? Do you often think about the worst-case scenario or see the negative in everything and has seeing life through clouded lenses added to your misery? Do you often experience a sense of despair and a lack of direction in life? Would you like to lead a more empowered, meaningful, and purposeful life that is rich in happiness, meaning, and peace? If you answered YES to these questions, it's clear that you are struggling with chronic negativity, stress, and tensions, and that you are ready and willing to do whatever it takes to tackle and eliminate these elements so that you can start living a well-balanced and beautiful life. Your Customers Never Stop to Use this Awesome Book! Anxiety is often here to stay for the long haul unless something significant is done about it. Severe cases of anxiety require professional help when it can cause significant disruption to your ability to function in your personal, social, and professional life. People with anxiety disorders are often associated with depression. That is, the more reason people with anxiety disorders are usually diagnosed with depression. Anxiety is defined as an emotion marked by the experience of fear or worry. Anxiety is, however, to be distinguished from fear, which most scientists regard as a natural reaction to a perceived threat. If you analyze your issues, you will realize that "internal peace" is the lacking element and that inasmuch as you may think you will find peace "out there," true peace comes from within. After all, was the Buddha not right when he noted the following truth? "Peace comes from within. Do not seek it without." - Buddha If you want to live a richer, more fulfilling life, start being more mindful; that is the secret to lasting internal happiness and peace in life. This book covers the following topics: Mindfulness meditation Anxiety Signs, Symptoms and Causes of Anxiety and Depression Emotional Stress and Relaxation Techniques How to Manage Activities to Reduce Anxiety Using Exposure to Eliminate Fear How to Help Someone with Panic Attacks or Panic Disorder Understanding Your Anger Anger Management Techniques Natural Remedies for Chronic Anxiety Benefits of mindfulness meditation Sleep disorders? Bedtime stories for anxiety 30-minute guided meditation for sleep, relaxation, & stress relief ...And much more Meditation is a simple and beautiful practice whose primary aim is to help you discover, explore, accept, and acknowledge your true self. A lack of awareness of who we are is the reason why we pursue the 'wrong things,' take lots of weird directions in life, and keep making U-turns every now and then. Buy it NOW and let your customers get addicted to this amazing book

The Unbelievable Truth Jay Noetic 2015-01-01 Look inward and ask yourself, "where is my serenity". Find it within the pages of the book you're holding. I can't promise you many things in life but I can promise you that you will have a better idea about finding YOUR peace after reading *The Unbelievable Truth: A Guide to finding Peace*. After all, isn't that what we are all here to do, to find peace? Isn't that what you want to do, to find YOUR freedom from anxiety? The book you're holding will help you do that. [Bad Feminist by Roxane Gay \(Summary\)](#) QuickRead Do you want more free book summaries like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Discover Why Being a Bad Feminist is Better Than Not Being a Feminist At All. When you hear the word feminism, what do you think of? In today's

climate, you likely think about the many women's marches and the #MeToo movement that have taken over the media. All of these fight for the rights of women in every area of life, including equal pay, reproductive rights, and more. But according to Roxane Gay, feminism is flawed. There is no right or wrong way to be a feminist, which is why Gay proudly labels herself as a bad feminist. As a bad feminist, Gay recognizes that humans are flawed, and therefore, their views and opinions don't always fit perfectly into a neatly wrapped package. For instance, while Gay enjoys going against the grain, her favorite color is still pink and she enjoys reading *Vogue*, both of which are typical female stereotypes. At the end of the day, feminism looks different for everyone but being a bad feminist is better than not being a feminist at all! As you read, you'll learn how reality television is harmful to the fight for equality, how racial profiling can end in murder, and how movies like *The Help* only advance racial stereotypes.

Worldview Guide for War and Peace (Canon Classics Literature Series) Samuel Dickison 2019-05-08 "There is a shelf load of great books whose mere size places them in a special category. These are the heavy hitters; slap some mortar between them and you have a fortress. ... Leo Tolstoy's *War and Peace* is perhaps the most formidable of these books. But the most impressive thing about Tolstoy's magnum opus is that over three hundred and sixty-three chapters and well over half a million words he not only crafts a compelling story, but presents a view of life deeper and more vivid than many authors ever dream of." ~ from Samuel Dickison's guide

Spiritual Self-Care for Black Women EasyTube Zen Studio 2022-06-10 A proactive approach to aligning your spirituality with healing, growth, and success is here — Find out how you can become the well-rounded badass you're destined to be! The Four Agreements Don Miguel Ruiz 1997-11-07 In The Four Agreements, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, The Four Agreements offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 46 languages worldwide "This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter." — Oprah Winfrey "Don Miguel Ruiz's book is a roadmap to enlightenment and freedom." — Deepak Chopra, Author, The Seven Spiritual Laws of Success "An inspiring book with many great lessons." — Wayne Dyer, Author, Real Magic "In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world." — Dan Millman, Author, Way of the Peaceful Warrior

Mindfulness for Surviving Life's Challenges Courtney Sunday 2019-11-19 Meditations for moving through pain and toward peace: "Your best defense in our chaotic world." —Carly Hueber, wellness coach Mindfulness can be one of the most potent antidotes to suffering—there is no better example of moment-to-moment awareness than when you are in pain. Mindfulness for Surviving Life's Challenges is a book of exercises to help you feel less alone, to make you laugh, and to remind you that although you may not be able to leave your pain behind you, you can give yourself empowering tools to move forward. It offers fifty meditations divided into two sections: one to see you through the period of deep physical or emotional pain and the other for when you are ready to move forward with your new normal. Included are meditations for: When You Can't Do the Things You Used to Do When You Feel Isolated When You Don't Recognize Yourself Anymore When There is No Comfortable Position When You Can Imagine Getting Better When Smiling Becomes the Norm Rather Than the Exception When You Remember Who You Are (And Who You Were) Mindfulness expert Courtney Sunday writes from the lens of her own pain journey as she coped with a severely herniated disc after childbirth—to show us that even if pain is present in the body, we can still find a way to free our minds.

Your Guide to Peace and Happiness Michal Kawalek 2020-05 You Are About To Discover How To Stop Looking For Peace And Happiness In The Wrong Places And The Right Path To Finding The Peace And Happiness You So Much Desire! Ever wondered why you're ever so restless? Never finding contentment in what you do, no matter how much you achieve? Ever wondered why you're never "getting there" where you're finally successful, happy and satisfied and peaceful? If so, then you've been approaching everything all wrong. You see, happiness isn't connected to anything physical. It isn't connected to wealth or anything like that. It's something free, something we're born with and carry in our minds throughout our lives- it's just that some of us find it early, others late, while others never even discover it -ever! But it's there, in your mind, and in people around you. Cliché as it may sound, in order to find happiness and peace, you need to find yourself first. So how do I do that? I've tried understanding myself countless times before without any success... how do I do it right? What has it got to do with other people? How would that help me achieve success? What is the right way to engage, manage and harness my emotions to feel better and achieve peace? I'm quite sure these are some of the questions that are running through your mind right now- that's why I'm presenting this master guide to you. It will give you all the answers, and a clear direction on what you need to do to not only find happiness and success, but also succeed in your professional life. Take a look at what you'll learn from it: Why self-development is important How to develop yourself by knowing yourself, your genuine desires and life's vision How to build a growth mindset and boost your potential How to take meaningful action for effective self-development How to manage your emotions and thoughts by being mindful of your immediate environment How to engage your emotions mindfully and understand them Tips to manage your emotions to feel better and happier How to support others and spread happiness with love How to contribute towards society positively How

to focus and work on your professional and financial development ...And much more! This is a total beginners' book that will serve as your lifetime's manual for self-discovery for self-development and keep you on track for the things everyone's been searching for: Happiness, peace and success. Remember that when you discover yourself, you've already unlocked the door that's been keeping happiness at bay. Even if you feel lost and clueless as to what to do to become the happier and peaceful version of yourself, this book will hold you by the hand until you achieve just that. Don't wait.... Guided Self-Healing Meditations Maria Porges 2020-04-22 Do you frequently experience stress and anxiety even when you have no cause for worry? Do you often think about the worst-case scenario or see the negative in everything and has seeing life through clouded lenses added to your misery? Do you often experience a sense of despair and a lack of direction in life? Would you like to lead a more empowered, meaningful, and purposeful life that is rich in happiness, meaning, and peace? If you answered YES to these questions, it's clear that you are struggling with chronic negativity, stress, and tensions, and that you are ready and willing to do whatever it takes to tackle and eliminate these elements so that you can start living a well-balanced and beautiful life. Anxiety is often here to stay for the long haul unless something significant is done about it. Severe cases of anxiety require professional help when it can cause significant disruption to your ability to function in your personal, social, and professional life. People with anxiety disorders are often associated with depression. That is, the more reason people with anxiety disorders are usually diagnosed with depression. Anxiety is defined as an emotion marked by the experience of fear or worry. Anxiety is, however, to be distinguished from fear, which most scientists regard as a natural reaction to a perceived threat. If you analyze your issues, you will realize that "internal peace" is the lacking element and that inasmuch as you may think you will find peace "out there," true peace comes from within. After all, was the Buddha not right when he noted the following truth? "Peace comes from within. Do not seek it without." - Buddha The peace, meaning, happiness, and empowerment you seek are within you. This concept may be hard to grasp, but that is the reality; external peace and happiness found in material possessions is ephemeral. Lasting peace and happiness are internal and if you think about it deeply for a minute, you will realize the truth in this statement. Our mind's fixation with the past and the future instead of the present moment is the problem. It's the reason why we feel unhappy and detached from our lives and truest selves. Our mind's seemingly innate inability to focus on present moment is the reason is why undue stress and worry has become part of our lives. Not living in the present is why biased or phony whims and wishes control so many of us. Being unconnected with the present moment, mindful of yourself and your needs, and aware of the exact 'things' that bring you happiness and meaning is also why your life lacks structure and a depth. If you want to live a richer, more fulfilling life, start being more mindful; that is the secret to lasting internal happiness and peace in life. This book covers the following topics: Mindfulness meditation Anxiety Signs, Symptoms and Causes of Anxiety and Depression Emotional Stress and Relaxation Techniques How to Manage Activities to Reduce Anxiety Using Exposure to Eliminate Fear How to Help Someone with Panic Attacks or Panic Disorder Understanding Your Anger Anger Management Techniques Natural Remedies for Chronic Anxiety Benefits of mindfulness meditation Sleep disorders? Bedtime stories for anxiety 30-minute guided meditation for sleep, relaxation, & stress relief ...And much more Meditation is a simple and beautiful practice whose primary aim is to help you discover, explore, accept, and acknowledge your true self. A lack of awareness of who we are is the reason why we pursue the 'wrong things,' take lots of weird directions in life, and keep making U-turns every now and then. Ready to get started? The Only Guide to Alternative Investments You'll Ever Need Larry E. Swedroe 2010-05-13 The rewards of carefully chosen alternative investments can be great. But many investors don't know enough about unfamiliar investments to make wise choices. For that reason, financial

advisers Larry Swedroe and Jared Kizer designed this book to bring investors up to speed on the twenty most popular alternative investments: Real estate, Inflation-protected securities, Commodities, International equities, Fixed annuities, Stable-value funds, High-yield (junk) bonds, Private equity (venture capital), Covered calls, Socially responsible mutual funds, Precious metals equities, Preferred stocks, Convertible bonds, Emerging market bonds, Hedge funds, Leveraged buyouts, Variable annuities, Equity-indexed annuities, Structured investment products, Leveraged funds The authors describe how the investments work, the pros and cons of each, which to consider, which to avoid, and how to get started. Swedroe and Kizer evaluate each investment in terms of: Expected returns Volatility Distribution of returns Diversification potential Fees Trading and operating expenses Liquidity Tax efficiency Account location Role in an asset-allocation program Any investor who is considering or just curious about investment opportunities outside the traditional world of stocks, bonds, and bank certificates of deposit would be well-advised to read this book.

Peace Prompts Catherine DeCuir 2003 Is war between nations ever justified? Does my career support peace? Does God care who wins? Over sixty questions about peace, war, and activism help you examine your own beliefs and decide how you can get involved in putting a stop to armed conflict throughout the world. Using prompts-questions that help writers get ideas flowing-Peace Prompts stimulates thinking about personal, community, and global issues. Write in it or read from it aloud to provoke discussion. Included is a personal Peace Diary to keep track of your own peace-related activities. Catherine deCuir has been journaling since she was a teenager and runs a journaling site on the Internet. She lives in the San Francisco Bay area.

Astral Projection For Beginners Lisa Amado 2021-07-28 How To Travel The World Beyond Just Dreaming and Without Leaving Your Home?(Proven Techniques Inside) How you ever had this feeling the moment you were transitioning from awake to sleep that is absolutely amazing? Would you like to see yourself and travel wherever your want without moving your physical body? Have you ever wondered if Astral Projection is real or not and whether you can learn it without becoming a master yogi or some type of meditation guru? If you answered "Yes" to at least one of these questions, please read on... I was wrong. Dead wrong. I thought that astral projection and all those out-of-body experiences are just some hallucinations or magical gimmicks that are not even real. Oh, may I was wrong. It was the first time I was in India about 15 years ago when I spent over 6 months there and got the experience beyond my expectations. And inside this book, I would like to share with you probably the most exciting piece of that experience and teach you how you can safely leave your body and achieve the level of connection with it you didn't think was possible. And that goes beyond just traveling the world. Take a look at what's inside: - What is astral projection, and why can it be valuable to you beyond just an amazing experience of mind traveling and leaving your body? - Is astral projecting dangerous? (a must-read chapter for the ones who've never done it before!) - Essential energy concepts and how to achieve the level of energy when your mind leaves your body and becomes an independent being? - What is the easiest way to effective astral projection? (for some, it take months to master this, and I will give you the shortcut) - Can you get stuck out of your body if you astral project? And how to make sure you come back at it the exact time you want - Astral projection techniques for beginners and advanced - special training to improve your Astral Skills and go beyond just leaving your physical body - Best techniques of the astral projection (these techniques are not for everyone, so be cautious once you try them out) - Practical advice about how to astral travel (from my own experience + some of the best practices from most experienced gurus) - Much much more... Again. You don't have to be some "super-yogi" to put these techniques into action and succeed with them. Just follow the instructions inside this book and enjoy the journey! Scroll back up, click on "Buy Now," and Start Reading!

The Soul Guide to a Magical Life Dr. Pamela Moss 2018-10-27 What if the answers have been inside you, all along? This international bestseller inspires you to tap into your own inner

guidance for the answers you seek, and empowers you to uncover your greatest Calling — the great work of your life — and get rid of your inner blocks to success. It guides you through a proven, step-by-step approach for making the profound difference YOU are here for. And it includes a treasure chest of practical tools for transformation! Whether you are already following your Calling, want to take it to the next level, or are just starting to wake up and want to make a difference, this book is for you. In it you'll discover: • Who you really are (it's not who you think!) • Quick tips to get clear answers from your inner guidance — and how to tell if it's real. • Insightful exercises to uncover your greatest Calling and soul purpose. • Transformational tools to remove your blocks, using the power of your subconscious mind. • How your personal journey fits into the larger Calling of Our Time. • How you can change the world, by changing yourself! You are not alone. More and more of us are being called to our unique service and self-expression — to our own true place in the divine plan for this time of planetary change and evolution. Each of us is needed, because each of us carries a piece of the solution. No one else can do your greatest Calling. You are part of the web of light, and it's time to light up your light! This book takes you on a soulful journey to recall who you really are and what you're here to do, and to reclaim your spiritual gifts and innate abilities. Right now more and more people are hearing an inner call that cannot be ignored. This calling is an urgent reminder that we must get to work healing ourselves and the planet. All too often, though, we get distracted by material temptations and painful beliefs that create amnesia, fear, and self-doubt in us. This book will help you get back on track with your soul purpose.

Study and Teaching Guide: The History of the Ancient World Julia Kaziewicz 2013-11-10 A curriculum guide to accompany The History of the Ancient World: From the Earliest Accounts to the Fall of Rome, by Susan Wise Bauer. Susan Wise Bauer's narrative world history series is widely used in advanced high school history classes, as well as by home educating parents. The Study and Teaching Guide, designed for use by both parents and teachers, provides a full curriculum with study questions and answers, critical thinking assignments, essay topics, instructor rubrics, and test forms. Explanations for answers and teaching tips are also included. The Study and Teaching Guide, designed by historian and teacher Julia Kaziewicz in cooperation with Susan Wise Bauer, makes The History of the Ancient World (recommended for high school study in The Well-Trained Mind: A Guide to Classical Education at Home) even more accessible to educators and parents alike.

Darfur Genocide: The Essential Reference Guide Alexis Herr 2020-03-06 This important reference work offers students a comprehensive overview of the Darfur Genocide, with roughly

100 in-depth articles by leading scholars on an array of topics and themes, and more than a dozen key primary source documents. Stretching beyond Darfur to situate Sudan within the scope of its African, colonial, human rights, and genocidal history, this reference work explores every aspect of the Darfur Genocide. Covering hundreds of years, this book explores the religious, ethnic, and cultural roots of Sudanese identity-making and how it influenced the shape of the genocide that erupted in 2004. As the first reference guide on the Darfur Genocide, this text will enable readers to explore an array of critical topics related to the atrocities in Sudan. The book opens with seven key essays collectively providing an overview of the genocide, its causes and consequences, international reaction, and profiles on the main perpetrators, victims, and bystanders. These are followed by entries on such crucial topics as the African Union, child soldiers, the Janjaweed, and the Lost Boys and Girls of Sudan. Leading scholars offer perspective essays on the primary cause of the Darfur Genocide and on whether the conflict in Darfur is a just case for intervention. Expertly curated primary documents enrich readers' ability to understand the complexity of the genocide. Offers an indispensable resource for anyone interested in the Darfur Genocide specifically and genocide studies in general Explains the historical and modern contexts that drive the Darfur Genocide, shedding light on the cultural, political, and social factors that have allowed it to continue for more than 15 years Sketches the many complexities that help explain why the United Nations and international community at large have failed to stop the atrocities Features entries written by leading experts on the Darfur Genocide Provides the text of speeches by Sudanese leaders, national and foreign policy briefs, peace treaties, and United Nations Reports related to the Darfur Genocide

The Overcoming of History in War and Peace Jeff Love 2004 The Overcoming of History in "War and Peace" marks a radical departure from the critical tradition dominated by Sir Isaiah Berlin's view that the novel is deeply divided against itself, a majestically flawed contest of brilliant art and clumsy thought. To the contrary, Jeff Love argues that the apparently divided nature of the text, its multi-leveled negotiation between different kinds of representation, expresses the rich variety of the novel's very deliberate striving to capture the fluidity of change and becoming in the fixed forms of language. The inevitable failure of this striving, revealing the irreducible conflict between infinite desire and finite capacity, is at once the source of new beginnings and the repetition of old ones, a wellspring of continually renewed promises to achieve a synoptic vision of the whole that the novel cannot fulfill. This repetitive struggle between essentially comic and tragic conceptions of human action, far from being a pervasive flaw in the texture of the novel, in fact constitutes its dynamic center and principal trope as well as the productive origin of the unusual features that distinguish it as an uncommonly bold narrative experiment.

The Frontlines of Peace Severine Autesserre 2021-02-01 At turns surprising, funny, and gut-wrenching, this is the hopeful story of the ordinary yet extraordinary people who have figured out how to build lasting peace in their communities The word "peacebuilding" evokes a story we've all heard over and over: violence breaks out, foreign nations are scandalized, peacekeepers and million-dollar donors come rushing in, warring parties sign a peace agreement and, sadly, within months the situation is back to where it started--sometimes worse. But what strategies have worked to build lasting peace in conflict zones, particularly for ordinary citizens on the ground? And why should other ordinary citizens, thousands of miles away, care? In *The Frontlines of Peace*, Severine Autesserre, award-winning researcher and peacebuilder, examines the well-intentioned but inherently flawed peace industry. With examples drawn from across the globe, she reveals that peace can grow in the most unlikely circumstances. Contrary to what most politicians preach, building peace doesn't require billions in aid or massive international interventions. Real, lasting peace requires giving power to local citizens. *The Frontlines of Peace* tells the stories of the ordinary yet extraordinary individuals and organizations that are confronting violence in their communities effectively. One thing is clear: successful examples of peacebuilding around the world, in countries at war or at peace, have involved innovative

grassroots initiatives led by local people, at times supported by foreigners, often employing methods shunned by the international elite. By narrating success stories of this kind, Autesserre shows the radical changes we must take in our approach if we hope to build lasting peace around us--whether we live in Congo, the United States, or elsewhere.

Healing Family Relationships Rob Rienow 2020-06-16 Every family is hurting, and the wounds that come from our relatives can be deeper than all others. Conflict within a family can range from daily frictions and annoyances to rage and hatred and eventually estrangement. We want things to be different but have no idea where to start. After 25 years of ministering to families, Rob Rienow believes reconciliation is at the heart of the gospel--reconciliation with God and one another. You will come away with specific steps you can take in your relationships with your family members to pursue peace and healing in your homes. Each chapter includes key biblical examples as well as present-day stories of families who have experienced God's help and healing--including the author's own miraculous healing of his relationship with his father. Our families can bring out the best, as well as the worst, in all of us. May this book guide you in making your home and family a blessing in a broken world.

Moving from Fear to Freedom Grace Fox 2007-08-01 Fear was not part of God's original agenda for his creation. It slithered onto the scene when Adam and Eve sinned, causing a tear in their relationship with God. And even though fear touches every life and can still debilitate people today, the news isn't all bad. Popular speaker and author Grace Fox demonstrates how believers can face their fear and actually let it be a catalyst for change. Readers will learn how to stop hiding from God and instead develop a deeper relationship with Him. This is what she calls "the upside of fear": When we cry out to God for help, He answers, and we experience Him in new ways. Each chapter highlights a particular area where readers can begin to experience freedom from fears about their personal identity, their finances, their kids, the future, and more.

Lift Up Your Heart Fulton John Sheen 1997 In one of his most popular books, Bishop Fulton Sheen deftly strikes at the heart of humanity's predicament: overcoming roadblocks to spiritual peace and union with God

Getting To Good And Happy Life Elena Welsky 2020-05-23 *Getting To Good And Happy Life* is a guided journal to lead you on the were of enlightenment to just calming your fucking tired mind.
