Worldview Guide for War and Peace (Canon Classics Literature Series) Samuel Dickison 2019-05-08 "There is a shelf load of great books whose mere size places them in a special category. These are the heavy hitters; slap some mortar between them and you have a fortress. ... Leo Tolstoy's War and Peace is perhaps the most formidable of these books. But the most impressive thing about Tolstoy's magnum opus is that over three hundred and sixty-three chapters and well over half a million words he not only crafts a compelling story, but presents a view of life deeper and more vivid than many authors ever dream of." – from Samuel Dickison's guide

Lord of the Flies William Golding 2012-09-20 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Stand for Life John Ensor 2022-05-03 Of the 1.2 million abortions performed annually in the U.S., more than 500,000 are performed on college-aged women. They make up 44% of all abortions in the country. So it is not surprising that there is a large, thriving network of pro-life groups on college campuses. These groups serve to advocate for pro-life and educate other young people about the physical, emotional, psychological and spiritual effects that abortion has on women. While there are online guides and booklets on the topic, there are currently very few if any books that are specifically geared for use by young advocates for this cause. Now there is *Stand for Life*, a manual that addresses tough questions in a format that is concise and straightforward. Topics include: Defending your pro-life views in five minutes or less Understanding the sanctity of human life Simplifying the abortion debate Developing a Christian response to abortion Debate: keeping cool under fire Q&As about such thorny issues as unsafe abortions, abortion when mothers lives are at risk, my body, my choice, and more

The Politically Incorrect Guide to the Civil War H. W. Crocker, III 2008-10-21 The Politically Incorrect Guide to the Civil War is a joyful, myth-busting, rebel yell that shatters today's Leftist and demeaning stereotypes about the South and the Civil War.

Astral Projection For Beginners Lisa Amado 2021-07-28 How To Travel The World Beyond Just Dreaming and Without Leaving Your Home?(Proven Techniques Inside) How you ever had this feeling the moment you were transitioning from awake to sleep that is absolutely amazing? Would you like to see yourself and travel wherever your want without moving your physical body? Have you ever wondered if Astral Projection is real or not and whether you can learn it without becoming a master yogi or some type of meditation guru? If you answered "Yes" to at least one of these questions, please read on... I was wrong. Dead wrong. I thought that astral projection and all those out-of-body experiences are just some hallucinations or magical gimmicks that are not even real. Oh, may I was wrong. It was the first time I was in India about 15 years ago when I spent over 6 months there and got the experience beyond my expectations. And inside this book, I would like to share with you probably the most exciting piece of that experience and teach you how you can safely leave your body and achieve the level of connection with it you didn't think was possible. And that goes beyond just traveling the world. Take a look at what's inside: - What is astral projection, and why can it be valuable to you beyond just an amazing experience of mind traveling and leaving your body? - Is astral projecting dangerous? (a must-read chapter for the ones who've never done it before!) - Essential energy concepts and how to achieve the level of energy when your mind leaves your body and becomes an independent being? - What is the easiest way to effective astral projection? (for some, it take months to master this, and I will give you the shortcut) - Can you get stuck out of your body if you astral project? And how to make sure you come back at it the exact time you want - Astral projection techniques for beginners and advanced - special training to improve your Astral Skills and go beyond just leaving your physical body - Best techniques of the astral projection (these techniques are not for everyone, so be cautious once you try them out) - Practical advice about how to astral travel (from my own experience + some of the best practices from most experienced gurus) - Much much more... Again. You don't have to be some "super-yogi" to put these techniques into action and succeed with them. Just follow the instructions inside this book and enjoy the journey! Scroll back up, click on "Buy Now," and Start Reading!

The Soul Guide to a Magical Life Dr. Pamela Moss 2018-10-27 What if the answers have been inside you, all along? This international bestseller inspires you to tap into your own inner guidance for the answers you seek, and empowers you to uncover your greatest Calling – the great work of your life – and get rid of your inner blocks to success. It guides you through a proven, step-by-step approach for making the profound difference YOU are here for. And it includes a treasure chest of practical tools for transformation! Whether you are already following your Calling, want to take it to the next level, or are just starting to wake up and want to make a difference, this book is for you. In it you'll discover: • Who you really are (it's not who you think!) • Quick tips to get clear answers from your inner guidance – and how to tell if it's real. • Insightful exercises to uncover your greatest Calling and soul purpose. • Transformational tools to remove your blocks, using the power of your subconscious mind. • How your personal journey fits into the larger Calling of Our Time. • How you can change the world, by changing yourself! You are not alone. More and more of us are being called to our unique service and self-expression – to our own true place in the divine plan for this time of planetary change and evolution. Each of us is needed, because each of us carries a piece of the solution. No one else can do your greatest Calling. You are part of the web of light, and it's time to light up your light! This book takes you on a soulful journey to recall who you really are and what you're here to do, and to reclaim your spiritual gifts and innate abilities. Right now more and more people are hearing an inner call that cannot be ignored. This calling is an urgent reminder that we must get to work healing ourselves and the planet. All too often, though, we get distracted by material temptations and painful beliefs that create amnesia, fear, and self-doubt in us. This book will help you get back on track with your soul purpose.

PSAT/NMSQT Study Guide, 2023: 4 Practice Tests + Comprehensive Review + Online Practice Brian W. Stewart 2022-06-07 A preparation guide to the 2023 PSAT/NMSQT that covers relevant topics, with a diagnostic test, and four full-length practice tests.

Peace, Power, and Presence Jonathan Evatt 2008-04 Why is your life the way it is? How do your thoughts, emotions, and beliefs affect your perception of the world around you? How does this perception influence your power, and therefore affect your state of Inner Peace? Most importantly, how can you approach your life--as it is right now--in such a way so as to liberate yourself from suffering and become established in a lasting state of Peace, in the Power to fulfil your purpose, and in absolute Presence to the perfection that you are? In this groundbreaking new book *Peace, Power, and Presence*, Jonathan Evatt brings clarity to key principles and perspectives on these and other challenging questions. The result is nothing short of your becoming empowered to recognize the ultimate answers already emerging from the essence within you. You will pierce through the many veils of deception so prevalent in the world today, and step into a Life of Freedom defined not by some external source of knowledge but by the immaculate wisdom of your own Being. In what is set to become a key point of reference for those individuals interested in spiritual and human freedom, Jonathan makes no attempt to show you how to live your life. Instead, he shares with you a new way to approach the life you are already living--an approach that will bring into actualization your innate qualities of Enlightenment--for a Life of Freedom. AWARDS: Winner of a Shortlisting Award in the Mind, Body, Spirit genre (2006) Ashton Wylie Charitable Trust Unpublished Manuscript Award

The Frontlines of Peace Severine Autesserre 2021-02-01 At turns surprising, funny, and gut-wrenching, this is the hopeful story of the ordinary yet extraordinary people who have figured out how to build lasting peace in their communities The word "peacebuilding" evokes a story we've all heard over and over: violence breaks out, foreign nations are scandalized, peacekeepers and million-dollar donors come rushing in, warring parties sign a peace agreement and, sadly, within months the situation is back to where it started--sometimes worse. But what strategies have worked to build lasting peace in conflict zones, particularly for ordinary citizens on the ground? And why should other ordinary citizens, thousands of miles away, care? In *The Frontlines of Peace*, Severine Autesserre, award-winning researcher and peacebuilder, examines the well-intentioned but inherently flawed peace industry. With examples drawn from across the globe, she reveals that peace can grow in the most unlikely circumstances. Contrary to what most politicians preach, building peace doesn't require billions in aid or massive international interventions. Real, lasting peace requires giving power to local citizens. The Frontlines of Peace tells the stories of the ordinary yet extraordinary individuals and organizations that are confronting violence in their communities effectively. One thing is clear: successful examples of peacebuilding around the world, in countries at war or at peace, have involved innovative grassroots initiatives led by local people, at times supported by foreigners, often employing methods shunned by the international elite. By narrating success stories of this kind, Autesserre shows the radical changes we must take in our approach if we hope to build lasting peace around us--whether we live in Congo, the United States, or elsewhere.

The Short and Tragic Life of Robert Peace Jeff Hobbs 2015-07-28 Traces a young man's effort to escape the dangers of the streets and his own nature after graduating from Yale, describing his youth in violent 1980s Newark, efforts to navigate two fiercely insular worlds and life-ending drug deals. 75,000 first printing.

Making Peace with God Harold H. Bloomfield 2003 Evaluates how unresolved issues from childhood and the complexities of adulthood can compromise an understanding of religion, defining nine "personality drives" that can be applied for a clearer spiritual view. 20,000 first printing.

Unlimited Freedom Fabian Markl 2015-12-12 FREE AUDIO BOOK INCLUDED: I've just finished the audiobook and I am going to give it away for free to anyone who gets the book. "If you are a human being who can read words, you should read this book. I have yet to meet a person who wouldn't benefit from it. Once it gets to its physical form, I may just keep it on my bedside table for the rest of my life. It's that good." - Catherine Traffis, Professional Editor If you would open this book on page 213, you will notice that the quote from above is, in fact, from my editor. Usually, authors put blurbs from relatively successful authors on this page. To me it made, however, more sense to use the words of a "normal" person who has actually fallen in love with the book. I cannot promise you any result. Nor do I intend to use this page to "persuade" you into buying it. Click on "Look Inside" to open the cover and read the first 30 pages. You can read them fast and for free. And if the book didn't make you smile at least once, then don't buy it. If you're ready to buy it, you'll know. Here the link to the first 30 pages: <http://www.fabimarkl.com/wp-content/uploads/2015/12/unlimited-freedom-first-30-pages.pdf>

For more info about me, scroll down to page 211. You will read "Fabian died on December 5th, 2013. Now, it's just a name to which things have been attached, like a birth certificate dated January 4th, 1986, a Master's degree in Physics from the University of Heidelberg in 2014, and now this book." Here the link to the "about Fabian" section in the book: <http://www.fabimarkl.com/wp-content/uploads/2015/12/unlimited-freedom-about-Fabian.pdf>

After you've bought the book, say hello to me at: fm@fabimarkl.com Even if you're not interested in this kind of book, there are a lot of fresh inspirational quotes you could use on gift cards. For a birthday: "Presence is the tip of your pen in the moment it touches the paper. Written words are the past, the blank parts are the future. Focus on the tip, because that is where the story of your life is being written." - from page 116 Or, for Christmas: "Presents are lost, presence is not. Give people your full attention. Do it always. Don't wait for Christmas." - from page 20 Or, your next love-letter: "All people are like clouds. The clouds are different every day, but what's behind the clouds is always the same. If you can see the sun behind the clouds, you know what true love is." - from page 35 Either way, you'll get a ton of value from this book;-) - Fabian

Stumbling on Happiness Daniel Gilbert 2006-05-02 NATIONAL BESTSELLER • Bringing to life scientific research in psychology, cognitive neuroscience, philosophy, and behavioral economics, this witty, accessible book reveals what scientists have discovered about the uniquely human ability to imagine the future, and about our capacity to predict how much we will like it when we get there. • Why are lovers quicker to forgive their partners for infidelity than for leaving dirty dishes in the sink? • Why will sighted people pay more to avoid going blind than blind people will pay to regain their sight? • Why do dining companions insist on ordering different meals instead of getting what they really want? • Why do pigeons seem to have such excellent aim; why can't we remember one song while listening to another; and why does the line at the grocery store always slow down the moment we join it? In this brilliant, witty, and accessible book, renowned Harvard psychologist Daniel Gilbert describes the foibles of imagination and illusions of foresight that cause each of us to misconceive our tomorrows and misestimate our satisfactions. With penetrating insight and sparkling prose, Gilbert explains why we seem to know so little about the hearts and minds of the people we are about to become. **Awkward Dominion** Frank C. Costigliola 2018-08-06 In *Awkward Dominion*, Frank Costigliola offers a striking interpretation of the emergence of the United States as a world power in the 1920s, a period in which the country faced

both burdens and opportunities as a result of the First World War. Exploring the key international issues in the interwar period—peace treaty revisions, Western economic recovery, and modernization—Costigliola considers American political and economic success in light of Europe's fascination with American technology, trade, and culture. The figures through which he tells this story include Herbert Hoover, Calvin Coolidge, Henry Stimson, Charles Lindberg, Ernest Hemingway, and Henry Ford.

Bad Blood John Carreyrou 2018-05-21 NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

Planted Colette Schaffer 2020-02-21 Has anxiety and panic attacks held you to bondage from living a life you desire? Pastor and author, Colette Schaffer, shares candidly about how she was able to overcome her own struggle with anxiety and panic attacks. Publisher's Note: Products purchased from third-party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitles included with the product.

I Am Participant's Guide Matt Fry 2017 Understand that your past does not define who you are, that your fears and insecurities can be replaced with the truth of God's Word, and that when you truly encounter God, you will discover who you are. Are you satisfied with your life? Do you ever feel lost, insecure, disconnected? Do you ever feel like you need more power or just more of God? In this five-part teaching Matt Fry shows you how to unlock God's power and purpose for your life by discovering who you are in Him. By exploring the seven "I Am" statements Jesus made in the Book of John, Fry unpacks key truths that will help you discover who He is and ultimately reveal your true identity in Christ. This participant's guide is designed for individual or small-group study and should be read in conjunction with the book *I Am* by Matt Fry (sold separately).

Thinking Clearly with Data Ethan Bueno de Mesquita 2021-11-16 "This is an intro-level text that teaches how to think clearly and conceptually about quantitative information, emphasizing ideas over technicality and assuming no prior exposure to data analysis, statistics, or quantitative methods. The books four parts present the foundation for quantitative reasoning: correlation and causation; statistical relationships; causal phenomena; and incorporating quantitative information into decision making. Within these parts it covers the array of tools used by social scientists, including regression, inference, experiments, research design, and more, all by explaining the rationale and logic behind such tools rather than focusing only on the technical calculations used for each. New concepts are presented simply, with the help of copious examples, and the books leans towards graphic rather than mathematical representation of data, with any technical material included in appendices"--

Congressional Record United States. Congress 1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

Darfur Genocide: The Essential Reference Guide Alexis Herr 2020-03-06 This important reference work offers students a comprehensive overview of the Darfur Genocide, with roughly 100 in-depth articles by leading scholars on an array of topics and themes, and more than a dozen key primary source documents. Stretching beyond Darfur to situate Sudan within the scope of its African, colonial, human rights, and genocidal history, this reference work explores every aspect of the Darfur Genocide. Covering hundreds of years, this book explores the religious, ethnic, and cultural roots of Sudanese identity-making and how it influenced the shape of the genocide that erupted in 2004. As the first reference guide on the Darfur Genocide, this text will enable readers to explore an array of critical topics related to the atrocities in Sudan. The book opens with seven key essays collectively providing an overview of the genocide, its causes and consequences, international reaction, and profiles on the main perpetrators, victims, and bystanders. These are followed by entries on such crucial topics as the African Union, child soldiers, the Janjaweed, and the Lost Boys and Girls of Sudan. Leading scholars offer perspective essays on the primary cause of the Darfur Genocide and on whether the conflict in Darfur is a just case for intervention. Expertly curated primary documents enrich readers' ability to understand the complexity of the genocide. Offers an indispensable resource for anyone interested in the Darfur Genocide specifically and genocide studies in general Explains the historical and modern contexts that drive the Darfur Genocide, shedding light on the cultural, political, and social factors that have allowed it to continue for more than 15 years Sketches the many complexities that help explain why the United Nations and international community at large have failed to stop the atrocities Features entries written by leading experts on the Darfur Genocide Provides the text of speeches by Sudanese leaders, national and foreign policy briefs, peace treaties, and United Nations Reports related to the Darfur Genocide

Lift Up Your Heart Fulton John Sheen 1997 In one of his most popular books, Bishop Fulton Sheen deftly strikes at the heart of humanity's predicament: overcoming roadblocks to spiritual peace and union with God

The Neurotic's Guide to Avoiding Enlightenment Chris Niebauer, Ph.D. 2014-03-10 Has self-improvement really improved the self? More than ever people are on a quest for self-improvement and enlightenment. People are "watching" their egos or losing their egos in order to find peace of mind or to get along better with others. And yet, the more we try to lose our ego, the more of it there is to lose. The more we try to make peace, the more we find conflict. It is exactly what happens when we try not to think of the number 3 and that is all we can think about. Our efforts seem to have the opposite effect and this is due to the way the left side of the brain processes information. Neuroscience discovered that the left brain makes up elaborate stories and convincing explanations. It is the left brain that makes up the most elaborate and convincing story of all, the story of who you think you are. And the more we try to get out of this story, the deeper we find ourselves in it because it is the function of the left brain to work on the law of opposition. Try not to be anxious and that's exactly what happens. Try not to worry and you will be flooded with anxious thoughts. And the same is true for self-improvement. The more we try to improve our story, the more the story needs to be improved. The left brain excels at these games even when it plays by pretending not to play. If I said that all attempts at self-improvement are futile, how would you respond? Would you reflexively think I'm wrong? Is there any way not to play these games of the left brain? Which part of your brain do you think is asking this question? This book was written for the ordinary person who has an extraordinary curiosity for who they are, how thoughts work and why they cannot control their thoughts. It is a practical guide that uses examples from my kids, favorite movies and TV shows from the 80s and 90s along with simple exercises so you can see for yourself if any of this is on track. While no special knowledge of neuroscience is required, you may understand many of the examples if you've seen an episode or two of *Star Trek* or *Seinfeld*. While this work is based on the teachings of Alan Watts and Eckhart Tolle it integrates the findings of modern neuroscience which surprisingly reveals a similar message. It is the desire for enlightenment that is the biggest block to happiness and peace, in fact, it is the only block. It is not until one gives up the quest to find oneself, improve oneself or be more spiritual, that one can ever find the peace they are looking for. And it is not your ego that gives up this quest, it is you. For more info please see my blog at <http://worrriedbuddha.com/>

The Four Agreements Don Miguel Ruiz 1997-11-07 In *The Four Agreements*, bestselling author Don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, *The Four Agreements* offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 48 languages worldwide “This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter.” — Oprah Winfrey “Don Miguel Ruiz’s book is a roadmap to enlightenment and freedom.” — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* “An inspiring book with many great lessons.” — Wayne Dyer, Author, *Real Magic* “In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world.” — Dan Millman, Author, *Way of the Peaceful Warrior*

Guided Self-Healing Meditations Joyce Tone 2020-10-12 Do you frequently experience stress and anxiety even when you have no cause for worry? Do you often think about the worst-case scenario or see the negative in everything and has seeing life through clouded lenses added to your misery? Do you often experience a sense of despair and a lack of direction in life? Would you like to lead a more empowered, meaningful, and purposeful life that is rich in happiness, meaning, and peace?If you answered YES to these questions, it's clear that you are struggling with chronic negativity, stress, and tensions, and that you are ready and willing to do whatever it takes to tackle and eliminate these elements so that you can start living a well-balanced and beautiful life. Anxiety is often here to stay for the long haul unless

something significant is done about it. Severe cases of anxiety require professional help when it can cause significant disruption to your ability to function in your personal, social, and professional life. People with anxiety disorders are often associated with depression. That is, the more reason people with anxiety disorders are usually diagnosed with depression. Anxiety is defined as an emotion marked by the experience of fear or worry. Anxiety is, however, to be distinguished from fear, which most scientists regard as a natural reaction to a perceived threat. If you analyze your issues, you will realize that "internal peace" is the lacking element and that inasmuch as you may think you will find peace "out there," true peace comes from within. After all, was the Buddha not right when he noted the following truth? "Peace comes from within. Do not seek it without." - Buddha Not living in the present is why biased or phony whims and wishes control so many of us. Being unconnected with the present moment, mindful of yourself and your needs, and aware of the exact 'things' that bring you happiness and meaning is also why your life lacks structure and a depth. If you want to live a richer, more fulfilling life, start being more mindful; that is the secret to lasting internal happiness and peace in life. This book covers the following topics: Mindfulness meditation Anxiety Signs, Symptoms and Causes of Anxiety and Depression Emotional Stress and Relaxation Techniques How to Manage Activities to Reduce Anxiety Using Exposure to Eliminate Fear How to Help Someone with Panic Attacks or Panic Disorder Understanding Your Anger Anger Management Techniques Natural Remedies for Chronic Anxiety Benefits of mindfulness meditation Sleep disorders? Bedtime stories for anxiety 30-minute guided meditation for sleep, relaxation, & stress relief ...And much more Meditation is a simple and beautiful practice whose primary aim is to help you discover, explore, accept, and acknowledge your true self. A lack of awareness of who we are is the reason why we pursue the 'wrong things,' take lots of weird directions in life, and keep making U-turns every now and then. Ready to get started? Click "Buy Now!"

Moving from Fear to Freedom Grace Fox 2007-08-01 Fear was not part of God's original agenda for his creation. It slithered onto the scene when Adam and Eve sinned, causing a tear in their relationship with God. And even though fear touches every life and can still debilitate people today, the news isn't all bad. Popular speaker and author Grace Fox demonstrates how believers can face their fear and actually let it be a catalyst for change. Readers will learn how to stop hiding from God and instead develop a deeper relationship with Him. This is what she calls "the upside of fear": When we cry out to God for help, He answers, and we experience Him in new ways. Each chapter highlights a particular area where readers can begin to experience freedom from fears about their personal identity, their finances, their kids, the future, and more.

Right and Wrong and Being Strong Lisa O Engelhardt 2014-10-21 Kids aren't born knowing right from wrong. But, somehow, over the years, we hope to help them become caring, responsible, respectful adults. This practical how-to book for kids is an invaluable tool in guiding children on the journey of moral development. Through concrete language and interactive examples, it addresses such topics as honesty, peer pressure, and how to tell right from wrong. Even more, it shows kids how to go beyond doing right to doing good.

Bad Feminist by Roxane Gay (Summary) QuickRead Do you want more free book summaries like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Discover Why Being a Bad Feminist is Better Than Not Being a Feminist At All. When you hear the word feminism, what do you think of? In today's climate, you likely think about the many women's marches and the #MeToo movement that have taken over the media. All of these fight for the rights of women in every area of life, including equal pay, reproductive rights, and more. But according to Roxane Gay, feminism is flawed. There is no right or wrong way to be a feminist, which is why

Gay proudly labels herself as a bad feminist. As a bad feminist, Gay recognizes that humans are flawed, and therefore, their views and opinions don't always fit perfectly into a neatly wrapped package. For instance, while Gay enjoys going against the grain, her favorite color is still pink and she enjoys reading Vogue, both of which are typical female stereotypes. At the end of the day, feminism looks different for everyone but being a bad feminist is better than not being a feminist at all! As you read, you'll learn how reality television is harmful to the fight for equality, how racial profiling can end in murder, and how movies like *The Help* only advance racial stereotypes.

Apocalypse Never Michael Shellenberger 2020-06-30 Now a National Bestseller! Climate change is real but it's not the end of the world. It is not even our most serious environmental problem. Michael Shellenberger has been fighting for a greener planet for decades. He helped save the world's last unprotected redwoods. He co-created the predecessor to today's Green New Deal. And he led a successful effort by climate scientists and activists to keep nuclear plants operating, preventing a spike of emissions. But in 2019, as some claimed "billions of people are going to die," contributing to rising anxiety, including among adolescents, Shellenberger decided that, as a lifelong environmental activist, leading energy expert, and father of a teenage daughter, he needed to speak out to separate science from fiction. Despite decades of news media attention, many remain ignorant of basic facts. Carbon emissions peaked and have been declining in most developed nations for over a decade. Deaths from extreme weather, even in poor nations, declined 80 percent over the last four decades. And the risk of Earth warming to very high temperatures is increasingly unlikely thanks to slowing population growth and abundant natural gas. Curiously, the people who are the most alarmist about the problems also tend to oppose the obvious solutions. What's really behind the rise of apocalyptic environmentalism? There are powerful financial interests. There are desires for status and power. But most of all there is a desire among supposedly secular people for transcendence. This spiritual impulse can be natural and healthy. But in preaching fear without love, and guilt without redemption, the new religion is failing to satisfy our deepest psychological and existential needs.

Celebrate Recovery Leader's Guide John Baker 1998 Congratulations on making one of the most rewarding choices of your life! Your decision to lead the Celebrate Recovery program affords you the matchless experience of seeing broken people transformed by the power of Christ. As a leader, you are about to make a difference in the most direct way possible -- helping others discover hope and change they'd thought was beyond their reach. Your own life, too, will never be the same, as you see your investment of time and care returned in ways you've never imagined. This Leader's Guide gives you everything you need to facilitate the life-changing Celebrate Recovery lessons. We've done our best to simplify your job. The clear, easy-to-follow format minimizes your preparation time and virtually walks you through each meeting. Besides the ability to follow basic instructions, a willing heart is all you need to successfully conduct this proven, life-changing program.

Lying and Deception Thomas L. Carson 2010-04-29 This is the most comprehensive and up-to-date investigation of moral and conceptual questions about lying and deception. Carson argues that there is a moral presumption against lying and deception that causes harm, he examines case-studies from business, politics, and history, and he offers a qualified defence of the view that honesty is a virtue.

Modern World History Roger B. Beck 2002-03-01

Fahrenheit 451 Ray Bradbury 1968 A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.
