**Mother of Learning: ARC 1** nobody103 2021-12-01 Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

So when the box shows up where only she can find it, she opens it...and awakens a link to the evil her mother fought to keep dormant. John lives in an old-fashioned village, a place of exquisite beauty and abundance. But such splendor demands that the villagers commit unspeakable acts. When the link with Redd is unlocked, the village council believes they have a solution to simplify their darkest task. John is sent to find the one girl who could possibly save them...if she makes the ultimate sacrifice. Eleanor sets off from England to America in 1587, pregnant and desperate to leave her ties with the devil behind. But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island, what should be the beginning of a better life turns into a horrendous struggle to survive. Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come... Redd, John, and Eleanor's stories meld together in a mashup of dark, urban, and historical fantasy, delving into the nuances of good and evil, the price of loyalty, and the extremes we will go to for those we love.

**Blood Rites** Jim Butcher 2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry's had worse assignments than going undercover on the set of an adult film. Dodging flaming monkey poo, for instance. Or going toe-to-leaf with a plant monster. Still, there's something troubling about this case. The Producer believes he's afflicted by an entropy curse - but it's the women around him who are dying. And Harry only got involved as a favour to Thomas, his flirtatious self-absorbed vampire acquaintance. Thomas has a personal stake in the case Harry can't work out, until his investigation leads him straight to Thomas's oversexed relatives. Harry's about to discover the skeleton in Thomas's family closet: a revelation that will change Harry's life for ever. Magic - it can get a guy killed.

**Jim Butcher's Dresden Files** Jim Butcher 2014-12-09 A war is raging between the vampire forces of the Red Court and the White Council - a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the

war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: "The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out." **Jim Butcher's the Dresden Files** Jim Butcher 2016 "A bizarre double murder draws the interest of Chicago's only wizard-for-hire. But as Harry Dresden begins his investigation, the clues lead to troubling conclusions about the possible perpetrator, and set him on a path that will place him in the middle of a conflict between the city's three most powerful factions"-- **Chosen** Benedict Jacka 2013-09-05 Life is quiet for Alex Verus. Amazing. With a flat full of friends (and the occasional fish), and business booming, why not enjoy the humdrum here and now? But of course that's too good to be true. In a sudden and cruel pincer movement of fate, Alex finds himself fighting a sinister and powerful gang as well as his own demons - for the same crime. Held hostage by the choices of his past, Alex's future is now in jeopardy . . .

**Fool Moon** Jim Butcher 2011 Supernatural investigator Harry Dresden has his hands full when Chicago's underworld and the police think he's a mobster's enforcer and he must track down a pack of werewolves stalking the city.

Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry Dresden should be happy that business is good - makes a change. But now he's getting more than he bargained for: a duel with the Red Court of Vampires' champion, who must kill Harry to end the war between vampires and wizards; professional hit men using Harry for target practice; the missing Shroud of Turin (less missing than expected) and a headless corpse the Chicago police need identifying . . . Not to mention the return of Harry's ex-girlfriend Susan, still struggling with her semi-vampiric nature. And who seems to have a new man. Some days, it just doesn't pay to get out of bed. No matter how much you're charging. Magic - it can get a guy killed.

**Turn Coat** Jim Butcher 2009-06-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry has always tried to keep his nose clean where the White Council of Wizards is concerned, but past misdeeds haven't gone down well. Which places him in an awkward position. Morgan, formerly his chief persecutor on the Council, has been wrongly accused of treason. Facing the ultimate punishment, Morgan needs someone with a knack for backing the underdog, however much that someone isn't interested. Soon, Harry is working to clear the less-than-agreeable Morgan's name, hiding from the Council and bounty hunters alike and seeking the true turncoat. A single mistake may mean that heads - quite literally - could roll. And one of them might be his. Magic - it can get a guy killed.

A series of apparent suicides rings alarm bells with the police, and Harry is hired. At the first crime scene he hits pay dirt, discovering an unmistakable magical taint. There's also a message especially for him, and it ain't pretty. The 'killings' will continue if Harry can't halt his tormentor, but the evidence implicates his half-brother, which just doesn't add up. Unfortunately Harry's digging around attracts some powerful vampires with a stake in the result. Soon, whichever way he turns, Harry will find himself outnumbered, outclassed and dangerously susceptible to temptation. And if he screws up, his friends will die. Magic - it can get a guy killed.

**Thirty Day Boyfriend** Whitney G. 2017-10-16 I should've never agreed to this arrangement...

Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...
