*How the Scots Invented the Modern World*  
Arthur Herman 2007-12-18 An exciting account of the origins of the modern world Who formed the first literate society? Who invented our modern ideas of democracy and free market capitalism? The Scots. As historian and author Arthur Herman

reveals, in the eighteenth and nineteenth centuries Scotland made crucial contributions to science, philosophy, literature, education, medicine, commerce, and politics—contributions that have formed and nurtured the modern West ever since. Herman has charted a fascinating journey across the centuries of Scottish history. Here is the untold story of how John Knox and the Church of Scotland laid the foundation for our modern idea of democracy; how the Scottish Enlightenment helped to inspire both the American Revolution and the U.S. Constitution; and how thousands of Scottish immigrants left their homes to create the American frontier, the Australian outback, and the British Empire in India and Hong Kong. *How the Scots Invented the Modern World* reveals how Scottish genius for creating the basic ideas and institutions of modern life stamped the lives of a series of remarkable historical figures, from James Watt and Adam Smith to Andrew Carnegie and Arthur Conan Doyle, and how Scottish heroes continue to inspire our contemporary culture, from William “Braveheart” Wallace to James Bond. And no one who takes this incredible historical trek will ever view the Scots—or the modern West—in the same way again.

**A Bit of a Stretch** Chris Atkins 2020-02-06 'Shocking, scathing, entertaining.' Guardian 'Incredibly compelling.' The Times 'Heart-breaking.' Sunday Times Where can a tin of tuna buy you clean clothes? Where is it easier to get 'spice' than paracetamol? Where does self-harm barely raise an eyebrow? Welcome to Her Majesty's Prison Service. Like most people, documentary-maker Chris Atkins didn't spend much time thinking about prisons. But after becoming embroiled in a dodgy scheme to fund his latest film, he was sent down for five years. His new home would be HMP Wandsworth, one of the largest and most dysfunctional prisons in Europe. With a cast of characters ranging from wily drug dealers to senior officials bent on endless reform, this powerful memoir uncovers the horrifying reality behind the locked gates. Filled with dark humour and shocking stories, A Bit of a Stretch reveals why our creaking prison system is sorely costing us all - and why you should care.

*The Gutenberg Revolution* John Man 2010-10-31 In 1450, all Europe's books

were handcopied and amounted to only a few thousand. By 1500 they were printed, and numbered in their millions. The invention of one man - Johann Gutenberg - had caused a revolution. Printing by movable type was a discovery waiting to happen. Born in 1400 in Mainz, Germany, Gutenberg struggled against a background of plague and religious upheaval to bring his remarkable invention to light. His story is full of paradox: his ambition was to reunite all Christendom, but his invention shattered it; he aimed to make a fortune, but was cruelly denied the fruits of his life's work. Yet history remembers him as a visionary; his discovery marks the beginning of the modern world.

**On a Pedestal** Roger Lytollis 2021-11-04 This is a book for people who are interested in statues . . . and for people who aren't. It explores those immortalised in marble and bronze - and what the rest of us think about them. As Roger Lytollis travels Britain he encounters a man at Liverpool's Beatles statue convinced that Rod Stewart was in the Fab Four. In Edinburgh he walks into a row over Greyfriars Bobby's nose and in Glasgow learns why the Duke of Wellington wears a traffic cone on his head. London brings a controversial nude statue and some hard truths about racism. Elsewhere, Roger sees people dancing with Eric Morecambe, finds a statue being the backdrop to a marriage proposal and, everywhere he goes, pigeons. Always pigeons . . . On a Pedestal is the first book to examine public statues around the nation. It looks at their emergence into our culture wars; the trend for portraying musicians, sports stars and comedians rather than monarchs, politicians and generals; the amazing tales of many of those commemorated on our streets. It also features interviews with sculptors, including Sir Antony Gormley, telling the stories behind some of our most popular modern statues. Part history book, part travelogue, On a Pedestal brings statues to life. Informative and entertaining, it's a book that - ultimately - is more about blood than bronze.

Once a child of the streets, she is now Mistress of the Just Land, the best bawdy-hoose in Edinburgh and her pride and joy. But a murder in her establishment could wreck everything. New Year's Day - and through the misty streets of Victorian Edinburgh an elegant, female figure walks the cobblestones - with a certain vengeful purpose. Jean Brash, the

Mistress of the Just Land, brings her cool intelligence to solving a murder, a murder that took place in her own bawdy-hoose. A prominent judge, strangled and left dangling, could bring her whole life to ruin and she didn't haul herself off the streets, up through low dirty houses of pleasure and violent vicious men - to let that come to pass. The search for the killers will take Jean back into her own dark past as she uncovers a web of political and sexual corruption in the high reaches of the Edinburgh establishment. A young boy's death long ago is demanding justice but, as the body count increases, she has little time before a certain Inspector James McLevy comes sniffing round like a wolf on the prowl. Solomon knew that he had one advantage. A pawn ticket belonging to a dead man tucked into his top pocket - the only clue to the truth . . . An old soldier dies alone in his Edinburgh nursing home. No known relatives, and no Will to enact. Just a pawn ticket found amongst his belongings, and fifty thousand pounds in used notes sewn into the lining of his burial suit . . . Heir Hunter, Solomon Farthing - down on his luck, until, perhaps, now - is tipped off on this unexplained fortune. Armed with only the deceased's name and the crumpled pawn ticket, he must find the dead man's closest living relative if he is to get a cut of this much-needed cash. But in trawling through the deceased's family tree, Solomon uncovers a mystery that goes back to 1918 and a group

of eleven soldiers abandoned in a farmhouse billet in France in the weeks leading up to the armistice. Set between contemporary Edinburgh and the final brutal days of the First World War as the soldiers await their orders, *The Inheritance of Solomon Farthing* shows us how the debts of the present can never be settled unless those of the past have been paid first . . .

**Pitch Perfect (movie tie-in)** Mickey Rapkin 2012-09-04 A musical tale of collegiate a cappella filled of high notes, high drama, and high jinks that inspired the hit films Pitch Perfect and Pitch Perfect 2. Get ready to be pitch slapped. The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages, and collegiate a cappella is over a century old. But what was once largely an Ivy League phenomenon has, in the past twenty years, exploded. And it's not what you think. Though the blue blazers and khakis may remain, a cappella groups at colleges across the country have become downright funky. In Pitch Perfect, journalist Mickey Rapkin follows a season in a cappella through all its twists and turns, covering the breathtaking displays of vocal talent, the groupies (yes, there are a cappella groupies), the rock-star partying, and all the bitter rivalries. Rapkin brings you into the world of collegiate a cappella characters—from movie-star looks and celebrity-size egos to a troubled new singer with the megawatt voice. Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents, Rapkin shows that a cappella isn't for the faint of heart—or lungs. Sure to strike a chord with fans of Glee and The Sing-Off, this raucous story of a cappella rock stars shows that sometimes, to get that perfect harmony, you have to embrace a little discord.
