As recognized, adventure as skillfully as experience very nearly lesson, amusement, as with ease as treaty can be gotten by just checking out a books **Growth Of The Soil Knut Hamsun** in addition to it is not directly done, you could assume even more roughly speaking this life, approximately the world.

We come up with the money for you this proper as well as simple showing off to acquire those all. We have the funds for Growth Of The Soil Knut Hamsun and numerous books collections from fictions to scientific research in any way. in the middle of them is this Growth Of The Soil Knut Hamsun that can be your partner.

Victoria Knut Hamsun 2005-11-29 The Nobel Prize winner's poetic, psychologically intense portrayal of love's predicament in a class-bound society A Penguin Classic Set in a coastal village of late nineteenth-century Norway, Victoria follows two lovers whose yearnings are as powerful as the circumstances that conspire to thwart their romance. Johannes, a miller's son turned poet, finds inspiration for his writing in his passionate devotion to Victoria, a daughter of the impoverished lord of the manor, who feels constrained by family loyalty to accept the wealthy young man of her father's choice. Separated by class barriers and social pressure, the fated duo hurt and enthrall each other by turns as they move toward an emotional doom that neither will recognize until it is too late. For more than seventy years, Penguin has been the leading publisher of classic literature in the

English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Growth of the Soil Knut Hamsun 1921 "When it was first published in 1917, Growth of the Soil was immediately recognized as a masterpiece. In the story of Isak, who leaves his village to clear a homestead and raise a family amid the untilled tracts of the Norwegian backcountry, Knut Hamsun evokes the elemental bond between humans and the land. Newly translated by the distinguished Hamsun scholar Sverre Lyngstad, Growth of the Soil is a work of preternatural calm, stern beauty, and biblical power - and the

crowning achievement of one of the greatest writers of the twentieth century."--BOOK JACKET.

Growth of the Soil, Volume 1 - Scholar's Choice

Edition Knut Hamsun 2015-02-08 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.

Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. Growth of the Soil Knut Hamsun 1926

The Collected Works of Knut Hamsun

Knut Hamsun 2019-12-18 Musaicum Books presents to you this meticulously edited Knut Hamsun

collection. This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Knut Hamsun was a Norwegian writer who was awarded the Nobel Prize in Literature in 1920. Hamsun's work spans more than 70 years and shows variation with regard to the subject, perspective and environment. He published more than 20 novels, a collection of poetry, some short stories and plays, a travelogue, and some essays. Table of Contents: Hunger Shallow Soil Pan Mothwise Look Back on Happiness Growth of the Soil Under the Autumn Star A Wanderer Plays On Muted Strings The Road Leads On On Overgrown Paths Knut Hamsun 1999 The great confessional memoir of the Nobel-prize winning Norwegian novelist, Knut Hamsun. Knut Hamsun Remembers America Knut Hamsun 2003-05-01 When Americans remember him at all, they no doubt think of Knut Hamsun (1859–1952) as the author of *Hunger* or as the Norwegian who, along with Vidkun Quisling, betrayed his country by supporting the Nazis during World War II. Yet Hamsun, winner of the Nobel Prize in 1920 for his novel *The Growth of the Soil*, was and remains one of the most important and influential novelists of his time. *Knut Hamsun Remembers America* is a collection of thirteen essays and stories based largely on Hamsun's experiences during the four years he spent in the United States when he was a young

man. Most of these pieces have never been published before in an English translation, and none are readily available. Hamsun's feelings about America and American ways were complex. For the most part, they were more negative than positive, and they found expression in many of his writings—directly in his reminiscences and indirectly in his fiction. In *On the Cultural Life of Modern America*, his first major book, he portrayed the United States as a land of gross and greedy materialism, populated by illiterates who were utterly lacking in artistic originality or refinement. Although the pieces in this collection are not all anti-American, most of them emphasize the strangeness and unpleasantness, as the author saw it, of life in what he called Yankeeland. Arranged chronologically, the pieces fall into three categories: Critical Reporting, Memory and Fantasy, and Mellow Reminiscence. The Critical Reporting section includes articles that appeared in Norwegian or Danish newspapers soon after each of Hamsun's two visits to America and that give his views on a variety of American subjects, and includes an essay devoted to Mark Twain. Memory and Fantasy comprises narratives of life in America, most of which are presented as personal experiences but which actually are blends of fact and fiction. Mellow Reminiscence includes later and fonder recollections and impressions of the United States. The pieces in this collection

provide variations on a theme that runs through much of American history—European criticism of American ways. They give vivid, at times distorted, pictures of life as it was in the United States. They tell us something about the development of the worldview of a man who became a great writer, only to jeopardize his reputation by defending the Nazi oppressors of his own people. *Knut Hamsun Remembers America* will appeal to anyone interested in the history of American civilization or, more specifically, in the history of anti-Americanism. *Wayfarers* Knut Hamsun 2012-07-09 As the modern industrialised world begins to encroach on a small, isolated coastal town in northern Norway the effect is devastating. For young Edevart, uprooted from his simple origins, it brings progressive alienation from the old traditions; for August, the lying, charming scoundrel, it means opportunities that will threaten the stability of an unspoiled community. With comic irony and a haunting power, Hamsun charts the slow disintegration of the old way of life in a magnificent novel that provides brilliant insights into human nature: the visiting skipper who is lured to his death by Ane Marie because, hurtfully, he did not make advances to her; the old watch seller who is as ready to cheat himself as he is to swindle others; the poignant, painful love affair between Edevart and the barefoot Lovise Magrete. Written seven years after

Hamsun received the Nobel Prize for literature, *Wayfarers* is a masterpiece by one of the great novelists of the twentieth century.

Enigma Robert Ferguson 2010-07 The beginning of Robert Ferguson's introduction is arresting. 'If they've heard of him at all, people tend to know two things about Knut Hamsun: that he wrote *Hunger*, and that he met Hitler. Those who know a little more know that in *Hunger*, *Mysteries* and *Pan*, he produced novels that have had a decisive effect on European and American literature of the twentieth century. Ernest Hemingway tried to write like him; so did Henry Miller, who called him 'the Dickens of my generation'; 'never has the Nobel Prize been awarded to one worthier of it.' Thomas Mann wrote in 1929. Hermann Hesse called him 'my favourite author'. Russian writers like Andre Bely and Boris Pasternak read him keenly in their youth, and Andre Gide thought him arguable superior to Dostoevsky. They all read him - Kafka, Brecht, Gorky, Wells, Musil. Rebecca West described him as the possessor of 'qualities that belong to the very great - the completest omniscience about human nature'. And Isaac Bashevis Singer stated that Hamsun was quite simply 'the father of the modern school of literature in his every aspect - his subjectiveness, his fragmentariness, his use of flashbacks, his lyricism'. Singer, in his foreword to *Hunger*, goes on to say that 'The whole modern school of fiction

in the twentieth century stems from Hamsun.' Yet in discussions of the history of modern literature, Hamsun's name is rarely mentioned. His reputation, which probably reached its height around 1929 with the world celebrations of his seventieth birthday, was in ruins by the end of the Second World War. Alone among the major European writers, he had supported Hitler. Brazenly alone, he had hailed the rise and bemoaned the fall of the epitome of spiritual tyranny in recent history.' What a subject, and in this, the first biography, Robert Ferguson brilliantly gets the measure of this awkward, paradoxical writer, or, as he calls him 'a multiple paradox, a living riddle; a human question-mark'. 'Enigma is scholarly, very readable, warm, intelligent, shrewd, refreshingly unpretentious, invaluable, essential. A magnificent achievement.' Martin Seymour-Smith, *Washington Post* 'Enigma is simply a pleasure to read. When Ferguson writes of the demonic muse that haunted Hamsun throughout his life, we glimpse something profound about the creative act of writing, and we come very close to the exalted emotion that every writer feels - or hopes to feel. Indeed, the highest praise that can be bestowed on Ferguson's work is to declare that *Enigma* is one of the most moving, inspiring and exciting books on the subject of writing that I have ever encountered.' Jonathan Kirsch, *Los Angeles Times* 'Robert Ferguson's is the first full length English

biography of Knut Hamsun and no one could have done a more expert job.' John Carey, Sunday Times

Hunger Knut Hamsun 2012-06 Hunger by Knut Hamsun - The Original Classic Edition Finally available, a high quality book of the original classic edition. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: From there his parents moved when he was only four to settle in the far northern district of Lofoden--that land of extremes, where the year, and not the day, is evenly divided between darkness and light; where winter is a long dreamless sleep, and summer a passionate dream without sleep; where land and sea meet and intermingle so gigantically that man is all but crushed between the two--or else raised to titanic measures by the spectacle of their struggle. ...But when Kareno, the irreconcilable rebel of *At the Gates of the Kingdom*, the heaven-storming truth-seeker of *The Game of Life*, and the acclaimed radical leader in the first acts of *Sunset Glow*, surrenders at last to the powers that be in order to gain a safe and sheltered harbor for his declining years, then another man of 29 stands ready to denounce him and to take up the rebel cry of youth to which he has become a traitor. Hamsun's ironical humor and whimsical manner of

expression do more than the plot itself to knit the plays into an organic unit, and several of the characters are delightfully drawn, particularly the two women who play the greatest part in Kareno's life: his wife Eline, and Teresita, who is one more of his many feminine embodiments of the passionate and changeable Northland nature.

...From 1897 to 1912 Hamsun produced a series of volumes that simply marked a further development of the tendencies shown in his first novels: *Siesta*, short stories, 1897; *Victoria* a novel with a charming love story that embodies the tenderest note in his production, 1898; *In Wonderland*, travelling sketches from the Caucasus, 1903; *Brushwood*, short stories, 1903; *The Wild Choir*, a collection of poems, 1904; *Dreamers*, a novel, 1904; *Struggling Life*, short stories and travelling sketches, 1905; *Beneath the Autumn Star* a novel, 1906; *Benoni*, and *Rosa*, two novels forming to some extent sequels to *Pan*, 1908; *A Wanderer Plays with Muted Strings*, a novel, 1909; and *The Last Joy*, a shapeless work, half novel and half mere uncoordinated reflections, 1912. ...I turned to a shop window and stopped in order to give him an opportunity of getting ahead, but when, after a lapse of some minutes, I again walked on there was the man still in front of me--he too had stood stock still, -- without stopping to reflect I made three or four furious onward strides, caught him up, and slapped him on the shoulder.

Growth of the Soil, Tr. from Norwegian Knut

Hamsun 1921

On Over-grown Paths Knut Hamsun 1967 Memoir written from 1945 to 1948 by the novelist when he was interned on suspicion of treason.

Tales of Love and Loss Knut Hamsun 2011-01-01

Twenty stories ranging over every imaginable human emotion and situation, *Tales of Love and Loss* is a treat for all lovers of great writing. Knut Hamsun published only three collections of short stories during his lifetime and abandoned the form entirely after 1906. Most of these stories are translated into English for the first time and this is the first publication for them outside Norway.

Providing a fascinating commentary on the novels Hamsun was writing at the time and with forebodings of his much later work these stories are indispensable.

Knut Hamsun Ingar Sletten Kolloen 2009 This biography of one of the twentieth century's most important and neglected writers captures the restless and enigmatic spirit of Hamsun and provides a major reassessment of his work.

Growth of the Soil Knut Hamsun 1920

Hunger Knut Hamsun 2003-11-17 A modern classic about a penniless, unemployed young writer, this powerful, autobiographical novel paints an unforgettable portrait of a man driven to the edge of self-destruction by forces beyond his control.

Mysteries (Knut Hamsun) Knut Hamsun 1971 *Mysteries* is a classic of European literature, one of the seminal novels of the twentieth century. It is the story of Johan Nagel, a strange young man who arrives to spend a summer in a small Norwegian coastal town. His presence acts as a catalyst for the hidden impulses, concealed thoughts and darker instincts of the local people. Cursed with the ability to understand the human soul, especially his own, Nagel can foresee, but cannot prevent, his own self-destruction.

Growth Of The Soil Knut Hamsun 2019-06-24 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly'

reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

The Women at the Pump Knut Hamsun

2012-07-09 In their gossiping at the pump the

women express the poetry, the tawdriness and, above all, the sheer vitality of life in Hamsun's small coastal town. A birth (where did those brown eyes come from?); a marriage (shotgun?); a death in strange circumstances (the victim flattened by a barrel of whale oil); the up-and-down career of the town's leading citizen and philanderer; the elderly spinster's pregnancy; the sinking of the steamship that is the town's pride and joy. Above all, talk centres on the doings of Oliver Andersen and the large family that he and his wife contrive to create despite growing suspicions that his mysterious accident at sea has deprived him of more than a leg... The Women at the Pump overflows with a prodigality of invention and sardonic humour typical of Hamsun's work at its best. First published in 1920, the year Hamsun won the Nobel Prize for Literature, it has a universal quality that transcends time and place. Hamsun's women live on the Norwegian coast but their soulmates flourish in every small community around the world.

Growth of the Soil Or Markens Grode Knut

Growth of the Soil Knut Hamsun 2007-09-25 The story of an elemental existence in rural Norway.

Knut Hamsun Monika Zagar 2011-07-01 Awarded

the Nobel Prize for Literature in 1920, Knut Hamsun (1859–1952) was a towering figure of Norwegian letters. He was also a Nazi sympathizer and supporter of the German occupation of Norway during the Second World War. In 1943, Hamsun sent his Nobel medal to Third-Reich propaganda minister Joseph Goebbels as a token of his admiration and authored a reverential obituary for Hitler in May 1945. For decades, scholars have wrestled with the dichotomy between Hamsun's merits as a writer and his infamous ties to Nazism. In her incisive study of Hamsun, Monika Zagar refuses to separate his political and cultural ideas from an analysis of his highly regarded writing. Her analysis reveals the ways in which messages of racism and sexism appear in plays, fiction, and none-too-subtle nonfiction produced by a prolific author over the course of his long career. In the process, Zagar illuminates Norway's changing social relations and long history of interaction with other peoples. Focusing on selected masterpieces as well as writings hitherto largely ignored, Zagar demonstrates that Hamsun did not

arrive at his notions of race and gender late in life. Rather, his ideas were rooted in a mindset that idealized Norwegian rural life, embraced racial hierarchy, and tightly defined the acceptable notion of women in society. Making the case that Hamsun's support of Nazi political ideals was a natural outgrowth of his reactionary aversion to modernity, Knut Hamsun serves as a corrective to scholarship treating Hamsun's Nazi ties as unpleasant but peripheral details in a life of literary achievement.

Look Back on Happiness Knut Hamsun

2019-11-26 "Look Back on Happiness" by Knut Hamsun (translated by Paula Wiking). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read.
