another part of your brain is urging you to put the book down and focus on something more pressing. Get back to work on the budget due tomorrow. Answer e-mails growing stale in your inbox. Get off your rear and update that résumé. We're all guilty of it, especially in the business world. From Fortune 500 CEOs to assistants, we work to solve the most urgent problems first. That's because evolution has hardwired our brains to focus only on the immediate future, a survival technique that worked extremely well when predators were lurking at every turn. But that was then, this is now. In the modern world, where life expectancies are long and physical perils rare (at least for people who buy books), it's not only possible to build a strong tomorrow without sacrificing today, but to actually increase the number of here-and-now victories by pursuing distant wins. That's where Long Fuse, Big Bang comes in--to help you work with that instinct to create and foster ideas that will lead to explosive professional results. Through proven case studies and personal experience, Dr. Eric Haseltine shows you how to neutralize the quick-fix way of thinking and actually use that desire to improve your chances of an enduring success. Rather than fight our most basic thought processes, this book will teach you how to work with your brain to light the long fuse, keep it smoldering, and ignite that "Big Bang" that will make history.

Emma takes a position as a governess on Star Frost, an elusive island off the coast of Cornwall. From the moment of his birth, Calvin Stanley West, Duke of Renvere, was blessed. Just when she feels safe and the attraction between them ignites into a passionate affair, the people she ran from have hunted her down, shattering her hopes. Emma's instinct is to run again, but if she does, she will have to give up everything she loves or stay and fight for her heart's desire. The choice should be easy, but is desire enough for her? My Lucky #13 Piper Rayne 2021-06-29 Lucky. The one adjective used to describe my entire hockey career. I prefer to call it hard work, at least I did until my game went to complete crap. I haven't scored in eight games and the team owner is talking about trading me. I've never believed in superstitions. Never needed one. I suppose I was "lucky" in that way. But now the best way to refer to me is desperate. I'd wear the same socks for an entire year just to be the high-scoring center I used to be. Imagine my surprise when after spending New Year's Eve with a woman, I score a hat trick in the next game—that's three goals in one game for you non-hockey lovers. Now, I have to track her down and bribe her to do it again before every game. Get your mind out of the gutter, I'm not talking about it. I find her and when I get to know her better, I end up spending more time thinking about her than my game, but she's made it clear she wants no part of me. She's going to learn that I didn't become a professional hockey player without having to fight for what I want.

Kabbalah for Beginners: An Introduction to Jewish Mysticism Theo Lalvani 2021-08-19 The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts

have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

DNS FIT KID Exercise Journal Eliška Urbářová 2020-03-25 DNS Exercise Journal - A brochure

for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

Daughter of the River Country Dianne O'Brien 2021-07-02 From a victim of the Stolen Generations comes a remarkable memoir of abuse, survival - and ultimately hope. Born in country NSW in the 1940s, baby Dianne is immediately taken from her Aboriginal mother. Raised in the era of the White Australia policy, Dianne grows up believing her adoptive Irish mother, Val, is her birth mother. Val promises

Dianne that one day they will take a trip and she will 'tell her a secret'. But before they get the chance, Val tragically dies. Abandoned by her adoptive father, Dianne is raped at the age of 15, sentenced to Parramatta Girls Home and later forced to marry her rapist in order to keep her baby. She goes on to endure horrific domestic violence at the hands of different partners, alcohol addiction and cruel betrayal by those closest to her. But amazingly her fighting spirit is not extinguished. At the age of 36, while raising six kids on her own, Dianne learns she is Aboriginal and that her great-grandfather was William Cooper, a famous Aboriginal activist. Miraculously she finds a way to forgive her traumatic past and becomes a leader in her own right, vowing to help other stolen people just like her. 'A compelling piece of storytelling.
