A Deadly Deception Tessa Harris 2019-08-27 The streets of Victorian London are clothed in shadows and secrets in Tessa Harris's gripping new mystery featuring flower seller Constance Piper ... London, July 1889. Eight months have passed since the horrific murder of Mary Jane Kelly. The residents of Whitechapel have begun breathing easy again—daring to leave windows open and walk about at twilight. But when old Alice McKenzie is found dead, throat slashed from ear to ear, the whispers begin once more: Jack the Ripper is back. Constance Piper, a flower seller with a psychic gift, was a friend to both women. With the supernatural help of her late mentor, Miss Emily Tindall, and her more grounded ally, police detective Thaddeus Hawkins, she uncovers links between the murders and a Fenian gang. The Fenians, committed to violence to further their goal of an independent Ireland, are also implicated in a vicious attack in which the Countess of Kildane's uncle was killed. Could the Whitechapel murders be a ruse to make the British police look helpless? Soon, Constance is called upon for help. But there are spies everywhere in the city, and a bomb plot intended to incur devastating carnage. And as Constance is fast discovering, the greatest evil may not lurk in the grimy alleys of the East End, but in a conspiracy that runs from Whitechapel to the highest office in the land ...

It Must've Been Something He Wrote Nikita Deshpande 2016-08-20 When obsessive book-lover (ahem, book snob) Amruta - Ruta - Adarkar arrives in Delhi to work as a marketing executive for Parker-Hailey's Publishing, she learns that the world of books is not as cozy as she'd imagined. Her eccentric taskmaster of a boss expects marketing miracles to happen on shoestring budgets and in record time, and surviving the job (and the city) means she'll have to master the local art of jugaad really fast. Worst of all, she's stuck being a publicist for Jishnu Guha, protein-shake lover, serial selfie-taker, and bestselling author of seven cheesy romance novels, the kind she wouldn't be caught dead reading. As Ruta struggles between work and life in a new city, she finds, much to her annoyance, that she needs Jishnu's help more than she cares to admit. But with her own parents getting a divorce, can Ruta dare to fall in love, especially with someone who's so impossibly different?

Love On the Rocks: A Positano Tale Catie Costa 2015-06-05 Thirtysomething best friends Kit and Bridget flee their humdrum lives to spend the summer in Positano, the infamous "Pearl of the Amalfi," for a once-in-a-lifetime vacation filled with frivolously expensive and tantalizingly wonderful experiences—and that was just the food. Kit is in love with the cliff side resort town —and with Lassino, a pizza chef who lives there. At the prospect of spending the summer in a country synonymous with pizza and gelato, neurotically obsessive and weight-conscious Bridget is already in panic mode. But she's ready to risk a few pounds to get away from it all for a few months. So she and Kit rent an apartment, and they invite their friends over for a visit. They find themselves with no shortage of good friends who want to spend time in Italy on the cheap. Their idyllic summer getaway flies by, thanks to a wedding, a death threat, a missing teen, a lunatic Australian, love on the rocks, a pregnancy, and lots and lots of sparkly prosecco.

It Must've Been Something I Ate Jeffrey Steingarten 2008-11-26 In this outrageous and delectable new volume, the Man Who Ate Everything proves that he will do anything to eat everything. That includes going fishing for his own supply of bluefin tuna belly; nearly incinerating his oven in pursuit of the perfect pizza crust, and spending four days boning and stuffing three different fowl—into each other-- to produce the Cajun specialty called "turducken." It Must've Been Something I Ate finds Steingarten testing the virtues of chocolate and gourmet salts; debunking the mythology of lactose intolerance and Chinese Food Syndrome; roasting marrow bones for his dog , and offering recipes for everything from lobster rolls to gratin dauphinois. The result is one of those rare books that are simultaneously mouth-watering and side-splitting.

Of Curses and Kisses Sandhya Menon 2020-02-18 For Princess Jaya Rao, nothing is more important than family. That's why when she finds out she'll be attending the same elite boarding school as Grey Emerson, a member of the rival royal family behind a humiliating scandal involving her little sister, she schemes to get revenge on the young nobleman in order to even the score between their families. The plan? Make him fall in love with her and then break his heart the way his family has broken hers. Grey Emerson doesn't connect with people easily. Due to a curse placed on his family by the Raos that his superstitious father unquestioningly, annoyingly believes in, Grey grew up internalising that he was doomed from the day he was born. Sequestered away at St. Rosetta's Academy, he's lived a quiet existence in relative solitude. That is, until Jaya Rao bursts into his life. Jaya is exuberant and elegant and unlike anyone Grey has ever met before, but he can't help feeling that she's hiding something behind her beautiful smile and charmingly awkward attempts at flirting. Despite his better instincts, though, he starts to fall for her. Jaya's plan isn't totally going according to plan. For one, Grey is aggravatingly handsome. And for two, she's realising there's maybe more to him than his name and his family imply. The stars are crossed for Jaya and Grey. But can they still find their fairy-tale ending?

The Man Who Ate Everything Jeffrey Steingarten 2011-06-08 Funny, outrageous, passionate, and unrelenting, Vogue's food writer, Jeffrey Steingarten, will stop at nothing, as he makes clear in these forty delectable pieces. Whether he is in search of a foolproof formula for sourdough bread (made from wild yeast, of course) or the most sublime French fries (the secret: cooking them in horse fat) or the perfect piecrust (Fannie Farmer--that is, Marion Cunningham--comes to the rescue), he will go to any length to find the answer. At the drop of an apron he hops a plane to Japan to taste Wagyu, the hand-massaged beef, or to Palermo to scale Mount Etna to uncover the origins of ice cream. The love of choucroute takes him to Alsace, the scent of truffles to the Piedmont, the sizzle of ribs on the grill to Memphis to judge a barbecue contest, and both the unassuming and the haute cuisines of Paris demand his frequent assessment. Inevitably these pleasurable pursuits take their toll. So we endure with him a week at a fat farm and commiserate over low-fat products and dreary diet cookbooks to bring down the scales. But salvation is at hand when the French Paradox (how can they eat so richly and live so long?) is unearthed, and a "miraculous" new fat substitute, Olestra, is unveiled, allowing a plump gourmand to have his fill of fat without getting fatter. Here is the man who ate everything and lived to tell about it. And we, his readers, are hereby invited to the feast in this delightful book.

Tears of the Bishop Holly Newcastle

The Book : the Story of Red Tail Hawk K.A. Morini 2016-07-18 This is a story of how one family was

rocked by addiction and how they stuck together through it all.

Immortality Gene John Chapman 2015-03-29 We fear pandemics but what if a pandemic made you immortal? Book 1 in the series is FREE! Dr Donna Rigden is fed up with her job. When she loses the most important person in her life, she makes plans to start over. When this falls through, she resigns - big mistake. Donna is now on Forrest's hit list. Convinced to make a move, Donna refuses to leave the US without visiting her parents and grandparents graves. Ambushed at the cemetery, she's shot and wakes up on her way to the UK. This was not what Donna had in mind. Richard Triplet rescues Donna, but wants more from her than she's willing to give. Feeling trapped and desperate, she turns to a new friend for comfort. Sir Richard, Donna's new employer showers her with luxury and makes her an offer she can't refuse. Once she's signed the contract, he asks her to use her medical expertise to commit murder. Donna's world is turned upside down. Donna must make a life changing choice. Once made, there's no going back. Was it the right choice? Death strikes! Sam, the infirmary's doctor, is ordered to give his patient an untested drug. Sam knows the drug is either a cure or a curse, but goes against his patient's wishes. Will he stand by his Hippocratic Oath or cave and follow Sir Richard's orders? Immortality Gene? What about Sir Richard? How does he fit into this equation? What's his motivation? Sir Richard Triplet is a member of a secret society, who operates in the grey area on the edge of the law. This makes him a target for religious fanatics and conspiracy theorists, but Sir Richard knows a secret and has his own agenda. He knows, in the year 7141, the Earth will be destroyed by an apocalyptic collision with a rogue planetoid. This scale of cataclysm will destroy all life on earth - no room in the aftermath - even for a dystopian civilization. Should Sir Richard be concerned? It's not his problem - right? He'll be dead and gone by then. Maybe - maybe not. Sir Richard has a plan, already in action. One of the key elements in his plan is to manipulate the mechanisms of life and greatly extend the human lifespan. Does Sir Richard's quest to live forever offer our happy ever after? Let's re-evaluate this situation. If you were to become immortal would you feel more inclined to worry about an event taking place thousands of years into the future? I would be, but what about the ethical and social implications of immortality? What about overpopulation, living space and the diminishing food supply? What about the wars waged to control this miracle, and the all-important biblical phrase: Genesis 6:3: "And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years." 'Immortality Gene' is the first book in the 'A Vested Interest' series. It's based on advanced technology, currently under development. 'Immortality Gene' covers the development of a genetically engineered virus. Along the way the series deals with corporate jealousy at its highest levels, greed, spite, vengeance, nanotechnology, medicine, murder, mystery, love and betrayal, and, of course, the very essence of life itself. The Series This full length novel, book one sets the stage for a series involving: romance suspense science fiction mystery action comedy Paranormal wolves do play a part in the series but no vampires (yet). Immortality Gene is a unique blend of thriller, romance and science fiction. If you like books by Michael Crichton, Danielle Steel and Dan Brown, stories combining complex plots, compelling characters, and scientific explanation, then you'll love Immortality Gene. Be warned - this first e-book is long (780+ pages) but usually free!

When We Were Young: A Novel Jonathan Troll 2022-04-03 Matt Stevens was losing his family. And being no stranger to failed relationships, it came as no surprise to Matt when threats of divorce turned into plans to divorce his wife, Grace. The plan was simple: just make it through Christmas so their two teenage children could have one more holiday with their parents together. But when Matt and Grace drink the contents of a mysterious gift left behind at their annual Christmas ball, they find themselves transformed into younger versions of themselves—the same ages as their adolescent children. At a time when their faith in each other is at its weakest, now-teenage Matt and Grace—along with their own adolescent children—must put their differences aside, find trust in each other, and embark on a dangerous, cross-city journey to find answers and an antidote before time runs out.

Trying to Remember? Felicia Williams 2009-05-07 Being kidnapped, raped and betrayed Chelseas leash for life is almost paper thin. But along comes a man who will almost force her to insanity to erase her dreadful

past. Will Patricks trick work or will her past become her future as well

The Gentleman's Magazine 1782 The "Gentleman's magazine" section is a digest of selections from the weekly press; the "(Trader's) monthly intelligencer" section consists of news (foreign and domestic), vital statistics, a register of the month's new publications, and a calendar of forthcoming trade fairs.

Evelina The Omega David Gomadza This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind's existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone's fate is in your hands what are the risks to yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too weak and unequipped to handle such traumatic experiences. One man's quest to solve God's Dilemma, but at what cost? One lady's quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye? And at what expense? On the edge of the seat from the word go. A MUST READ.

Sporting: A Surprise Road Trip Romantic Comedy (Unleashed Romance, Book 3) Kylie Gilmore 2021-04-06 A surprise road trip with her best friend's brother! Jenna After accidentally dinging a brand-new car, I'm suddenly face-to-face with an angry alpha male. And the sparks are flying. Wait. Eli Robinson? How's it possible the irritating younger brother of my best friend has morphed into this gorgeous swaggering man? I can't let myself be tempted. Eli is off-limits. My best friend, his sister who helped raise him, makes sure I know it. Except the more I get to know him, the more difficult it is to stay away. This can only end badly. No relationship is worth losing my best friend. And then he kidnaps me. Eli Once upon a time, Jenna Larsen was my teenaged dream girl, and I mean that in the dirtiest way possible. Now that we're adults, I discovered she's even better than I dreamed. So I take her on a surprise trip to get away from judging eyes. An extended date of sorts. Fine. I kidnapped her. I only hope she stops being mad long enough to give us a chance. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers. Miraibanashi the Trilogy James Litherland 2017-11-06 In this dystopian future Japan, a few brave souls take on a corrupt system—from the inside. In the shadow of Mt. Fuji, the oppressive Batsu government controls the rebuilding of a devastated country, bestowing boons on privileged citizens while leaving the rest to fend for themselves on the fringes. After a disastrous job ends with Batsu enforcers hunting him, reformed thief Roshike runs—right into the heart of their regime, the fortified Gaku complex, to take on an almost impossible task. And he just might stand a slim chance of success, if only he'll accept some help. But first he has to figure out who to trust. An unusual revolution has begun... Get all 3 novels of adventure and revolution in 1 huge volume! (*Contains the complete text of Miraibanashi Book 1: Code of the Kyoushi, Book 2: Enemies of the Batsu, and Book 3: Endurance of the Free.)

The Owl and the Rossettis Charles A. Howell 1978 This correspondence between the leading art agent of the mid-Victorian period, known as "The Owl," and the family of his chief client, Dante Gabriel Rossetti, may be the most complete record of the artist-agent relationship. The letters also provide much new information about a leading artist-poet, the Pre-Raphaelite circle, and the leading London artists and writers beyond that circle, from Madox Brown to Swinburne. The then new role of artist's agent was defined in many respects by Charles Augustus Howell, flamboyant yet cultivated son of an English artist-wine merchant and an aristocratic Portuguese lady. Starting as an international man of mystery with some involvement in railways, Howell emerged in 1866 as Ruskin's secretary with a sideline as art salesman and interior decorator. During the 1870's he became the friend and business associate not only of D.G. Rossetti but also of Whistler, G.F. Watts, and Burne-Jones, Sandys, and other principal artists. His consummate salesmanship was most evident in the case of Rossetti, who refused to exhibit his works or even allow them to be seen unless the viewer was a certain buyer. Dubbed "Owl" by Burne-Jones, Howell was described by Whistler as "the wonderful man, the genius, the superb liar, the Gil-Blas, Robinson-Crusoe hero out of his proper time, the creature of top-boots and plumes." The letters from the Rossettis to Howell are published here for the first time, having been sold by Howell's estate to a family that subsequently sold them to the University of Texas. The whole correspondence--together with Professor Cline's introduction, notes, and index--"alters all existing catalogues and bibliographies and critical studies of D.G. Rossetti," says Stanley Weintraub, author of Whistler and Four Rossettis.

Food Jobs Irena Chalmers 2008-09-01 Do you want to turn your passion for food into a career? Take a bite out of the food world with help from the experts in this first-of-its-kind What Color Is Your Parachute? for food related careers. Maybe you're considering culinary school, maybe you're about to graduate, or maybe you're looking for an exciting career change. How can you translate your zest for flavor into a satisfying profession? Should you become a chef or open a specialty foods shop, write cookbooks or try your hand at food styling? Culinary careers are as varied as they are fascinating—the only challenge is deciding which one is right for you. Filled with advice from food-world pros including luminaries such as Alice Waters, Chris Kimball, Betty Fussell and Darra Goldstein. Food Jobs will set you behind the stove of your dream career. Chalmers provides essential information for getting started including testimonials from the best in the field, like Bobby Flay, Todd English, Gordon Hamersly, Francois Payard, Danny Meyer, Anthony Bourdain, and more.

Official Report of the Standing Committees Great Britain. Parliament. House of Commons 1992

Gastronaut Stefan Gates 2016-04-28 Gastronaut is an irreverent journey through the crazy, twisted, mixed-up world of food. Its full of extraordinary, extravagant and bizarre culinary experiences, arcane information and practical recipes for spectacular food. Each of us will spend 16 per cent of our waking lives cooking and eating. That time is far too precious to waste on chores, so why not turn cooking into an

adventure? This book of strange and wonderful gastronomic quests will help you do just that. If you've ever wondered how to stage a Bacchanalian orgy in the comfort of your own home, how to make a bum sandwich, how to cook a whole pig underground, smoke salmon in a biscuit-tin, cook with gold, woodlice, reindeer, guinea pig, aftershave or breastmilk, or whether its true that you cant teach a grandmother to suck eggs the answers are here. This isnt a work of fiction or hyperbole. Gastronaut is thoroughly researched, tested and illustrated throughout. It also includes a survey that lifts the lid, Kinsey-style, on the real eating habits of the nation. If cannibalism were legal, which famous person would most people like to eat? What foods make us fart? Do people genuinely like their pasta al dente? Can men lactate? Gastronaut is perfect for people who are fascinated by food, who love the wilder side of cooking, who yearn for adventure or who, frankly, just like showing off.
