Sooner Than Tomorrow Dede Ranahan
2019-04-08 Welcome to my world. My story is written in diary format. I wrote it from June 16, 2013, to June 15, 2014. What I didn't know, as I was writing, was that I was capturing the last year of my son's life. Pat died, unexpectedly, on July 23, 2014, in a hospital psych ward. Suddenly, my diary morphed into a more poignant record than I'd anticipated, and after he died, I discovered Pat had been making regular posts on Facebook. I decided to add his comments to my own. I like stories where I can extrapolate from the singular to the universal--that is where I can identify with a common denominator in another person's experience. One early reader of my

diary said, "Your story is so relatable." That's what I hope other readers will say. You may relate to my story if: You have a child (children) you love more than your own life. You have a child who suffers from serious mental illness. You've lost a child--no matter what age. You're a member of the sandwich generation. You treasure conversations with children--especially when they're your grandchildren. Your cat or your dog is in charge of your household. Your bones are beginning to creak. You wake up each morning with a huge hole in your heart but you know, somehow, some way, you have to get up and put one foot in front of the other. You enjoy reading the other side of history--about ordinary people and their daily lives. You have a sense

of humor. You've been thinking of leaving something for your descendants--a letter, story, diary, song, painting, or poem--but you haven't gotten around to it. Maybe my diary will spur you on. More notes about the format: I've added a Before section (Scenes from the Trenches). Going in, I want the reader to know "Yes, Houston, we really do have a problem." I've divided my diary into quarters--Summer, Fall, Winter, Spring. I introduce each with a poem--three of them are Pat's. I end with an After section I didn't see coming. As I was writing, I had no idea, from day to day, what stories were unfolding. I learn, right along with the reader, what will happen next. We're all on a journey. Thank you for going on this journey with me. Dede Dede posted her story in two-week

increments at www.soonerthantomorrow.com. The following are readers' responses. Beautiful words with an undertone that has caught me . . . carrying me up and down. Such a good writer that I am grateful to be with you. I can borrow some courage here. --Janet So happy for the readers who will discover you. --Liz Dede, every one of your blog posts has a portion that I love so much that I take a screenshot and read it over and over. --Stacey Dede, I anxiously await each posting from your blog/book. You write with such skill, and not easy when it's so personal, but your passion sprinkled with humor are the reasons that this is successful. --Joan L. I've done this, the primal scream and the mother animal instinct. There can't be anything

more painful, not even death. My son was a normal little boy and a normal young man until schizophrenia came calling. Now I feel so shattered. I love your diary. --J.H.D. I only this was a contrived drama. It's so visceral. You're an artist. --Heidi F.

Letters My Mother Never Read Jerri Diane Sueck 2007-04-01 A few months after our arrival in Scranton, I finally get up the courage to ask Grandma Resuba the question that is constantly on my mind. "Why do you hate us so much?" I say to her. "When mommy was here, you gave us milk and cookies and let us sit in your kitchen." For the first time since we arrived, Grandma Resuba looks me full in the face. Her eyes bore into mine, Blazing with hatred. She spits out her reply. "Your mother was nothing! My son had no business marrying a woman with four kids." Her voice

rises higher as she rages on. "I'll never forgive her for marrying my son. I'm glad she's dead, only now I'm stuck with you miserable brats! Every penny and minute I spend with you takes away from what I should be giving to Alice. She's my flesh and blood, and you're nothing, just like your mother was." When her mother died in a fire, eight-year-old Jerri thought life couldn't get worse.

Wicked Game Jeri Smith-Ready
2009-09-08 LATE NIGHT RADIO YOU CAN SINK YOUR TEETH INTO Recovering con artist Ciara Griffin is trying to live the straight life, even if it means finding a (shudder!) real job. She takes an internship at a local radio station, whose late-night time-warp format features 1940s blues, '60s psychedelia, '80s goth, and more, all with an uncannily authentic flair. Ciara soon discovers just how the DJs maintain their cred: they're vampires, stuck forever in the eras

in which they were turned. Ciara's first instinct, as always, is to cut and run. But communications giant Skywave wants to buy WVMP and turn it into just another hit-playing clone. Without the station -- and the link it provides to their original Life Times -- the vampires would "fade," becoming little more than mindless ghosts of the past. Suddenly a routine corporate takeover is a matter of life and undeath. To boost ratings and save the lives of her strange new friends, Ciara rebrands the station as "WVMP, the Lifeblood of Rock 'n' Roll." In the ultimate con, she hides the DJs' vampire nature in plain sight, disguising the bloody truth as a marketing gimmick. WVMP becomes the hottest thing around -- next to Ciara's complicated affair with grunge vamp Shane McAllister.

But the "gimmick" enrages a posse of ancient and powerful vampires who aren't so eager to be brought into the light. Soon the stakes are higher -- and the perils graver -- than any con game Ciara's ever played....

Shatterday Harlan Ellison 2014-04-01 "One of the great . . . American short-story writers" exposes the darkness of the human heart in these speculative tales of terror and tragedy (George R. R. Martin). A five-year-old boy never ages, living as an immortal in a past that no longer exists while the world encroaches upon his innocence, in the Hugo and Nebula Award-winning "Jeffty Is Five." An alien attack leaves Earth on the brink of Armageddon, as humans find themselves unable to

resist the sexual allure of their invaders in "How's the Night Life on Cissalda?" In the Nebula Award-nominated "Shatterday" (subsequently adapted into the pilot episode of the second Twilight Zone series), a man fights for his life against a relentless enemy who knows his darkest secrets—his own doppelganger. In these and other thought-provoking stories, legendary author Harlan Ellison dissects the primal fears and inherent frailties common to all people and gives voice to the thoughts and feelings human beings bury deep within their souls. Unflinching and unapologetic, Ellison depicts men and women in all their ugliness and beauty, and humanity in all its fury and glory. Stories include "Introduction: Mortal Dreads," "Jeffy Is Five," "How's the

Night Life on Cissalda?," "Flop Sweat," "Would You Do it For a Penny?" (written in collaboration with Haskell Barkin), "The Man Who Was Heavily Into Revenge," "Shoppe Keeper," "All the Lies That Are My Life," "Django," "Count the Clock That Tells the Time," "In the Fourth Year of the War," "Alive and Well on a Friendless Voyage," "All the Birds Come Home to Roost," "Opium," "The Other Eye of Polyphemus," "The Executioner of the Malformed Children," and "Shatterday." Back in the Day Bakery Made with Love Cheryl Day 2015-03-24 "Old-fashioned American treats with a healthy dose of Southern flair" (Library Journal) from one of the "must-eat-at-places" in Savannah (Paula Deen). Cheryl and Griff honor these time-tested classics even as they infuse them with vibrant, unpredictable layers of flavor.” –Savannah Magazine “Beautifully photographed and charmingly conversational, and full of recipes I’m dying to try.” –Minneapolis Star-Tribune “As pleasantly, cohesively stylized and visually appealing as the Days’ Savannah outpost. Drool-inducing photos featuring the impressive yet decidedly unfussy baked goods.”

All That Is Bitter and Sweet
Ashley Judd 2011-04-05 NEW YORK TIMES BESTSELLER • In this unforgettable memoir, Ashley Judd describes her odyssey, as a lost child attains international prominence as a fiercely dedicated advocate. In 2002, award-winning film and stage actor Ashley Judd found her true calling: as a humanitarian and voice for those suffering in neglected parts of the world. After her first trip to the notorious brothels, slums, and

hospices of southeast Asia, Ashley knew immediately that she wanted to advocate on behalf of the vulnerable. During her travels, Ashley started to write diaries that detailed extraordinary stories of survival and resilience. But along the way, she realized that she was struggling with her own emotional pain, stemming from childhood abandonment and abuse. Seeking in-patient treatment in 2006 for the grief that had nearly killed her, Ashley found not only her own recovery and an enriched faith but the spiritual tools that energized and advanced her feminist social justice work. Her story ranges from anger to forgiveness, isolation to interdependence, depression to activism. In telling it, she resoundingly answers the ineffable question about the relationship

between healing oneself and service to others. Praise for All That Is Bitter and Sweet “Ashley Judd has given us magnetic and searingly honest portrayals of diverse women on screen. Now with the same honesty and magnetism, she brings us her true self on the page. From her childhood to her revolutionary empathy with women and girls living very different lives, her path will inspire readers on journeys of their own.”—Gloria Steinem “Over the last decade I have watched my gifted, brilliant friend grow as an artist, but more importantly, as a wise, deeply empathetic woman. I have read the diaries that are the heart of this memoir since she began traveling the world, fearing for her safety and sanity, baffled why she chooses these grueling missions. All That Is Bitter

and Sweet will be a revelation to readers, exposing Ashley Judd for what I have known for years she is: an amazing woman doing extraordinary work.”—Morgan Freeman “All That Is Bitter and Sweet is all that is enlightening and inspiring. Ashley Judd has composed a memoir that teaches while it entrances and finds hope and faith in the most unlikely places. The book is full of real-life stories that reflect both the compassion of its author and the need for healing in the world.”—Madeleine K. Albright

Aid Memoir Larry Hollingworth 2021-04-06 Larry Hollingworth, current visiting Professor of Humanitarian Studies at Fordham University in New York City, served as head of the UNHCR's efforts in Bosnia throughout the lengthy conflict that plagued the former Yugoslavia in the early to mid '90s.

Aid Memoir follows Larry and his UN colleagues throughout multiple efforts to provide much-needed relief for besieged, isolated, and desperate communities riddled by senseless killing and aggression. The characters encountered throughout are at times thrilling, at times frightening. Larry spares no details, however troubling, and therefore shines a telling light on the reality of the situation that most will remember to have watched on their television screens.

Around the World in Seventy-Two Days
Nellie Bly 2021-04-27 “She was part of the ‘stunt girl’ movement that was very important in the 1880s and 1890s as these big, mass-circulation yellow journalism papers came into the fore.” –Brooke Kroeger Around the World in Seventy-Two Days (1890) is a travel narrative by American investigative journalist Nellie Bly. Proposed as a recreation of the journey undertaken by Phileas Fogg in Jules Verne’s Around the World in Eighty Days (1873), Bly’s journey was covered in Joseph Pulitzer’s popular newspaper the New York World, inspiring countless others to attempt to surpass her record. At the time, readers at home were encouraged to estimate the hour and day of Bly’s arrival, and a popular board game was released in commemoration of her

undertaking. Embarking from Hoboken, noted investigative journalist Nellie Bly began a voyage that would take her around the globe. Bringing only a change of clothes, money, and a small travel bag, Bly travelled by steamship and train through England, France—where she met Jules Verne—Italy, the Suez Canal, Ceylon, Singapore, Hong Kong, and Japan. Sending progress reports via telegraph, she made small reports back home while recording her experiences for publication upon her return. Despite several setbacks due to travel delays in Asia, Bly managed to beat her estimated arrival time by several days despite making unplanned detours, such as visiting a Chinese leper colony, along the way. Unbeknownst to Bly, her trip had inspired Cosmopolitan’s Elizabeth

Brisland to make a similar circumnavigation beginning on the exact day, launching a series of copycat adventures by ambitious voyagers over the next few decades. Despite being surrounded by this air of popularity and competition, however, Bly took care to make her journey worthwhile, showcasing her skill as a reporter and true pioneer of investigative journalism. With a beautifully designed cover and professionally typeset manuscript, this edition of Nellie Bly's *Around the World in Seventy-Two Days* is a classic work of American travel literature reimagined for modern readers.

Intimate Nature Linda Hogan
1999-04-20 "This remarkable group of women have narrated their personal experiences with animals—what they

have learned and how it has transformed their lives."—Common Boundary "A celebration of compassion . . . Women are opening new ways of communicating with and understanding the animal world."—The Seattle Times
Though women have long felt kinship with animals, in the past they seldom participated in the study of them. Now, as more women make animals the subject of their investigations, significant new ideas are emerging—based on the premise that animals are honored co-sharers of the earth. This unprecedented anthology features original stories, essays, meditations, and poems by a vast array of women nature writers and field scientists, including: Diane Ackerman • Virginia Coyle • Gretel Ehrlich • Dian Fossey • Tess Gallagher • Jane Goodall • Temple

Grandin • Susan Griffin • Joy Harjo • Barbara Kingsolver • Ursula le Guin • Denise Levertov • Linda McCarriston • Susan Chernak McElroy • Rigoberta Menchú • Cynthia Moss • Katherine Payne • Marge Piercy • Pattiann Rogers • Linda Tellington-Jones • Haunani-Kay Trask • Gillian Van Houten • Terry Tempest Williams

Nilsson Alyn Shipton 2013-06-19 Paul McCartney and John Lennon described him as the Beatles' "favorite group," he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as underrated, as Harry Nilsson. In this first ever full-length biography, Alyn Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer-

songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for Midnight Cowboy), and in 1972 for "Without You," had two top ten singles,

numerous album successes, and wrote a number of songs--"Coconut" and "Jump into the Fire," to name just two-- that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as "the finest white male singer on the planet," but near the end of his life, Nilsson's career was marked by voice-damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's biography offers readers an intimate portrait of a man who has seemed both famous and unknowable--until now. *Dance Among the Flames* Tori Eldridge 2022-05-24 Passion. (Age 12 and up) On a sunny day in June, at the beach with her mom and brother, fifteen-year-old Jane Arrowood went for a swim. And then everything -- absolutely everything -- changed. Now she's counting down the days until she returns to school with her fake arm, where she knows kids will whisper, "That's her -- that's Shark Girl," as she passes. In the meantime there are only questions: Why did this happen? Why her? What about her art? What about her life? In this striking first novel, Kelly Bingham uses poems, letters, telephone conversations, and newspaper

clippings to look unflinchingly at what it's like to lose part of yourself - and to summon the courage it takes to find yourself again. The Macho Paradox Jackson Katz 2019-06-04 "A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one – and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding current events in politics and pop-

culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for The Macho Paradox: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of Why Does He Do That?:

Inside the Minds of Angry and Controlling Men
Respect Trumps Harmony Rachael Robertson 2020-04-06 Develop a high-performing team based on a culture where respect trumps harmony As teams become more diverse, we won't always see eye to eye. We won't agree on everything, and we may not even like each other. In order to achieve results, we need to have robust, candid and constructive discussions. Respect Trumps Harmony offers a proven approach to navigating the difficulties faced in teams and workplaces today. To build collaboration; strengthen innovation; and manage safety, risk and well-being, it's critical that there is a foundation of respect, not harmony. Developed during author Rachael Robertson's time leading one of the

toughest workplaces on the planet—Davis Station, Antarctica—and further informed by over 15 years of research, case studies and feedback, Robertson suggests that harmony in the workplace is overrated, and can even be dangerous, and that above all else, respect is the key ingredient of a high-performance culture. A focus on respect over harmony improves everything from morale to productivity. *Respect Trumps Harmony* integrates the three pillars at the core of Robertson's leadership practice: No triangles, The bacon wars, and Lead without a title, enabling you to:

- Manage conflict and put an end to gossip
- Improve accountability and the quality of feedback,
- Recognise and manage dysfunctional behaviour
- Build collaboration to strengthen

innovation

- Identify and manage risk
- Inspire trust and confidence by displaying personal leadership, and encourage others to do the same irrespective of their title

Respect Trumps Harmony is a contemporary leadership handbook, essential for all modern leaders and those who wish to transform the culture within their own team.

The Grammar of Untold Stories Lois Ruskai Melina 2020-09-22 Sixteen essays ranging from lyric essays to narrative journalism address how we make sense of what we cannot know, how we make change in the world, how we heal, and how we know when we are home. Collectively, these essays convey the longing for agency and connection, particularly among women. They will resonate with readers of all ages, but perhaps especially with

women in the second half of life, those dealing with aging parents, retirement, illness, and accompanying vulnerabilities. Here readers will find comfort within keen reflection upon life's ambiguities.

The One World Schoolhouse Salman Khan 2012-10-02 A free, world-class education for anyone, anywhere. This is the goal of the Khan Academy, a passion project that grew from an ex-engineer and hedge funder's online tutoring sessions with his niece, who was struggling with algebra, into a worldwide phenomenon. Today millions of students, parents, and teachers use the Khan Academy's free videos and software, which have expanded to encompass nearly every conceivable subject; and Academy techniques are being employed with exciting results in a growing number of classrooms

around the globe. Like many innovators, Khan rethinks existing assumptions and imagines what education could be if freed from them. And his core idea-liberating teachers from lecturing and state-mandated calendars and opening up class time for truly human interaction-has become his life's passion. Schools seek his advice about connecting to students in a digital age, and people of all ages and backgrounds flock to the site to utilize this fresh approach to learning. In THE ONE WORLD SCHOOLHOUSE, Khan presents his radical vision for the future of education, as well as his own remarkable story, for the first time. In these pages, you will discover, among other things: How both students and teachers are being bound by a

broken top-down model invented in Prussia two centuries ago Why technology will make classrooms more human and teachers more important How and why we can afford to pay educators the same as other professionals How we can bring creativity and true human interactivity back to learning Why we should be very optimistic about the future of learning. Parents and politicians routinely bemoan the state of our education system. Statistics suggest we've fallen behind the rest of the world in literacy, math, and sciences. With a shrewd reading of history, Khan explains how this crisis presented itself, and why a return to "mastery learning," abandoned in the twentieth century and ingeniously revived by tools like the Khan Academy, could

offer the best opportunity to level the playing field, and to give all of our children a world-class education now. More than just a solution, THE ONE WORLD SCHOOLHOUSE serves as a call for free, universal, global education, and an explanation of how Khan's simple yet revolutionary thinking can help achieve this inspiring goal.

Helping Your Child Through Early Adolescence U.s. Department of Education 2013-10 Early adolescence

can be a challenging time for children and parents alike. Parents often feel unprepared and they may view the years from 10 through 14 as a time just "to get through." However, research and common sense tell us that this view is very limited. During the early adolescent years, parents and families can greatly influence the growth and development of their children. We sell our children short if we expect little from them and we sell ourselves short if we believe that we have no influence. A growing awareness that young adolescents can accomplish a great deal is behind a national effort to improve education in America's middle grades. At the heart of the No Child Left Behind Act of 2001 is a promise to raise standards for all children and to

help all children meet those standards. In support of this goal, President George W. Bush is committed to promoting the very best teaching programs. Well-trained teachers and instruction that is based on research can bring the best teaching approaches and programs to children of all ages and help ensure that no child is left behind. Helping Your Child through Early Adolescence is part of the president's efforts to provide parents with the latest research and practical information that can help you support your children both at home and in school. It's not easy to raise a young teen. Many outside influences distract our children and complicate our efforts. Exhaustion, anxiety, a lack of support and limited resources may make it hard for us to be all that we

want to be for our children. But whatever the challenges, we share one aim: to do the best job possible as parents. We hope that you will find this publication helpful in achieving this goal.
