**Aid Memoir** Larry Hollingworth 2021-04-06  
Larry Hollingworth, current visiting Professor of Humanitarian Studies at Fordham University in New York City, served as head of the UNHCR's

efforts in Bosnia throughout the lengthy conflict that plagued the former Yugoslavia in the early to mid '90s. Aid Memoir follows Larry and his UN colleagues throughout multiple efforts to provide much-needed relief for besieged, isolated, and desperate communities riddled by senseless killing and aggression. The characters encountered throughout are at times thrilling, at times frightening. Larry spares no details, however troubling, and therefore shines a telling light on the reality of the situation that most will remember to have watched on their television screens.

*The One World*  
Schoolhouse Salman Khan 2012-10-02 A free, world-class education for anyone, anywhere. This is the goal of the Khan Academy, a passion project that grew from

an ex-engineer and hedge funder's online tutoring sessions with his niece, who was struggling with algebra, into a worldwide phenomenon. Today millions of students, parents, and teachers use the Khan Academy's free videos and software, which have expanded to encompass nearly every conceivable subject; and Academy techniques are being employed with exciting results in a growing number of classrooms around the globe. Like many innovators, Khan rethinks existing assumptions and imagines what education could be if freed from them. And his core idea-liberating teachers from lecturing and state-mandated calendars and opening up class time for truly human interaction-has become his life's passion. Schools seek his advice about connecting to students

in a digital age, and people of all ages and backgrounds flock to the site to utilize this fresh approach to learning. In THE ONE WORLD SCHOOLHOUSE, Khan presents his radical vision for the future of education, as well as his own remarkable story, for the first time. In these pages, you will discover, among other things: How both students and teachers are being bound by a broken top-down model invented in Prussia two centuries ago Why technology will make classrooms more human and teachers more important How and why we can afford to pay educators the same as other professionals How we can bring creativity and true human interactivity back to learning Why we should be very optimistic about the future of learning. Parents and politicians

routinely bemoan the state of our education system. Statistics suggest we've fallen behind the rest of the world in literacy, math, and sciences. With a shrewd reading of history, Khan explains how this crisis presented itself, and why a return to "mastery learning," abandoned in the twentieth century and ingeniously revived by tools like the Khan Academy, could offer the best opportunity to level the playing field, and to give all of our children a world-class education now. More than just a solution, THE ONE WORLD SCHOOLHOUSE serves as a call for free, universal, global education, and an explanation of how Khan's simple yet revolutionary thinking can help achieve this inspiring goal.

**Shark Girl** Kelly Bingham  
2011-04-26 A teenager struggles through physical loss to the start of acceptance in an absorbing, artful novel at once honest and insightful, wrenching and redemptive. (Age 12 and up) On a sunny day in June, at the beach with her mom and brother, fifteen-year-old Jane Arrowood went for a swim. And then everything -- absolutely everything -- changed. Now she's counting down the days until she returns to school with her fake arm, where she knows kids will whisper, "That's her -- that's Shark Girl," as she passes. In the meantime there are only questions: Why did this happen? Why her? What about her art? What about her life? In this striking first novel, Kelly Bingham uses poems, letters, telephone conversations,

and newspaper clippings to look unflinchingly at what it's like to lose part of yourself - and to summon the courage it takes to find yourself again.

and Amabelle Désir, a young Haitian woman living in the Dominican Republic, has built herself a life as the servant and companion of the wife of a wealthy colonel. She and Sebastien, a cane worker, are deeply in love and plan to marry. But Amabelle's world collapses when a wave of genocidal violence, driven by Dominican dictator Rafael Trujillo, leads to the slaughter of Haitian workers. Amabelle and Sebastien are separated, and she desperately flees the tide of violence for a Haiti she barely remembers.

Already acknowledged as a classic, this harrowing story of love and survival—from one of the most important voices of her generation—is an unforgettable memorial to the victims of the Parsley Massacre and a testimony to the power of human memory. From the Trade Paperback edition.

**Ideas and Insights**

Dorothy Jo Watson 1987

Intended to provide elementary school language arts teachers with new and interesting teaching activities, this book contains over 100 teacher-tested classroom activities that are based on the whole language approach

to learning. Chapters discuss the following: (1) a world of language in use; (2) literature points the way (including themes and organization, literature and experience, and extended literature); (3) making sense by reading (including predictions and expectations, reading awareness and control, invitations to read, and music, drama, and reading); (4) writing for self-expression; (5) learning to write by writing; (6) writing for an audience (including developing a sense of audience, and messages, notes, and letters); (7) reading, writing, listening, and speaking across the curriculum (including language arts across the curriculum, and reading and writing newspapers); (8) kids helping other kids: the collaborative effort (including cooperative

learning, and games and holiday activities); (9) home is where the start is; and (10) valuing and evaluating learners and their language. The 15-page bibliography contains sections on read-aloud books, wordless books, extending literature and reading leading to writing, predictable language, predictable life experience books for upper elementary children, sing-along books, children's magazines, and publishers of children's writing. A list of teaching activities in the book is included. (SKC)

*Spring Forward* Catherine Anderson 2018-01-02 The New York Times bestselling author returns to Mystic Creek, Oregon, with a story about finding an unforgettable love just around the corner. . . . When a favorite customer

on his delivery route needs a favor, Tanner Richards agrees to help without a second thought. The last thing he expects is to face off against the man's spitfire granddaughter. Crystal Malloy is near her breaking point. Her beloved grandfather constantly skirts the rules at the retirement center where he's recovering from surgery. She's caring for his escape artist dog, even if it means abandoning her salon customers, and she has no time for a romantic attraction to the handsome new stranger. After Tanner's reassigned to Mystic Creek, Crystal can no longer ignore how much she misjudged the man's good intentions. She has known too much sorrow to easily open her heart, but she can't deny that Tanner and his children could gift her with a happiness beyond

compare—if only she can forgive herself for the past and accept that she's deserving of such a love.

### **The Cecelia and Kate**

**Novels** Patricia C. Wrede  
2014-11-18 A trio of bewitching novels featuring devoted cousins who must juggle their magical powers with their duties as ladies in Regency-era England. Enter Regency-era England—and a world in which magical mayhem and high society go hand in hand—with three novels featuring cousins Cecelia and Kate. In *Sorcery & Cecelia*, the two cousins have been inseparable since girlhood. But in 1817, Kate goes to London to make her debut into English society, leaving Cecelia behind to fight boredom in her small country town. While visiting the Royal College of Wizards, Kate stumbles on a plot to

destroy a beloved sorcerer—and only Cecelia can help her save him. In *The Grand Tour*, Cecelia and Kate, along with their husbands, are inaugurating married life with a trip to the Continent. When a mysterious woman in Calais gives Cecelia a package intended for Kate's mother-in-law, however, the two young wives realize they must spend their honeymoons preventing an emperor-in-exile named Napoleon from reclaiming the French crown. In *The Mislaid Magician*, it is 1828 and the cousins are now society matrons. The steam engine is announcing its arrival and the shaking of the locomotives begins to disrupt England's ancient, underground magical ley lines. When the disappearance of a foreign diplomat threatens to become an

international incident, Cecelia departs to fight for the future of magic—leaving Kate to care for a gaggle of disobedient, spell-casting tots. Blending history, romance, and magic, these charming novels from the author of the *Enchanted Forest Chronicles* will delight anyone who loves Harry Potter or Susannah Clarke's *Jonathan Strange & Mr Norell*.

**Stay Sexy and Don't Get Murdered** Georgia Hardstark 2019-05-30 In *STAY SEXY & DON'T GET MURDERED*, Karen Kilgariff and Georgia Hardstark, hosts of true crime comedy podcast 'My Favorite Murder,' open up about their lives more intimately than ever in their confessionally honest and hilarious debut book, titled after their podcast sign-off. Sharing never-before-heard stories ranging

from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the podcasting world.

Letters My Mother Never Read: An Abandoned Child's Journey  
(Townsend Library) Jerri Diane Sueck 2004 When her mother died in a fire, eight-year-old Jerri thought life couldn't get worse. She was wrong. Sent to live with people who didn't want her, Jerri was powerless to stop her once-happy childhood from becoming a nightmare of cruelty and

neglect. Only a stubborn belief in her own worth and a fierce will to live allowed her to reach adulthood physically and emotionally intact. This is a book that will inspire not only those who have been orphans or foster children, but anyone who has known the pain of being unwanted.

*It's My Country Too*  
Jerri Bell 2017-07 This inspiring anthology is the first to convey the rich experiences and contributions of women in the American military in their own words—from the Revolutionary War to the present wars in the Middle East. Serving with the Union Army during the Civil War as a nurse, scout, spy, and soldier, Harriet Tubman tells what it was like to be the first American woman to lead a raid against an enemy, freeing some 750 slaves.

Busting gender stereotypes, Josette Dermody Wingo enlisted as a gunner's mate in the navy in World War II to teach sailors to fire Oerlikon anti-aircraft guns. Marine Barbara Dulinsky recalls serving under fire in Saigon during the Tet Offensive of 1968, and Brooke King describes the aftermath of her experiences outside the wire with the army in Operation Iraqi Freedom. In excerpts from their diaries, letters, oral histories, and pension depositions—as well as from published and unpublished memoirs—generations of women reveal why and how they chose to serve their country, often breaking with social norms, even at great personal peril.

**All That Is Bitter and Sweet** Ashley Judd  
2011-04-05 NEW YORK TIMES BESTSELLER • In this unforgettable memoir, Ashley Judd describes her odyssey, as a lost child attains international prominence as a fiercely dedicated advocate. In 2002, award-winning film and stage actor Ashley Judd found her true calling: as a humanitarian and voice for those suffering in neglected parts of the world. After her first trip to the notorious brothels, slums, and hospices of southeast Asia, Ashley knew immediately that she wanted to advocate on behalf of the vulnerable. During her

travels, Ashley started to write diaries that detailed extraordinary stories of survival and resilience. But along the way, she realized that she was struggling with her own emotional pain, stemming from childhood abandonment and abuse. Seeking in-patient treatment in 2006 for the grief that had nearly killed her, Ashley found not only her own recovery and an enriched faith but the spiritual tools that energized and advanced her feminist social justice work. Her story ranges from anger to forgiveness, isolation to interdependence, depression to activism. In telling it, she resoundingly answers the ineffable question about the relationship between healing oneself and service to others. Praise for *All That Is Bitter and Sweet* "Ashley Judd has given us

magnetic and searingly honest portrayals of diverse women on screen. Now with the same honesty and magnetism, she brings us her true self on the page. From her childhood to her revolutionary empathy with women and girls living very different lives, her path will inspire readers on journeys of their own.”—Gloria Steinem  
“Over the last decade I have watched my gifted, brilliant friend grow as an artist, but more importantly, as a wise, deeply empathetic woman. I have read the diaries that are the heart of this memoir since she began traveling the world, fearing for her safety and sanity, baffled why she chooses these grueling missions. *All That Is Bitter and Sweet* will be a revelation to readers, exposing Ashley Judd for what I have known for

years she is: an amazing woman doing extraordinary work.”—Morgan Freeman  
“*All That Is Bitter and Sweet* is all that is enlightening and inspiring. Ashley Judd has composed a memoir that teaches while it entrances and finds hope and faith in the most unlikely places. The book is full of real-life stories that reflect both the compassion of its author and the need for healing in the world.”—Madeleine K. Albright  
*Everyday Heroes* Beth Johnson 1996 Profiles twenty young men and women of a variety of ethnic backgrounds whose courage and determination have helped them overcome such obstacles as poverty, racism, abuse, neglect, illness, and drugs.

## Respect Trumps Harmony

Rachael Robertson

2020-04-06 Develop a high-performing team based on a culture where respect trumps harmony. As teams become more diverse, we won't always see eye to eye. We won't agree on everything, and we may not even like each other. In order to achieve results, we need to have robust, candid and constructive discussions. Respect Trumps Harmony offers a proven approach to navigating the difficulties faced in teams and workplaces today. To build collaboration; strengthen innovation; and manage safety, risk and well-being, it's critical that there is a foundation of respect, not harmony. Developed during author Rachael Robertson's time leading one of the toughest workplaces on the planet—Davis Station,

Antarctica—and further informed by over 15 years of research, case studies and feedback, Robertson suggests that harmony in the workplace is overrated, and can even be dangerous, and that above all else, respect is the key ingredient of a high-performance culture. A focus on respect over harmony improves everything from morale to productivity. Respect Trumps Harmony integrates the three pillars at the core of Robertson's leadership practice: No triangles, The bacon wars, and Lead without a title, enabling you to:

- Manage conflict and put an end to gossip
- Improve accountability and the quality of feedback
- Recognise and manage dysfunctional behaviour
- Build collaboration to strengthen innovation
- Identify and manage risk

• Inspire trust and confidence by displaying personal leadership, and encourage others to do the same irrespective of their title Respect Trumps Harmony is a contemporary leadership handbook, essential for all modern leaders and those who wish to transform the culture within their own team. **Letters My Mother Never Read** Jerri Diane Sueck 2007-04-01 A few months after our arrival in Scranton, I finally get up the courage to ask Grandma Resuba the question that is constantly on my mind.

"Why do you hate us so much?" I say to her. "When mommy was here, you gave us milk and cookies and let us sit in your kitchen." For the first time since we arrived, Grandma Resuba looks me full in the face. Her eyes bore into mine, Blazing with hatred. She spits out her reply. "Your mother was nothing! My son had no business marrying a woman with four kids." Her voice rises higher as she rages on. "I'll never forgive her for marrying my son. I'm glad she's dead, only now I'm stuck with you miserable brats! Every penny and minute I spend with you takes away from what I should be giving to Alice. She's my flesh and blood, and you're nothing, just like your mother was." When her mother died in a fire, eight-year-old Jerri thought life couldn't get worse.

*Never in My Wildest Dreams* Belva Davis  
2012-02-06 The pioneering TV news journalist shares her extraordinary story in this acclaimed memoir: "A very important book" (Dr. Maya Angelou). As the first black female television journalist in the western United States, Belva Davis overcame the obstacles of racism and sexism, and helped change the face and focus of television news over the course of five decades. Born in the Great Depression to a fifteen-year-old Louisiana laundress, and raised in the projects of Oakland, California, Davis persevered to achieve a career beyond her imagination. Davis has seen profound changes in America, from being verbally and physically attacked while reporting on the 1964 Republican National Convention in

San Francisco to witnessing the historic election of Barack Obama in 2008. She reported on some of the most explosive stories in modern American history, including the Vietnam War protests, the rise and fall of the Black Panthers, the mass suicides at Jonestown, the onset of the AIDS epidemic, and many others. She encountered everyone from Malcolm X to Frank Sinatra, James Brown, Ronald Reagan, Huey Newton, Muhammad Ali, Fidel Castro, Condoleezza Rice, and more. Davis spent her career on the frontlines of the battle for racial equality, bringing stories of black Americans into the light of day. Still active in her seventies, Davis hosted a news roundtable at one of the nation's leading PBS stations. In this way she remained engaged in contemporary

journalism, while offering her unique perspective on the decades that have shaped us.

**Learn Better** Ulrich Boser 2017-03-07 For centuries, experts have argued that learning was about memorizing information: You're supposed to study facts, dates, and details; burn them into your memory; and then apply that knowledge at opportune times. But this approach to learning isn't nearly enough for the world that we live in today, and in **Learn Better** journalist and education researcher Ulrich Boser demonstrates that how we learn can matter just as much as what we learn. In this brilliantly researched book, Boser maps out the new science of learning, showing how simple techniques like comprehension check-ins

and making material personally relatable can help people gain expertise in dramatically better ways. He covers six key steps to help you "learn how to learn," all illuminated with fascinating stories like how Jackson Pollock developed his unique painting style and why an ancient Japanese counting device allows kids to do math at superhuman speeds. Boser's witty, engaging writing makes this book feel like a guilty pleasure, not homework. **Learn Better** will revolutionize the way students and society alike approach learning and makes the case that being smart is not an innate ability—learning is a skill everyone can master. With Boser as your guide, you will be able to fully capitalize on your brain's remarkable ability to

gain new skills and open up a whole new world of possibilities.

### The Macho Paradox

Jackson Katz 2019-06-04

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one – and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding

currents events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy

Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

*The Grammar of Untold Stories* Lois Ruskai Melina 2020-09-22

Sixteen essays ranging from lyric essays to narrative journalism address how we make sense of what we cannot know, how we make change in the world, how we heal, and how we know when we are home. Collectively, these essays convey the

longing for agency and connection, particularly among women. They will resonate with readers of all ages, but perhaps especially with women in the second half of life, those dealing with aging parents, retirement, illness, and accompanying vulnerabilities. Here readers will find comfort within keen reflection upon life's ambiguities.

### **Around the World in Seventy-Two Days**

Nellie Bly 2021-04-27 "She was part of the 'stunt girl' movement that was very important in the 1880s and 1890s as these big, mass-circulation yellow journalism papers came into the fore." –Brooke Kroeger *Around the World in Seventy-Two Days* (1890) is a travel narrative by American investigative journalist Nellie Bly. Proposed as a recreation of the journey undertaken by

Phileas Fogg in Jules Verne's *Around the World in Eighty Days* (1873), Bly's journey was covered in Joseph Pulitzer's popular newspaper the *New York World*, inspiring countless others to attempt to surpass her record. At the time, readers at home were encouraged to estimate the hour and day of Bly's arrival, and a popular board game was released in commemoration of her undertaking. Embarking from Hoboken, noted investigative journalist Nellie Bly began a voyage that would take her around the globe. Bringing only a change of clothes, money, and a small travel bag, Bly travelled by steamship and train through England, France—where she met Jules Verne—Italy, the Suez Canal, Ceylon, Singapore, Hong Kong,

and Japan. Sending progress reports via telegraph, she made small reports back home while recording her experiences for publication upon her return. Despite several setbacks due to travel delays in Asia, Bly managed to beat her estimated arrival time by several days despite making unplanned detours, such as visiting a Chinese leper colony, along the way. Unbeknownst to Bly, her trip had inspired *Cosmopolitan's* Elizabeth Brisland to make a similar circumnavigation beginning on the exact day, launching a series of copycat adventures by ambitious voyagers over the next few decades. Despite being surrounded by this air of popularity and competition, however, Bly took care to make her journey worthwhile, showcasing her skill as

a reporter and true pioneer of investigative journalism. With a beautifully designed cover and professionally typeset manuscript, this edition of Nellie Bly's *Around the World in Seventy-Two Days* is a classic work of American travel literature reimagined for modern readers.

**Nilsson** Alyn Shipton  
2013-06-19 Paul McCartney and John Lennon described him as the Beatles' "favorite group," he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as

underrated, as Harry Nilsson. In this first ever full-length biography, Alyn Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the

Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for *Midnight Cowboy*), and in 1972 for "Without You," had two top ten singles, numerous album successes, and wrote a number of songs-- "Coconut" and "Jump into the Fire," to name just two--that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as "the finest white male singer on the planet," but near the end of his life, Nilsson's career was marked by voice-damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's

biography offers readers  
an intimate portrait of

a man who has seemed  
both famous and  
unknowable--until now.
