Emotional Mastery Navana Kundu
2021-07-20 Have you ever asked yourself, 'How can I control my emotions?' Does hurt, anger, and sadness cloud your mind? Do worries or fears effect every important decision you make? Do your uncontrolled emotions cause you to self-sabotage? Your emotions have the power to attract wealth, success, and fulfilment into your life -and they have the power to repel them, too. Emotional mastery is a crucial life skill that will allow you to unlock the hidden messages of your emotions, harness the power of your emotions, and create the life you dream of. In *Emotional Mastery: Toolkit for Success*, Dr Navana Kundu shares the secrets and practical strategies of how to master your emotions and achieve fulfilment, no matter what life throws at you. - Learn how to speed shift any emotion with the 7-Step Breakthrough Emotions Formula. - Heal the root cause of your emotional wounds with the Healing Triad. - Discover how to foster a flowing state of peak positive emotions through the Energy Diet. This unique book, written with deep compassion and candor, will show you how to break-free from the clutches of unwanted emotions, repeating patterns, increase courage and confidence, and cultivate joy and passion. Take control of your emotions. Take control of your life!
An Insight Into Hindu Philosophy Life and Beyond Satya Prakash Tiwari
2009-01-01 Philosophy is an overall

vision or attitude towards life and the purpose of life. It is a resolute attempt to understand and appreciate the universe as a whole, and enquire into the nature of truth and reality. This book offers an insight into Hindu philosophy, with special focus on its principles of life and beyond. Tracing the origin of life on earth, it presents the Indian religious view of the universe and time. Further advancing proofs for the existence of God, it deals with the six prominent schools of Indian philosophy—Sankhya, Yoga, Vaisesik, Nyaya, Mimansa and Vedanta. Making a comparative study of the Western and Indian views of pluralism vis-a-vis monism, it also presents an elaborate discussion on Charvak philosophy, transmigration of soul and rebirth, the hierarchy of self-realization, and salvation or Moksha.

The Sayings of Sri Ramakrishna Swami Abhedananda 2010-07-01 This 1903 collection of the wisdom of the great sage logically arranges Ramakrishna's aphorisms to create a broad, practical, nonsectarian set of instructions about living a spiritual life. It inspired seekers after the divine a century ago, and it continues to do so today. Indian mystic SRI RAMAKRISHNA (1836-1886) was revered in the East for his keen, artistic intellect and his religious tolerance. He frequently worshipped alongside Muslims and Christians, which was unprecedented at the time. After he directed his disciple, Indian spiritualist SWAMI ABHEDANANDA

(1866-1939), to travel the United States and Canada in the late 19th century to spread the teachings of Hindu Vedanta philosophy, he was soon beloved in the West as well.

Reincarnation Swami Abhedananda 2020-03-09 Reincarnation is an Eastern religious studies text by Swami Abhedananda. The visible phenomena of the universe is bound by the universal law of cause and effect. The effect is visible or perceptible, while the cause is invisible or imperceptible. The falling of an apple from a tree is the effect of a certain invisible force called gravitation.

Bhagavad Gita As Viewed By Swami Vivekananda Swami Vivekananda 2016-04-06 Swami Vivekananda's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven

reprints and more than 27,000 copies have been sold.

Preaching Vedanta Swami Iraianban 1997 The Book Begins By Re-Examining The Imagery Of The Vedas And The Upanisads, Highlighting Some Aspects Of Early Speculative Thought Which Influenced The Enunciation Of Aesthetic Theories, Particularly Of Bharata In The Natyasastra. The Next Chapter Introduces A New Methodology Of Analyzing The Rituals (Yajna) As Laid Down In The Yajurveda And The Satapatha Brahmana, The Best Way To

Focus The Relationship Between The Text And The Practice. Four Chapters Follow One Each On Drama (Natya), Architecture (Vastu), Sculpture (Silpa), And Music (Sangita). Each Presents Some Fundamental Concepts Of Speculative Thought, Concerned With Each Of The Arts And Purposefully Correlates These With Actual Examples Both Of The Past And The Present.

Life After Death Swami Vivekananda Perhaps no other subject has haunted the human mind, right from the hoary past, with such unerring consistency like the one regarding life and death. Is man mortal or immortal? What is reincarnation? What happens when a man dies? Every man is forced to ask these questions at some juncture of his life. This booklet published by Advaita Ashrama, Publication House of Ramakrishna Math, Belur Math, India, provides brief but clear answers to these fundamental questions.

Adventures In Religious Life Swami Yatiswarananda 2020-03-07 This book is a collection of lectures delivered in Bangalore and Philadelphia by Swami Yatiswarananda, a disciple of Swami Brahmananda and the Vice-president of the Ramakrishna Order. The lectures were published in the magazines The Vedanta Kesari, Prabuddha Bharata, Vedanta and the West, and Vedanta for East and West. The lectures extensively deal with pursuing religious life, overcoming obstacles in religious life, achieving inner peace and harmony, and attaining religious experience. Spiritual seekers can derive the much-needed inspiration and succour from these invaluable lectures.

Original Gospel of Ramakrishna

Alexander Lipski 2011 Sri Ramakrishna is the most famous saint of modern India. This book is the original version of the most famous work about him, translated into English by the author "M" himself. A short biography of Ramakrishna, written by his famous disciple Swami Vivekananda, is also included.

The Gospel of Sri Ramakrishna Ramakrishna 1942 A first-hand biographical record, written by a disciple, presents the teachings and mystical experiences of Sri

Ramakrishna, the 19th century guru who inspired a renewal of Hindu spirituality.

Life Beyond Death Anil Sharma 2014-09-18 The author Sri Anil Sharma was born in Ambala, India. He graduated as an electrical engineer in 1980, after which he travelled for a period of three years throughout the Indian subcontinent, in search of the truth. Since 1993 over a period of seven years he read more than nine hundred books written and referred to by great spiritual masters, attained various siddhis, toured many countries around the world and gave lectures. This book is the outcome of his spiritual experiences and guidance received from sages and spiritual masters during deep states of meditation. However, in spite of experiencing the rising of cosmic currents in his body, having attained a heightened awareness of reality, and achieving many tasks in spirituality, like writing books and genuinely helping many aspirants in the path of spirituality, his own quest of knowing and gaining personal experience of self realisation remained unfulfilled. In the year 2000 he came across the teachings of Sri Ramana Maharshi, in whom he found all the answers to his spiritual quest and took him as his Sat guru. The author currently resides in Australia, works in his profession and also runs a small centre in Sydney called Sage Sri Ramana Maharshi Centre of Learning Sydney [The Monk as Man](#) Samkara 2011 An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after

his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

Why a Hindu is a Vegetarian

Abhedananda 2021-01-01 Eminent physicians and dietetic reformers of the present day are deeply interested in solving the great problem of wholesome food for human beings, and in introducing food reform in western countries.

Life After Death Deepak Chopra, M.D. 2006-10-17 Deepak Chopra has touched millions of readers by demystifying our deepest spiritual concerns while retaining their poetry and wonder. Now he turns to the most profound mystery: What happens after we die? Is this one question we were not meant to answer, a riddle whose solution the universe keeps to itself? Chopra tells us there is abundant evidence that "the world beyond" is not separated from this world by an impassable wall; in fact, a single reality embraces all worlds, all times and places. At the end of our lives we "cross over" into a new phase of the same soul journey we are on right this minute. In *Life After Death*, Chopra draws on cutting-edge

scientific discoveries and the great wisdom traditions to provide a map of the afterlife. It's a fascinating journey into many levels of consciousness. But far more important is his urgent message: Who you meet in the afterlife and what you experience there reflect your present beliefs, expectations, and level of awareness. In the here and now you can shape what happens after you die. By bringing the afterlife into the present moment, *Life After Death* opens up an immense new area of creativity. Ultimately there is no division between life and death—there is only one continuous creative project. Chopra invites us to become cocreators in this subtle realm, and as we come to understand the one reality, we shed our irrational fears and step into a numinous sense of wonder and personal power.

Reminiscences of Swami Vivekananda

His Eastern and Western Admirers
Swami Vivekananda's towering personality influenced innumerable persons in India and abroad in various ways. The impress which his life and character made on those persons who were about him and the recounting of those memories by them, reveal the multiple facets of Swamiji's magnanimous personality. This book published by Advaita Ashrama, Publication house of Ramakrishna Math, Belur Math, contains some of those reminiscences which would be not only interesting, but also a revelation to all the admirers of the great Swami. Twenty-two new reminiscences have been added in this edition - Swamis Shivananda, Turiyananda, Saradananda, Akhandananda, Vijnanananda, Achalananda, Atulananda, Virajananda, and Sadananda, as also Brajendranath Seal, C. Ramanujachari, Kumudbandhu Sen, Lillian Montgomery, Mohanlal Shah, Mary Tapan Wright, Sacchindranath Bose, Manmathanath Chowdhury, Harbilas Sardar, G.G. Narasimhachari, Ella Wheeler Wilcox, Shailendranath Bandopadhyay and Alice Hansbrough.

The Unknown Life of Jesus Christ

Nicolas Notovitch 1894

Swami Abhedananda 2018

Nature, the Utility of Religion, and

Theism John Stuart Mill 1874 This book contains three essays written by Mill on the subjects of religion and the essence of God. Published posthumously, this book criticizes traditional religious views and formulates an alternative in the guise of the Religion of Humanity.

The Disciples of Sri Ramakrishna

Swami Gambhirananda 1943 This is an enlarged edition of our earlier publication, the Apostles of Sri Ramakrishna. The book contains the life and teachings of the sixteen monastic disciples of Sri Ramakrishna. Brief life sketches of some of the lay disciples of Sri Ramakrishna, both men and women, have also been added. Compiled and Edited by Swami Gambhirananda and published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India, readers will find in this work invaluable guidance and instructions for enriching their spiritual life, as well as plenty of much needed inspiration.

From the Unreal to the Real Swami Bhashyananda 2015-07-02 Swami Bhashyananda has explained different aspects of Vedanta philosophy in this book with appropriate quotations from the Upanishads and Gita and has brought home to us the significance of this great philosophy in the context of the present edition in the world. From the standpoint of this book will serve a very useful purpose by making readers aware of their duty to themselves and to the world at large.

A Traveler's Guide to the Afterlife

Mark Mirabello 2016-09-15 A grand survey of the world's death and afterlife traditions throughout history • Examines beliefs from many different cultures on the soul, heaven, hell, and reincarnation; instructions for accessing the different worlds of the afterlife; how one may become a god; and how ethics and the afterlife may not be

connected • Explores techniques to communicate with the dead, including séance instructions • Includes an extensive bibliography of more than 900 sources from around the world
Drawing on death and afterlife traditions from cultures around the world, Mark Mirabello explores the many forms of existence beyond death and each tradition's instructions to access the afterlife. He examines beliefs on the soul, heaven, hell, and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt, the Katha Upanishad from India, the Bardo Thodol from Tibet, the Golden Orphic Tablets from Greece, Lieh Tzu from China, and Heaven and its Wonders and Hell from Things Heard and Seen from 18th-century Europe. Considering the question "What is Death?" Mirabello provides answers from a wide range of ancient and modern thinkers, including scientist Nicholas Maxwell, the seer Emanuel Swedenborg, 1st-century Buddhist philosopher Nagarjuna, and Greek philosopher Euripides, who opined that we may already be dead and only dreaming we are alive. He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else. He reveals how, in many traditions, ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul. Sharing evidence that consciousness is not simply a product of the brain, he offers a strong rebuttal to nihilists, materialists, and the Lokayata philosophical school of India who believe in the "finality" of death. He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out-of-body experience and the complete procedure for a séance. With an extensive bibliography of more than 900 sources, this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history--a veritable "traveler's guide" to the afterlife.

How to be a Yogi Swami Abhedânanda
2019-06-27 Spirituality does not depend upon the reading of Scriptures, or upon learned interpretations of Sacred Books, or upon fine theological discussions, but upon the realization of unchangeable Truth. In India a man is called truly spiritual or religious not because he has written some book, not because he possesses the gift of oratory and can preach eloquent sermons, but because he expresses divine powers through his words and deeds. A thoroughly illiterate man can attain to the highest state of spiritual perfection without going to any school or university, and without reading any Scripture, if he can conquer his animal nature by realizing his true Self and its relation to the universal Spirit; or, in other words, if he can attain to the knowledge of that Truth which dwells within him, and which is the same as the Infinite Source of existence, intelligence, and bliss. He who has mastered all the Scriptures, philosophies, and sciences, may be regarded by society as an intellectual giant; yet he cannot be equal to that unlettered man who, having realized the eternal Truth, has become one with it, who sees God everywhere, and who lives on this earth as an embodiment of Divinity. The writer had the good fortune to be acquainted with such a divine man in India. His name was Râmakrishna. He never went to any school, neither had he read any of the Scriptures, philosophies, or scientific treatises of the world, yet he had reached perfection by realizing God through the practice of Yoga. These powers begin to manifest in the soul that is awakened to the ultimate Reality of the universe. It is then that the sixth sense of direct perception of higher truths develops and frees it from dependence upon the sense powers. This sixth sense or spiritual eye is latent in each individual, but it opens in a few only among millions, and they are known as Yogis. With the vast majority it is in a rudimentary state, covered by a thick veil. When, however, through the practice of Yoga

it unfolds in a man, he becomes conscious of the higher invisible realms and of everything that exists on the soul plane. Whatever he says harmonizes with the sayings and writings of all the great Seers of Truth of every age and clime. He does not study books; he has no need to do so, for he knows all that the human intellect can conceive. He can grasp the purport of a book without reading its text; he also understands how much the human mind can express through words, and he is familiar with that which is beyond thoughts and which consequently can never be expressed by words.

Reincarnation in America Lee Irwin
2017-07-31 This book presents a history of reincarnation, from ancient times to the present; it is written for a diverse readership interested in theories of life after death. The survey offers an exciting journey through a maze of fascinating ideas that all contribute to an underlying theory that after death comes rebirth.

Western Admirers of Ramakrishna and His Disciples Gopal Stavig 2010-10-02
This classic work of research published by Advaita Ashrama, a Publication centre of Ramakrishna Math, Belur Math, India, brings under a single volume around 600 persons inspired by the ideals of Sri Ramakrishna and his disciples. Notable personalities whose connection with the Vedanta Movement in the West is delineated include Aldous Huxley, Arnold Toynbee, Albert Einstein, Ralph Waldo Emerson, Carl Jung, Mark Twain, J D Salinger and Joseph Campbell among others. For the scholars it is a mine of information presented precisely, and for the devotees of Ramakrishna, it is an inspiring account of western admiration for Ramakrishna and his disciples. (Pdf version).

The Zen of Living and Dying Philip Kapleau 1998-04-14 To live life fully and die serenely—surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in modern society. Kapleau explores the subject of death and

dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.

The Master As I Saw Him Sister Nivedita 1910-01-01 The Master as I Saw Him, is a book famous for its chronicling of intense spiritual experiences from the life of Swami Vivekananda, as noted by his disciple—Sister Nivedita. The book is written in an easy to read fashion, such that any chapter can be opened and read without losing any continuity. Nevertheless, it has still been assigned an intermediate rating, mainly because the text presupposes a familiarity with Swami Vivekananda, India, her religious traditions and historical customs, which new readers having no prior basis may find difficult to understand. It is important to remember that this book was written over a 100 years ago, and so it presents a view of India of the past – a country tremendously weakened by its deeply entrenched social and religious prejudices such as the caste system, eating of food cooked at the hands of Brahmins only, child-marriage and the low status accorded to women, especially widows.

Spiritual Teachings of Swami Abhedananda Swami Abhedānanda 1962

Philosophy of Life and Death M.V. Kamath 1993-01-01 This fascinating book of M.V. Kamath helps to answer the most crucial question of existence “What is the meaning of death?” Drawing from the wisdom of major religions and cultures of the East and West, he presents a clear, highly, informative study on the experience of Life and Death. Included are the thoughts and reflections of 55 famous men and

women during their experience of dying, who tells us what we ought to know or intuitively, that those who are well integrated die bravely, calmly and at peace with themselves. To mention a few names like Socrates, Madame Curie, Queen Elizabeth, Swami Vivekananda – these are people whose deaths tell us how to die.

India and Her People Swami Abhedānanda 1906

Life Beyond Death Swami Abhedānanda 1946-01-01

Kali's Child Jeffrey J. Kripal 1998-10 Scholar Jeffrey J. Kripal explores the life and teachings of Ramakrishna Paramahansa, a 19th-century Bengali saint who played a major role in the creation of modern Hinduism. The work is now marked by both critical acclaim and cross-cultural controversy. In a substantial new Preface to this second edition, Kripal answers his critics and addresses the controversy.

Life Beyond Death Swami Abhedananda 1984

Journey Into Kashmir and Tibet Swami Abhedānanda 1987 Comprises author's travel account, 1922, with discussions on the life of Jesus Christ in India and his links with Buddhists.

Swami Vivekananda Swami Tapasyananda 2020-03-07 Swami Vivekananda's name is becoming more and more popular across the globe. However, even today many know very little about him. Some understand and adore him, some others misunderstand and misrepresent him. Who was he really? What did he do? What were his ideas and contribution to the welfare of the individual and the collective, of India and the rest of the world? This book, authored by Revered Swami Tapasyananda Maharaj, former vice-president of the Order, powerfully and impressively answers to these questions in a nutshell.
