God's Feminist Movement Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!
