In Search of Deeper Learning Jal Mehta 2019-04-22 "The best book on high school dynamics I have ever read."-- Jay Mathews, *Washington Post* An award-winning professor and an accomplished educator take us beyond the hype of reform and inside some of America's most innovative classrooms to show what is working--and what isn't--in our schools. What would it take to transform industrial-era schools into modern organizations capable of supporting deep learning for all? Jal Mehta and Sarah Fine's quest to answer this question took them inside some of America's most innovative schools and classrooms--places where educators are rethinking both what and how students should learn. The story they tell is alternately discouraging and hopeful. Drawing on

hundreds of hours of observations and interviews at thirty different schools, Mehta and Fine reveal that deeper learning is more often the exception than the rule. And yet they find pockets of powerful learning at almost every school, often in electives and extracurriculars as well as in a few mold-breaking academic courses. These spaces achieve depth, the authors argue, because they emphasize purpose and choice, cultivate community, and draw on powerful traditions of apprenticeship. These outliers suggest that it is difficult but possible for schools and classrooms to achieve the integrations that support deep learning: rigor with joy, precision with play, mastery with identity and creativity. This boldly humanistic book offers a rich account of what education can be. The first panoramic study of American public high schools since the 1980s, *In Search of Deeper Learning* lays out a new vision for American education--one that will set the agenda for schools of the future.

Enter Rob, the dubious but well-meaning

friend of her indolent brother. As Susan's due date draws near and her dismantled world falls further into a tailspin, Susan finds an unlikely ally in Rob. She might have a chance at finding real love and learning to love herself, if only she can figure out how to let go.

**The Cursed Queen** Sarah Fine 2017-01-03 Blood and victory. There is no other way. The "fresh and fascinating magical world" (School Library Journal) of *The Imposter Queen* expands in this companion novel that answers the question: who is the real queen of the Kupari? Ansa has always been a fighter. As a child, she fought the invaders who murdered her parents and snatched her as a raid prize. She fought for her place next to Thyra, the daughter of the Krigere Chieftain. She fought for her status as a warrior in her tribe: blood and victory are her way of life. But the day the Krigere cross the great lake and threaten the witch queen of the Kupari, everything changes. Cursed by the queen with fire and ice, Ansa is forced to fight against an invisible enemy--the dark magic that has embedded itself deep in her bones. The more she tries to hide it, the more dangerous it becomes. And with the Krigere numbers decimated and the tribe under threat from the traitorous brother of the dead Chieftain, Ansa is torn between her loyalty to the Krigere, her love for Thyra, and her own survival instincts. With her world in chaos and each side wanting to claim her for their own, only one thing is certain: unless Ansa can control the terrible magic inside her, everything she's fought for will be destroyed.

internationally bestselling author Sarah Winman comes an unforgettable and heartbreaking novel celebrating love in all its forms, and the little moments that make up the life of one man. This is almost a love story. But it's not as simple as that. Ellis and Michael are twelve-year-old boys when they first become friends, and for a long time it is just the two of them, cycling the streets of Oxford, teaching themselves how to swim, discovering poetry, and dodging the fists of overbearing fathers. And then one day this closest of friendships grows into something more. But then we fast-forward a decade or so, to find that Ellis is married to Annie, and Michael is nowhere in sight. Which leads to the question: What happened in the years between? With beautiful prose and characters that are so real they jump off the page, *Tin Man* is a love letter to human kindness and friendship, and to loss and living.

**Life Inside My Mind** Jessica Burkhart 2019-04-09 “Who better to raise teens’ awareness of mental illness and health than the YA authors they admire?” –Booklist (starred review) “[A] much-needed, enlightening book.” –School Library Journal (starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn’t get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says “you’re not good enough,” “not good looking enough,” “not thin

enough,” or “not smart enough”? Have you ever found yourself unable to do homework or pay attention in class unless everything is “just so” on your desk? Everyone has had days like that, but what if you have them every day? You’re not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It’s easier to have a broken bone—something tangible that can be “fixed”—than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. *Life Inside My Mind* is an anthology of true-life events from writers of this generation, for this generation. These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation.

meets the dark and alluring Adam Temple, a member of a mysterious order called the Enlightenment Committee. Adam seems to know much more about her than he lets on, and he shares with her a terrifying revelation: the world is ending, and the Committee will decide who lives...and who doesn’t.
