GET YOUR FIGHT BACK YOU CHAMPION Dr. Sylvia Black, PhD 2020-11-30 Fighting is the key to winning any battle or war against giants. If you don't fight you have no chance of defeating your giant. If you do fight you have a chance at defeating your giants. This world is a warzone. Your neighbors are not really your neighbors. It's the devil disguised as your neighbor. Or the devil may disguise himself as a city official, or a relative or even a pastor. You've got to fight. And as you fight you have to keep on fighting. No matter how bad it looks. You can't stop fighting. No matter what kind of report you received from the doctor, you can't stop fighting. If you stop fighting then your physical and your spiritual self will rot away as nothing and leave this world in the same sinful state they entered into this world with. The same way you used to beat your colleagues down back in the day in the street is the same way you must beat your giants down today. With the same determination that you are going to beat them down and defeat them. Your goal was to be powerful and victorious. Be victorious today. Dare to take that first step into the ring and start fighting again.

CHAMPION GUIDES Karen Kellock 2022-08-18 A new theory in psychology with a formula: all disease obstruction, all recovery elimination, all success attraction. The three obstructions are explained in detail: people, habit and food. What messed us up? The influence of other people. With trauma we swallow them whole/mimic evil. What is the Dunning-Kruger? It's the dumb thinking they're smart--most dangerous for sure. We mal-adapt by taking on another part but through elimination we get a fresh start.

HM The Queen Mother on National Hunt racing. This book traces how much National Hunt racing has changed since 1945- and also how Britain has changed too. The advent of motorways has made travel easier and racecourse safety has improved but the challenges for jump jockeys -the bravest of the brave- remain. It covers some of the biggest stories in jump racing over the last seventy-five years, including the dramatic collapse of Devon Loch in the 1956 Grand National and the incredible exploits of three-times Grand National winner Red Rum. But it also contains lots of fascinating stories which the reader will not be so aware of, of trainers and horses long forgotten.
