The Thirty-Nine Steps John Buchan 2020-04-13 Famous as the basis for several films, including the brilliant 1935 version directed by Alfred Hitchcock, The Thirty-Nine Steps is a classic of early twentieth-century popular literature. Richard Hannay has just returned to England after years in South Africa and is thoroughly bored with his life in London. But then a murder is committed in his flat, just days after a chance encounter with an American who had told him about an assassination plot that could have dire international consequences. An obvious suspect for the police and an easy target for the killers, Hannay goes on the run in his native Scotland where he will need all his courage and ingenuity to stay one step ahead of his pursuers.

The Enemy Charlie Higson 2009-09-03 The first unputdownable adventure story in this phenomenal series, from the author of the bestselling Young Bond series and award-winning comedy writer and performer (The Fast Show, Down the Line), Charlie Higson. They'll chase you. They'll rip you open. They'll feed on you . . . When the sickness came, every parent, policeman, politician - every adult - fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?

Pluralism and the Politics of Difference R. D. Grillo 1998-07-23 Is a plural, polyethnic, democratic society possible? Starting with Ernest Gellner's observation that 'culturally plural societies worked well in the past', but 'genuine cultural pluralism ceases to be viable under current conditions', this study explores pluralism in three settings; early states, modern industrial societies, and the contemporary 'postmodern' world. Through a nuanced discussion ranging from pre-colonial Africa and Mesoamerica, to European and American experiences in the twentieth century, Grillo explores the ways in which different social and political forms cope with ethnic and cultural diversity. The study uncovers a range of different kinds of pluralism, from out-and-out separatism, through varieties of multiculturalism, to looser forms of 'hybridity'. Rather than advocating one configuration over another, this important new book outlines the range of choices facing our societies as, moving into the twenty-first century, we try to reconcile the competing demands of universalism and difference.

Parasitism and Ecosystems Frédéric Thomas 2005-01-06 For several years there has been a growing interest in understanding the dynamics of parasites in ecosystems, as well as the diversity of ways in which they influence ecosystem functioning through their effects on host populations and communities. Ecologists, epidemiologists, evolutionary biologists, and other scientists are increasingly coming to realise that parasites must be taken into account when studying ecosystems. Parasitism and Ecosystems summarizes current knowledge on this topic, providing a comprehensive overview for researchers and students. It represents the first synthesis of both the roles and the consequences of pathogens in ecosystems, utilising well-documented case-studies to illustrate the main issues as well as identifying prospects for future research.

This classic comic story is Trollope's most famous novel. **Command Of The Air** General Giulio Douhet 2014-08-15 In the pantheon of air power spokesmen, Giulio Douhet holds center stage. His writings, more often cited than perhaps actually read, appear as excerpts and aphorisms in the writings of numerous other air power spokesmen, advocates-and critics. Though a highly controversial figure, the very controversy that surrounds him offers to us a testimonial of the value and depth of his work, and the need for airmen today to become familiar with his thought. The progressive development of air power to the point where, today, it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest In fact, in many ways, the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision. Douhet, together with Hugh "Boom" Trenchard of Great Britain and William "Billy" Mitchell of the United States, is justly recognized as one of the three great spokesmen of the early air power era. This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book, published in 1921. Readers may well find much that they disagree with in this book, but also much that is of enduring value. The vital necessity of Douhet's central vision-that command of the air is all important in modern warfare-has been proven throughout the history of wars in this century, from the fighting over the Somme to the air war over Kuwait and Iraq.

The Scarlet Letter - With Audio Level 4 Oxford Bookworms Library Nathaniel Hawthorne 2014-09-30 A level 4 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by John Escott. Scarlet is the colour of sin, and the letter 'A' stands for 'Adultery'. In the 1600s, in Boston, Massachusetts, love was allowed only between a husband and a wife. A child born outside marriage was a child of sin. Hester Prynne must wear the scarlet letter on her dress for the rest of her life. How can she ever escape from this public shame? What will happen to her child, growing up in the shadow of the scarlet letter? The future holds no joy for Hester Prynne. And what will happen to her sinful lover – the father of her child?
