Hardbound books, teacups, and quill pens fly in the face of her e-reader, coffee, and smartphone... ...Until she sees Julian take his tight breeches off for his Undressing Mr. Darcy show, an educational "striptease" down to his drawers to promote his book and help save his crumbling estate. The public relations expert suddenly realizes things have gotten...personal. But can this old-fashioned man claim her heart without so much as a GPS? It will take three festivals filled with Austen fans, a trip to England, an old frenemy, and a flirtatious pirate re-enactor to find out...
