Graced by Waters John Dietsch 2020-04-28 In this inspirational and humorous collection of essays, author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God. From creating fishing scenes on the set of A River Runs Through It in Montana, to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado, John shares his experiences and asks the question: what are we really fishing for? Through John's journeys across the globe, we discover that the same pursuit in fishing—of what is elusive but attainable—can be applied to our own spiritual journey. In the end, Dietsch uncovers his own truth under the rocks of a childhood river, recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters.

One Last Hug Before I Go Carla Wills-Brandon 2010-01-01 Death is one of life's greatest mysteries. Over the years, the bestseller lists have contained many works on death-related phenomena: Betty Eadie's Embraced by the Light; James Van Praagh's Talking to Heaven; and Raymond Moodie's Life After Life, are just a few. One Last Hug Before I Go is the first book to explore in depth the Deathbed Vision (DBV). Complete with the author's own encounters and those of over forty other DBV experiencers, this revolutionary work provides research information from the early twentieth century through the present. Included are: survivors' detailed accounts of their departed loved one's visions and final words; the survivors' mystical experiences and premonitions preceding a loved one's passing; accounts of seeing the soul leave the body; and after-death communications. These final words and visions from the dying provide a poignant, final farewell hug to loved ones, offering peace of mind and hope for an eventual reunion. After finishing this fascinating book, readers will come away with a better understanding and acceptance of the process of death and see it as a spiritual adventure, not a sad and fearful ending to life.
