Dracula Bram Stoker 2010-09-30 Dracula starts out with several entries in Jonathan Harker's journal, which comprise the first four chapters. These entries set the structure for the rest of the novel, which is also told mainly through journal entries and letters. This first section introduces Harker, who is a recently promoted English solicitor (a type of attorney). Harker travels eastward across Europe from London to Transylvania, where he is going to meet Count Dracula and explain to the count the particulars of his London real estate purchase. As he travels across the country to the castle, he notices the reaction of various area residents who are frightened by Dracula's name. At Harker's last checkpoint, a coach from Dracula's castle arrives for him. Harker notes the strength of the driver.

The Stand Stephen King 2008-06-24 The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. When a man escapes from a biological testing facility, he sets in motion a deadly domino effect, spreading a mutated strain of the flu that will wipe out 99 percent of humanity within a few weeks. The survivors who remain are scared, bewildered, and in need of a leader. Two emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them--and ultimately decide the fate of all humanity.

Religion, Ritual and Ritualistic Objects Albertina (Tineke) Nugteren 2019-04-23 This is a volume about the life and power of ritual objects in their religious ritual settings. In this Special Issue, we see a wide range of

contributions on material culture and ritual practices across religions. By focusing on the dynamic interrelations between objects, ritual, and belief, it explores how religion happens through symbolic materiality. The ritual objects presented in this volume include: masks worn in the Dogon dance; antique ecclesiastical silver objects carried around in festive processions and shown in shrines in the southern Andes; funerary photographs and films functioning as mnemonic objects for grieving children; a dented rock surface perceived to be the god's footprint in the archaic place of pilgrimage, Gaya (India); a recovered manual of rituals (from Xiapu county) for Mani, the founder of Manichaeism, juxtaposed to a Manichaean painting from southern China; sacred stories and related sacred stones in the Alor-Pantar archipelago, Indonesia; lotus symbolism, indicating immortalizing plants in the mythic traditions of Egypt, the Levant, and Mesopotamia; lavishly illustrated variations of portrayals of Ravana, a Sinhalese god-king-demon; figurines made of cow dung sculptured by rural women in Rajasthan (India); and mythical artifacts called 'Apples of Eden' in a well-known interactive game series.

Gilgamesh Epic and Old Testament Parallels Alexander Heidel 1949 Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris-Euphrates Valley. With the same careful scholarship shown in his previous volume, *The Babylonian Genesis*, Heidel interprets the famous Gilgamesh Epic and other related Babylonian and Assyrian documents. He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas.

Chosen at Nightfall C. C. Hunter 2013-04-23 Don't miss this magnificent final chapter in the breathtaking Shadow Falls series! Kylie's epic journey is about to lead her exactly where she belongs... When Kylie Galen entered Shadow Falls Camp, she left her old life behind forever and discovered a world more magical than she ever imagined. Everything she's learned at Shadow Falls has been preparing her for this moment—when her fate will be revealed and her heart claimed forever. From author C. C. Hunter comes Chosen at Nightfall, the final book in the New York Times bestselling Shadow Falls series about a camp for paranormal teens.

Solar Pumping for Water Supply ALBERTO. W. KIPRONO IBANEZ LLARIO (ASENATH.) 2020-09-28 Solar power for pumping groundwater has a vast potential for improving the sustainability of water supply schemes. However experience also shows that a lack of knowledge, capacity and expertise to design and implement such schemes is holding back their adoption. This book bridges this gap to equip engineers and technicians with the requisite knowledge for design, implementation and operation of sustainable solar powered water schemes. Solar Pumping for Water Supply is a state of the art review of solar water pumping technology combined with practical insights, lessons and best practices drawn from experience. It takes the reader step by step through the different phases that comprise a solar water pumping project, namely: assessment, design, purchase of equipment, installation, operation and management. The book also covers the economics of using solar pumping technology, especially when compared to diesel generators and hand pumps. Finally, the social aspects are included, specifically relating to the operation and management of solar pumping systems and the role that beneficiaries, implementers, government and the private sector might play to ensure long-lasting water supply. The book provides links and references to tools, documents and videos to accompany the content of the different chapters. Essential reading for solar technical practitioners at NGOs, UN agencies, government offices and private sector, including Global and Regional Technical advisors and Field engineers wanting to understand and know how to design water systems using solar power. A basic knowledge in the field of water supply is assumed, but no previous knowledge of solar photovoltaic technology is required. Alberto Ibáñez Llario is a Global Solar and Water Advisor with the International Organization for Migration and has 15 years of experience in water systems and solar PV in various locations

around the world. Asenath Kiprono is a solar water pumping expert with 12 years' experience in design and implementation of pumping systems in rural Africa, including solar pumping systems in the private, public and humanitarian sectors.

Spellbinder C. C. Hunter 2015-06-30 When magic, romance and family secrets collide, the result is spellbinding! Miranda Kane has always felt like a screw up—at least when it comes to her ability to wield magic. Her only sanctuary is Shadow Falls camp, where she's learning to harness her powers as a witch. But thanks to her shapeshifter boyfriend who called it quits and ran off to Paris, both her heart and powers feel broken. When she unexpectedly lands a top spot in a spell casting competition in France, she flies out with her best friends Kylie and Della. But her trip takes her straight into the heart of a dangerous supernatural mystery—and a heated romance. What Miranda doesn't expect is for her investigation to unleash shocking revelations...about herself, her family, and her arch enemy. Now Miranda must step up and show everyone that she's a witch to be reckoned with....before it's too late.

Bone by Bone Peter Matthiessen 2013-08-31 In this magnificent novel, which is the conclusion to the celebrated Watson trilogy, E.J. Watson tells his own story, through his turbulent life, to his death at the hands of vigilantes. From his destitute childhood in South Carolina, and the terrible events which haunt him for the rest of his days, the narrative shifts to the wilds of the Florida Everglades. Here, Watson establishes himself as a successful sugar-cane farmer, trying in vain to escape his past, and the uncontrollable, vicious side of his nature which is ultimately his downfall. Intelligent, a devoted husband and a lover, a stern father and a man capable of cruelty and cold-blooded murder, Watson is a character staggeringly real in his complexity. Bone by Bone confronts not only the racism, brutality and entrepreneurial greed of the American South at the turn of the century but also the paradox at the heart of human nature: our capacity for fierce love, compassion and unspeakable violence.

Reborn C. C. Hunter 2014-05-20 Enter Shadow Falls: After Dark and meet a vampire named Della, who's about to discover what her own story is meant to be. . . . Della had the perfect life—the family, a boyfriend, and a bright future—until she was turned, and abandoned by everyone she loves. She takes refuge at Shadow Falls, a camp for teens with paranormal powers. It's where she and her best friends, Kylie and Miranda, heal their heartbreak with laughter, and where Della is training to be a paranormal investigator—and she refuses to be distracted. That means there's no time for romance with Steve, a gorgeous shapeshifter whose kisses melt her heart. When a new vampire named Chase shows up at camp, Della's world is thrown into even more chaos. Arrogant and annoyingly sexy, Chase is a mystery . . . and the only mystery Della likes is one she can solve. She can't solve Chase, at least not while she's dealing with ghostly hauntings, vampire gangs and a web of family secrets. Can she prove herself as an investigator and keep her life—and her heart—intact? From bestselling author C. C. Hunter comes *Reborn*, the first book in a new series set once more in the world of Shadow Falls.

Holes Louis Sachar 2020-11-05 Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.

Man and His Symbols Carl G. Jung 2012-02-01 The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung's revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to

psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life's work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

Whitney Biennial 2022 David Breslin 2022-04-26 Presenting the latest iteration of this crucial exhibition, always a barometer of contemporary American art The 2022 Whitney Biennial is accompanied by this landmark volume. Each of the Biennial's participants is represented by a selected exhibition history, a bibliography, and imagery complemented by a personal statement or interview that foregrounds the artist's own voice. Essays by the curators and other contributors elucidate themes of the exhibition and discuss the participants. The 2022 Biennial's two curators, David Breslin and Adrienne Edwards, are known for their close collaboration with living artists. Coming after several years of seismic upheaval in and beyond the cultural, social, and political landscapes, this catalogue will offer a new take on the storied institution of the Biennial while continuing to serve—as previous editions have—as an invaluable resource on present-day trends in contemporary art in the United States.

Under the Shadow of the Rising Sun Meron Medzini 2016 Japan was a party to the Axis Alliance with Nazi Germany and Fascist Italy. However, it ignored repeated German demands to harm the 40,000 Jews who found themselves under Japanese occupation during World War Two. This book attempts to answer why they behaved in a relatively humane fashion towards the Jews.

The Precariat Guy Standing 2021-07-15 This book presents the new Precariat – the rapidly growing number of people facing lives of insecurity, on zero hours contracts, moving in and out of jobs that give little meaning to their lives. The delivery driver who brings your packages, the uber driver who gets you to work, the security guard at the mall, the carer looking after our elderly...these are The Precariat. Guy Standing investigates this new and growing group, finding a frustrated and angry new underclass who are often ignored by politicians and economists. The rise of zero hours contracts, encouraged by fat cat corporations as risk-free employment, and by silicon valley as a way of outsourcing costs and responsibility, has been exacerbated by the COVID pandemic. At the same time, in its experience of lockdown, the western world is realizing the true value of these nurses, carers and key workers. The answer? The return of income security and meaningful work - the principles 20th century capitalism was built on. By making the fears and desires of the Precariat central to economic thinking, Standing shows how concepts like Basic Income are not just desirable but inevitable, and plots the way to a better future.

Awake at Dawn C. C. Hunter 2011-10-11 Step into the world of Shadow Falls, a camp that helps teens tap into their special...talents. Once you visit, you'll never forget it—and you'll never, ever be the same. From the moment Kylie Galen arrived at Shadow Falls Camp, she's had one burning question: What am I? Surrounded by vampires, werewolves, shape-shifters, fairies and witches, Kylie longs to figure out her own supernatural identity...and what her burgeoning powers mean. And now she'll need them more than ever, because she's being haunted by a new spirit who insists that someone Kylie knows—and loves—will die before the end of the summer. If only she only knew who she was supposed to save. And how... But giving Kylie the most trouble is her aching heart. Gorgeous werewolf Lucas left camp with another girl, but he's still visiting Kylie in her dreams. And Derek, a sexy half Fae who's always been there for her when she needed him, is pushing to get more serious—and growing impatient, especially when Lucas returns. Kylie knows she needs to decide between the boys, and it's tearing her up inside. Yet romance will have to wait, because something from the dark side of the supernatural world is hiding in Shadow Falls. It's about to threaten everything she holds dear...and bring her closer to her destiny. *Awake at Dawn* is the second installment in C.C. Hunter's young adult fantasy series.

[A Thematic Commentary on the Qur'an](#) Muhammad Ghazali 2000 In a multi-faith world, Islam is widely regarded as dogmatic and exclusivist. Yet in the Qur'an we have a great and worthy example of how to live in diversity, of powerful scriptural tenets that lend themselves precisely to engagement with those of other faiths. As such Islam has much to add to the debate on Religious Pluralism. For Muslims the issue is a delicate one. Aside from being tolerant and respectful of other faiths, advocating freedom of faith, and peaceful coexistence

for all humanity, Muslims have to intellectually engage on matters of religious truth whilst defending the validity of their own Islamic tenets. This study is focused on the Qur'anic text. It explores the Qur'anic conception of normative religious pluralism with a view to providing answers to questions such as whether the Qur'an itself regards normative religious pluralism as a value system or simply a method through which the Qur'anic world view can be actualized. In doing so the author corrects some highly controversial misquoted, mistranslated, and/or quoted out of context verses of the Qur'an, including the so-called verse of the sword and the perception of not taking non-Muslims as friends. In reality, the Qur'an calls for freedom of faith and peaceful coexistence, but condemns oppression, religious persecution, and those who initiate hostilities. In this way it not only invokes human dignity, but restores it when it is violated.

Eternal C. C. Hunter 2014-10-28 "Spectacular! I love Della's sarcastic and yet deeply sensitive perspective and can't wait to see how things unfold for her."—Fresh Fiction Just when Della feels like she's starting to figure out her life, she finds herself reborn...and her new existence comes with a whole different rulebook. Della's secret powers always made her feel like an outsider in the human world. Now, just when she's starting to feel like she belongs—at Shadow Falls, a camp for teens with paranormal powers—her life is turned upside down all over again. Attacked by a deadly virus, she must make the difficult choice to be reborn. It's her only chance at survival, but it comes with a price: It irreparably bonds her to Chase, a tall, dark and mesmerizing

vampire who makes her laugh one minute and infuriates her the next. Chase already knows too many of Della's secrets, and being eternally bonded to him is the last thing she wants. Even worse, she doesn't fully understand what their bond means. Is the attraction she's started feeling for Chase real—or does fate have something else in store? And what does that mean for Steve, the hot shapeshifter whose kisses make her weak in the knees? Now Della's battered heart is about to take another hit. While investigating her latest case, she discovers shocking evidence about her father's dark past, making her question everything she believes to be true...and her place in the world she loves.
