Born a Crime Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

A Raisin in the Sun Lorraine Hansberry 2021-09-23 "Come to A Raisin in the Sun as you would to any classic. It speaks to us today as it did almost half a century ago." Bonnie Greer In south side Chicago, Walter Lee, a Black chauffeur, dreams of a better life, and hopes to use his father's life insurance money to open a liquor store. His mother, who rejects the liquor business, uses some of the money to secure a proper house for the family. Mr Lindner, a representative of the all-white neighbourhood, tries to buy them out. Walter sinks the rest of the money into his business scheme, only to have it stolen by one of his partners. In despair Walter contacts Lindner, and almost begs to buy them out, but with the help of his wife, Walter finally finds a way to assert his dignity. A Raisin in the Sun was the first play written by a Black woman to be produced on Broadway and won the New York Drama Critics Circle Award. Hansberry was the youngest and the first Black writer to receive this award. Deeply committed to the Black struggle for equality and human rights, Lorraine Hansberry's brilliant career as a writer was cut short by her death when she was only 34. This new, updated edition in Methuen Drama's Modern Classics series includes the full, definitive text and a brand new introduction by Soyica Colbert.

Atonement Ian McEwan 2009-03-19 From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis’s cleaning lady, whose education has been subsidized by Cecilia’s and

Briony’s father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed – irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound – and profoundly moving – exploration of shame and forgiveness, of atonement and of the possibility of absolution.

The Space of Literature Maurice Blanchot 2015-11 Maurice Blanchot, the eminent literary and cultural critic, has had a vast influence on contemporary French writers--among them Jean Paul Sartre and Jacques Derrida. From the 1930s through the present day, his writings have been shaping the international literary consciousness. The Space of Literature, first published in France in 1955, is central to the development of Blanchot's thought. In it he reflects on literature and the unique demand it makes upon our attention. Thus he explores the process of reading as well as the nature of artistic creativity, all the while considering the relation of the literary work to time, to history, and to death. This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience, informed most notably by studies of Mallarmé, Kafka, Rilke, and Hölderlin. Blanchot's discussions of those writers are among the finest in any language.

If Beale Street Could Talk James Baldwin 2013-09-17 In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin’s story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions-affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

Thinner Than Thou Kit Reed 2005-06-01 TV says it. Magazines say it. American society commands it. You must be thin. You must be young. Fad diets. Fat-purging pills. Fitness clubs. Liposuction. Breast implants. Steroids. In the tomorrow of Thinner Than Thou, the cult of the body has become the one true religion. The Dedicated Sisters are a religious order sworn to help anorexic, bulimic, and morbidly obese youth. Throughout the land, houses of worship have been replaced by the health clubs of the Crossed Triceps. And through hypnotically powerful evangelical infomercials, the Reverend Earl preaches the heaven of the Afterfat, where you will look like a Greek god and eat anything you want. Just sign over your life savings and come to Sylphania, the most luxurious weight-loss spa in the world, where the Reverend himself will personally supervise your attainment of physical perfection. But the glory of youth and thinness that America worships conceals a hidden world where teens train for the competitive eating circuit, where fat porn and obese strippers feed people's dark desires, and where an underground railroad of rebellious religions remember when people worshipped God instead of the Afterfat. As Annie, an anorexic, and her friend Kelly, who is so massive she can barely walk, find out, the tender promises of the Dedicated Sisters are fulfilled by

forced feedings and enforced starvation in hidden prisons. As middle-aged Jeremy discovers, Sylphania is a concentration camp where failure to lose weight and tone up leads to brutal punishment. The Rev. Earl's public sympathy for the overweight conceals a private contempt . . . and, beneath that, a terrible longing known only to a select few. The inevitable decay of old age is the only thing keeping mankind from reaching perfection. Luckily, Reverend Earl has a plan that will take care of that At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

How to Read Literature Like a Professor Revised Thomas C. Foster 2014-02-25 A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

The Picture of Dorian Gray Oscar Wilde 2015-08-01 Is the price of eternal youth worth a man's soul? The exceptionally handsome Dorian Gray is a model—and the muse—for a young artist, Basil Hallward. Through Basil, Dorian meets Lord Henry Wotton, who values only the pleasurable things in life with no regard for morality. He makes Dorian realize that one day his famed beauty will fade, and he will be left with nothing. Dorian decides to sell his soul so that a portrait of him will age in his place. As he indulges in every vice and selfish whim, his portrait grows increasingly hideous. But will he learn the true cost of his corruption in time to change his ways? This unabridged edition of British playwright Oscar Wilde's only novel, first published in 1891, begins with his famous preface, in which he justifies his artistic philosophy.

The Chrysalids John Wyndham 2020-09-01 Set in the future after a devastating global nuclear war, The Chrysalids is a philosophical tale with as much resonance today as it had when it was first written. David Strorm lives in a tight-knit community of religious and genetic fundamentalists; a group of people who exist in a state of constant alert for any deviation of what they believe to be the norm of God's creation. "Offenses" consist of plants and animals that are in any way unusual, and they are publicly burned to the accompaniment of the singing of hymns. "Blasphemies" are human beings who show any sign of abnormality, and they're banned from society. So when David realizes that he is in possession of a power that would label him a mutant, he is forced to keep it a secret and reckon with the idea of fleeing to the Badlands—a new world that could offer him either a death sentence or freedom.

The Autobiography of an Ex-Colored Man James Weldon Johnson 2021-01-26 A gifted musician's decision to navigate society as a white man causes an internal debate about anti-blackness and the explicit nature of intent versus impact. James Weldon Johnson presents a distinct conflict driven by a person's desires and overwhelming fear. The Autobiography of an Ex-Colored Man follows the story of an unnamed narrator and his unique experience as a fair-skinned Black person. As a child, he is initially unaware of his race, but his mother soon clarifies their family's ancestry. The young man's ability to pass for white allows him to negate the harsh and discriminatory treatment most Black people face. This leads to a series of events that significantly shape the way he views his place in society. James Weldon Johnson delivers a captivating tale of identity politics in the U.S. and abroad. The main character is living a life of omission that provides public gain at a personal cost. This story maintains its relevance as a critical examination of race in society. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Autobiography of an Ex-Colored Man is both modern and readable.

Funny in Farsi Firoozeh Dumas 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi "Heartfelt and hilarious—in any language."—Glamour "A joyful success."—Newsday "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true

sophistication at work."—Los Angeles Times Book Review "Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures."—The Providence Journal "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—Milwaukee Journal Sentinel "[Funny in Farsi] brings us closer to discovering what it means to be an American."—San Jose Mercury News

In the Time of the Butterflies Julia Alvarez 2010-01-12 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

The Licit Life of Capitalism Hannah Appel 2019-12-13 The Licit Life of Capitalism is both an account of a specific capitalist project—U.S. oil companies working off the shores of Equatorial Guinea—and a sweeping theorization of more general forms and processes that facilitate diverse capitalist projects around the world. Hannah Appel draws on extensive fieldwork with managers and rig workers, lawyers and bureaucrats, the expat wives of American oil executives and the Equatoguinean women who work in their homes, to turn conventional critiques of capitalism on their head, arguing that market practices do not merely exacerbate inequality; they are made by it. People and places differentially valued by gender, race, and colonial histories are the terrain on which the rules of capitalist economy are built. Appel shows how the corporate form and the contract, offshore rigs and economic theory are the assemblages of liberalism and race, expertise and gender, technology and domesticity that enable the licit life of capitalism—practices that are legally sanctioned, widely replicated, and ordinary, at the same time as they are messy, contested, and, arguably, indefensible.
