Democracy and Education John Dewey 2013-05-31 This antiquarian volume contains a comprehensive treatise on democracy and education, being an introduction to the 'philosophy of education'. Written in clear, concise language and full of interesting expositions and thought-provoking assertions, this volume will appeal to those with an interest in the role of education in society, and it would make for a great addition to collections of allied literature. The chapters of this book include: 'Education as a Necessity of Life'; 'Education as a Social Function'; 'Education as Direction'; 'Education as Growth'; 'Preparation, Unfolding, and Formal Discipline'; 'Education as Conservative and Progressive'; 'The Democratic Conception in Education'; 'Aims in Education', etcetera. We are republishing this vintage book now complete with a new prefatory biography of the author.

The Memory Keeper's Daughter Kim Edwards 2006-05-30 A #1 New York Times bestseller by Kim Edwards, *The Memory Keeper's Daughter* is a brilliantly crafted novel of parallel lives, familial secrets, and the redemptive power of love. Kim Edwards's stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other, are yet bound by the fateful decision made that winter night long ago. A family drama, *The Memory Keeper's Daughter* explores every mother's silent fear: What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally uncovered.

Coraline Neil Gaiman 2020-11-05 The bewitching tenth-anniversary edition of the classic children's novel *Coraline* by Neil Gaiman, featuring spellbinding illustrations from Chris Riddell and an exclusive new introduction by the author 'I was enthralled' - Philip Pullman There is something strange about Coraline's new home. It's not the mist, or the cat that always seems to be watching her, nor the signs of danger that Miss Spink and Miss Forcible, her new neighbours, read in the tea leaves. It's the other house - the one behind the old door in the drawing room. Another mother and father with black-button eyes and papery skin are waiting for Coraline to join them there. And they want her to stay with them. For ever. She knows that if she ventures through that door, she may never come back. This deliciously creepy, gripping novel is packed with glorious illustrations by Chris Riddell, and is guaranteed to delight and entrance readers of all ages.

The Space of Literature Maurice Blanchot 2015-11 Maurice Blanchot, the eminent literary and cultural critic, has had a vast influence on contemporary French writers—among them Jean Paul Sartre and Jacques Derrida. From the 1930s through the present day, his writings have been shaping the international literary consciousness. *The Space of Literature*, first published in France in 1955, is central to the development of Blanchot's thought. In it he reflects on literature and the unique demand it makes upon our attention. Thus he explores the process of reading as well as the nature of artistic creativity, all the while considering the relation of the literary work to time, to history, and to death. This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience, informed most notably by studies of Mallarmé, Kafka, Rilke, and Hölderlin. Blanchot's discussions of those writers are among the finest in any language.

Haunting Experiences Diane Goldstein 2007-09-15 Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

Born a Crime Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

If Beale Street Could Talk James Baldwin 2013-09-17 In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -*The New Republic* Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin’s story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the

young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

Their Eyes Were Watching God Zora Neale Hurston 2020-05-30 *Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

In Praise of Copying Marcus Boon 2011-02-11 German critic Walter Benjamin wrote some immensely influential words on the work of art in the age of mechanical reproduction. Luxury fashion houses would say something shorter and sharper and much more legally binding on the rip-off merchants who fake their products. Marcus Boon, a Canadian English professor with an accessible turn of phrase, takes us on an erudite voyage through the theme in a serious but engaging encounter with the ideas of thinkers as varied as Plato, Hegel, Orson Welles, Benjamin, Heidegger, Louis Vuitton, Takashi Murakami and many more, on topics as philosophically taxing and pop-culture-light as mimesis, Christianity, capitalism, authenticity, Uma Thurman's handbag and Disneyland.

Epistemology Nicholas Rescher 2012-02-01 A comprehensive introduction to the theory of knowledge.

The Killing Sea Richard Lewis 2030-12-31 Aceh, Indonesia. December 2004. Two teens find each other surrounded by the destruction left in the wake of the most devastating tsunami the world has ever seen: Ruslan, a native of Aceh, in search of his missing father, whom he hopes has not been added to the fallen; and Sarah, an American girl, who has already lost her mother and is now struggling to find medical treatment for her sick brother. Only together can they find what they're searching for.

Death of a Salesman Arthur Miller 2013-05-03 In the spring of 1948 Arthur Miller retreated to a log cabin in Connecticut with the first two lines of a new play already fixed in his mind. He emerged six weeks later with the final script of *Death of a Salesman* - a painful examination of American life and consumerism. Opening on Broadway the following year, Miller's extraordinary masterpiece changed the course of modern theatre. In creating Willy Loman, his destructively insecure anti-hero, Miller himself defined his aim as being 'to set forth what happens when a man does not have a grip on the forces of life.'

Bless Me, Ultima Rudolfo Anaya 2012-06-01 From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (*Denver Post*). Antonio Marez is six years old when *Ultima* comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is *Ultima*, who delivered Tony into the world... and will nurture the birth of his soul.

The Licit Life of Capitalism Hannah Appel 2019-12-13 *The Licit Life of Capitalism* is both an account of a specific capitalist project—U.S. oil companies working off the shores of Equatorial Guinea—and a sweeping theorization of more general forms and processes that facilitate diverse capitalist projects around the world. Hannah Appel draws on extensive fieldwork with managers and rig workers, lawyers and bureaucrats, the expat wives of American oil executives and the Equatoguinean women who work in their homes, to turn conventional critiques of capitalism on their head, arguing that market practices do not merely exacerbate inequality; they are made by it. People and places differentially valued by gender, race, and colonial histories are the terrain on which the rules of capitalist economy are built. Appel shows how the corporate form and the contract, offshore rigs and economic theory are the assemblages of liberalism and race, expertise and gender, technology and domesticity that enable the licit life of capitalism—practices that are legally sanctioned, widely replicated, and ordinary, at the same time as they are messy, contested, and, arguably, indefensible.

The Martian Chronicles Ray Bradbury 2012-04-17 The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Salt to the Sea Ruta Sepetys 2016-02-04 WINNER OF THE CILIP CARNEGIE MEDAL 2017 It's early 1945 and a group of people trek across Germany, bound together by their desperation to reach the ship that can take them away from the war-ravaged land. Four young people, each haunted by their own dark secret, narrate their unforgettable stories. Fans of *The Book Thief* or Helen Dunmore's *The Siege* will be totally absorbed. This inspirational novel is based on a true story from the Second World War. When the German ship the *Wilhelm Gustloff* was sunk in port in early 1945 it had over 9000 civilian refugees, including children, on board. Nearly all were drowned. Ruta Sepetys, acclaimed author of *Between Shades of Grey*, brilliantly imagines their story. 'Ruta Sepetys is a master of historical fiction' Elizabeth Wein, author of *CODE NAME VERITY*

Crazy Brave: A Memoir Joy Harjo 2012-07-09 A “raw and honest” (Los Angeles Review of Books) memoir from the first Native American Poet Laureate of the United States. In this transcendent memoir, grounded in tribal myth and ancestry, music and poetry, Joy Harjo details her journey to becoming a poet. Born in Oklahoma, the end place of the Trail of Tears, Harjo grew up learning to dodge an abusive stepfather by finding shelter in her imagination, a deep spiritual life, and connection with the natural world. Narrating the complexities of betrayal and love, Crazy Brave is a haunting, visionary memoir about family and the breaking apart necessary in finding a voice.

How to Read Literature Like a Professor Revised Thomas C. Foster 2014-02-25 A thoroughly revised and updated edition of Thomas C. Foster’s classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he’s drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Sophie’s World Jostein Gaarder 2010-07-15 The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE’S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

I Am Malala Malala Yousafzai 2013-10-08 A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala’s miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls’ education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person’s voice to inspire change in the world.

The Boy in the Striped Pyjamas John Boyne 2010-02-23 Lines may divide us, but hope will unite us. Nine year old Bruno knows nothing of the Final Solution and the Holocaust. He’s oblivious to the appalling cruelties being inflicted on the people of Europe by his country. All he knows is that he has moved from Berlin to a desolate area where he has no one to play with. Until he meets Shmuel. Shmuel lives in a strange parallel existence on the other side of the adjoining wire fence, where everyone wears a uniform of striped pyjamas. Despite the wire fence separating them, the two boys become best friends. As they grow closer, Bruno starts to learn the terrible truth that lies beyond the fence, and what life is like for his friend. John Boyne’s classic novel explores the friendship and loss of innocence of Bruno and Shmuel, during one of the worst points in history.

The Immortal Life of Henrietta Lacks Rebecca Skloot 2010-02-02 #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.

In the Time of the Butterflies Julia Alvarez 2010-01-12 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—“The Butterflies.” In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

The Autobiography of an Ex-Colored Man James Weldon Johnson 2021-01-26 A gifted musician’s decision to navigate society as a white man causes an internal debate about anti-blackness and the explicit nature of intent versus impact. James Weldon Johnson presents a distinct conflict driven by a person’s desires and overwhelming fear. The Autobiography of an Ex-Colored Man follows the story of an unnamed narrator and his unique experience as a fair-skinned Black person. As a child, he is initially unaware of his race, but his mother soon clarifies their family’s ancestry. The young man’s ability to pass for white allows him to negate the harsh and discriminatory treatment most Black people face. This leads to a series of events that significantly shape the way he views his place in society. James Weldon Johnson delivers a captivating tale of identity politics in the U.S. and abroad. The main character is living a life of omission that provides public gain at a personal cost. This story maintains its relevance as a critical examination of race in society. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Autobiography of an Ex-Colored Man is both modern and readable.
