Our books collection spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Take The Lead Betsy Myers is universally compatible with any devices to read

The Leader's Code Donovan Campbell 2013-04-09 What does it take to be a great leader? In a word: character. This unique book by decorated U.S. Marine Corps veteran Donovan Campbell, the New York Times bestselling author of *Joker One*, draws on his years of training and combat experience to reveal the specific virtues that underpin effective leadership—and how anyone can stand up, serve others, and make a difference in the world by bringing out the best in a team. The *Leader's Code* is a practical action plan that can be applied to any situation in which exemplary leadership is required, whether that be at home or in the workplace. Moreover, *The Leader's Code* unpacks the military servant-leader model—a leader must take care of his mission first, his team second, and himself a distant third—and explains why this concept of self-sacrifice is so needed in today's world. Focusing on the development of character as the foundation of servant-leadership, Campbell identifies character's six key attributes: humility, excellence, kindness, discipline, courage, and wisdom. Then, drawing on lessons from his time in the Corps and stories from history, Scripture, and American business, he shows us how to develop those virtues in order to take the helm with confidence, conviction, and a passion to bring out the best in others. Being a leader is about being worthy of being followed. True leaders, Campbell argues, foster compassion for others and they pursue excellence in all that they do. They are humble and know how to self-correct. Campbell's exploration of these vital qualities is wide-ranging, as he takes us from the boardrooms of the world's most successful companies to the Infantry Officer Course, the intense twelve-week training gauntlet that Marines use to prepare their leaders to sacrifice themselves for the welfare of others. With faith in our political and business leaders at an all-time low, America is in the midst of a crisis of trust. Yet public opinion polls show that there is one institution that still commands widespread respect because of its commitment to character and sacrifice: the United States military. *The Leader's Code* shows that this same servant-leader model can help us all become our best selves—and provide a way forward for our nation. Advance praise for *The Leader's Code* "A refreshing model for leadership, offering convincing principles and motivating examples that are sure to make a difference in a leader's personal and professional life. I can't remember a leadership book that has had more influence on my thinking."—Steve Reinemund, dean of business, Wake Forest University, and retired chairman and CEO, PepsiCo "Donovan Campbell has written a superb, thoughtful, all-encompassing examination of leadership and leaders. His key lessons, easily understood and well articulated, are applicable at home, within the community, and to professionals in all walks of life. *The Leader's Code* is an important book for anyone concerned about today's leadership crisis in our country and in our communities."—General Mike Hagee, USMC (Ret.), 33rd Commandant of the U.S. Marine Corps "Donovan Campbell nails it as he speaks to our country's need for leadership at every level: at home, in the marketplace, in education, in government, and in the military. *The Leader's Code* is a clear call to be focused on the right mission, in the right way, and at the right time. This is a thoughtful book that will keep you awake at night and challenge you to dream in the daytime!"—Dennis Rainey,

president and CEO, FamilyLife

Lead with LUV Kenneth H. Blanchard 2011 Colleen Barrett began her career as an executive secretary, yet Southwest Airlines' founder chose her to succeed him as president. When asked why, he said, "Because she knows how to love people to success." --

The Season of Styx Malone Kekla Magoon 2019-12-03 A CORETTA SCOTT KING HONOR BOOK AND THE WINNER OF THE BOSTON GLOBE HORN BOOK AWARD FOR FICTION! "Extraordinary friendships . . . extraordinary storytelling." --Rita Williams-Garcia, Newbery Honor and Coretta Scott King Award-Winning author of *One Crazy Summer* Meet Caleb and Bobby Gene, two brothers embarking on a madcap, heartwarming, one-thing-leads-to-another adventure in which friendships are forged, loyalties are tested . . . and miracles just might happen. Caleb Franklin and his big brother Bobby Gene are excited to have adventures in the woods behind their house. But Caleb dreams of venturing beyond their ordinary small town. Then Caleb and Bobby Gene meet new neighbor Styx Malone. Styx is sixteen and oozes cool. Styx promises the brothers that together, the three of them can pull off the Great Escalator Trade-- exchanging one small thing for something better until they achieve their wildest dream. But as the trades get bigger, the brothers soon find themselves in over their heads. Styx has secrets--secrets so big they could ruin everything. Five best of the year lists! NPR, HornBook, Kirkus Reviews, SLJ, Shelf Awareness Five starred reviews!

The Go-Giver, Expanded Edition Bob Burg 2015-10-20 "Most people just laugh when they hear that the secret to success is giving. . . . Then again, most people are nowhere near as successful as they wish they were." *The Go-Giver* tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. Desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers": a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector" who brought them all together. Pindar's friends teach Joe the Five Laws of Stratospheric Success and help him open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others' interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, *The Go-Giver* is a classic bestseller that brings to life the old proverb "Give and you shall receive." Nearly a decade since its original publication, the term "go-giver" has become shorthand for a defining set of values embraced by hundreds of thousands of people around the world. Today this timeless story continues to help its readers find fulfillment and greater success in business, in their personal lives and in their communities. This expanded edition includes the text of the original business parable, together with a foreword by Arianna Huffington, a new introduction, a discussion guide, and a Q&A with the authors.

The ASTD Management Development Handbook Lisa Haneberg 2012-05-01

Not the work of a single, isolated management consultant, *The ASTD Management Development Handbook* is instead a collection of the best and most current thinking from a wide range of contemporary management experts. Presented in a variety of styles and focused on different aspects of management, the pieces contained in *The ASTD Management Development Handbook* nonetheless share a common purpose and vision: to provide lessons, wisdom, and perspectives that are deeply relevant for leaders and trainees in today's challenging corporate environment.

The Zen of MLM John David Mann 2014-06-10 Essays and editorials, 1991-2013

Total Leadership Stewart D. Friedman 2014 "Now in paperback, this national bestseller proves more than ever, your success as a leader isn't just about being great at business. You must be a great person, performing well in all domains of your life—including work, home, community, and your private self. The good news is that, contrary to conventional wisdom about "balance," you don't have to assume that these domains compete in a zero-sum game. Total Leadership is a game-changing blueprint for how to perform well as a leader not by trading off one domain for another, but by finding mutual value among all four. Stew Friedman shows you how to achieve these "four-way wins" as a leader who can be real, be whole, and be innovative. With engaging examples and clear instruction, Friedman provides more than thirty hands-on tools for using these proven principles to produce stronger business results, find clearer purpose in what you do, feel more connected to the people who matter most, and generate sustainable change. Total Leadership is a unique resource that shows how to win in all domains of life. "--

The Go-Giver Marriage John David Mann 2022-03-08 "To say love is what makes a marriage work is like saying it takes oxygen to climb a mountain. Yes, oxygen is necessary. But not sufficient." From the author of the bestselling Go-Giver series and his wife, a clinically trained therapist, this one-of-a-kind relationship guide shows readers how to unlock a deeply satisfying, abundant relationship based on simple, everyday acts of generosity. In this new narrative, a position has opened up at the top of the multinational giant Rachel's Famous Coffee, and Tom desperately wants the job. To gain the position, he must first go through a series of interviews with the company's top executives, including its eccentric CFO, Jeremiah. Tom's wife, Tess, is facing her own challenges. The couple first met on the job, where Tess was a rising star—until her career was put on hold by the birth of a son with special needs. The trauma and heartbreak of the past six years has put tremendous stress on their marriage. Now, Tess has learned that her best friend Amy is getting a divorce. Could she and Tom be drifting in the same direction? The thought leaves her stomach in knots. But Tom and Tess are about to have a transformational day. Over the next few hours, they will each learn from a wise cast of characters (including some surprise guests from previous Go-Giver stories) about five powerful secrets to building a love that lasts. Over the years since the original book's publication, the term "go-giver" has become shorthand for a defining set of values that has helped hundreds of thousands of people around the world find greater professional success. Now, with its charming fable-within-a-parable, followed by an in-depth practical guide, *The Go-Giver Marriage* brings the personal side of *The Go-Giver* to life.

Storytelling in Business Janis Forman 2013-01-30 Storytelling can be a lifelong and life sustaining habit of mind, a personal inheritance that connects us to our communities. It can also serve as an organizational inheritance—a management tool that helps businesses to develop and thrive. For more than a decade, award-winning author Janis Forman has been helping executives to tell stories in service of their organizational objectives. In *Storytelling in Business: The Authentic and Fluent Organization*, she teaches readers everywhere how the craft of storytelling can help them to achieve their professional goals. Focusing on the role of storytelling at the enterprise level, this book provides a research-driven framework for engaging in organizational storytelling. Forman presents original cases from Chevron, FedEx, Phillips, and Schering-Plough. Organizations like those featured in the book can make use of storytelling for good purposes, such as making sense of their strategy, communicating it, and developing or strengthening

culture and brand. These uses of storytelling generate positive consequences that can have a sustained and significant impact on an organization. While large firms employ teams of digital and communication professionals, there's much that any of us can extrapolate from their experience to create stories to further our own objectives. To show the reach of storytelling, Forman conducted 140 interviews with professionals ranging from CEOs in small and thriving firms, to corporate communication and digital media experts, to filmmakers—arguably the world experts in visual storytelling. She draws out specific lessons learned, and shows how to employ the road-tested strategies demonstrated by these leaders. Although this book focuses on storytelling in the context of business, Forman takes inspiration from narratives in literature and film, philosophical and social thought, and relevant concepts from a variety of other disciplines to instruct the reader on how to develop truly authentic and meaningful tales to drive success. A final chapter brings readers back to square one: the development of their own "signature story." This book is a pioneering work that guides us beyond the pressure and noise of daily organizational life to influence people in a sustained, powerful way. It teaches us to be fluent storytellers who succeed by mastering this vital skill.

Be Chief: It's a Choice, Not a Title Rick Miller 2020-02-19 Rick Miller's "Be Chief: It's a Choice, Not a Title" obliterates the idea that only Chiefs with titles hold real power, a notion that's been holding us back from achieving our true potential. It's time for a new way to think about where power comes from, and to consider new tools to help leaders build organizations full of empowered Chiefs.

The Excellence Dividend Tom Peters 2018-04-19 "The Real Deal" Seth Godin, New York Times bestselling author of *Linchpin* "I'd rather hire someone who has studied [Peters'] writings than someone who has an MBA" Matthew Kelly, CEO of Floyd Consulting and New York Times bestselling author of *The Dream Manager* "Makes me glad to be alive in 2018" Sally Helgesen, author of *The Female Advantage* and *The Female Vision*, co-author *How Women Rise* *The Excellence Dividend* is a critical new book from one of today's leading visionaries in business. This year's winner of the Thinkers50 Lifetime Achievement Award and the CEO Reads Lifetime Contribution to the Business Book Industry Award, Tom Peters is one of the world's most revered management gurus and global business thinkers. For decades, he has been preaching the gospel of putting people first, and in today's rapidly changing business environment, this message is more important than ever. Studies show that fewer than one-third of employees feel engaged with their work and that half of all jobs are at risk due to technology. But Peters has a solution: a sustained commitment to excellence combined with a commitment to people. These are, he argues, the only tools for coping with and thriving amidst the tsunami of change facing business today. In *The Excellence Dividend*, Peters shows that nothing beats a high-quality product or service, designed and delivered by people who are as dedicated to each other as they are to their shared goal. With his unparalleled expertise and inimitable charisma, Peters offers brilliantly simple, actionable guidelines for success that any business leader can immediately implement. After spending four decades in in pursuit of professional excellence, giving more than 3,000 presentations on the subject and working with companies around the world, Peters has delivered a contemporary personal excellence manual for any professional looking to make their mark and face today's business challenges.

Begin Boldly Christie Hunter Arscott 2022-08-02 Learn how to take the right risks for lasting success. *Begin Boldly* provides a framework for making the kind of bold moves that will get your career off to its best start! Have you ever shied away from taking a risk? Maybe you didn't apply for a job because you didn't meet 100 percent of the requirements or passed up the opportunity to take on a challenging role because you didn't feel ready. If you can relate, you are not alone. Despite recognizing the benefits of making bold moves, most women—especially those early in their careers—struggle to harness the power of risk-taking. *Begin Boldly* changes that. Christie Hunter Arscott equips readers to intelligently take risks using an actionable model built around three mindsets: a curious mindset, a

courageous mindset, and an agile mindset. With a step-by-step method for taking risks, assessing rewards, and refining approaches, she gives women a flexible and repeatable framework to help them develop this critical career skill. *Begin Boldly* inspires women to take chances on themselves and turns risk-taking into an enlightening and empowering antidote for self-doubt. As Christie reminds us, the biggest risk for women is not taking any risks at all. A discussion guide is available in this book.

Both/And Thinking Wendy Smith 2022-08-09 An insightful and inspiring book on using "both/and" thinking to make more creative, flexible, and impactful decisions in a world of competing demands. Life is full of paradoxes. How can we each express our individuality while also being a team player? How do we balance work and life? How can we improve diversity while promoting opportunities for all? How can we manage the core business while innovating for the future? For many of us, these competing and interwoven demands are a source of conflict. Since our brains love to make either-or choices, we choose one option over the other. We deal with the uncertainty by asserting certainty. There's a better way. In *Both/And Thinking*, Wendy Smith and Marianne Lewis help readers cope with multiple, knotted tensions at the same time. Drawing from more than twenty years of pioneering research, they provide tools and lessons for transforming these tensions into opportunities for innovation and personal growth. Filled with practical advice and fascinating stories—including firsthand tales from IBM, LEGO, and Unilever, as well as from startups, nonprofits, and even an inn at one of the four corners of the world—*Both/And Thinking* will change the way you approach your most vexing problems.

Into the Fire Dakota Meyer 2012-09-25 "The story of what Dakota did . . . will be told for generations."—President Barack Obama, from remarks given at Meyer's Medal of Honor ceremony In the fall of 2009, Taliban insurgents ambushed a patrol of Afghan soldiers and Marine advisors in a mountain village called Ganjigal. Firing from entrenched positions, the enemy was positioned to wipe out one hundred men who were pinned down and were repeatedly refused artillery support. Ordered to remain behind with the vehicles, twenty-one year-old Marine corporal Dakota Meyer disobeyed orders and attacked to rescue his comrades. With a brave driver at the wheel, Meyer stood in the gun turret exposed to withering fire, rallying Afghan troops to follow. Over the course of the five hours, he charged into the valley time and again. Employing a variety of machine guns, rifles, grenade launchers, and even a rock, Meyer repeatedly repulsed enemy attackers, carried wounded Afghan soldiers to safety, and provided cover for dozens of others to escape—supreme acts of valor and determination. In the end, Meyer and four stalwart comrades—an Army captain, an Afghan sergeant major, and two Marines—cleared the battlefield and came to grips with a tragedy they knew could have been avoided. For his actions on that day, Meyer became the first living Marine in three decades to be awarded the Medal of Honor. *Into the Fire* tells the full story of the chaotic battle of Ganjigal for the first time, in a compelling, human way that reveals it as a microcosm of our recent wars. Meyer takes us from his upbringing on a farm in Kentucky, through his Marine and sniper training, onto the battlefield, and into the vexed aftermath of his harrowing exploits in a battle that has become the stuff of legend. Investigations ensued, even as he was pitched back into battle alongside U.S. Army soldiers who embraced him as a fellow grunt. When it was over, he returned to the States to confront living with the loss of his closest friends. This is a tale of American values and upbringing, of stunning heroism, and of adjusting to loss and to civilian life. We see it all through Meyer's eyes, bullet by bullet, with raw honesty in telling of both the errors that resulted in tragedy and the resolve of American soldiers, U.S. Marines, and Afghan soldiers who'd been abandoned and faced certain death. Meticulously researched and thrillingly told, with nonstop pace and vivid detail, *Into the Fire* is the unvarnished story of a modern American hero. Praise for *Into the Fire* "A story of men at their best and at their worst . . . leaves you gaping in admiration at Medal of Honor winner Dakota Meyer's courage."—National Review "Meyer's dazzling bravery wasn't momentary or impulsive but deliberate and sustained."—The Wall Street Journal "[A]

cathartic, heartfelt account . . . Combat memoirs don't get any more personal."—Kirkus Reviews "A great contribution to the discussion of an agonizingly complex subject."—The Virginian-Pilot "Black Hawk Down meets Lone Survivor."—Library Journal

The Archipelago of Hope Gleb Raygorodetsky 2017-11-07 While our politicians argue, the truth is that climate change is already here. Nobody knows this better than Indigenous peoples who, having developed an intimate relationship with ecosystems over generations, have observed these changes for decades. For them, climate change is not an abstract concept or policy issue, but the reality of daily life. After two decades of working with indigenous communities, Gleb Raygorodetsky shows how these communities are actually islands of biological and cultural diversity in the ever-rising sea of development and urbanization. They are an "archipelago of hope" as we enter the Anthropocene, for here lies humankind's best chance to remember our roots and how to take care of the Earth. We meet the Skolt Sami of Finland, the Nenets and Altai of Russia, the Sapara of Ecuador, the Karen of Myanmar, and the Tla-o-qui-aht of Canada. Intimate portraits of these men and women, youth and elders, emerge against the backdrop of their traditional practices on land and water. Though there are brutal realities—pollution, corruption, forced assimilation—Raygorodetsky's prose resonates with the positive, the adaptive, the spiritual—and hope.

Once Again Gina Scott 2016-04-07 Savannah is a young woman set out to make a difference in the world. But she plans to do it alone. With no family to connect with and no man in her life, she is ready, willing and able to face the challenges life has to offer. She is fearless, or so she thinks. She has planned her life out carefully never realizing that the best plans are sometimes altered. This story is about her journey as her life's plan changes its course.

Management with Online Study Tools 12 Months Danny Samson 2017-10-25 Samson/Daft/Donnet's *Management* is a robust foundation text providing a balance of broad, theoretical content with an engaging, easy-to-understand writing style. It covers the four key management functions - planning, organising, leading and controlling - conveying to students the elements of a manager's working day. Along with current management theory and practice, the authors integrate coverage of innovation, entrepreneurship, agile workplaces, social media and new technology throughout. This sixth edition features a new author on the team and contains updates to content based on recent research. Real-life local and international examples showcase the ongoing changes in the management world. Focusing on a 'skills approach', they bring concepts to life for students, supporting motivation, confidence and mastery. Each part concludes with a contemporary continuing case study, focusing on car company Toyota as it faces managerial challenges and opportunities in the region.

Understanding Management Richard L. Daft 2016-01-18 Prepare for management success with this engaging survey of modern management practice. UNDERSTANDING MANAGEMENT, 10E, seamlessly integrates classic management principles with today's latest management ideas to create a current market-leading text that you will find captivating. Acclaimed authors Richard Daft and Dorothy Marcic cover management and entrepreneurial issues within small to midsize companies, where you are most likely to begin your career, as well as within larger global enterprises. You'll gain valuable insights into real contemporary business as you examine today's best management practices. This text helps you establish and build on practical skills with engaging examples and numerous skill-building and application exercises in every chapter. Using a streamlined format, this edition takes a close look at how change demands innovation and how innovation requires forward-thinking, flexible leaders and organizations. UNDERSTANDING MANAGEMENT, 10E, provides everything you need to become a successful manager who seizes business opportunities and leads change. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Brilliance by Design Vicki Halsey 2011-01-10 Many subject matter experts are just that, subject matter experts—not experts in the art of teaching, facilitating, or designing. Thousands of authors, trainers, and speakers have great content, but

they lack the skills required to convey their content in a way that inspires learners to unleash their brilliance and move the learning to practice.. They often spend 70% of their time on WHAT they are going to teach, and 30% of their time on HOW, when they should be spending 30% on WHAT, and 70% on HOW. Their instructional techniques often are at odds with their message of inclusivity, eagerness for people to learn, and hopes that their content will change lives and organizations. "Brilliance by Design" outlines how to design learning interactions (such as meetings and workshops) that enable people to do their best thinking. Using the tested, signature ENGAGE model, it helps anyone who brings people together for the purpose of learning, problem-solving, or innovating to develop a clear, high-impact training design that unleashes brilliance. It presents a model that enables teachers to analyze learner and teacher needs, create objectives that meet those needs, and incorporate interactive tools that "fire 'em up," ensuring all key outcomes are met. To help readers unleash the brilliance in others, this book provides the structure, tools, language, and models needed to create optimal learning experiences from their ideas, practices, models and books. In learning these techniques, readers will achieve powerful outcomes, building communities of learners who share best practices and communicate at a deep and profound level while doing real work.

The Seven Treasure Hunts Betsy Byars 2016-03-08 A beloved chapter book full of adventure, mischief, and chocolate popsicles, from Newbery Medal-winning author Betsy Byars! This chapter book is an excellent choice to share during homeschooling, in particular for children ages 6 to 8 who are ready to read independently. It's a fun way to keep your child engaged and as a supplement for activity books for children. One Saturday, Jackson and his best pal, Goat, hide treasures for each other to find with maps and clues—and it's so much fun that the boys decide to do it all over again. Only this time, the hunts will be trickier, and the prizes will be outstanding. But somehow, the best treasure of all disappears from its hiding place. Only one person could be responsible: the ogre, also known as Goat's older sister, Rachel. Can the two friends find the treasure before the ogre gets the last laugh?

My Dog, My Hero Betsy Byars 2014-03-25 'My Hero' to Be Chosen: Eight finalists will compete tonight for the title My Hero. The winner will wear the coveted gold Hero medal. These brave and courageous dogs will each appear with their nominator who will tell their story. There's Smiley, who fought a giant bull. Bear used his giant paws to save the life of another dog. Munchkin warned a gardener of a poisonous snake about to strike. Old Dog helped find people buried under rubble after a tornado. Buster pulled a baby carriage out of the path of a careening truck. Blue, who had never been known to bark, used his voice to bring help to his wounded master. Dopey's constant barking saved the life of a baby left in a sweltering car. Little Bit brought love and companionship to a nursing home resident. In *My Dog, My Hero* each story is told in the unique, sometimes humorous, but always compelling voice of the person whose life was changed by the heroic action of a very extraordinary dog. Betsy Byars and her daughters Betsy Duffey and Laurie Myers have joined forces to create dog stories full of adventure and suspense. Loren Long's paintings capture the heroic dignity of each of the dogs and heighten the drama of their special stories.

From Worry to Wealthy Chellie Campbell 2015-02-03 Achieve Financial Freedom from Life with Chellie Campbell's No-Stress Success Plan! Why is it that women are earning more than ever before yet still feel powerless when it comes to money? When it comes to financial security, it's time for us to stop feeling insecure. From Worry to Wealthy is the guide every savvy career woman needs to succeed on her own terms. In this empowering book, personal finance guru Chellie Campbell draws on proven strategies from her popular Financial Stress Reduction workshops to help women win at work and life, including how to: •Harness the four Cs of career success: Confidence, Charisma, Clients, and Cash •Avoid common pitfalls like the Attitude That Will Kill Your Business: "I Can't Do It Myself" and working for praises vs. raises •Earn support for your goals from spouses and loved ones •Gain business knowledge from everything you do (even playing poker!) unique female perspective, relatable anecdotes, and easy-to-follow advice, Campbell offers an indispensable road map for every woman to create a successful, happy life at any time. "Chellie does a brilliant job providing a road map for mastering the financial tools necessary to lead a life created by you and for you. A must-read—and a gift—for every woman at every stage of life."—Betsy Myers, founding director of the Center for Women and Business at Bentley University and former White House adviser on women's issues "If you're looking to master your money and your life, you've got to read this book."—Carol Kline, coauthor of New York Times bestsellers *Happy for No Reason* and *Love for No Reason*

Southern Sass and Killer Cravings Kate Young 2019-05-28 Life has always been sweet on Georgia's Peach Cove Island, but a case of murder has Marygene Brown down in the pits . . . For generations, the women of the Brown family on Peach Cove Island have been known for their Southern sass and sweet homemade desserts at their beloved Peach Diner. Since their mother's passing two years ago, Marygene has been stuck in Atlanta while her sister Jena Lynn has been running the family business. Now Marygene has left her husband and returned to her hometown, where she can almost feel Mama's presence. But all is not peachy back home. Marygene has barely tied on an apron when a diner regular drops dead at the counter. When it turns out the old man's been poisoned, Jena Lynn is led away in handcuffs and the family eatery is closed. Now, to save her sister and the diner, Marygene must find the real killer. With some startling assistance from her Mama's spirit, Marygene will be serving up a special order of just desserts . . . Includes Seven Recipes from Marygene's Kitchen!

After the Shot Drops Randy Ribay 2018 A powerful novel about friendship, basketball, and one teen's mission to create a better life for his family. Written in the tradition of Jason Reynolds, Matt de la Pe a, and Walter Dean Myers, *After the Shot Drops* now has three starred reviews * "Belongs on the shelf alongside contemporary heavy-hitters like Angie Thomas's *The Hate U Give*, Brendan Kiely and Jason Reynolds's *All-American Boys*, and Nic Stone's *Dear Martin*."—School Library Journal, starred review Bunny and Nasir have been best friends forever, but when Bunny accepts an athletic scholarship across town, Nasir feels betrayed. While Bunny tries to fit in with his new, privileged peers, Nasir spends more time with his cousin, Wallace, who is being evicted. Nasir can't help but wonder why the neighborhood is falling over itself to help Bunny when Wallace is in trouble. When Wallace makes a bet against Bunny, Nasir is faced with an impossible decision—maybe a dangerous one. Told from alternating perspectives, *After the Shot Drops* is a heart-pounding story about the responsibilities of great talent and the importance of compassion.

Cold Fear Brandon Webb 2022-06-07 Finn's search for his memory of one fateful night leads him to Iceland—only to be followed by an unhinged assassin intent on stopping him—in the riveting follow-up to *Steel Fear*, from the New York Times bestselling writing team Webb & Mann, combat-decorated Navy SEAL Brandon Webb and award-winning author John David Mann. "One of the best crime novels of the year . . . a brilliant blend of procedural mystery and geopolitical thriller."—Jeffery Deaver, New York Times bestselling author of *Hunting Time* Disgraced Navy SEAL Finn is on the run. A wanted man since he jumped ship from the USS Abraham Lincoln, he's sought for questioning in connection to war crimes committed in Yemen by a rogue element in his SEAL team. But his memory of that night—as well as the true fate of his mentor and only friend, Lieutenant Kennedy—is a gaping hole. Finn learns that three members of his team have been quietly redeployed to Iceland, which is a puzzle in itself; the tiny island nation is famous for being one of the most peaceful, crime-free places on the planet. His mission is simple: track down the three corrupt SEALs and find out what really happened that night in Yemen. But two problems stand in his way. On his first night in town a young woman mysteriously drowns—and a local detective suspects Finn's involvement. What's worse, a SEAL-turned-contract-killer with skills equal to Finn's own has been hired to make sure he never gets the answers he's looking for. And he's followed Finn all the way to the icy north.

The Go-Giver Leader Bob Burg 2016-03-29 "I met last week with your leaders," Ben

began. "I heard what they had to say. And you know, they make a good point." He paused. Take charge, Ben, he told himself. Take control. He looked around the conference room. Take, take, take. Was that really what he was here to do? With their acclaimed bestseller *The Go-Giver*, Bob Burg and John David Mann proved that a heartfelt parable could also express a powerful idea. In *The Go-Giver Leader* (originally published as *It's Not About You*), they offer an equally compelling tale about a struggling small business and the ambitious young executive trying to lead them to a crucial decision. Allen & Augustine has manufactured high-quality chairs for decades. Its people take pride in their work and feel loyal to their owners and management team. But this revered company is now at a crossroads, hurt by a tough economy, foreign competition, and a cash crunch. The air is filled with the scent of uncertainty, anxiety, perhaps even panic. Into this setting enters Ben, who's been assigned by a larger firm to promote a merger that will rescue Allen & Augustine. Ben's facts are undeniable: the chair maker can either merge and modernize or go bankrupt and vanish. So why can't he persuade anyone to buy in, from the CEO on down? Will Ben find a way to sway the employee shareholders before the climactic vote? And can Allen & Augustine survive without losing its soul? The answers may surprise you as you follow Ben on his journey to understanding that the path to genuine influence lies less in taking leadership than in giving it. This revised and updated edition includes a new introduction, a discussion guide, and a Q&A with the authors.

Girl Dads Linda Newlin 2020-05-20 Learn how these inspiring Dads from across the globe are giving their girls what they want and need in order to grow up to stand tall with more confidence, self respect and life skills to make better choices about who they partner with and how they rise up to meet life's challenges and opportunities they will experience. This book is about celebrating Dads doing it right and their daughters validation of what it has meant to them to have a Girl Dad. It is a gift and legacy a man can be proud of in an era when men are not celebrated for what they are doing right.

Secrets of Powerful Women Andrea Wong 2010-02-02 "There is something special that happens when you get a group of powerful women in a room . . . and shut the door." --Andrea Wong, President and CEO, Lifetime Networks "There's such a reservoir of power among us when we pool our resources and uplift each other. We are limitless in our power when we understand that . . . To read this book is to know that change is possible." --Rosario Dawson, Activist and Co-Founder, Voto Latino In the summer of 2008, sixteen teenage girls won exclusive access to dozens of the most politically powerful women in America. These congresswomen, journalists, and activists were supposed to talk to the young women about leadership skills and how to impact public policy, but they couldn't help sharing much more. They told funny, sad, and inspiring personal tales of missteps and small braveries, as well as of great leaps; they also talked to the girls about power pitfalls, power surges, powerful beginnings, and power suits. Now those secrets are available to you. The wisdom imparted in this unforgettable collection of funny, thoughtful, and inspiring true stories will prove invaluable to women of all ages, aspirations, and lifestyles--in situations from the PTA to a power lunch, from the kitchen table to the corner office.

Little Horse on His Own Betsy Byars 2015-12-01 Little Horse had never known the sky to be so black, the air so still. He heard the big horses whinny again. Little Horse's fear grew. The adventures of Little Horse continue as he makes his way back to the valley of little horses and his mother The storm sets Little Horse free from the fence holding him captive, free to do what he has wanted to do since the day the river carried him around its bend and away from his home-find his way back to the valley of the little horses and his mother. But where should he turn, and how will he ever return home alive with all of the obstacles facing him? Travel with Little Horse as he struggles against unfriendly horses, a malicious bird, a pouncing cat, a smoky fire, and more to find his way home.

The Politics of Promotion Bonnie Marcus 2015-03-23 Break into the power circle and build relationships that advance careers The Politics of Promotion offers women the tools and guidance they need to successfully navigate the realities of their

organization, emphasizing the need to understand office politics to get the promotions and recognition they deserve. Written by Bonnie Marcus, a professional coach who focuses on helping women advance their careers, this book demonstrates the impact of relationships and sponsorship on career trajectory. Readers will learn why excellence and achievement aren't propulsion enough to get ahead, and how networking with power and intention can make all the difference in perception, reputation, and promotion. Far beyond the typical advice of "be assertive" and "embrace ambition," this book provides a unique and proven method for becoming a bigger player in the workplace and avoiding unexpected trip-ups that can add years to the climb—or end it for good. Many women focus on performance, thinking that good work garners promotion. Too often, they're left outside of the circles of power and influence where decisions are made that affect their careers. The Politics of Promotion provides a framework for breaking into that circle, and taking control of one's own career path, specifically showing how to: Navigate office politics successfully Build and nurture key relationships Get comfortable with self-promotion Avoid potentially disastrous "blindsides" Women who want to advance cannot afford to view politics as "dirty." It's the reality of the workplace, one that differs between organizations and fluctuates over time. Although being savvy about office politics is important for both genders, unconscious bias and stereotypes create special challenges for women. Learning to navigate these complex rules and customs is the key to professional recognition for women, fostering relationships that reach far beyond the next evaluation. Women looking to get ahead will find that the insights in The Politics of Promotion can help smooth the way.

Collaborative Practical Theology Henk de Roest 2019-10-07 In Collaborative Practical Theology, Henk de Roest documents and analyses research on Christian practices as it can be conducted by academic practical theologians in collaboration with practitioners of different kinds in Christian practices all around the world.

Steel Fear Brandon Webb 2021-07-13 An aircraft carrier adrift with a crew the size of a small town. A killer in their midst. And the disgraced Navy SEAL who must track him down . . . The high-octane debut thriller from New York Times bestselling writing team Webb & Mann—combat-decorated Navy SEAL Brandon Webb and award-winning author John David Mann. A BARRY AWARD NOMINEE • "Sensationally good—an instant classic, maybe an instant legend."—Lee Child The moment Navy SEAL sniper Finn sets foot on the USS Abraham Lincoln to hitch a ride home from the Persian Gulf, it's clear something is deeply wrong. Leadership is weak. Morale is low. And when crew members start disappearing one by one, what at first seems like a random string of suicides soon reveals something far more sinister: There's a serial killer on board. Suspicion falls on Finn, the newcomer to the ship. After

all, he's being sent home in disgrace, recalled from the field under the dark cloud of a mission gone horribly wrong. He's also a lone wolf, haunted by gaps in his memory and the elusive sense that something he missed may have contributed to civilian deaths on his last assignment. Finding the killer offers a chance at redemption . . . if he can stay alive long enough to prove it isn't him. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY

Ask More, Get More Michael Alden 2014-02-18 A pragmatic and simple self-help guide written by a true rags-to-riches everyman for everyone looking to improve their life I overcame crime, drugs, and poverty to make millions of dollars in a short period of time. I'm an average guy who learned how to "ask more" to "get more" out of life. The strategies and techniques I outline in this book can help you get just about anything—a better job, a new house, or a great vacation—faster and more consistently if you're willing to follow my advice.

Link Out Leslie Grossman 2012-12-31 Proven networking strategies to achieve lifetime professional success In today's competitive market, the typical ways of communicating don't serve the purpose of building strong, long-term connections. We need to build collaborative relationships that are memorable and influence others to aid in achieving our goals. What is the first step to connecting with the right person? It's not simply passing along a business card or rattling on about yourself, it is listening to what the other person has to say. Link Out is filled with strategies that can turn strangers into connections that can change your career or business. Explains how to ensure that potential entourage members perceive you positively Offers a tracking process, which enables accountability Teaches how to express visions and goals through your personal brand Helps you to transform brief connections into relationships that produce valuable introductions and referrals Link Out delivers an entourage of people willing and eager to make introductions, connections, and referrals—propelling one's resume or business to the top of the heap.

Go-Givers Sell More Bob Burg 2010-02-25 The sequel to the international bestseller *The Go-Giver*, applying its inspirational approach to real-world challenges. The *Go-Giver* took the business world by storm with its message that giving is the simplest, most fulfilling, and most effective path to success. It has inspired hundreds of thousands of readers; but some have wondered how the story's lessons stand up to the tough challenges of everyday, real-world business. Bob Burg and John David Mann answer that question in *Go-Givers Sell More*, a practical guide that turns giving into the cornerstone of a powerful and effective approach to selling. Most of us think of sales as a struggle to make people do something they don't really want to do. But that cut-throat mentality makes the process much harder than it has to be - especially in an economic downturn when customers are more suspicious and defensive than ever. It's far more effective (and satisfying) when salespeople think like *Go-Givers* and focus on creating value for the customer. Cultivate a trusting relationship and provide outstanding service, and great results will follow automatically. Illustrating their points with a wide range of real-life examples, Burg and Mann offer tips and strategies that anyone in sales can start applying right away.

Take the Lead Betsy Myers 2012-07-24 A senior advisor to two Presidents and former Executive Director of Harvard's Center for Public Leadership identifies seven modern keys for successful leadership, citing the characteristics of individuals who motivate others to meet their potential, work well in teams and become fully

engaged. Reprint.

The Go-Giver Leader Bob Burg 2016-03-29 The classic companion to the international bestseller *The Go-Giver* 'Share this book with those you care about' Seth Godin 'A manifesto for twenty-first-century leadership packaged in a fun and engaging story. Buy this book and get it in the hands of everyone in your company' Darren Hardy, *Success Magazine* Ben is an ambitious young executive charged with persuading 500 employee shareholders to agree to a merger that will save their company. But despite his best efforts, he can't convince anyone to buy in to the deal. During his week at the company, Ben realizes that his aggressive style is actually making it harder to reach his goals. Will Ben find a way to sway the shareholders before the climactic vote? The answer may surprise you, as you follow Ben on his journey to understanding that the path to genuine influence lies less in taking leadership than in giving it. PLEASE NOTE: This book was previously published under the title *It's Not About You*.

The Go-Giver Bob Burg 2010-02-25 'Most people just laugh when they hear that the secret to success is giving . . . Then again, most people are nowhere near as successful as they wish they were.' The *Go-Giver* tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. One day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of successful 'go-givers' who teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving - putting others' interests first and continually adding value to their lives - ultimately leads to unexpected results. This revised and updated edition includes a foreword by Arianna Huffington; a new preface; a Q&A addressing some of the many questions about the book the author has received from fans and a reader's guide. 'Most people don't have the guts to buy this book, never mind the will to follow through and actually use it. But you do. And I'm certain that you'll be glad you did' Seth Godin 'This terrific book wonderfully illuminates [the] principles of contribution, abundance, service and success' Stephen Covey 'Not since *Who Moved My Cheese?* have I enjoyed a parable as much as this. You owe it to yourself to read *The Go-Giver* and share its message with those who matter most to you' David Bach, New York Times bestselling author of *The Automatic Millionaire*

QuixotiQ Ali Al Saeed 2004-08 Guy Kelton is a young man with a troubled mind. His shattered dream and the relentless mundane life he's been living, alone and broken away from his family, takes an unexpected toll on him, driving him to violent, reckless extremes. He falls deeper and deeper into a bloody abyss; through extremes that would eventually lead him to the most devastating discovery about his existence. Going through his mid-twenties, Patrick Roymint, lost and confused, still struggles to come to terms with the loss of his whole family many years ago. But soon as he decides to change all that and try to rebuild the future he's not had, he is dragged into the unseen, disturbing and filthy underworld of the little, diminishing Okay County. As both men go through a series of mysterious and bizarre events, their lives take dramatic turns that lead them to new revelations about their past, present and future. They somehow find their fates connected by some mystic, unfathomable power. *QuixotiQ* is a story about hate, love, dark secrets and self-realization, one in which hope and despair are found in the remains of shattered dreams.
