Social Science Reference Sources Tze-chung Li 2000 Now in its third edition, this essential guide to basic reference sources in the social sciences provides evaluative entries for approximately 1,600 works in anthropology, business, economics,

education, geography, history, law, political science, psychology, and sociology. The first part of the book includes chapters on general sources, while the second contains chapters on reference works in particular disciplines. Most titles published before 1980, which appear in the

second edition, have been dropped, while a large number of electronic sources, including more than 200 web sites, have been added. In recognition of the proliferation of electronic information resources, the volume provides brief descriptions of the features and search methods of several online vendors.

The paradox of American unionism

Seymour Martin Lipset 2004 The authors examine the reluctance of Americans to join unions, even though they greatly approve of the institution, comparing the experience of Canada, where union numbers are higher but the approval rating much lower. They uncover deep-seated differences in identity and outlook between the two countries.

A Female US President Jubril Aka
2007-07 SOCIAL SCIENCE / POLITICAL /
GENERAL Womanhood is an embodiment of

love, motherhood, blessings, better presidency and compassionate leadership. Femininity is indispensable. Women motivational abilities make them outstanding managers of human and economic resources. They represent the magic wand for progress and development, stability, peace and prosperity. They do better in education, health-care, socio-economics, politics and focus better with political savvy and sagacity, transparency, security and spirituality. They excel in diplomacy, peaceful conflict resolution, love, empathy, sincerity, responsibility and discrimination-free irrespective of race, color, religion, gender or disability. Antithetically, manhood characterizes war presidency, defensiveness, negligence and staying the course with failed policies, prosecuting avoidable wars instead of diplomacy to win hearts and peace. Unwittingly, they sacrificed over 3,000 US

soldiers, 20,000 wounded, over \$500 billion and created scandals and civil war. If the first woman 'Eve' turned the world up-side-down, great women world-wide should realign it upward and forward moving.

Unequivocally, a woman US President can speedily restore America's image which is at its lowest ebb. GOD BLESS AMERICA!

Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty Greene, H. Carol 2020-03-27 Rural poverty encompasses a distinctive deprivation in quality of life related to a lack of educational support and resources as well as unique issues related to geographical, cultural, community, and social isolation. While there have been many studies and accommodations made for the impoverished in urban environments, those impoverished in rural settings have been largely overlooked and passed over by current policy. The

Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty is an essential scholarly publication that creates awareness and promotes action for the advocacy of children and families in rural poverty and recommends interdisciplinary approaches to support the cognitive, social, and emotional needs of children and families in poverty. Featuring a wide range of topics such as mental health, foster care, and public policy, this book is ideal for academicians, counselors, social workers, mental health professionals, early childhood specialists, school psychologists, administrators, policymakers, researchers, and students.

Answering the Cry for Freedom

Gretchen Woelfle 2016-10-04 Uncover the lives of thirteen African-Americans who fought during the Revolutionary War. Even as American Patriots fought for independence from British rule during the Revolutionary War, oppressive conditions remained in place for the thousands of enslaved and free African Americans living in this country. But African Americans took up their own fight for freedom by joining the British and American armies; preaching, speaking out, and writing about the evils of slavery; and establishing settlements in Nova Scotia and Africa. The thirteen stories featured in this collection spotlight charismatic individuals who answered the cry for freedom, focusing on the choices they made and how they changed America both then and now. These individuals include: Boston King, Agrippa Hull,

search of gender justice, this ethnographic study of African American and South Asian immigrant Muslims in Chicago and Atlanta explores how Islamic ideas of racial harmony and equality create hopeful possibilities in an American society that remains challenged by race and class inequalities."--Page 4 of cover.

CliffsTestPrep Regents U.S. History and Government Workbook

American BookWorks Corporation 2008-06-02
Designed with New York State high school students in mind.
CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then, you can use it again as a refresher to prepare for the Regents exam by taking a full-length practicetest. Concise answer explanations immediately follow each question--so everything you need is right there at your

fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll get an introduction and a short lesson on writing essays. You'll also find sequential, topic-specific test questions with fully explained answers for each of the following sections: U.S. and New York State History World History Geography Economics Civics, Citizenship, and Government A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam.

cancer to cure cancer.” – Dr. Deane Waldman A cancer is devouring the U.S. healthcare system. Is there a cure? America: are you confused, scared ... or mad as hell? Before you give up in disgust, read *The Cancer in the American Healthcare System*. You'll discover: * Why health care is both less affordable and much less available... * Where all those trillions of “healthcare” dollars go... * Who the real bad guys are... * Why Obamacare can't and won't help you... *How to regain control over your own health care... Praise for multiple award-winning *The Cancer in Healthcare* (2012) “Easy, entertaining read, will make the Bad Guys squirm. Dr. Waldman's style is lively and lucid, and the book is packed with facts. It is not just another boring recital of platitudes. His real life examples leave no doubt as to how absurd and sick the system is. ...Read it an weep, laugh, or both.” – DR. JANE ORIENT, FORMER PRESIDENT,

ASSOCIATION OF AMERICAN PHYSICIANS AND SURGEONS “This book is easy ... to understand, but does not lack real fact-based academic rigor. It is a fast fun read, that will help you get a better understanding of the issues with the healthcare system iin the United States. Five stars.” – S. POWER, AMAZON TOP 500 REVIEWER
The American Revolution, State Sovereignty, and the American Constitutional Settlement, 1765–1800
Aaron N. Coleman 2016-03-04 This book examines the ideological, political, and constitutional contexts of the Founding era from the drafting of the Articles of Confederation to the ratification of the Constitution and the Federalist-Jeffersonian political conflict. The author highlights the constitutional and theoretical importance of state sovereignty during the Revolutionary period.
Trump 2020: The Case for the Re-election of Donald J. Trump Josh Y. Goldstein 2020-02-20 Now, as the time

for another election approaches, it is high time for the American people to make yet another decision. Did Trump keep his promises? Is he the right person to Keep America Great? This book answers some critical questions on the eve of the 2020 election. First, before moving further, you need to know why Americans chose Trump to run the country. The reason Trump got elected is that he gave people a vision. He gave the people of America hope. And his optimistic view and hope of making AMERICA GREAT AGAIN put him into the oval office.

The Hidden History of the Supreme Court and the Betrayal of America
Thom Hartmann 2019-10-01 Thom Hartmann, the most popular progressive radio host in America and a New York Times bestselling author, explains how the Supreme Court has spilled beyond its Constitutional powers and how we the people should take that power back. Taking his

typically in-depth, historically informed view, Thom Hartmann asks, What if the Supreme Court didn't have the power to strike down laws? According to the Constitution, it doesn't. From the founding of the republic until 1803, the Supreme Court was the final court of appeals, as it was always meant to be. So where did the concept of judicial review start? As so much of modern American history, it began with the battle between the Federalists and Anti-Federalists, and with Marbury v. Madison. Hartmann argues it is not the role of the Supreme Court to decide what the law is but rather the duty of the people themselves. He lays out the history of the Supreme Court of the United States, since Alexander Hamilton's defense to modern-day debates, with key examples of cases where the Supreme Court overstepped its constitutional powers. The ultimate remedy to the Supreme Court's abuse of power is

The Prescription Drug Problem: A New American Crisis? Ryan D. Schroeder 2019-02-28 Providing an indispensable resource for undergraduate students, graduate students, and policymakers interested in the prescription drug abuse crisis in the U.S., this book comprehensively summarizes the current state of prescription drug abuse and its growth over the past 20

years. • Provides a comprehensive overview of the prescription drug crisis in the U.S. • Compares the current prescription drug abuse crisis in the U.S. to past drug epidemics in U.S. history • Identifies the most common causes of prescription drug abuse in the U.S. • Examines possible solutions to prescription drug abuse in the U.S. • Questions the public and political reactions to the prescription drug abuse problem

Slavery and Racism in American Politics, 1776-1876 Michael C.

Thomsett 2020-01-17 From the very inception of the United States, few issues have been so divisive and defining as American slavery. Even as the U.S. was founded on principles of liberty, independence and freedom, slavery advocates and sympathizers positioned themselves in every aspect of American influence. Over the centuries, the characterization of early American figures, legislation

Downloaded from oms.biba.in on December 9, 2022 by guest

and party platforms has been debated. The author seeks to clarify often unanswered--or ignored--questions about notable figures, sociopolitical movements and their positions on slavery. From early legislation like the Fugitive Slave Law of 1793 to Reconstruction and the rise of the Ku Klux Klan, this book explores some of America's most controversial moments. Spanning the first American century, it offers a detailed chronology of slavery and racism in early U.S. politics and society.
