Social Science Reference Sources Tze-chung Li 2000 Now in its third edition, this essential guide to basic reference sources in the social sciences provides evaluative entries for approximately 1,600 works in anthropology, business, economics, education, geography, history, law, political science, psychology, and sociology. The first part of the book includes chapters on general sources, while the second contains chapters on reference works in particular disciplines. Most titles published before 1980, which appear in the second edition, have been dropped, while a large number of electronic sources, including more than 200 web sites, have been added. In recognition of the proliferation of electronic information resources, the volume provides brief descriptions of the features and search methods of several online vendors.

The Employee Answer Book Diana Brodman Summers 2009-04 The Employee Answer Book discusses federal employment law in detail and touches on employment law in all states. It provides explanations of employment issues in plain English and is easy to understand without needing an attorney to explain it to you.

The North American Muslim Resource Guide Mohamed Nimer 2014-01-21 This useful resource provides basic information about Islamic life in the United States. Coverage includes population statistics and analysis, as well as immigration information that tracks the settlement of Islamic people in the America. The guide contains contact information for mosques, community organizations, schools, women's groups, media, and student groups. Recent Islamic-American events over the past five years are also reviewed. To see the Introduction, the table of contents, a generous selection of sample pages, and more, visit the The North American Muslim Resource Guide website.

Religious Delusions, American Style Blair Alan Gadsby 2020-02-21 Americans would be shocked to understand just how their religious beliefs have been used against them in the political elites' efforts to engineer society and public policy. In this historical overview of key moments in American religious history, Gadsby demonstrates that what we are commonly-taught in our education systems, mass-media and the political world about religions' role in any number of events, is anything but. In the spirit of Lies My Teacher Told Me, Religious Delusions, American Style discusses eight areas in American history ranging from turn-of-the-nineteenth-century eugenics and the Scopes "Monkey" Trial, to the mind-control program known as Jonestown, to the implausible two-planes-three-buildings-straight-down operation called 9/11, we have been deceived in a big way about what has been done in the name of religion.

America's Growing Inequality Chester Hartman 2014-04-02 America's Growing Inequality presents the links between racism and poverty in the United States, highlighting the work of social justice organizations to facilitate an end to their presence in society. The facts, analyses, and policy proposals that comprise this book will inform scholars and students in a range of disciplines including sociology, social work, urban planning, and economics.

Trump 2020: The Case for the Re-election of Donald J. Trump Josh Y. Goldstein 2020-02-20 Now, as the time for another election approaches, it is high time for the American people to make yet another decision. Did Trump keep his promises? Is he the right person to Keep America Great? This book answers some critical questions on the eve of the 2020 election. First, before moving further, you need to know why Americans chose Trump to run the country. The reason Trump got elected is that he gave people a vision. He gave the people of America hope. And his optimistic view and hope of making AMERICA GREAT AGAIN put him into the oval office.

Answering the Cry for Freedom Gretchen Woelfle 2016-10-04 Uncover the lives of thirteen African-Americans who fought during the Revolutionary War. Even as American Patriots fought for independence from British rule during the Revolutionary War, oppressive conditions remained in place for the thousands of enslaved and free African Americans living in this country. But African Americans took up their own fight for freedom by joining the British and American armies; preaching, speaking out, and writing about the evils of slavery; and establishing settlements in Nova Scotia and Africa. The thirteen stories featured in this collection spotlight charismatic individuals who answered the cry for freedom, focusing on the choices they made and how they changed America both then and now. These individuals include: Boston King, Agrippa Hull, James Armistead Lafayette, Phillis Wheatley, Elizabeth "Mumbet" Freeman, Prince Hall, Mary Perth, Ona Judge, Sally Hemings, Paul Cuffe, John Kizell, Richard Allen, and Jarena Lee. Includes individual bibliographies and timelines, author note, and source notes.

The Americans Holt McDougal 2010-12-31

A Female US President Jubril Aka 2007-07 SOCIAL SCIENCE / POLITICAL / GENERAL Womanhood is an embodiment of love, motherhood, blessings, better presidency and compassionate leadership. Femininity is indispensable. Women motivational abilities make them outstanding managers of human and economic resources. They represent the magic wand for progress and development, stability, peace and prosperity. They do better in education, health-care, socio-economics, politics and focus better with political savvy and sagacity, transparency, security and spirituality. They excel in diplomacy, peaceful conflict resolution, love, empathy, sincerity, responsibility and discrimination-free irrespective of race, color, religion, gender or disability. Antithetically, manhood characterizes war presidency, defensiveness, negligence and staying the course with failed policies, prosecuting avoidable wars instead of diplomacy to win hearts and peace. Unwittingly, they sacrificed over 3,000 US soldiers, 20,000 wounded, over \$500 billion and created scandals and civil war. If the first woman 'Eve' turned the world up-side-down, great women world-wide should realign it upward and forward moving. Unequivocally, a woman US President can speedily restore America's image which is at its lowest ebb. GOD BLESS AMERICA!

Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty Greene, H. Carol 2020-03-27 Rural poverty encompasses a distinctive deprivation in quality of life related to a lack of educational support and resources as well as unique issues related to geographical, cultural, community, and social isolation. While there have been many studies and accommodations made for the impoverished in urban environments, those impoverished in rural settings have been largely overlooked and passed over by current policy. The Handbook of Research on Leadership and Advocacy for Children and Families in Rural Poverty is an essential scholarly publication that creates awareness and promotes action for the advocacy of children and families in rural poverty and recommends interdisciplinary approaches to support the cognitive, social, and emotional needs of children and families in poverty. Featuring a wide range of topics such as mental health, foster care, and public policy, this book is ideal for academicians, counselors, social workers, mental health professionals, early childhood specialists, school psychologists, administrators, policymakers, researchers, and students.

Muslims in America: Examining the Facts Craig Considine 2018-07-11 This installment in the critically acclaimed Contemporary Debates series uses evidence-based documentation to provide a full and impartial examination of beliefs and claims made about Muslim individuals, families, and communities in the United States. • Provides evidence-based information about American Muslims and their historical and current roles in American life and culture • Surveys and explains ethnic, cultural, and religious diversity among the US Muslim population • Offers an in-depth analysis of the dynamics of Islamophobia and its impact on American Muslims • Objectively examines claims that Muslims are "un-American" or potential threats to American national security and society

American Leaders & Innovators: Colonial Times to Reconstruction Workbook Victor Hicken 2019-01-02 The American Leaders & Innovators: Colonial Times to Reconstruction workbook provides biographical sketches that help students identify American leaders and innovators of the past as real people. The biographies deal briefly and concisely with people who helped make the republic great. Each of the 19 units contain a reading selection, a key details page, and an activity page, featuring graphic organizers, map analysis, writing activities, research opportunities, and more. Profiles include Benjamin Franklin, Tecumseh, Harriet Beecher Stowe, and Blanche Kelso Bruce. This workbook is correlated to current national and state standards. Books in the American History series for middle and upper grades focus on bringing to light the decisions and events made during the history of America. Lessons include a reading selection with background information on important people and events, as well as an activity skills page. Activities are focused on using informational text to develop reading comprehension skills. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Language in Use Upper-intermediate Self-study Workbook with Answer Key Adrian Doff 1997-03-13 Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

The Cancer in the American Healthcare System Dr. Deane Waldman, MD MBA 2015-11-17 "Expecting Washington to fix healthcare is like waiting for cancer to cure cancer." - Dr. Deane Waldman A cancer is devouring the U.S. healthcare system. Is there a cure? America: are you confused, scared ... or mad as hell? Before you give up in disgust, read The Cancer in the American Healthcare System. You'll discover: * Why

health care is both less affordable and much less available... * Where all those trillions of "healthcare" dollars go... * Who the real bad guys are... * Why Obamacare can't and won't help you... *How to regain control over your own health care... Praise for multiple award-winning The Cancer in Healthcare (2012) "Easy, entertaining read, will make the Bad Guys squirm. Dr. Waldman's style is lively and lucid, and the book is packed with facts. It is not just another boring recital of platitudes. His real life examples leave no doubt as to how absurd and sick the system is. ...Read it an weep, laugh, or both." - DR. JANE ORIENT, FORMER PRESIDENT, ASSOCIATION OF AMERICAN PHYSICIANS AND SURGEONS "This book is easy ... to understand, but does not lack real fact-based academic rigor. It is a fast fun read, that will help you get a better understanding of the issues with the healthcare system in the United States. Five stars." - S. POWER, AMAZON TOP 500 REVIEWER

The American Revolution, State Sovereignty, and the American Constitutional Settlement, 1765-1800 Aaron N. Coleman 2016-03-04 This book examines the ideological, political, and constitutional contexts of the Founding era from the drafting of the Articles of Confederation to the ratification of the Constitution and the Federalist-Jeffersonian political conflict. The author highlights the constitutional and theoretical importance of state sovereignty during the Revolutionary period.

Cambridge English for the World 3 Workbook Cassette Andrew Littlejohn 1997-10-02 Cambridge English for the World offers: - an approach centred around the whole educational context of learning English at school - links across the school curriculum to other subject areas throughout the course, and to other classes in different countries - content and concepts related to learners' ages and levels of ability - an organisation which takes into account the realities of teaching English at school: mixed abilities, mixed motivation, time available, and class size - material which has been developed and successfully piloted in collaboration with teachers and classes in many parts of the world. The course consists of four levels, plus a Starter level for learners with little or no previous English. The content and tasks in level 3 reflect the needs and interests of young adult learners, taking them to an intermediate level.

CliffsTestPrep Regents U.S. History and Government Workbook American BookWorks Corporation 2008-06-02 Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then, you can use it again as a refresher to prepare for the Regents exam by taking a full-length practicetest. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll get an introduction and a short lesson on writing essays. You'll also find sequential, topic-specific test questions with fully explained answers for each of the following sections: U.S. and New York State History World History Geography Economics Civics, Citizenship, and Government A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam.

Slavery and Racism in American Politics, 1776-1876 Michael C. Thomsett 2020-01-17 From the very inception of the United States, few issues have been so divisive and defining as American slavery. Even as the U.S. was founded on principles of liberty, independence and freedom, slavery advocates and sympathizers positioned themselves in every aspect of American influence. Over the centuries, the characterization of early American figures, legislation and party platforms has been debated. The author seeks to clarify often unanswered--or ignored--questions about notable figures, sociopolitical movements and their positions on slavery. From early legislation like the Fugitive Slave Law of 1793 to Reconstruction and the rise of the Ku Klux Klan, this book explores some of America's most controversial moments. Spanning the first American century, it offers a detailed chronology of slavery and racism in early U.S. politics and society.

American Muslim Women Jamillah Karim 2009 "Focusing on women, who sometimes move outside of their ethnic Muslim spaced and interact with other Muslim ethnic groups in search of gender justice, this ethnographic study of African American and South Asian immigrant Muslims in Chicago and Atlanta explores how Islamic ideas of racial harmony and equality create hopeful possibilities in an American society that remains challenged by race and class inequalities."--Page 4 of cover.

The Hidden History of the Supreme Court and the Betrayal of America Thom Hartmann 2019-10-01

Thom Hartmann, the most popular progressive radio host in America and a New York Times bestselling author, explains how the Supreme Court has spilled beyond its Constitutional powers and how we the people should take that power back. Taking his typically in-depth, historically informed view, Thom Hartmann asks, What if the Supreme Court didn't have the power to strike down laws? According to the Constitution, it doesn't. From the founding of the republic until 1803, the Supreme Court was the final court of appeals, as it was always meant to be. So where did the concept of judicial review start? As so much of modern American history, it began with the battle between the Federalists and Anti-Federalists, and with Marbury v. Madison. Hartmann argues it is not the role of the Supreme Court to decide what the law is but rather the duty of the people themselves. He lays out the history of the Supreme Court of the United States, since Alexander Hamilton's defense to modern-day debates, with key examples of cases where the Supreme Court overstepped its constitutional powers. The ultimate remedy to the Supreme Court's abuse of power is with the people--the ultimate arbiter of the law--using the ballot box. America does not belong to the kings and queens; it belongs to the people.

The Prescription Drug Problem: A New American Crisis? Ryan D. Schroeder 2019-02-28 Providing an indispensable resource for undergraduate students, graduate students, and policymakers interested in the

prescription drug abuse crisis in the U.S., this book comprehensively summarizes the current state of prescription drug abuse and its growth over the past 20 years. • Provides a comprehensive overview of the prescription drug crisis in the U.S. • Compares the current prescription drug abuse crisis in the U.S. to past drug epidemics in U.S. history • Identifies the most common causes of prescription drug abuse in the U.S. • Examines possible solutions to prescription drug abuse in the U.S. • Questions the public and political reactions to the prescription drug abuse problem
