Mo Tzu Di Mo 1963 The thoughts and writings of this important fifth century B.C. political and social thinker -- and formidable rival of the Confucianists -- are presented here in English translation.

Words That Work Dr. Frank Luntz 2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business, of politics, and of life in this country In Words That Work, Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy, who we vote for, and even what we believe in. With chapters like "The Ten Rules of Successful Communication" and "The 21 Words and Phrases for the 21st Century," he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. Hell tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than "digital cable," and why pharmaceutical companies transitioned their message from "treatment" to "prevention" and "wellness." If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise, this book's for you.

Inside Bush V. Gore Charley Wells 2013 Chief Justice Charley Wells' account of the recount in Florida following the presidential election of 2000.

The Adventures of Sherlock Holmes Sir Arthur Conan Doyle 2012-05-04 Literature's greatest detective team investigates a dozen of their best-known cases, including "The Speckled Band," "The Red-Headed League," The Five Orange Pips," and "A Scandal in Bohemia."

The Curious Incident of the Dog in the Night-Time Mark Haddon 2004-05-18 NATIONAL BESTSELLER • A modern classic--both poignant and funny--about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. “Disorienting and reorienting the reader to devastating effect.... Suspenseful and harrowing.” –The New York Times Book Review Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

Death Sentence Don Watson 2018-03-19 Part diatribe, part cool reflection on the state of Australia's public language, Don Watson's Death Sentenceis scathing, funny and brilliant. ' ... in public life the language has never been held in less regard. It withers in the dungeons of the technocratic mind. It is butchered by the media. In politics it lacks all qualifications for the main game.' Almost sixty years ago, George Orwell described the decay of language and why this threatened democratic society. But compared to what we now endure, the public language of Orwell's day brimmed with life and truth. Today's corporations, government departments, news media, and, perhaps most dangerously, politicians - speak to each other and to us in cliched, impenetrable, lifeless sludge. Don Watson can bear it no longer. In Death Sentence, part diatribe, part cool reflection on the state of Australia's public language, he takes a blowtorch to the words - and their users - who kill joy, imagination and clarity. Scathing, funny and brilliant, Death Sentenceis a small book of profound weight - and timeliness.

Rabbit Syndrome Don Watson 2001 In the fourth Quarterly Essay Don Watson takes an analytical look at the ways in which the Australian imagination has always been dominated by America. Why are they so much better than we are? Even when it comes to producing books like the Updike 'Rabbit' sequence that tell us what we are like? Why are they also a land of executioners who have nevertheless created the least bad empire the world has seen? Can we really expect to be deputies to America? And what about our own sacred story (the progressive one) that we have sold for the sake of the Americanisation of our own society? If we can't have a friendly independent relationship with America, why don't we go the whole hog and join them? In a dark, brooding, moody essay, Don Watson plays on the paradoxes of Australia's feeling about America and offers a scathing view of an Australian culture that is asking to be engulfed by its great and powerful friend because the mental process is already so advanced. This is a brilliant meditation round a set of paradoxes that are central to our long-term anxieties and hopes. '... this is a Quarterly Essay that plays on our most fundamental fears, including the most terrifying of all, that we shall cease to exist because we have never been.' Peter Craven, Introduction 'The Australian story does not work anymore, or not well enough ... to hang the modern story on ... The most useful thing is to recognise that ... we took the biggest step we have ever taken towards the American social model. And this has profound implications for how we think of Australia and how we make it cohere.' Don Watson, Rabbit Syndrome

Rogue State William Blum 2006-02-13 Rogue State and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address.

The Story of Australia Don Watson 1984 Children's history with Aboriginal content; archaeology, traditional culture by region (including Tasmania), early settlement, violent conflicts, racial attitudes, Daisy Bates, Albert Namatjira, land rights.

Fire Country Victor Steffensen 2020-02-18 Delving deep into the Australian landscape and the environmental challenges we face, Fire Country is a powerful account from Indigenous land management expert Victor Steffensen on how the revival of cultural burning practices, and improved 'reading' of country, could help to restore our land. From a young age, Victor has had a passion for traditional cultural and ecological knowledge. This was further developed after meeting two Elders, who were to become his mentors and teach him the importance of cultural burning. Developed over many generations, this knowledge shows clearly that Australia actually needs fire. Moreover, fire is an important part of a holistic approach to the environment, and when burning is done in a carefully considered manner, this ensures proper land care and healing. Victor's story is unassuming and honest, while demonstrating the incredibly sophisticated and complex cultural knowledge that has been passed down to him, which he wants to share with others. Fire Country is written in a way that reflects the nature of yarnning, and while some of the knowledge shared in this book may not align with Western views, there is much evidence that, if adopted, it could greatly benefit all Australians.

Kindred Kate Legge 2022-04-12

Caledonia Australis Don Watson 2011-04-01 An extraordinary piece of history - the Scottish Highlanders on the frontier of Australia - with introduction from Inga Clendinnen. After their military defeat in 1745 the Scottish Highlanders suffered a worse humiliation. They were displaced from their ancestral lands and became curiosities: objects of romantic nostalgia, charity, scorn, anthropology - and emigration. This is a tale of their dispossession. It also tells the rout of another people, the Kurnai of Gippsland in south-eastern Australia. And prominent among those who did the routing were emigrant Highlanders like the explorer Angus McMillan. Don Watson writes about the frontier on which those two cultures met. It is a story full of tragic ironies and myths which linger to this day. First published in 1984 and

recognised as a significant revisionist work, Caledonia Australis is all the more intriguing and instructive now as debate continues to rage over Aboriginal native title, practical reconciliation and the way Australian history should be written, taught and understood.

A Single Tree Don Watson 2016-10-31 A Single Tree assembles the raw material underpinning Don Watson's award-winning The Bush. These diverse and haunting voices span the four centuries since Europeans first set eyes on the continent. Each of these varied contributors - settlers, explorers, anthropologists, naturalists, stockmen, surveyors, itinerants, artists and writers- represents a particular place and time. Men in awe of the landscape or cursing it; aspiring to subdue and exploit it or finding themselves defeated by it. Women reflecting on the land's harshness and beauty, on the strangeness of their lives, their pleasures and miseries, the character and behaviour of the men. Europeans writing about indigenous Australians, sometimes with intelligent sympathy and curiosity but often with contempt, and often describing acts of startling brutality. This collection comprises diary extracts, memoirs, journals, letters, histories, poems and fiction, and follows the same loose themes of The Bush. The science of the landscape and climate, and the way we have perceived them. Our deep and sentimental connection to the land, and our equally deep ignorance and abuse of it. The heroic myths and legends. The enchantments. The bush as a formative and defining element in Australian culture, self-image and character. The flora and fauna, the waterways, the colours. The heroic, self-defining stories, the bizarre and terrible, and the ones lost in the deep silences. There are accounts of journeys, of work and recreation, of religious observance, of creation and destruction. Stories of uncanny events, peculiar and fantastic characters, deep ironies, and of land unlimited. And musings on what might be the future of the bush: as a unique environment, a food bowl, a mine, a wellspring of national identity . . . From Dampier and Tasman to Tim Flannery and assorted contemporary farmers, environmentalists and grey nomads, these pieces represent a vast array of experiences, perspectives and knowledge. A Single Tree is an essential companion to its brilliant predecessor.

The Boy in the Bush D. H. Lawrence 2022-08-10 "The Boy in the Bush" explores the story of Jack Grant, who arrived in Western Australia in 1882 after being expelled from his public school and sent down from an agricultural college. He gets involved in hunting, farming, gold mining, fights, and experiences his first love. His character is developed by the Australian landscape and its rugged, straightforward people. From there emerges a tough Lawrentian hero.

The Strange Story Book Mrs. Andrew Lang 1925 The story of Wolfert Webber was said by Louis Stevenson to be one of the finest treasure-seeking stories in the world; and as Stevenson was a very good judge, I am going to tell it to you. Wolfert's ancestor, Cobus Webber, was one of the original settlers who came over from Holland and established themselves on the coast of what is now the State of New York. Like most of his countrymen, Cobus was a great gardener, and devoted himself especially to cabbages, and it was agreed on all sides that none so large or so sweet had ever been eaten by anybody. Webber's house was built after the Dutch pattern, and was large and comfortable. Birds built their nests under the eaves and filled the air with their singing, and a button-wood tree, which was nothing but a sapling when Cobus planted his first cabbage, had become a monster overshadowing half the garden in the days of his descendant Wolfert early in the eighteenth century. The button-wood tree was not the only thing that had grown during those years. The city known at first as 'New Amsterdam,' and later as 'New York,' had grown also, and surrounded the house of the Webbers. But if the family could no longer look from the windows at the beautiful woods and rivers of the countryside, as their forefathers had done, there was no reason to drive a cart about from one village to another to see who wanted cabbages, for now the housewives came to Wolfert to choose their own, which saved a great deal of trouble. Yet, though Wolfert sold all the cabbages he could raise,he did not become rich as fast as he wished, and at length he began to wonder if he was becoming rich at all. Food was dearer than when he was a boy, and other people besides himself had taken to cabbage-growing. His daughter was nearly a woman, and would want a portion if she married. Was there no way by which he could make the money that would be so badly needed by and bye?

Adventures of Sherlock Holmes Arthur Conan Doyle 2020-08-03 Reproduction of the original: Adventures of Sherlock Holmes by Arthur Conan Doyle

Brookings Big Ideas for America Michael E. O'Hanlon 2017 As a new administration takes office, what are the biggest issues facing the country? The Brookings Institution offers answers to that question in this volume, which continues the Brookings tradition of providing each incoming administration with a nonpartisan analysis of the major domestic and foreign questions confronting America. On the domestic front, Brookings scholars tackle topics ranging from health care and improving economic opportunity to criminal justice reform, lawful hacking, and improving infrastructure. The alliance system, the relationship with China, nuclear weapons, terrorism, and the ongoing conflicts in Afghanistan and Syria among the foreign policies issues addressed. Throughout, Brookings scholars share their individual ideas on how best to address the agenda that awaits the new administration.

The Bush Don Watson 2016 "While most of us live in cities clinging to the coastal fringe, our sense of what an Australian is, or should be, is drawn from the vast and varied inland called the bush. But what do we mean by 'the bush', and how has it shaped us? Starting with his forebears' battle to drive back nature and eke a living from the land, Don Watson explores the bush as it was and as it now is- the triumphs and the ruination, the commonplace and the bizarre, the stories we like to tell about ourselves and the national character, and those we don't. A milestone work of memoir, travel writing and history, The Bushtakes us on a profoundly revelatory and entertaining journey through the Australian landscape and character."

Incarnadine Mary Szybist 2013-12-17 Winner of the 2013 National Book Award for Poetry * An NPR, Slate, Oregonian, Kansas City Star, Willamette Week, and Publishers Weekly Best Book of the Year * Amazon's Best Book of the Year in Poetry 2013 * In Incarnadine, Mary Szybist restlessly seeks out places where meaning might take on new color. One poem is presented as a diagrammed sentence. Another is an abecedarium made of lines of dialogue spoken by girls overheard while assembling a puzzle. Several poems arrive as a series of Annunciations, while others purport to give an update on Mary, who must finish the dishes before she will open herself to God. One poem appears on the page as spokes radiating from a wheel, or as a sunburst, or as the cycle around which all times and all tenses are alive in this moment. Szybist's formal innovations are matched by her musical lines, by her poetry's insistence on singing as a lure toward the unknowable. Inside these poems is a deep yearning--for love, motherhood, the will to see things as they are and to speak. Beautiful and inventive, Incarnadine is the new collection by one of America's most ambitious poets.

True Spirit Jessica Watson 2010 On 15 May 2010, after 210 days at sea and 24,285 nautical miles, 16-year-old Jessica Watson sailed her yacht, Ella's Pink Lady, triumphantly back inot Sydney Harbour. She had become the youngest person to sail solo, unassisted and non-stop around the world. It seemed the whole country stopped to welcome her home. This is her story.

American Journeys (Dyslexic Edition) Don Watson 2018 Only in America - the most powerful democracy on earth, home to the best and worst of everything - are the most extreme contradictions possible. In a series of journeys, acclaimed author Don Watson set out to explore the nation that has influenced him more than any other. Travelling by rail gave Watson a

unique and seductive means of peering into the United States, a way to experience life with its citizens: long days with the American landscape and American towns and American history unfolding on the outside, while inside a tiny particle of the American people talked among themselves. Watson's experiences are profoundly affecting: he witnesses the terrible aftermath of Hurricane; explores the savage history of the Deep South, the heartland of the Civil War; and journeys to the remarkable wilderness of Yellowstone National Park. Yet it is through the people he meets that Watson discovers the incomparable genius of America, its optimism, sophistication and riches - and also its darker side, its disavowal of failure and uncertainty. Beautifully written, with gentle power and sly humour, American Journeys investigates the meaning of the United States: its confidence, its religion, its heroes, its violence, and its material obsessions. The things that make America great are also its greatest flaws.

Quarterly Essay 63 Enemy Within Don Watson 2016-08-29 In *Enemy Within*, Don Watson takes a memorable journey into the heart of the United States in the year 2016 - and the strangest election campaign that country has seen. Travelling in the Midwest, Watson reflects on the rise of Donald Trump and the "thicket of unreality" that is the American media. Behind this he finds a deeply fearful and divided culture. Watson considers the irresistible pull - for Americans - of the Dream of exceptionalism, and asks whether this creed is reaching its limit. He explores alternate futures - from Trump-style fascism to Sanders-style civic renewal - and suggests that a Clinton presidency might see a new American blend of progressivism and militarism. *Enemy Within* is an eloquent, barbed look at the state of the union and the American malaise. "If, as seems likely, Clinton wins, it will not be out of love, or even hope, but rather out of fear. She can win by simply letting her deplorable opponent lose. On the other hand, she's nothing if not adaptable, and she could yet see the chance to lead the nation's social and economic regeneration ... Call it a New Great Awakening or a New New Deal; it would owe something to both, and to Bernie Sanders as well, but also to her need to be more than the first woman president." -Don Watson, *Enemy Within* 'Must read... [Don Watson] is the ideal person to survey Trump's America' -The Weekend Australian 'A fascinating journey through the United States...' -ABC Brisbane, *Weekend Bookworm*
The World Book Encyclopedia 2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Charles Dickens' Complete Works Charles Dickens 1881

The Story of Australia Don Watson 2021-07-02 A modern classic: Don Watson's history of Australia for children of the twenty-first century. History told so well it gives us a better idea of who we are - and what we might become. The Story of Australia weaves together the many strands of our nation's past - ancient and indigenous, colonial and contemporary - to create a fascinating history for all readers, young and old. In clear, succinct language that both children and adults will appreciate, Watson guides readers from the ancient lands of Gondwana, through human settlement, colonisation and waves of migration, to the challenges facing our diverse nation today. Each era is brought to life in a series of beautifully illustrated spreads that capture a particular event or development - or give a snapshot of ordinary Australians at the time. Each chapter ends with a profile of a person, from the oldest Australian ever discovered, Mungo Woman, to pop icon Kylie Minogue. The Story of Australia will be treasured by children and families for years to come. Don Watson is the author of many acclaimed books for adults, including *Caledonia Australis*, *Recollections of a Bleeding Heart*, *American Journeys*, *The Bush and Watsonia*. This is his first work for children.

The Medici Conspiracy Peter Watson 2007-06-12 The story begins, as stories do in all good thrillers, with a botched robbery and a police chase. Eight Apuleian vases of the fourth century B.C. are discovered in the swimming pool of a German-based art smuggler. More valuable than the recovery of the vases, however, is the discovery of the smuggler's card index detailing his deals and dealers. It reveals the existence of a web of tombaroli -- tomb raiders -- who steal classical artifacts, and a network of dealers and smugglers who spirit them out of Italy and into the hands of wealthy collectors and museums. Peter Watson, a former investigative journalist for the London Sunday Times and author of two previous exposés of art world scandals, names the key figures in this network that has depleted Europe's classical artifacts. Among the loot are the irreplaceable and highly collectable vases of Euphronius, the equivalent in their field of the sculpture of Bernini or the painting of Michelangelo. The narrative leads to the doors of some major institutions: Sothebys, the Getty Museum in L.A., the Museum of Fine Arts in Boston, and the Metropolitan Museum of Art in New York among them. Filled with great characters and human drama, *The Medici Conspiracy* authoritatively exposes another shameful round in one of the oldest games in the world: theft, smuggling and duplicitous dealing, all in the name of art.

Pasteur's Quadrant Donald E. Stokes 2011-03-01 Over fifty years ago, Vannevar Bush released his enormously influential report, *Science, the Endless Frontier*, which asserted a dichotomy between basic and applied science. This view was at the core of the compact between government and science that led to the golden age of scientific research after World War II—a compact that is currently under severe stress. In this book, Donald Stokes challenges Bush's view and maintains that we can only rebuild the relationship between government and the scientific community when we understand what is wrong with that view. Stokes begins with an analysis of the goals of understanding and use in scientific research. He recasts the widely accepted view of the tension between understanding and use, citing as a model case the fundamental yet use-inspired studies by which Louis Pasteur laid the foundations of microbiology a century ago. Pasteur worked in the era of the "second industrial revolution," when the relationship between basic science and technological change assumed its modern form. Over subsequent decades, technology has been increasingly science-based. But science has been increasingly technology-based—with the choice of problems and the conduct of research often inspired by societal needs. An example is the work of the quantum-effects physicists who are probing the phenomena revealed by the miniaturization of semiconductors from the time of the transistor's discovery after World War II. On this revised, interactive view of science and technology, Stokes builds a convincing case that by recognizing the importance of use-inspired basic research we can frame a new compact between science and government. His conclusions have major implications for both the scientific and policy communities and will be of great interest to those in the broader public who are troubled by the current role of basic science in American democracy.

Conversations with Spirits E. O. Higgins 2013-10-10 December, 1917. The Great War is rampaging through Europe - yet Trelawney Hart has scarcely noticed. The arch-sceptic and former child prodigy has lost his way and now ekes out a lonely existence, taking his only comfort from the bottle. This dissolute lifestyle is interrupted, however, when spiritualist crusader and celebrated author Sir Arthur Conan Doyle arrives at the door of his London club and requests his help in investigating a man he believes to be a psychic medium of unparalleled gift. Driven on by his anticipation of exposing the psychic as a fraud, Hart accepts. But it is not long before he finds himself helpless amidst a series of seemingly inexplicable events - and he is forced to consider whether there may be much more to life than he had ever thought possible. Nominated for the Edinburgh Book Festival's 2014 First Book Award.

Boys Don't Cry Fiona Scarlett 2021-04-20 'I can't remember ever reading anything so moving . . . It's so beautiful.' MARIAN KEYES They say boys don't cry. But Finn's seen his Da do it when he thinks no one's looking, so that's not true. And isn't it OK to be sad, when bad things happen? They say boys don't cry, but you might . . . 'Unforgettable.' Donal Ryan 'Authentic to the bone' Kit de Waal It will break your heart in a million different ways.' Louise O'Neill 'Powerful and poignant.' Ruth Hogan 'Hilarious and heartbreaking.' Louise Nealon What readers are saying: 'Fiona Scarlett is certainly up there with the likes of Roddy Doyle . . . A beautifully written, authentic novel, that will make you both laugh and cry, I just want to recommend this book to everyone.' 'This is a heartbreaking and very emotional novel that is exquisitely written. Fiona's writing style helps to bring such raw emotion to the text that it was impossible to not shed a tear!' 'I cried so much reading this book . . . A stunning read that I'll be thinking about for a long time.' 'There is a lot of humour to balance the heartache . . . All humanity is here, in all its shades, and that's what stays with you long after you finish reading. A brilliant debut.'

Mercy Watson Goes for a Ride Kate DiCamillo 2013-10-08 The NEW YORK TIMES best-selling porcine wonder finds herself behind the wheel in this hilarious adventure now available as an e-book. (Ages 6 - 8) Features an audio read-along! Mr.

and Mrs. Watson's porcine wonder, Mercy, loves nothing more than a ride in the car. It takes a fair amount of nudging and bribing and a "You are such a good sport, darling" to get the portly pig out of the driver's seat, but once the convertible is on the road, Mercy loves the feel of the wind tickling her ears and the sun on her snout. One day the Watsons' motoring ritual takes an unexpected turn, however, when their elderly neighbor Baby Lincoln pops up in the backseat in hopes of some "folly and adventure" - and in the chaos that ensues, an exuberant Mercy ends up behind the wheel! Soon there's a policeman on her tail, a struggle for the brake, and a blissfully airborne Mercy. Of course, it's nothing that an extra helping of buttered toast can't fix! Includes an audio read along!

There It Is Again Don Watson 2017-11-27 Historian, essayist, speechwriter, humourist, anti-cant crusader; Don Watson has a gift for luring us to the nub of a matter, or at least to a new view of it, there to grin or grind our teeth at the spectacle. Over the years Don Watson has written on politics and politicians in Australia and the USA, sport, nature, history, culture, crimes against speech, and military commemorations. Sometimes he writes in celebration of a moment or a creature of beauty; at other times, because something or someone gets on his goat - or up it, as young folk say these days. At the heart of all of his work is the belief that, more than just about anything else - more even than free markets or lifestyle choices - in a civilized society words matter.

Saturdays at Noon Rachel Marks 2020-02-06 Discover the emotionally gripping and uplifting page-turner that will put a smile on your face 'Heart-breaking and full of hope' WOMAN & HOME 'Wonderful, compassionate, unpredictable' GRAEME SIMSION, author of THE ROSIE PROJECT 'I genuinely couldn't recommend Saturdays At Noon enough' 5***** READER REVIEW _____ EMILY JUST WANTS TO KEEP THE WORLD AWAY. Denizen: Winner of the Penguin Literary Prize James McKenzie Watson 2022-07-19 This is a not-to-be-missed reading experience. HAYLEY SCRIVENOR 'Unquestionably is one of the best novels by an Australian author in recent times. It is spellbinding, credible and very cleverly constructed.' ARTS HUB A thriller exploring rural Australia's simultaneous celebration of harsh country and stoic people - a tension that forces its inhabitants to dangerous breaking points. On a remote property in western NSW, nine-year-old Parker fears that something is wrong with his brain. His desperate attempts to control this internal chaos spark a series of events that gallop from his control in deadly and devastating ways. Years later, Parker, now a father himself, returns to the bushland he grew up in for a camping trip with old friends. When this reunion descends into chaos amid revelations of unresolved fear, guilt and violence, Parker must finally address the consequences of his childhood actions.

Watson's Dictionary Of Weasel Words Don Watson 2011-04-01 The brilliant and bestselling companion volume to Don Watson's *Death Sentence* The prime minister speaks of core and non-core election promises, your boss asks you to commit to an involuntary career event (you're fired), and hospitals refer to negative patient outcomes (you're dead) - How to fight back? This book is a heavy weapon against politicians, managers and all those whose words kill brain cells and sink hearts. Striking a much-needed blow for truth and clarity, here is Don Watson, author of the international bestseller *Death Sentence*, at his sobering, scathing and wickedly funny best.

Watsonia Don Watson 2020-11-17 No other writer has journeyed further into the soul of Australia and returned to tell the tale *Watsonia* collects the fruits of a writing life. It covers everything from Australian bush humour to America gone berserk; from Don Bradman to Oscar Wilde; from *Animal Farm* to the Australian parliament. Wherever Watson turns his incisive gaze, the results are as illuminating as they are enjoyable. Artfully arranged, *Watsonia* showcases the many sides of Don Watson: historian, speechwriter, commentator, humourist, nature writer and biographer. It also features several previously unpublished lectures and a wide-ranging introduction by the author. This comprehensive anthology - replete with wit, wisdom and diverse pleasures - is essential reading.

Mom and Me and Mom Maya Angelou 2013-03-26 'In the first decade of the twentieth century, it was not a good time to be born black, or woman, in America.' So begins this stunning portrait of Vivian Baxter Johnson: the first black woman officer in the Merchant Marines, purveyor of a gambling business and rooming house, and mother to Maya Angelou, beloved and bestselling author I KNOW WHY THE CAGED BIRD SINGS. 'A brilliant writer, a fierce friend and a truly phenomenal woman' BARACK OBAMA Anyone who's read the classic, I Know Why the Caged Bird Sings, knows Maya Angelou was raised by her paternal grandmother in Stamps, Arkansas. In *Mom & Me & Mom*, Angelou details what brought her mother to send her away and unearths the well of emotions Angelou experienced long afterward as a result. While Angelou's six autobiographies tell of her out in the world, influencing and learning from statesmen and cultural icons, *Mom & Me & Mom* shares the intimate, emotional story about her own family. 'She moved through the world with unshakeable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds' OPRAH WINFREY 'She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate' TONI MORRISON

Recollections of a Bleeding Heart Don Watson 2008 If he had never become Prime Minister Paul Keating's place in Australian history would still have been assured. He was the Treasurer who deregulated the economy; the weaver of Labor's modern story; its heavy weapon in the parliament. He was also the great enigma - a self-educated boy from Sydney's working class and a defining element of the head-kicking Labor right who loved Paris, Mahler and Second Empire clocks. Paul Keating did become Prime Minister. In December 1991 he wrested it from Bob Hawke and the bruises from that struggle were part of the baggage he brought to the job: the other parts included the worst recession in 60 years and an electorate determined to make him pay for it. Keating defied the odds and won the 1993 election, and in his four years as Prime Minister set Australia on a new course - towards engagement with Asia, a republic, reconciliation, a social democracy built on a modern export-based economy and sophisticated public systems of education and training, health and social security. Widely regarded as a quintessential economic rationalist, Keating's record clearly shows that his vision was infinitely broader and more complex. Don Watson was employed as Keating's speechwriter. Though a 'bleeding heart' liberal trained in history rather than economics, he became an advisor and friend to Keating. RECOLLECTIONS OF A BLEEDING HEART - based on notes Watson kept through the four turbulent and exhausting years of Keating's Prime Ministership - is a frank, sympathetic and engrossing portrait of this brilliant and perplexing man, and a unique reflection on modern politics. Recollections of a Bleeding Heart by Don Watson Sample Chapter(function() { var scribd = document.createElement("script"); scribd.type = "text/javascript"; scribd.async = true; scribd.src = "http://www.scribd.com/javascripts/embed_code/inject.js"; var s = document.getElementsByTagName("script")[0]; s.parentNode.insertBefore(scribd, s); })();

Silver Blaze (Sherlock Holmes Series) Arthur Conan Doyle 2016-03-31 This early work by Arthur Conan Doyle was originally published in 1894 and we are now republishing it with a brand new introductory biography as part of our Sherlock Holmes series. Arthur Conan Doyle was born in Edinburgh, Scotland, in 1859. It was between 1876 and 1881, while studying medicine at the University of Edinburgh, that he began writing short stories, and his first piece was published in Chambers's Edinburgh Journal before he was 20. In 1887, Conan Doyle's first significant work, *A Study in Scarlet*,

appeared in Beeton's Christmas Annual. It featured the first appearance of detective Sherlock Holmes, the protagonist who was to eventually make Conan Doyle's reputation. A prolific writer, Conan Doyle continued to produce a range of

fictional works over the following years. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
