*A Stroke of Midnight* Laurel K. Hamilton 2005-04-12 I am Meredith Gentry, P.I., solving cases in Los Angeles, far from the peril and deception of my real home–because I am also Princess Meredith, heir to the darkest throne faerie has to offer. The Unseelie Court infuses me with its power. But at what price does such magic come? How much of my human side will I have to give up, and how much of the sinister side of faerie will I have to embrace? To sit on a throne that has ruled through bloodshed and violence for centuries, I might have to become that which I dread the most. Enemies watch my every move. My cousin Cel strives to have me killed even now from his prison cell. But not all the assassination attempts are his. Some Unseelie nobles have waited centuries for my aunt Andais, Queen of Air and Darkness, to become weak enough that she might be toppled from her throne. Enemies unforeseen move against us–enemies who would murder the least among us. The threat will drive us to allow human police into faerie for the first time in our history. I need my allies now more than ever, especially since fate will lead me into the arm of Mistral, Master of Storms, the queen’s new captain of her guard. Our passion will awaken powers long forgotten among the warriors of the sidhe. Pain and pleasure await me–and danger, as well, for some at that court seek only death. I will find new joys with the butterfly-winged demi-fey. My guards and I will show all of faerie that violence and sex are as popular among the sidhe as they are among the lesser fey of our court. The Darkness will weep, and Frost will comfort him. The gentlest of my guards will find new strength and break my heart. Passions undreamed of await us–and my enemies gather, for the future of both courts of faerie begins to unravel.

My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen’s Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they’re consumed with its force, and their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and now part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurel K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.
