Death in the Dolomites David P Wagner 2018-08-07 "Like Cold Tuscan Stone, the novel is light on its feet, with a protagonist who will strike readers as a good guy to hang around with." —Booklist As in Cold Tuscan Stone, Death in the Dolomites immerses us in the sights, smells and tastes of Italy, this time in a picture-perfect Alpine town with a surprising negative side. Rick Montoya is looking forward to a break from his translation business in Rome—a week of skiing in the Italian Alps with old college buddy Flavio. But Rick's success helping the Italian police with a murder in Tuscany sends the Campiglio cops his way. An American banker working in Milano is missing. The man's sister, an attractive and spoiled divorcée, has no idea where he could be, nor do the locals who saw him on his way to the slopes. With the discovery of a body, Rick and Inspector Albani widen their list of suspects. Picturesque resort Campiglio harbors old rivalries, citizens on the make, and a cut-throat political campaign. Why would these local issues, any of them, connect to the missing banker? The investigation doesn't keep Rick and Flavio from enjoying perfect ski conditions in the Dolomites and glorious after-ski wines and bowls of fresh pasta. As for women—Rick has to wonder if the banker's sister is just hitting him up for information. The action heats up, testing laid-back Rick whose uncle, a Roman cop, keeps urging him to make the police his career.

The Inspector and Silence Hakan Nesser 2011-06-14 It's a sweltering summer in Sweden and Chief Inspector Van Veeteren is long overdue for a holiday when a secretive and dubious religious sect comes under investigation. One of its members, a girl on the cusp of adolescence, is found dead in the forest near their holiday camp, brutally raped and strangled; the discovery of her body has been phoned in by an anonymous caller. The members of the sect, the Pure Life, are led by Oscar Yellinek, a charismatic but unnervingly guarded messiah figure. In an act that mystifies and infuriates Van Veeteren and his associates, the members of the Pure Life choose to remain silent about the incident rather than defend themselves. But an unidentified woman is continuing to assist the authorities, and her knowledge suggests she's more than just a passing Good Samaritan. Her tips become doubly perplexing as a new string of increasingly horrifying crimes defy everything Van Veeteren and his team thought they knew about the case. A riveting new addition to Håkan Nesser's acclaimed series, The Inspector and Silence is suspense at its haunting best.

And it would be fun to look into the history of two long-missing paintings by the master, a topic that caused the only dust-up among the normally staid group of international scholars attending the seminar. Bassano has much to offer to Rick the tourist, starting with its famous covered bridge, an ancient castle, and several picturesque walled towns within striking distance. He also plans to savor a local cuisine that combines the best of Venice with dishes from the Po Valley and the surrounding mountains. These plans come to a sudden halt when one of the seminar's professors turns up dead. Rick is once again drawn into a murder investigation, this time with a pair of local cops who personify the best and the worst of the Italian police force. At the same time he's willingly pulled into a relationship with Betta Innocenti, the daughter of a local gallery owner, who is equally intrigued by the lost paintings. They quickly realize that the very people who might know the story are also the main suspects in the murder - and that someone not above resorting to violence is watching their every move.

The Butchers Ruth Gilligan 2020-03-26 ***WINNER of the 2021 RSL Ondaatje Prize*** 'I binged it like a Netflix show... It's stunning' Luke Kennard, author of The Transition _____ A photograph is hung on a gallery wall for the very first time since it was taken two decades before. It shows a slaughter house in rural Ireland, a painting of the Virgin Mary on the wall, a meat hook suspended from the ceiling - and, from its sharp point, the lifeless body of a man hanging by his feet. The story of who he is and how he got there casts back into Irish folklore, of widows cursing the land and of the men who slaughter its cattle by hand. But modern Ireland is distrustful of ancient traditions, and as the BSE crisis in England presents get-rich opportunities in Ireland, few care about The Butchers, the eight men who roam the country, slaughtering the cows of those who still have faith in the old ways. Few care, that is, except for Fionn, the husband of a dying woman who still believes; their son Davey, who has fallen in love with the youngest of the Butchers; Gra, the lonely wife of one of the eight; and her 12-year-old daughter, Una, a girl who will grow up to carry a knife like her father, and who will be the one finally to avenge the man in the photgraph.

The Complaints Ian Rankin 2011-03-07 Nobody likes The Complaints -- they're the cops who investigate other cops. It's a department known within the force as The Dark Side, and it's where Malcolm Fox works. He's a serious man with a father in a nursing home and a sister who persists in an abusive relationship, frustrating problems about which he cannot seem to do anything. Then the reluctant Fox is given a new case. There's a cop named Jamie Breck, and he's dirty. The problem is, no one can prove it. As Fox takes on the job, he learns that there's more to Breck than anyone thinks -- dangerous knowledge, especially when a vicious murder takes place far too close to home. In The Complaints, Rankin proves again why he is one of the world's most beloved and bestselling crime writers, mixing unstoppable pacing with the deeper question of who decides right from wrong. **The Memory Key** Conor Fitzgerald 2013-08-06 In the latest Commissario Alec Blume novel, our hero is called in by old friend magistrate Principe to "shadow" an investigation into the attempted murder of a former fascist terrorist responsible for a public bombing thirty years earlier. And can he successfully navigate the ranks of his distrustful colleagues, a rocky relationship, and a high-profile investigation--all without crossing the line?
