Religion and Governance in England’s Emerging Colonial Empire, 1601–1698 Haig Z. Smith 2022-01-07 This open access book explores the role of religion in England’s overseas companies and the formation of English governmental identity abroad in the seventeenth century. Drawing on research into the Virginia, East India, Massachusetts Bay, Plymouth, New England and Levant Companies, it offers a comparative global assessment of the inextricable links between the formation of English overseas government and various models of religious governance across England’s emerging colonial empire. While these approaches to governance varied from company to company, each sought to regulate the behaviour of their personnel, as well as the numerous communities and faiths which fell within their jurisdiction. This book provides a crucial reassessment of the seventeenth-century foundations of British imperial governance.

The Dixie Widow (House of Winslow Book #9) Gilbert Morris 2005-04-01 At the conclusion of The Last Confederate, almost twenty-four thousand Union and Confederate soldiers had fallen on the field of battle at Sharpsburg, making it the bloodiest day of American history. Among the casualties for the South was Captain Vance Wickham, husband of Belle Wickham. She was a daughter of Sky and Rebekah Winslow, and now the tragedy of war makes its dreaded call upon the Winslow family. In The Dixie Widow, Belle Wickham’s sorrow turns to anger and bitterness, then finally to blind hatred for the North. She declares in steely voice, "I live for only one purpose: to see the Union destroyed," and vows to remain a widow until the Yankees are whipped. Belle is persuaded to travel to her Winslow relatives in the Washington, D.C. area and spy for the Confederacy -at the risk of her own life. Taken into the home of her grandfather, Captain Whitfield Winslow, she is in a strategic position to secure secret information to pass to the South. But an even greater tragedy awaits the Winslow family. Book 9 in The House of Winslow.

The Captive Bride (House of Winslow Book #2) Gilbert Morris 2004-06-01 The Captive Bride follows the Winslow family as they assist in the building of a great nation. Invisible Stars Donna Halper 2015-02-11 Invisible Stars was the first book to recognize that women have always played an important part in American electronic media. The emphasis is on social history, as the author skillfully explains how the changing role of women in different eras influenced their participation in broadcasting. This is not just the story of radio stars or broadcast journalists, but a social history of women both on and off the air. Beginning in the early 1920s with the emergence of radio, the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s, the gradual change in status of women in the 1950s and 1960s, the increased presence of women in broadcasting in the 1970s, and the successes of women in broadcasting in the 1980s and 1990s. The second edition is expanded to include the social and political changes that occurred in the 2000s, such as the growing number of women talk show hosts; changing attitudes about women in leadership roles in business; more about minority women in media; and women in sports and women sports announcers. The author addresses the question of whether women are in fact no longer invisible in electronic media. She provides an assessment of where progress for women (in society as well as broadcasting) can be seen, and where progress appears totally stalled.

The Wounded Yankee (House of Winslow Book #10) Gilbert Morris 2005-04-01 Zack Winslow, The Wounded Yankee, had served the Union Army for exactly one year and been wounded twice, surviving the battles of Bull Run and Shiloh. But when he is sent home, Zack discovers some devastating news about his fiancée and his livelihood. Having seen the worst of war and tasted the disappointments of love and friendship gone sour, Zack decides he must get away from it all. Striking out for the wilds of Montana, Zack resolves to live as a hermit in Alder Gulch. On one hundred acres in the shadows of the Rockies, he can build a cabin and raise sheep the promise of a better life, free from the entanglements of other people. But Zack can’t seem to keep them away from his door. Yet how can he take on these unwelcome people? But if he doesn’t provide for them, who will? Book 10 in The House of Winslow.

The Beloved Land (Song of Acadia Book #5) Janette Oke 2002-10-01 She Yearned to Find a Home for Her Heart The tragic Acadian saga recounted in The Meeting Place, when the British drove the French from Nova Scotia, has followed two families over a score of years to the birth pangs of a new nation. The Song of Acadia has been one full of pathos but also of hope. Faith in God and family eventually have brought the Henri Robichauds to Louisiana, and finally, to a life of tranquility among the bayous. Back in Nova Scotia, the Andrew Harrows have been beacons of light among the British and the French communities. But the American Revolution has created turmoil on two continents, dividing nations, people, and, sometimes, even families. Anne in England and Nicole in the New World have little hope of seeing one another again in the foreseeable future. Then a letter finds its way to both sisters with news that send them on a frantic and harrowing journey to...The Beloved Land.

The Union Belle (House of Winslow Book #11) Gilbert Morris 2005-05-01 As the nation recovers from the Civil War, Sky and Rebekah Winslow’s wayward son Mark is slowly making his way north through Texas after his release from a Mexican prison. Headed for Omaha to work for the Union Pacific Railroad, he is forced to shoot a man, then thrown into jail to await his prison sentence. In a small Texas town where justice will not be served, Mark’s only hope is the young woman whom he defended. Lola Montez had attempted to escape the horrible saloon life she inherited from her mother, but she was held there by circumstances beyond her control. When Mark Winslow stopped her attacker, he also became her ticket out of town. If Lola can break him out of jail, surely he will take her with him to look for her father in Omaha. But a jailbreak is a small matter compared to what they will face. Mark becomes a trouble-shooter for the Union Pacific, responsible for law and order in the towns that spring up as the transcontinental railroad heads west, and he must live by his gun. Lola must live by her iron heart and find her way in a West where only the strong survive. While treachery, betrayal, and sabotage lie before them, so does an unexpected confrontation with a kingdom not of this world. House of Winslow Book 11.

The Valiant Gunman (House of Winslow Book #14) Gilbert Morris 2005-07-01 Dan Winslow survived the Civil War with the dream of one day going West and becoming a cowboy with a ranch of his own. But it would be several disappointing years before this son of Sky and Rebekah Winslow found himself on the dusty cattle trail from Texas to Wyoming. For young widow Hope Rogers, the promise of a cattle ranch in Wyoming seemed like the only possible way to hold her impoverished family together. But the sacrifice she had to make to get there was a dreadful price for a woman to pay. When Dan Winslow arrives in Wyoming, he discovers that the powerful cattle baron of the Arrow Ranch is forcing the local small ranchers and homesteaders out of business, including Hope Rogers. Winslow had not come looking for another war, but his only choice is to fight. The desperate ranchers need Dan’s gun, and Dan needs their support. House of Winslow Book 14.

Islam Translated Ronit Ricci 2011-05-01 The spread of Islam eastward into South and Southeast Asia was one of the most significant cultural shifts in world history. As it expanded into these regions, Islam was received by cultures vastly different from those in the Middle East, incorporating them into a diverse global community that stretched from India

to the Philippines. In Islam Translated, Ronit Ricci uses the Book of One Thousand Questions—from its Arabic original to its adaptations into the Javanese, Malay, and Tamil languages between the sixteenth and twentieth centuries—as a means to consider connections that linked Muslims across divides of distance and culture. Examining the circulation of this Islamic text and its varied literary forms, Ricci explores how processes of literary translation and religious conversion were historically interconnected forms of globalization, mutually dependent, and creatively reformulated within societies making the transition to Islam.

Eighteenth-Century Criminal Transportation G. Morgan 2003-12-18 This is the first major study of the convict in the Atlantic world of the eighteenth century. It concentrates on the diverse characters of the transported men, women and children, and their fate in the colonies, exploring at the local level the contrasts in sentencing, shipping and settlement of convicts in America. The central myths about transportation prevalent in the eighteenth century, particularly that most felons returned, are examined in the context of the burgeoning print culture of criminal biographies and newspaper stories. In addition, the exchange of representations between the two sides of the Atlantic, and the changing American reaction to convicts, are placed within the growing transatlantic debate on transportation before the American Revolution. Above all, the realities of escape, of convicts running away and returning to England, are subject to systematic investigation for the first time.
