The Union Belle (House of Winslow Book #11) Gilbert Morris 2005-05-01 As the nation recovers from the Civil War, Sky and Rebekah Winslow's wayward son Mark is slowly making his way north through Texas after his release from a Mexican prison. Headed for Omaha to work for the Union Pacific Railroad, he is forced to shoot a man, then thrown into jail to await his prison sentence. In a small Texas town where justice will not be served, Mark's only hope is the young woman whom he defended. Lola Montez had attempted to escape the horrible saloon life she inherited from her mother, but she was held there by circumstances beyond her control. When Mark Winslow stopped her attacker, he also became her ticket out of town. If Lola can break him out of jail, surely he will take her with him to look for her father in Omaha. But a jailbreak is a small matter compared to what they will face. Mark becomes a trouble-shooter for the Union Pacific, responsible for law and order in the towns that spring up as the transcontinental railroad heads west, and he must live by his gun. Lola must live by her iron heart and find her way in a West where only the strong survive. While treachery, betrayal, and sabotage lie before them, so does an unexpected confrontation with a kingdom not of this world. House of Winslow Book 11.

Religion and Governance in England's Emerging Colonial Empire, 1601-1698 Haig Z. Smith 2022-01-07

This open access book explores the role of religion in England's overseas companies and the formation of English governmental identity abroad in the seventeenth century. Drawing on research into the Virginia, East India, Massachusetts Bay, Plymouth, New England and Levant Companies, it offers a comparative global assessment of the inextricable links between the formation of English overseas government and various models of religious governance across England's emerging colonial empire. While these approaches to governance varied from company to company, each sought to regulate the behaviour of their personnel, as well as the numerous communities and faiths which fell within their jurisdiction. This book provides a crucial reassessment of the seventeenth-century foundations of British imperial governance.

The Flying Cavalier (House of Winslow Book #23) Gilbert Morris 2006-06-01 When Lieutenant Lance Winslow goes to France to train with the best fliers in the world, he meets Noelle Laurent on the snowy streets of Paris and falls in love. Their marriage brings him great joy, but love cannot stop the Great War's approach...nor can his plane stop every German bomber. Josephine Hellinger quits her job with the New York Times to become a free-lance war correspondent. Knowing that no newspaper wants a female journalist on such a dangerous assignment, she strikes out on her own. When Josephine meets Lance Winslow, he is an embittered warrior. Personal tragedy fuels his single-minded obsession--to kill as many Germans as he can. Josephine must try to make a difference before it is too late. (House of Winslow Book

The Heavenly Fugitive (House of Winslow Book #27) Gilbert Morris 2006-10-01 While studying for his law degree, Phillip Winslow has found his niche working at Thornton Stables. His sister, Amelia, is still searching for something that will bring her happiness. Her rebellious nature, once kept in check by a desire to please her missionary parents, finally breaks free from those restraints. Against her family's wishes, she becomes a nightclub singer and dreams of making it on Broadway. While Amelia has gangster Tony Morino's bodyguard to thank for jumpstarting her career, Phillip finds himself drawn to Tony's daughter. As both Winslows are pulled further and further into a dangerous underworld, everything they hold dear is threatened.

In the Shadow of Jezebel (Treasures of His Love Book #4) Mesu Andrews 2014-03-04 Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. Her work as a priestess in the temple of Baal seems to do the trick. But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household, Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves? With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

Invisible Stars Donna Halper 2015-02-11 Invisible Stars was the first book to recognize that women have always played an important part in American electronic media. The emphasis is on social history, as the author skillfully explains how the changing role of women in different eras influenced their participation in broadcasting. This is not just the story of radio stars or broadcast journalists, but a social history of women both on and off the air. Beginning in the early 1920s with the emergence of radio, the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s, the gradual change in status of women in the 1950s and 1960s, the increased presence of women in broadcasting in the 1970s, and the successes of women in broadcasting in the 1980s and 1990s. The second edition is expanded to include the social and political changes that occurred in the 2000s, such as the growing number of women talk show hosts; changing attitudes about women in leadership roles in business; more about minority women in media; and women in sports and women sports announcers. The author addresses the question of whether women are in fact no longer invisible in electronic media. She provides an assessment of where progress for women (in society as well as broadcasting) can be seen, and where progress appears totally stalled.

Eighteenth-Century Criminal Transportation G. Morgan 2003-12-18 This is the first major study of the convict in the Atlantic world of the eighteenth century. It concentrates on the diverse characters of the

transported men, women and children, and their fate in the colonies, exploring at the local level the contrasts in sentencing, shipping and settlement of convicts in America. The central myths about transportation prevalent in the eighteenth century, particularly that most felons returned, are examined in the context of the burgeoning print culture of criminal biographies and newspaper stories. In addition, the exchange of representations between the two sides of the Atlantic, and the changing American reaction to convicts, are placed within the growing transatlantic debate on transportation before the American Revolution. Above all, the realities of escape, of convicts running away and returning to England, are subject to systematic investigation for the first time.

The Dixie Widow (House of Winslow Book #9) Gilbert Morris 2005-04-01 At the conclusion of The Last Confederate, almost twenty-four thousand Union and Confederate soldiers had fallen on the field of battle at Sharpsburg, making it the bloodiest day of American history. Among the casualties for the South was Captain Vance Wickham, husband of Belle Wickham. She was a daughter of Sky and Rebekah Winslow, and now the tragedy of war makes its dreaded call upon the Winslow family. In *The Dixie Widow*, Belle Wickham's sorrow turns to anger and bitterness, then finally to blind hatred for the North. She declares in steely voice, "I live for only one purpose: to see the Union destroyed," and vows to remain a widow until the Yankees are whipped. Belle is persuaded to travel to her Winslow relatives in the Washington, D.C. area and spy for the Confederacy--at the risk of her own life. Taken into the home of her grandfather, Captain Whitfield Winslow, she is in a strategic position to secure secret information to pass to the South. But an even greater tragedy awaits the Winslow family. Book 9 in *The House of Winslow*.

Cultivating a Landscape of Peace Matthew Dennis 2018-10-18 This book examines the peculiar new worlds of the Five Nations of the Iroquois, the Dutch, and the French, who shared cultural frontiers in seventeenth-century America. Viewing early America from the different perspectives of the diverse peoples who coexisted uneasily during the colonial encounter between Europeans and Indians, he explains a long-standing paradox: the apparent belligerence of the Five Nations, a people who saw themselves as promoters of universal peace. In a radically new interpretation of the Iroquois, Dennis argues that the Five Nations sought to incorporate their new European neighbors as kinspeople into their Longhouse, the physical symbolic embodiment of Iroquois domesticity and peace. He offers a close, original reading of the fundamental political myth of the Five Nations, the Deganawidah Epic, and situates it historically and ideologically in Iroquois life. Detailing the particular nature of Iroquois peace, he describes the Five Nations' diligent efforts to establish peace on their own terms and the frustrations and hostilities that stemmed from the fundamental contrast between Iroquois and European goals, expectations, and perceptions of human relationships.

Mrs. Lincoln's Dressmaker Jennifer Chiaverini 2013-01-15 The New York Times bestselling author of *Mrs. Lincoln's Sisters* unveils the private lives of President Abraham Lincoln and his wife, Mary Todd Lincoln, through the eyes of the First Lady's most trusted confidante and friend in this compelling historical novel. In a life that spanned nearly a century and witnessed some of the most momentous events in American history, Elizabeth Hobbs Keckley was born a slave. A gifted seamstress, she earned her freedom by the skill of her needle, and won the friendship of First Lady Mary Todd Lincoln by her devotion. A sweeping historical novel, *Mrs. Lincoln's Dressmaker* illuminates the extraordinary relationship the two women shared, beginning in the hallowed halls of the White House during the trials of the Civil War and enduring almost, but not quite, to the end of Mrs. Lincoln's days.

Islam Translated Ronit Ricci 2011-05-01 The spread of Islam eastward into South and Southeast Asia was one of the most significant cultural shifts in world history. As it expanded into these regions, Islam was received by cultures vastly different from those in the Middle East, incorporating them into a diverse global community that stretched from India to the Philippines. In *Islam Translated*, Ronit Ricci uses the *Book of One Thousand Questions*—from its Arabic original to its adaptations into the Javanese, Malay, and Tamil languages between the sixteenth and twentieth centuries—as a means to consider connections that linked Muslims across divides of distance and culture. Examining the circulation of this Islamic text and its varied literary forms, Ricci explores how processes of literary translation and religious conversion were historically interconnected forms of globalization, mutually dependent, and creatively reformulated within societies making the transition to Islam.
