Its for that reason unconditionally easy and for that reason fats, isnt it? You have to favor to in this proclaim

Bury My Heart at Wounded Knee Dee Brown 2012-10-23 The “fascinating” #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author’s personal collection.

Red Cloud S. D. Nelson 2017-03-14 “Readers will appreciate this complex look at Chief Red Cloud, who under duress, unimaginable trauma, and starvation made a difficult choice.” —School Library Journal (starred review) Red Cloud (1822–1909) was a great warrior and chief of the Lakota. Told from his perspective, *Red Cloud: A Lakota Story of War and Surrender* describes the events that brought him to prominence as a leader of his people and how he came to surrender them to the wasichus (White Man), ending their way of life on the Great Plains. From the intrusion of white settlers into Lakota territory, to the treaties signed with the U.S. government, and to the many subsequent battles, Red Cloud explains how the Lakota became the only nation to win a war against the U.S. Army on American soil. However, unlike fellow warriors Crazy Horse and Sitting Bull, Red Cloud eventually came to accept the inevitable advance of white civilization. He submitted to change and moved his followers onto a reservation. The story concludes with Red Cloud’s trip to the East Coast, where he visited New York City and met President Ulysses S. Grant. Award-winning author and member of the Standing Rock Sioux tribe S. D. Nelson reinterprets the nineteenth-century Lakota ledger-art style to give authenticity to the story as he brings to light one of the most controversial members of the Lakota tribe, Red Cloud. Backmatter includes a timeline. “An impressive amount of information movingly and handsomely conveyed.” —Kirkus Reviews (starred review) “The story, at once inspiring and sad, is expanded and enriched by Nelson’s beautiful ink, watercolor, and colored-pencil illustrations executed in the nineteenth-century Lakota ledger-book style.” —Booklist (starred review)

The Lakota Way Joseph M. Marshall III 2002-10-29 Joseph M. Marshall’s thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, *The Lakota Way* expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life—bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility embodied by the legendary Lakota leader Crazy Horse, *The Lakota Way* offers a fresh outlook on spirituality and ethical living.

Search for the Lost Trail of Crazy Horse Cleve Walstrom 2003 Historical search of Crazy Horse, his life and his death. Detailed family tree, photos, maps and further evidence included.

Ohitika Woman Mary Brave Bird 2014-11-18 “Ohitika Woman might be the nonfiction find of the year.” —Houston Chronicle The beloved sequel to the now-classic *Lakota Woman*, *Ohitika Woman* follows Mary Brave Bird as she continues her powerful, dramatic tale of ancient glory and present anguish, of courage and despair, of magic and mystery, and, above all, of the survival of both body and mind. Coming home from Wounded Knee in 1973, married to American Indian movement leader Leonard Crow Dog, Mary was a mother with the hope of a better life. But, as she says, “Trouble always finds me.” With brutal frankness she bares her innermost thoughts, recounting the dark as well as the bright moments in her always eventful life. She not only talks about the stark truths of being a Native American living in a white-dominated society but also addresses the experience of being a mother, a woman, and, rarest of all, a Sioux feminist. Filled with contrasts, courage, and endurance, *Ohitika Woman* is a powerful testament to Mary’s will and spirit.

Keep Going Joseph M. Marshall 2009-03 The author shares stories from the Lakota oral tradition, offering a unique perspective on the power of perseverance.

Black Elk Joe Jackson 2016-10-25 Winner of the Society of American Historians’ Francis Parkman Prize Winner of the PEN / Jacqueline Bograd Weld Award for Biography Best Biography of 2016, True West magazine Winner of the Western Writers of America 2017 Spur Award, Best Western Biography Finalist, National Book Critics Circle Award for Biography Long-listed for the Cundill History Prize One of the Best Books of 2016, The Boston Globe The epic life story of the Native American holy man who has inspired millions around the world *Black Elk*, the Native American holy man, is known to millions of readers around the world from his 1932 testimonial *Black Elk Speaks*. Adapted by the poet John G. Neihardt from a series of interviews with Black Elk and other elders at the Pine Ridge Reservation in South Dakota, *Black Elk Speaks* is one of the most widely read and admired works of American Indian literature. Cryptic and deeply personal, it has been read as a spiritual guide, a philosophical manifesto, and a text to be deconstructed—while the historical Black Elk has faded from view. In this sweeping book, Joe Jackson provides the definitive biographical account of a figure whose dramatic life converged with some of the most momentous events in the history of the American West. Born in an era of rising violence between the Sioux, white settlers, and U.S. government troops, Black Elk killed his first man at the Little Bighorn, witnessed the death of his second cousin Crazy Horse, and traveled to Europe with Buffalo Bill’s Wild West show. Upon his return, he was swept up in the traditionalist Ghost Dance movement and shaken by the Massacre at Wounded Knee. But Black Elk was not a warrior, instead accepting the path of a healer and holy man, motivated by a powerful prophetic vision that he struggled to understand. Although Black Elk embraced Catholicism in his later years, he continued to practice the old ways clandestinely and never refrained from seeking meaning in the visions that both haunted and inspired him. In *Black Elk*, Jackson has crafted a true American epic, restoring to its subject the richness of his times and gorgeously portraying a life of heroism and tragedy, adaptation and endurance, in an era of permanent crisis on the Great Plains.

The Mammoth Book of Native Americans Jon E. Lewis 2004-02-26 Native Americans make up less than one per cent of the total US population but represent half the nation’s languages and cultures. Here, in one grand sweep, is the full story of Native American society, culture and religion. Here is everything from the land-based spirituality of their early creation myths and the late rise of Indian Pride, to the 88 uses to which the Sioux put the flesh and bones of the buffalo and the practice of berdache (men adopted as women). The book offers a chronological history of America’s indigenous peoples. It covers their dramatic early entry into North America, out of the now submerged continent of Beringia, then in more recent times the ‘forgotten wars’ of the 16th and 17th centuries, which wiped many tribes from the face of the East Coast, and finally describes to the last struggles of the Cheyenne and the Comanche. Celebrating these peoples’ way of life rather than focusing narrowly on the manner of their genocide, it does not ignore uncomfortable facts of the Amerindian past - including the cannibalism believed to have been practised by some tribes and the Native Americans’ part in the decimation of North America’s buffalo herds.

Sitting Bull Bill Yenne 2008 Documents the life of *Sitting Bull*, from his youth as a warrior and rise as a tribal elder to his failed efforts to save the Lakota’s land and culture through nonviolence and negotiations.

Black Elk Speaks Black Elk 2014-03-01 Reveals the life of Lakota healer Nicholas Black Elk as he led his tribe’s battle against white settlers who threatened their homes and buffalo herds, and describes the victories and tragedies at Little Bighorn and Wounded Knee. Reprint.

Summary of Joseph Marshall’s The Journey of Crazy Horse Everest Media, 2022-07-21T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Lakota world was a far-reaching territory that was home to the Lakota people. The life path for sons flowed in two directions that were closely linked to each other: every boy grew up to be a hunter and a warrior, a provider and a protector. #2 The father sang a welcoming song for his new son. The journey began. #3 The son of Crazy Horse and Rattling Blanket Woman was no different than any Lakota child, except in one way. He had thick, shiny black hair that stayed black for most of his adulthood. #4 The Lakota people had a tradition of giving children names that reflected their characteristics. When a boy had brown hair and the color of his skin was lighter than usual, it meant trouble. But his mother gave him a name that would help him blend in with the other children.

Crazy Horse Larry McMurtry 1999-01-01 Legends cloud the life of Crazy Horse, a seminal figure in American history but an enigma even to his own people in his own day. This superb biography looks back across more than 120 years at the life and death of this great Sioux warrior who became a reluctant leader at the Battle of Little Bighorn. With his uncanny gift for understanding the human psyche, Larry McMurtry animates the character of this remarkable figure, whose betrayal by white representatives of the U.S. government was a tragic turning point in the history of the West. A mythic figure puzzled over by generations of historians, Crazy Horse emerges from McMurtry’s sensitive portrait as the poignant hero of a long-since-vanished epoch.

Walking with Grandfather Joseph M. Marshall Iii 2010-10-29 When we began our search for consultants for the Into the West, we were looking for individuals with a deep knowledge of the culture and history of the Lakota people. In Joe Marshall, we found that person, but the happy surprise was that we also found a poet, a storyteller, and an educator who led us through challenging terrain with great patience and wisdom. Michael Wright Executive in Charge of Production, Into The West Turner Network Television Native American lineage holders have long been cautious about sharing their spiritual truths because the essence of this wisdom has been so often misunderstood. In *Walking with Grandfather*, authentic Lakota lineage holder and award-winning storyteller Joseph M. Marshall breaks this silence with the very best from a lifetime of lessons passed on to him by his grandfather. With him, you will gain access to the timeless teachings that until now remained largely unheard outside the culture of the Lakota people. Part of an unbroken series of narratives dating back countless centuries, this rare new transmission includes Marshall’s rendition of legendary stories such as; *Follow Me* why it is not authority but character, compassion, and experience that make a good leader.

In the Footsteps of Crazy Horse Joseph Marshall 2015-11-10 Jimmy McClean is a Lakota boy—though you wouldn’t guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider’s perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840–1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with *Sitting Bull*, *Crazy Horse* was the last of the Lakota to surrender his people to the US army. Through his grandfather’s tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award

In the Spirit of Crazy Horse Peter Matthiessen 2012-07-31 On a hot June morning in 1975, a shoot-out between FBI agents and American Indians erupted on a reservation near Wounded Knee in South Dakota. Two FBI agents and one Indian died. Eventually four Indians, all members of the American Indian Movement (AIM) were indicted on murder charges, T twenty-two years late, one of them, Leonard Peltier, is still serving two consecutive life sentences. The story of what really happened and why Matthiessen is convinced of Peltier’s innocence, forms the central narrative in this classic work of investigative reporting. But Matthiessen also reveals the larger issues behind the Pine Ridge shoot-out: systematic discrimination by the white authorities; corporate determination to exploit the uranium deposits in the Black Hills; the breaking of treaties; and FBI hostility towards the AIM, which was set up to bring just such issues to light. When this book was first published it was immediately the subject of two \$25 million-dollar legal actions that attempted to suppress it permanently. After eight years of court battles, ending with a Supreme Court judgement, Matthiessen won the right to tell Peltier’s and his people’s story.

Returning to the Lakota Way Joseph M. Marshall, III 2014-11-03 In *Returning to the Lakota Way*, prolific author Joseph Marshall presents the follow-up to his highly regarded book *The Lakota Way*. Using beautiful storytelling to relay traditional tales passed down through the generations, Marshall once again takes the reader on a journey of growth and inspiration. Each chapter presents one story that exemplifies a quality or way of life that will encourage in readers a sense of inner peace amidst the busyness of modern life. From the hunting adventures of the raven and the wolf, we see the importance of tolerance; the lessons of the grasshopper impart the wisdom of patience; and the experiences of a young man named Walks Alone teach us about silence and turning within. Speaking to these and other universal qualities, such as faith and selflessness, Marshall gives readers insight into their own lives using tales from the past interspersed with stories from his own life growing up on the Rosebud Sioux Indian Reservation in South Dakota. In him, we see a clear example of the wisdom of history enhancing the state of the current world. This magnificent work will give readers an insider’s view of the Lakota people while providing universal lessons to enrich life.

Crazy Horse The Edward Clown Family 2016-08-29 The Edward Clown family, nearest living relatives to the Lakota war leader, presents the family tales and memories told to them about their famous grandfather. In many ways the oral history differs from what has become the standard and widely accepted biography of Crazy Horse. The family clarifies the inaccuracies and shares their story about the past, including what it means to them to be Lakota, the family genealogy, the life of Crazy Horse and his motivations, his death, and why they chose to keep quiet with their knowledge for so long before finally deciding to tell the truth as they know it. This book is a compelling addition to the body of works about Crazy Horse and the complicated and often conflicting events of that time period in American History. Floyd Clown, Doug War Eagle, and Don Red Thunder are the sole administrators and spokesmen of the Crazy Horse estate and often speak at historical gatherings and national parks about their family’s history. William Matson has produced and directed an award-winning video, *Sitting Bull’s Voice*, as well as the two-part video series, *The Authorized Biography of Sitting Bull by His Great-Grandson*, and the four-part video series, *The Authorized Biography of Crazy Horse and His Family*. He regularly speaks about these videos and their content at film festivals and has been working with the Crazy Horse family since 2001 to tell their story.

Crazy Horse Mari Sandoz 1942
The Journey of Crazy Horse Joseph M. Marshall III 2005-09-27 Drawing on vivid oral histories, Joseph M. Marshall’s intimate biography introduces a never-before-seen portrait of Crazy Horse and his Lakota community Most of the world remembers Crazy Horse as a peerless warrior who brought the U.S. Army to its knees at the Battle of Little Bighorn. But to his fellow Lakota Indians, he was a dutiful son and humble fighting man who—with valor, spirit, respect, and unparalleled leadership—fought for his people’s land, livelihood, and honor. In this fascinating biography, Joseph M. Marshall, himself a Lakota Indian, creates a vibrant portrait of the man, his times, and his legacy. Thanks to firsthand research and his culture’s rich oral tradition (rarely shared outside the Native American community), Marshall reveals many aspects of Crazy Horse’s life, including details of the powerful vision that convinced him of his duty to help preserve the Lakota homeland—a vision that changed the course of Crazy Horse’s life and spurred him confidently into battle time and time again. The Journey of Crazy Horse is the true story of how one man’s fight for his people’s survival roused his true genius as a strategist, commander, and trusted leader. And it is an unforgettable portrayal of a revered human being and a profound celebration of a culture, a community, and an enduring way of life. “Those wishing to understand Crazy Horse as the Lakota know him won’t find a better accout than Marshall’s.” -San Francisco Chronicle

Crazy Horse Kingsley M. Bray 2014-10-30 Crazy Horse was as much feared by tribal foes as he was honored by allies. His war record was unmatched by any of his peers, and his rout of Custer at the Little Bighorn reverberates through history. Yet so much about him is unknown or steeped in legend. Crazy Horse: A Lakota Life corrects older, idealized accounts—and draws on a greater variety of sources than other recent biographies—to expose the real Crazy Horse: not the brash Sioux warrior we have come to expect but a modest, reflective man whose courage was anchored in Lakota piety. Kingsley M. Bray has plumbed interviews of Crazy Horse’s contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse’s inner and public life. Bray places Crazy Horse within the rich context of the nineteenth-century Lakota world. He reassesses the war chief’s achievements in numerous battles and retraces the tragic sequence of misunderstandings, betrayals, and misjudgments that led to his death. Bray also explores the private tragedies that marred Crazy Horse’s childhood and the network of relationships that shaped his adult life. To this day, Crazy Horse remains a compelling symbol of resistance for modern Lakotas. Crazy Horse: A Lakota Life is a singular achievement, scholarly and authoritative, offering a complete portrait of the man and a fuller understanding of his place in American Indian and United States history.

Crazy Horse’s Vision Joseph Bruchac 2018-01-01 “This production offers an engaging, original way for children to learn about a Native American hero. Renowned Abenaki author Bruchac has selected interesting facts that reveal how a young boy is transformed into brave Crazy Horse. ...” AudioFile Magazine

Lakota America Pekka Hamalainen 2019-10-22 The first comprehensive history of the Lakota Indians and their profound role in shaping America’s history Named One of the New York Times Critics’ Top Books of 2019 - Named One of the 10 Best History Books of 2019 by Smithsonian Magazine - Winner of the MPIBA Reading the West Book Award for narrative nonfiction “Turned many of the stories I thought I knew about our nation inside out.”--Cornelia Channing, Paris Review, Favorite Books of 2019 “My favorite non-fiction book of this year.”--Tyler Cowen, Bloomberg Opinion “A brilliant, bold, gripping history.”--Simon Sebag Montefiore, London Evening Standard, Best Books of 2019 “All nations deserve to have their stories told with this degree of attentiveness”--Parul Sehgal, New York Times This first complete account of the Lakota Indians traces their rich and often surprising history from the early sixteenth to the early twenty-first century. Pekka Hämäläinen explores the Lakotas’ roots as marginal hunter-gatherers and reveals how they reinvented themselves twice: first as a river people who dominated the Missouri Valley, America’s great commercial artery, and then—in what was America’s first sweeping westward expansion—as a horse people who ruled supreme on the vast high plains. The Lakotas are imprinted in American historical memory. Red Cloud, Crazy Horse, and Sitting Bull are iconic figures in the American imagination, but in this groundbreaking book they emerge as something different: the architects of Lakota America, an expansive and enduring Indigenous regime that commanded human fates in the North American interior for generations. Hämäläinen’s deeply researched and engagingly written history places the Lakotas at the center of American history, and the results are revelatory.

The Heart of Everything That Is Bob Drury 2013 Draws on Red Cloud’s autobiography, which was lost for nearly a hundred years, to present the story of the great Oglala Sioux chief who was the only Plains Indian to defeat the United States Army in a war.

Crazy Horse and Custer Stephen E. Ambrose 2014-07-01 A New York Times bestseller from the author of *Band of Brothers*: The biography of two fighters forever linked by history and the battle at Little Bighorn. On the sparkling morning of June 25, 1876, 611 men of the United States 7th Cavalry rode toward the banks of Little Bighorn in the Montana Territory, where three thousand Indians stood waiting for battle. The lives of two great warriors would soon be forever linked throughout history: Crazy Horse, leader of the Oglala Sioux, and General George Armstrong Custer. Both were men of aggression and supreme courage. Both became leaders in their societies at very early ages. Both were stripped of power, in disgrace, and worked to earn back the respect of their people. And to both of them, the unspoiled grandeur of the Great Plains of North America was an irresistible challenge. Their parallel lives would pave the way, in a manner unknown to either, for an inevitable clash between two nations fighting for possession of the open prairie.

The Dance House Joseph Marshall 1998 Stories and essays on a Sioux Indian Reservation in South Dakota. The title story is on the role that a dance house plays in Indian society and illustrates the frequent adversarial relationship between Indians and the federal government.

Life’s Journey-Zuya Albert White Hat 2012-04-01 A fascinating look at Lakota lifeways and history through the voices of medicine men and White Hat’s personal stories

The Day the World Ended at Little Bighorn Joseph M. Marshall III 2008-05-27 The author of *The Journey of Crazy Horse* presents a legendary battle through the eyes of the Lakota The saga of Custer’s Last Stand, has become ingrained in the lore of the American West, and the key players Crazy Horse, Sitting Bull, and George Armstrong Custer have grown to larger-than-life proportions. Now, award-winning historian Joseph M. Marshall presents the revisionist view of the Battle of the Little Bighorn that has been available only in the Lakota oral tradition. Drawing on this rich source of storytelling, Marshall uncovers what really took place at the Little Big Horn and provides fresh insight into the significance of that bloody day.

Stone Song Win Blevins 2006-04-04 A Spur Award-winning retelling of the Battle of the Big Horn finds Lakota Sioux leader Crazy Horse endeavoring to reconcile his own beliefs with the wisdom of his tribe and leading his people into a conflict against General Custer and the U.S. Army. Reprint. 15,000 first printing.

The Face of Crazy Horse Cesare Marino 2018-02-14 First published in J.W. Vaughn’s classic, *With Crook at the Rosebud* more than sixty years ago, the “Crazy Horse” tintype has long been the subject of controversy. Most Indians and non-Indians have denied the existence of any possible photographic portrait of the Lakota mystic warrior, including the tintype. With an open-minded approach, *The Face of Crazy Horse* looks at the photographic history of the Lakota and at Crazy Horse “the man,” debunking the false myths created around the heroic figure of the Oglala war chief, including Crazy Horse’s refusal to be photographed for fear his soul would be stolen, and the frozen view of Crazy Horse’s unrelenting hatred of the White man. Contextual historical and photographic evidence, and a detailed analysis of the debated image, overall appearance, facial features, clothing, medicine bundle, breast-plate, and accessories, provide convincing evidence that the tintype indeed portrays the face and full portrait of Crazy Horse. This identification has long been supported by affidavits and testimonies from within the Lakota community, foremost those of Mrs. Ellen Howard, Jake Herman, and Dewey Beard (aka Iron Hail), and more recently by Francis White Lance and others.

Crazy Horse and the Real Reason for the Battle of the Little Big Horn Allen C. Ross 2000

The Power of Four Joseph Marshall 2009 Presents the four principles of leadership and philosophy embraced by the Sioux chief Crazy Horse, and explains that each individual has the ability within to influence others and become a leader. *Black Elk* Wallace Black Elk 1990 The author recounts his initiation into the Chanunpa, or sacred pipe, describes important Sioux rituals, and shares his outlook on life

On Behalf of the Wolf and the First Peoples Joseph Marshall 2008-04-01 A collection of essays by a Native American reflect on the history and philosophy of his people as he describes his experiences traveling across the country.

10 000 Pigs Can’t Be Wrong Adam Penning 2013-01 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of “The Journey of Crazy Horse: A Lakota History.” Don’t say we didn’t warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don’t buy this book if: 1. You don’t have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You’ve heard it all.

The Journey of Crazy Horse Joseph M. Marshall III 2005-09-27 Drawing on vivid oral histories, Joseph M. Marshall’s intimate biography introduces a never-before-seen portrait of Crazy Horse and his Lakota community Most of the world remembers Crazy Horse as a peerless warrior who brought the U.S. Army to its knees at the Battle of Little Bighorn. But to his fellow Lakota Indians, he was a dutiful son and humble fighting man who—with valor, spirit, respect, and unparalleled leadership—fought for his people’s land, livelihood, and honor. In this fascinating biography, Joseph M. Marshall, himself a Lakota Indian, creates a vibrant portrait of the man, his times, and his legacy. Thanks to firsthand research and his culture’s rich oral tradition (rarely shared outside the Native American community), Marshall reveals many aspects of Crazy Horse’s life, including details of the powerful vision that convinced him of his duty to help preserve the Lakota homeland—a vision that changed the course of Crazy Horse’s life and spurred him confidently into battle time and time again. The Journey of Crazy Horse is the true story of how one man’s fight for his people’s survival roused his true genius as a strategist, commander, and trusted leader. And it is an unforgettable portrayal of a revered human being and a profound celebration of a culture, a community, and an enduring way of life. “Those wishing to understand Crazy Horse as the Lakota know him won’t find a better accout than Marshall’s.” -San Francisco Chronicle

Crazy Horse and Custer S. D. Nelson 2021-11-09 With photographs and stunning illustrations from acclaimed author-artist S.D. Nelson, this thrilling double biography juxtaposes the lives of two enemies whose conflict changed American history: Crazy Horse and George Custer In 1876, Lakota chief Crazy Horse helped lead his people’s resistance against the white man’s invasion of the northern Great Plains. One of the leaders of the US military forces was Army Lt. Col. George Armstrong Custer. The men had long been enemies. At the height of the war, when tribalism had reached its peak, they crossed paths for the last time. In this action-packed double biography, S. D. Nelson draws fascinating parallels between Crazy Horse and Custer, whose lives were intertwined. These warriors were alike in many ways, yet they often collided in deadly rivalry. Witness reports and reflections by their peers and enemies accompany side-by-side storytelling that offers very different perspectives on the same historical events. The two men’s opposing destinies culminated in the infamous Battle of the Greasy Grass, as the Lakota called it, or the Battle of the Little Bighorn, as it was called by the Euro-Americans. In *Crazy Horse and Custer*, Nelson’s gripping narrative and signature illustration style based on Plains Indians ledger art, along with a mix of period photographs and paintings, shines light on two men whose conflict forever changed Lakota and US history. The book includes an author’s note, timeline, endnotes, and bibliography.

Crazy Horse Weeps Joseph M. Marshall 2019-04-22 For Lakota, Dakota, and Nakota people, historical trauma, chronically underfunded federal programs, and broken promises on the part of the US government have resulted in gaping health, educational, and economic disparities compared to the general population. Crazy Horse Weeps, offers a thorough historical overview of how South Dakota reservations have wound up in these tragic circumstances, showing how discrimination, a disorganized tribal government, and a devastating dissolution of Lakota culture by the US government have transformed the landscape of Native life. Yet these extraordinary challenges, Marshall argues, can be overcome. Focusing on issues of identity and authenticity, he uses his extensive experience in traditional Lakota wisdom to propose a return to traditional tribal values and to outline a plan for a hopeful future.

Hundred in the Hand (Easyread Large Edition) Joseph M. Marshall, III 2010 First in Joseph Marshall’s groundbreaking Lakota Westerns series, this riveting novel takes place during the Battle of the Hundred in the Hand, otherwise known as the Fetterman Massacre of 1866. The story comes alive through the eyes of Cloud, a dedicated warrior who fights alongside a young Crazy Horse during one of the coldest winters, as well as the white soldiers who mistake Cloud’s redheaded wife for a captive. A beautifully written and fast-paced Western, *Hundred in the Hand* brings new depth to the story of the battle and the Lakota people.

Crazy Horse Kingsley M. Bray 2006 A compelling portrait of Lakota leader Crazy Horse offers a full understanding of his place in both Native American and United States history in an in-depth examination that corrects older, idealized accounts of his inner and public life.

The Killing of Crazy Horse Thomas Powers 2010-11-02 He was the greatest Indian warrior of the nineteenth century. His victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat inflicted on the frontier Army. And the death of Crazy Horse in federal custody has remained a controversy for more than a century. The Killing of Crazy Horse pieces together the many sources of fear and misunderstanding that resulted in an official killing hard to distinguish from a crime. A rich cast of characters, whites and Indians alike, passes through this story, including Red Cloud, the chief who dominated Oglala history for fifty years but saw in Crazy Horse a dangerous rival; No Water and Woman Dress, both of whom hated Crazy Horse and schemed against him; the young interpreter Billy Garnett, son of a fifteen-year-old Oglala woman and a Confederate general killed at Gettysburg; General George Crook, who bitterly resented newspaper reports that he had been whipped by Crazy Horse in battle; Little Big Man, who betrayed Crazy Horse; Lieutenant William Philo Clark, the smart West Point graduate who thought he could “work” Indians to do the Army’s bidding; and Fast Thunder, who called Crazy Horse cousin, held him the moment he was stabbed, and then told his grandson thirty years later, “They tricked me! They tricked me!” At the center of the story is Crazy Horse himself, the warrior of few words whom the Crow said they knew best among the Sioux, because he always came closest to them in battle. No photograph of him exists today. The death of Crazy Horse was a traumatic event not only in Sioux but also

in American history. With the Great Sioux War as background and context, drawing on many new materials as well as documents in libraries and archives, Thomas Powers recounts the final months and days of Crazy Horse's life not to lay blame but to establish what happened.
