With Teeth

Kristen Arnett 2021-06-01 'With Teeth is a wonderfully sticky novel about motherhood, partnership, sex and love. Kristen Arnett lets her characters have the run of the place, and it's delicious fun to watch them do, say, and think things they'll regret' Emma Straub, author of All Adults Here 'Sublimely weird, fluently paced, brazenly funny and gayer still' Naoise Dolan, New York Times 'A darkly funny, brutally honest story about a woman undone by motherhood . . . With Teeth digs in deep and doesn't let go. I truly loved it' Jennifer Weiner, bestselling author of Mrs Everything and That Summer If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best - driving, cleaning, cooking, prodding him to finish projects for school - while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behaviour, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess - and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, Mostly Dead Things, with a candid take on queer family dynamics, With Teeth is a thought-provoking portrait of the delicate fabric of family - and the many ways it can be torn apart.

The Man Whose Teeth Were All Exactly Alike Philip K. Dick 2010-03-02 The Man Whose Teeth Were All Exactly Alike was written by Philip K. Dick in the winter and spring of 1960, in Point Reyes Station, California. In the sequence of Dick's work, The Man Whose Teeth was written immediately after Confessions of a Crap Artist; the next book Dick wrote was The Man in the High Castle, the Hugo Award-winning science fiction novel that ushered in the next stage of Dick's career. This novel, Dick said, is about Leo Runcible, "a brilliant, civicminded liberal Jew living in a rural WASP town in Marin County, California." Runcible, a real estate agent involved in a local battle with a neighbor, finds what look like Neanderthal bones and dreams of rising real estate prices because of the publicity. The Man Whose Teeth Were All Exactly Alike Philip K. Dick 2014-09-25 Small town America tears itself apart in this realist novel from one of the greats of science fiction Leo Runcible - of Runcible Realty - is too excitable and too pushy. His wife drinks too much. He may be a man of principle, but Liberal Jewish Leo is an outsider in the lilywhite Carquinez, Marin County. When he gets into a pointless argument with a customer over his neighbour Walt Dombrosio's house guests, the resulting ramifications follow a bizarre logic of cause and effect to lead in entirely unexpected directions ... And can Leo really have found the skull of a Neanderthal man in middle America? Mind in Motion Patricia S. Warrick 1987 Discussed here are the eight novels that Patricia Warrick considers representative of Dick’s finest writing—the works that will become classics, including The Man in the High Castle and Do Androids Dream of Electric Sheep? Warrick shows that Dick had a remarkable sense of the cultural transformation taking place in the last half of the 20th century. Dick points out the cracks in our institutions, our ideologies, and our value systems that will inevitably lead to their collapse. His moral vision perceived a universe of infinite possibility, with shapes that constantly transformed themselves—a universe in process. And his mind was a mind in motion, constantly questioning, finding answers, rejecting them in order to seek other possibilities. For Dick, having fixed, unchangeable answers was tantamount to entropy and death.

White Teeth Zadie Smith 2001-01-25 Chosen by the Guardian as one of the Best Books of the 21st Century From the MAN BOOKER PRIZE- and WOMEN'S PRIZE-SHORTLISTED author of Swing Time, On Beauty and Grand Union 'BELIEVE THE HYPE' The Times The international bestseller and modern classic of multicultural Britain - an unforgettable portrait of London One of the most talked about debut novels of all time, White Teeth is a funny, generous, big-hearted novel, adored by critics and readers alike. Dealing - among many other things - with friendship, love, war, three cultures and three families over three generations, one brown mouse, and the tricky way the past has of coming back and biting you on the ankle, it is a life-affirming, riotous must-read of a book. Philip K. Dick Douglas A. Mackey 1988 [The] author ... has undertaken the ... task of elucidating the psychological and philosophical issues that permeate all of Dick's work and that, [the author] argues, earn him a place with Borges and Kafka amongtwentieth-century writers. All of the nearly fifty novels and more numerous short stories are considered in this ... documented, chronological examination of Dick's constant probing of the meaning of reality and his lifelong effort to construct a personal mythology. Unlike previous studies, which have generally confined themselves to Dick's dozen or so mainstream science fiction masterpieces, [the author's] study focuses on Dick's development of techniques and themes and provides a balanced assessment of both technical failures and brilliant successes.-Book jacket.
